

Sunday 5 20

my darling,

Just got home a few minutes ago. Golly, honey. I've really got it bad. I'm so in love with you. I wanted to be alone with you for a while today but it's probably a good thing I wasn't. There were a couple of things I was going to say - nothing important but it's undoubtedly for the best that we weren't alone today.

What a bunch of moods we went through last night. Just about everyone in the books. or don't they have a book of moods?

Gee, honey, you're so wonderful and patient. I love you so.

The more I think about March,
the further it seems away.
Gee, honey, will it ever get here.
Everyone I see says it will be
here before I know it. I wish
I could believe that. Time
sure flies when I'm with
you but golly, darling, when
you're not around, every
minute drags. I love you
so, honey.

Sudson. I know that I've
never been in love with
anyone before. There could never
be anyone else for me either,
darling. You've spoiled me
for every other male. There

isn't a man living who could
compare to you. I love you
so, darling. I only wish that
I could show you how
much I love you. That's
one thing I'll never be able
to do.

I love you so, my darling.
Honestly, you're so sweet and
thoughtful. How can anyone
be as wonderful as you.

Sadson, I do hate to
be away from you even
for a few minutes. These
next two months will be
murder, darling, I don't know

what I'll ever do without
you for two whole months.

Darling, I'm in a rut.
I can't think of anything
but you & being near you. That's
the only thing I care to think
about, so.

Man, this can't go on
much longer. Golly I love
you so. Weekends go so
fast now. This one just
flew so awfully fast.

Darling, I meant to thank
you for having us up to the
Air Show. It was wonderful.
Gee, those planes were beautiful.
I can understand how you
love them so much & I wish

I could ply with you. It was
a wonderful show + you're
wonderful, too. What a one track
mind I have, darling.

How do you like this short
little letter, my darling? I just
go on + on writing to you - You're
so marvelous + I love you.

Honey, it just doesn't seem
possible. Really, I was so sure
that I never could love
you any more than I did
before but - well, it's the
same old story. I love you
so much more, my darling.
It just doesn't seem possible,
honey, that I could love
anyone this much.

well, my darling, please write often.
I love you so. Oh, hell Steve I'll try to
write Pina tomorrow. I don't have
anything to tell him, though because
I'm in such a fog that I wouldn't
hear anything anyone said to me.

What did you do after you
left us tonight? Golly, I hated to
leave you today. Honey, well, now, I've
got to get to sleep. It's about 7:30
and I'll probably get there about
nine -

I love you -

All my love,
Dotie
