My Darling,

Mail call at last! Oh honey it was so swell to get those letters from you at last. They were wonderful darling. You write a swell letter, you just said exactly what I wanted to hear angel. Honey you think you're luckier I'm the luckiest guy in the world. Darling you were a wonderful fiancée, but you're a much more wonderful wife. Every night I thank God for you and your love.

Honey I miss you so much, those letters just made

we miss you moves you're
so sweet darling. I wonder if
I'll ever be able to tell you
how much I love you. You're
part of me and of my
life now, I feel so much
better now that we've married,
and there's only a week
to go and I promise you
we'll be together every possible
minute we can darling.

When I'm away from
you I'm not at ease,
There always seems to be
something missing. It's so
hard to describe that feeling,
but it's awful, and by
Jada's Priest I'm never
going to have it again as
long as I'm in this country
if I can help it. I
guess you could compare it
to trying to paint a
sunset in black and white.
So'd have a pretty picture

no doubt, but there would be something missing. That something would be color, beauty, and life itself, and without them the picture is meaningless and dull.

Darling, I love you so much that sometimes it hurts, I never thought I'd ever love anyone that way.

Well today I got loads of mail. I'm sending you the ones that were intended for you, or should I say us, seein' as I opened them, but they were for us.

Oh, and the pictures came, and honey, they're wonderful. ~~The~~ You look marvelous in all of them.

Always remembered to hold
your head up when you're
photographed. ~~Good~~ they're
swell honny. I hope you like
them. I'll try to send the to
you if I can get an envelope.
If I can't you'll have to
wait until I get home.

You sure have been
busy baby. Those people
must be swell I'm glad
you have met so many.
I want to met them too
darling, ev. blonder you say?
I've got so many questions
to answer, but I guess I've
answered most of them.
But there's one I want
to answer again if I
already have:—

No honny I'm more
sure now than I ever
was that we haven't
made a mistake. In
fact those few days proved

to me move so, so much
 more so that we haven't.
 Honey those "little complications"
 you spoke of weren't our
 fault. We were just very
 disappointed about me
 having to live in ~~the~~ port
 and going to gunnery,
 and your condition, and —
 well, just circumstances.
 They were pretty natural
 I think. I've never given
 it a second thought. I hope
 you haven't.

If I stay in Selma
 I think we'll get an
 apartment darling. I don't
 think much of the idea
 of you living in one
 room flats, and I'd like

it much better too. Then
at least we could sort of
have our own home, I
mean place to live and
we'd be alone too.

I think we'd be thrown
out of a rooming house
anyhow, but quick.

I flew again today
fired only 200 rounds
and scored seven hits.
I told it was luck
yesterday. Well anyhow
I was highest in our
flight, counting yesterday's
scores. But don't go telling
everybody that now. I've
still got 1400 rounds
to go. This stuff is
really hard too, I think
I've shot my highest score.

I wish I could see
you this weekend. We're
not flying Sunday but
they've got something
planned for us at the

UNITED STATES
ARMY AIR FORCES

main field. But I saw
the c.o. again today and
if we didn't have to
do anything I could have
gone. Oh well only
about a week more darling.
and I'm growling already.
must be suffering from
that well know Oriental
disease "haki'a' nookie".
Seems to be an epidemic
down here.

The pictures are really
wonderful darling. we'll
have some more made
when I get back. The
colored ones will be here
soon he said.

It's getting late again
beautiful, time to hit the
sack. I love you angel.

Gosh honey, I love you
over so much, I wish I
could tell you.

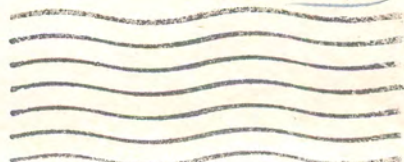

I miss you terribly
I hope this time goes fast.

So until next Sunday
angel I send you all
my love and devotion
and remain, always,

your devoted husband
