Message from the President

To You, The Class of 1953 . . .

I have an especially warm feeling for you, the class of '53. As you leave the campus I should like to tell you just why.

Individually, each of you has shown a high degree of college spirit. Collectively, your participation in extra-curricular activities has been a joy to watch. This enthusiasm has not been without an awareness of your responsibility to your community and to your fellow man. Your response to the needs of the underprivileged as demonstrated by your many charitable fraternity and sorority affairs, your immediate and unprecedented aid to the victims of the Worcester disaster, and your blood donations to the Red Cross . . . all these have stamped you as mature beyond your years. For you are a young class, far younger in years than the veterans who passed through our college just ahead of you.

Already you have discovered a great truth. "No life ever grows until it is focused, dedicated and disciplined."

The many representatives of the large business firms, who have come to our campus this year to recruit Bryant graduates, have commented on your poise as well as your qualifications. This makes me very happy. It justifies the sacrifice of your parents and the diligent instruction of your faculty. Many of you have already been hired by these important organizations. It pleases me to know that you will bring to the profession of business not only the superior knowledge and skill for which Bryant College has trained you, but those characteristics of leadership and personality which you yourselves developed by taking such an active part in our College life.

The Bachelor's Degree, which you have won by these years of hard work and adherence to the high scholastic standards of the College, is your key to a brighter future. I shall have the pleasure of conferring this degree upon you soon. Accept it with my personal joy in your own achievement and my deep confidence in the bright future that lies ahead of you.

(Signed) Henry L. Jacobs

From Dean Gulski's Desk

TO THE MEMBERS OF THE BUSINESS ADMINISTRATION AND ACCOUNTING AND FINANCE DIVISIONS OF THE GRADUATING CLASS OF 1953:

As the buzzer for the close of the last Senior Class ceases to vibrate the air, your ARCHWAY editor reminds me that another year is over—almost. In the same breath he wants to know what I would like to say to the graduates of 1953.

Nelson J. Gulski

Our association over the past two years has been a pleasure and as I came to know you more intimately, I enjoyed being with you every day and every hour. I hope that you have likewise obtained satisfaction from the accomplishments of our collaboration and that you will remember your College and its faculty with the satisfaction that comes from a job well done.

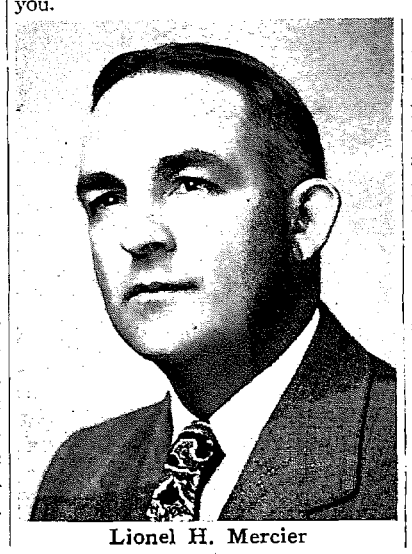

As you graduate from the student body of Bryant and join its alumni, you will find yourselves in the company of many able and distinguished individuals who have preceded you. They have exerted their best efforts to gain for themselves and for Bryant a reputation for outstanding performance in their respective fields. They, and we, expect you to join their ranks, bringing with you the professional qualifications and the social and civic responsibilities which will make you a source of strength and encouragement in their midst.

DEAN GULSKI

From Dean Mercier's Desk

TO THE MEMBERS OF THE TEACHER TRAINING AND SECRETARIAL DIVISIONS OF THE GRADUATING CLASS OF 1953:

May I commend each and every one of you upon the successful completion of your training. You have acquired the knowledges and skills necessary to secure a position. What you do with these knowledges and skills depends upon you.

Lionel H. Mercier

In your beginning job, get your feet on the ground before you attempt to move ahead. Make it a practice to think. Doing without thinking does not usually produce acceptable results. It is said that personality counts more towards progress than does technical skill. However, to rely solely on either personality or skill is an error.

Set high standards for yourself and work hard to attain them. The ability to get along with people, coupled with the knack of getting things done right and on time, will go a long way toward enabling you to reach your goal.

Senate Puts More Time Between Formal Dates

The September semester of 1953 will introduce a new ruling concerning formal dances. Passed by the Greek Letter Council and accepted by the Student Senate, the ruling was made that the Greek Letter Formal will precede the Spring Formal. The Greek Letter Formal will be held on April 30, the Spring Formal in June.

Action was taken by the Greek Letter on this matter due to the losses incurred in past years. It is the belief of the Greek Letter and Student Senate that this change will result in a larger attendance at the Greek Letter Formal.

Honorary Degrees to Be Given Five Notables

August seventh will dawn upon the Ninetieth Commencement of Bryant College. At this memorable occasion Mrs. Oveta Culp Hobby, Secretary, United States Department of Health, Education and Welfare, will give the commencement address. Mrs. Hobby, a member of President Eisenhower's cabinet, is the first woman commencement speaker in Bryant's 90-year history! She will receive the highest honor that Bryant can bestow.

Mrs. Oveta Culp Hobby

At the commencement four other distinguished men and women will receive honorary degrees from Bryant College. They are Mrs. Ivy Baker Priest, Treasurer of the United States; Mr. Morgan B. Brainard, President of the Aetna Life Insurance Company and Chairman of the Board of New York, New Haven and Hartford Railroad; Mr. J. C. Penney, Chairman of the Board of the J. C. Penney Company; and Mr. Roger W. Babson, Founder and Head of the Babson Institute.

The traditional ceremonies will begin at 10 a.m. on August 7 at the Veterans' Memorial Auditorium. The Invocation will be given by The Reverend Dr.

Editorial

Good-bye

This is the issue in which sincere congratulations are offered, sad good-byes are said, and grateful thanks are given. Since this will be my last opportunity to publically express these sentiments, I should like to do so here in my last editorial of this semester.

From Jack and myself, first of all, come heartiest congratulations and reluctant good-byes to the senior members of our staff who are leaving us this year. Next, an omnibus "thank you" to all the loyal members of our staff who have done their jobs willingly, faithfully, conscientiously, and have thereby helped us to make the ARCHWAY what it has been this semester. Also, our humble thanks to the Administration, exemplary of whom are Mr. E. Gardner Jacobs, and Mrs. Gertrude Meth Hochberg, for their unfailing cooperation, interest, and assistance throughout the semester, and to our worthy, ever-diligent advisor, Mr. Arthur K. Smith.

And now that Jack and I have expressed our joint message to our colleagues and counselors, I should like to deliver an individual message to that effervescent, energized, impish, impetuous, "Irish terrior", more commonly known as Jack, and affectionately dubbed "Little Caesar". To that incomparable individual whose shortness of stature is matched only by the shortness of his hair, I want to say this:

It's been great, Jack, working with, by, and for you this semester. Your spirit and determination have conquered a lot of difficulty, discouragement, exasperation, hard work. That special brand of energy and enthusiasm you've lavishly dispersed around this campus is something we should all try to imitate——I, for one, am going to try. If I can succeed in accomplishing next semester only a part of what you have accomplished this semester, I shall be a very happy Editor.

This is the last line of the paragraph, Chief: May the luck of the Irish be with you always.

Dr. Henry L. Jacobs has chosen for the topic of his Class Day address "Grow With the Years."

The Bryant College panel, consisting of professors from the BA School and the Secretarial School, chose Miss Clarissa Hayfield to give the Class Day address for the School of Business Teacher Training, and Daniel J. White to speak for the School of Business Administration. Daniel White's talk is entitled, "The Future." Miss Hayfield's topic is "The Past—A Basis for the Future."

George Perrin Did Magic On and Off Professional Stage

George Perrin

George Perrin can't always be found in person, but his handy work is always in sight. In his position as Publicity Director of the Genie Fund and member of the Board of Directors of the BA and A Society, George has turned out all of the promotion posters for these organizations on a mass production basis.

George has a knack for making every kind of business endeavor go smoothly. During the past semester, he has proved his business ability by efficiently carrying the Business Department of the Archway.

He is also Treasurer of his fraternity, Chi Gamma Iota, a member of the Key Society, and an active member of the Varsity Club. George has completed the BA II course here.

Maybe some of you know George by his other name—Richard Volcane, and you probably remember the magic act which he gave in the Bryant Brevities. After his military service, George plans to continue in show business as a professional magician.

Jack Moriarty

The recipient of the JEREMIAH CLARK BARBER AWARD is Daniel J. White. This award is presented by friends of the College in memory of Jeremiah C. Barber who was Dean of the School of Business Administration and a member of the faculty for forty-seven years.

Newman Club Elects

At its last meeting, the Newman Club of Bryant College elected the following people to serve as officers for the semester beginning in September. They are President, Bud Heney; Vice-President, Bob La Francois; Secretary, Peg Marnett; Treasurer, Tom Baechle; and Historian, Charlie Donneley.

Clarissa Hayfield, TT, Wins Genie Fund Scholarship Award

Clarissa Hayfield

At an assembly for the entire student body, the third Genie Fund Scholarship was awarded to Miss Clarissa May Hayfield, a student of teacher-training.

The assembly was opened by Fred Kenney, who introduced the speaker for the assembly, Mr. George Parkos, a government employee from Boston.

Mr. Parkos, a graduate of Bryant College, continued his studies in Business Administration at the Boston University Graduate School of Business Administration. In his talk he praised Bryant College for the excellent training that he was given. He noted that this training made it comparatively easy for him to make this change from Bryant to Boston University.

Miss Hayfield, the recipient of the scholarship, entered Bryant in 1949. At Bryant she took the Teacher-Training Course with a major in Secretarial Teacher-Training. She is a sister of Kappa Delta Kappa sorority, and she was admitted to the Key Society in 1950. She spent her training period as a practice teacher at the Coventry High School from September, 1952, to January, 1953, where she made a very good record for herself.

Miss Hayfield plans to attend Columbia University to do graduate work.

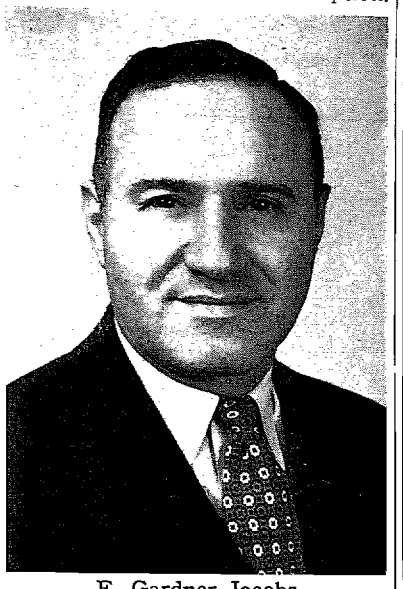

MASS. SENATOR, Maurice A. Donahue, speaking at the B. A. & A. Society banquet last week, urged the group to participate actively in the affairs of their community. The young senator spoke before 400 students and guests who attended the affair.

Veep E. Gardner Jacobs Hailed as 'Student Friend'

Champion of students' rights, human dynamo who gets things done with determination and purpose, School Spirit personified, energized, immortalized—who else but the Vice President of Bryant College, Mr. E. Gardner Jacobs, possesses those attributes and answers to that description.

The dynamic though subtle change he has wrought over the minds of the students during the past few months has been nothing short of miraculous. Because they know he is their friend, not only by his assertion but by his action, they have confidence and faith in his advice and counsel. By his leadership, his encouragement, his attitude, he has given the students the will and desire to strive for the improvements and innovations they want effected on campus. His judgment is respected, his suggestions heeded.

E. Gardner Jacobs

A few concrete examples of Mr. Jacobs' achievements are the many sports awards presented at the recent Varsity Club Assembly; the television sets in the dorms; horseshoe equipment; cedar lounge chairs installed in the dormitories; the placques and pins given to the ARCHWAY staff; the pins awarded to the graduating student Senators, the trophies awarded to the winners of the tennis tournaments and softball leagues. In addition to this, credit must be given to Mr. Jacobs for obtaining the inspiring ingenuity of Mrs. Mary T. Appleby to direct the first all-college revue ever performed at Bryant—a smash hit, by the way.

Certainly this man deserves the thanks, appreciation, devotion, and support of every single student on this campus. Surely he has earned recognition for his constant efforts in behalf of the student body who owe him much. So here and now, we of the ARCHWAY wish to give him some of that recognition he so greatly deserves, and to offer him our sincere thanks, our deep appreciation, our loyal devotion, and our continued support for all he has accomplished for us this year, and all he hopes to accomplish in years to come. May we live up to his expectations and justify the faith he has in us.

Why Gals' League Managers Get Gray

B. S. G. Fetes Underprivileged Tots At Lincoln Woods

Beta Sigma Gamma was greeted by seventeen smiling faces July 1, as they prepared to treat a group of underprivileged children. It was a beautiful day—just the day to take children out on a picnic.

This was the first project of its kind for the sorority and it couldn't have worked out better.

Lincoln Woods was the setting for the outing. The children were taken swimming, played games, and enjoyed watching their food being cooked. Each individual child was given a gift, which they picked from a grab bag.

After the children were returned to the Home, the entire sorority felt that they certainly added to the children's happiness. It was a job well done!

College Losing Top Leader As Fred Kenney Graduates

By C. A. P.

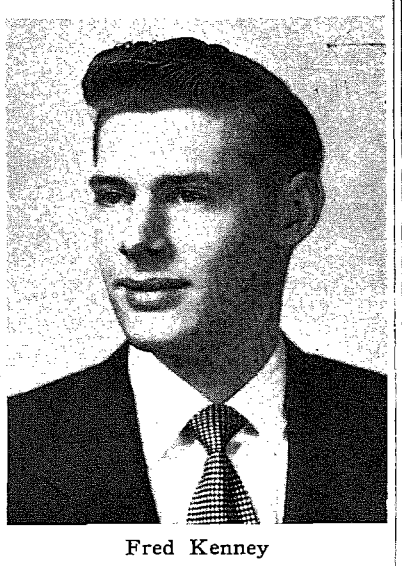

Fred Kenney, one of the head men of all student activities here this past semester, has been a leading figure in various organizations during his two years at Bryant.

During the past semester, Fred has been the President of the Student Senate and President of his fraternity, Phi Sigma Nu. He is also Chairman of the Board of the Genie Fund and an active member of the Student Activities Committee.

Besides all of these activities, Fred still has time to give full support to the other organizations to which he belongs. He is a member of the BA and A Society, the Glee Club, and the Greek Letter Council.

After graduation, Fred will enter military service in September. He plans to join his father in the insurance field after completing his term in the service.

Good luck, Fred! You've done a swell job!

PSN Wins Blood Cup With 36 Pints; Donors Total 106

By BERNIE GOLDSTEIN

The recent Bryant College "Blood for Korea" drive for the spring session was one of the most successful Blood Drive programs ever conducted here. This fact was largely due to the planning of Fred Kenney, Paul Hanaway, Bob George, Bob Dobbins, and Dick Stine, who were at the Central Congregational Church during the entire Blood Drive.

In conjunction with the Blood Drive was a fifteen-minute radio program conducted by Tod Williams of radio station WEAN in Providence. Mr. Williams interviewed students Bob Dobbins, Fred Kenney, Elaine Muratore, Don Lepine, and Bernie Goldstein on the spot after all had given blood.

The entire collection for the day was 106 pints of blood, most of which was given by Bryant students. This amount was considered "excellent" for this season of the year by the doctors present.

Among the fraternities on the Campus was a very active rivalry for the trophy which was being awarded to the fraternity with the most pints of blood contributed. Phi Sigma Nu won the contest with 36 pints pledged. This year, in order for a pint to count, a pledge had to actually go through processing at the blood center. The individual fraternity scores were:

Phi Sigma Nu	36
Kappa Tau	34
Beta Iota Beta	29
Beta Sigma Chi	11
Chi Gamma Iota	5
Sigma Lambda Pi	3
Tau Epsilon	2
Alpha Theta Chi	1

A plaque was awarded by the administration to Phi Sig for winning the contest. The presentation of the plaque was made by E. Gardner Jacobs at the Varsity Club Sports Night program held in the Auditorium on the day of the drive.

"DON'T MIND IT AT ALL," says Barbara Gilardi as a Red Cross worker takes a sample of her blood for testing. Barbara, like many other co-eds, gave a pint of blood at the recent "Blood for Korea Drive."

'Dunk,' Man of Few Words Will Long Be Remembered

Tom Dunklee, for the past year, has kept the student body of Bryant informed on the news behind the news in his ARCHWAY column, "One Man's Opinion."

But the admirable job he has done on this newspaper is insignificant in comparison with his many other accomplishments.

His active participation in the Student Senate, B. A. & A. Society, and Kappa Tau, of which he was president for the past year, has made his record at Bryant an enviable one.

"Dunk", a native of Rutland, Vermont, entered Bryant in 1951, and has majored in Management.

Though a man of few words, his mind was ever at work thinking of some scheme to build school spirit or benefit Bryant and its students.

He has contributed a great deal to Bryant, both in thought and deed, for which he will be affectionately remembered by his faculty and friends.

Trustee Dictates To Advanced Shorthand Secretarial Class

On Wednesday, July 1, the Advanced Shorthand class again had the privilege of having a well-known Providence businessman dictate actual correspondence. Mr. Ernest I. Kilcup, president and treasurer of the Davol Rubber Company, dictated letters common to his company—both authentic and extemporaneous. A tape recording was made to be added to the collection, which is for future use.

Mr. Kilcup serves as director of The Bradley Home, the Automobile Mutual, the American Wringer Company in Woonsocket, the Blue Cross, and the Phoenix National Bank. In addition to all these important activities, he is also a member of the Board of Trustees of Bryant College.

Garry Coleman's list of activities and achievements at Bryant shines with many of the offices he has held.

Garry Coleman

Coming from Rome, New York, in 1951, Garry entered the School of Business Administration with a major in Management.

The fact that during his two years here Garry has been elected president of the Greek Letter Council, president of the Newman Club, and president of his fraternity, Tau Epsilon, proves how much confidence his fellow classmates have in his ability to lead and organize.

Garry has also served as vice president of the Student Senate. Among his other activities were the Business Administration and Accounting Society, Genie Fund Committee, Student Activity Committee and ARCHWAY Staff.

Upon graduation, Garry will enter the military service after which he plans to enter the trucking business with his father in upper New York state.

Growing

Fall Enrollment Exceeds Last Year; New Dorm Acquired

Bryant College is growing by leaps and bounds. As the College enters its ninety-first year, the advanced enrollment for the September semester is ahead of the enrollment of this year and keeps increasing every day. Right now the total school enrollment stands between eleven and twelve hundred students in the day division alone, which is a 15% increase over this year.

At present, all available rooms in the girls' dormitories are filled, including Bryant Hall which will be a girls' dormitory next year.

The College has also acquired a new dormitory for men, which will be ready for use in September. The new dormitory, which has not been named yet, will be at 163 Governor Street, across the street from Comery House at 166 Waterman Street. The new dormitory will be able to accommodate twenty-four students when it opens in September.

The enrollment for September, as in the past, includes a large number of Korean veterans as well as a number of students who will come to Bryant from foreign countries.

Applications for enrollment are still being received, and more students can still be accommodated.

Bryant Grad Will Bring Bride to Native Land

On July 29, two Bryant alumni, who recently became man and wife, will board a ship at New York and sail to Port au Prince, Haiti, where they will make their home. The lucky couple is Mr. and Mrs. Adrien LaRoche.

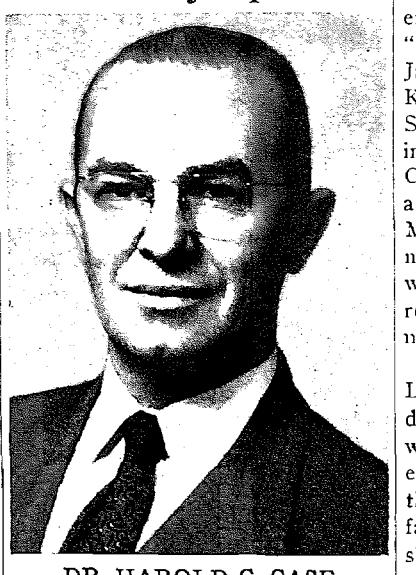

Adrien, well known during his five semesters at Bryant for his hurdling, high-jumping, and tennis prowess, as well as his unusual dancing ability, is a citizen of Haiti in the West Indies. He is the third LaRoche brother to attend Bryant College. Adrien majored in Accounting here and upon his return to Haiti, he will enter his father's business. He was a brother of Phi Sigma Nu.

Mrs. LaRoche, the former Anna Knight of Westmoreland, New Hampshire, graduated from the one-year Secretarial course in August, 1952. She was a member of Alpha Phi Kappa and treasurer of Harriet Hall.

Seventy-five Dine, Dance At Student Senate Banquet

The semi-annual Student Senate banquet was held recently at the Admiral Inn in Lonsdale. Approximately seventy-five senators and their guests comprised the group. Mr. and Mrs. E. Gardner Jacobs, Mr. and Mrs. R. Lucien Appleby, Mr. and Mrs. Nelson J. Gulski, Mr. and Mrs. John Allen, Mr. and Mrs. Robert Hochberg, and Mrs. Lautrelle P. Love were among the faculty guests who attended.

Class Day Speaker

DR. HAROLD C. CASE
President, Boston University

Following dinners of lobster, roast beef, and chicken, the guests were entertained by Bob George singing "Old Man River", after which Mr. Jacobs presented placques to Fred Kenney, retiring president of the Senate, and Garry Coleman, retiring President of the Greek Letter Council, for their outstanding achievements during the semester. Mr. Jacobs then announced the names of the senior Senators who will soon receive gold-filled pins in recognition of their participation and membership in the Student Senate.

Fred Kenney then introduced Tom La Barre, the newly elected President of the Senate, who said a few words. The main speaker of the evening, Mr. Appleby, gave a talk on the youth of today, the future they face, and the way in which they should face it.

Dancing ended the evening's entertainment.
