Dear Folks,

Got your letter of Jan 5 with  
Phil's enclosed this noon. So sorry  
about that other letter. As you guessed I  
mailed it at the same time I mailed Dot's  
note but I forgot to put Maine on the  
address. I even mailed it in Macon so  
it would get there faster! Naturally  
it came back to me at camp the next day.  
The mail clerk + I looked it all over and  
couldn't see anything wrong so sent it  
out again and the next day back it  
came again. Then I discovered what  
the matter was!

This week has been very busy at the  
office and I have been very tired. I have been  
to several shows as I didn't want to stay  
in the barracks too many evenings.

Mother, do you remember on those old rank sheets you used to help me with the name of Phyllis Legasse? She came into the Station Complementary unit this week and I took her to the show one night. She has grown up into a nice appearing girl and it seemed nice to both of us to see someone from home.

Olga + I bought us an electric heater which has helped us on some of the cold nights we had last week. The weather varies from very cold to nice and warm. We even played tennis last Sunday for a while but yesterday was rainy and I slept nearly all day. Went to the office + worked a couple of hours in the evening.

I saw the picture "Here come the Waves" very good, and "The Thin Man Goes Home" which was fair.

Sis, I had a letter from Bob dated 21 Dec. saying he had received the boxes.

He wants me to send him some more  
Pecan Pralines which I shall do if I  
can find any.

I wish I were near enough to get home  
for a week-end once in a while.

Must stop now and get to work

Love to all

Kay
