BRYANT COLLEGE, PROVIDENCE, R. I.

May, 1947

McELROY TO SING AT CONCERT

Professor Ralph S. Handy, director of the musical clubs, has announced that June 4 has tentatively been set as the date for the annual spring concert to be held in the college auditorium.

The feature soloist of the evening will be Francis McElroy, tenor, who studied voice from distinguished teachers both in this country and in Europe. His selections have not yet been disclosed. Solos will also be played by Claire Audette, Victor Mariano, and Danny Giovanucci.

A few of the selections to be sung by the Women's Glee Club are "Begin the Beguine," "Night and Day," and "Jalousie." The Men's Glee Club has chosen "Wagon Wheels," "Old Faithful," and "South of the Border" as their feature numbers.

The Orchestra who has progressed rapidly since September will present "Light Cavalry Overture," "Pavanne," "El Relacario," and excerpts from "Rhapsody in Blue."

Press Association Elects Carleen

At a meeting held in the Rhode Island College of Education, the Rhode Island Inter-collegiate Press Association elected the following officers: President, Warren Carleen (Managing Editor of the Brown Herald); vice-president, Charles Wielgus (Editor of the ARCHWAY); secretary, Paul Kelley (Editor of the Providence College Owl); treasurer, Joan Alexander (Editor of the R. I. C. E. Anchor).

The purposes of the newly formed organization, which was first conceived in the mind of Mr. Frank Green of the Rhode Island College of Education, are the exchange of ideas and information pertaining to collegiate publications and the fostering of cordial social relations between publication staffs.

Member publications of RIIPA are: The Pembroke Record, The R. I. State Beacon, The Brown Herald, The Archway, The Providence College Owl, The R. I. C. E. Anchor, and the Y. M. C. A. Triangle.

A banquet scheduled for May 24 will be held at Johnson's. Mr. Sevellon Brown, editor of the Providence Journal is to be guest speaker.

MAY QUEEN

Miss Ruth M. Carty was chosen May Queen at the Sigma Iota Chi "April Showers Ball." After having been selected by seven judges who are members of the faculty, Ruth was presented a dozen and a half tea roses and escorted to the royal throne. There, Claire Messinger, President of Sigma, presented gifts to Ruth and to her escort, Mr. Raymond McKee of Valley Falls, R. I. The lovely queen wearing a light orchid, satin and net gown with tiny ribbons tucked in her hair led the grand march.

Ruth, a Sophomore in the Teacher Training course, is Secretary of the Kappa Delta Kappa Sorority, Vice president of the Newman club, and a member of the Masquers, Beta Chi Tau, and the ARCHWAY staff.

PHYSICIAN RETURNS

Dr. William Leet, the Bryant College approved physician, has returned from military service and will take care of Bryant students when called upon. Dr. Leet may be reached at 199 Thayer Street, telephone, Union 1158.

Greek Letter Date Set

The Greek Letter Council has recently announced that the 10th Annual Greek Letter Dance will be held June 21, at the Biltmore Hotel. Both the Ballroom and Foyer have been engaged for this occasion.

NEWMAN CLUB SEES MOVIE

Recently, the Newman Club had an evening that was a little different from the usual monthly meetings. On this occasion a movie was shown explaining, in brief, the life in the seminary and the steps leading to the ordination of a priest.

Throughout the showing of the film there were comments regarding the various stages which are:

The Tonsure — distinguishes a layman from a cleric.

The four minor orders—Porter, Reader, Exorcist, and Acolyte.

The three major orders — Sub-deaconate, Deaconate, and the Priest, the ordination to the sacred ministry.

Something of the power and beauty (Continued on page 2)

Hebrew Club Installs

Gerald Carlin was installed as President of the Bryant College Hebrew Co-Ed Club at installation exercises held at 151 Waterman Street.

Other officers installed were: Jack Wilkes, vice president; Selma Warner, corresponding secretary; Janet Jackson, recording secretary; Howard Rodin, treasurer; and Bert Colodney, sergeant-at-arms.

Mr. E. Gardner Jacobs was the installing officer. The meeting was opened by acting chairman Meyer Lindenman.

Honorary membership was conferred upon Mr. Joseph Finkle, liaison officer between the Hebrew Co-Ed Club and the Roger Williams Lodge of B'nai B'rith and upon Mr. E. Gardner Jacobs.

The Invocation and Benediction was given by Rabbi Morris Pickholtz.

The exercises were followed by dancing and refreshments donated by Roger Williams Chapter of B'nai B'rith women.

Bryant and two other Providence colleges have become members of the Southern New England Coastal Conference, a group which was organized at Fall River to promote better athletic relations among colleges in Southern New England.

John W. O'Brien was the leader in setting up the conference. Mr. O'Brien is the basketball coach at Rhode Island College of Education.

Members of the conference are: Bradford R. I. College of Pharmacy, Durfee Tech, Bridgewater (Mass.) State Teachers College, New Bedford Institute, Calvin Coolidge College of Boston, Rhode Island College of Education, and Bryant College.

After adopting a constitution the following officers were elected: President, Francis Tripp, New Bedford Textile; vice-president, Rudy LaVault, Durfee Tech, and secretary-treasurer, John W. O'Brien of RICE.

The conference hopes to formulate a complete athletic program, but it is expected that basketball will form the backbone of league competition for the present.

Travel problems in competing with teams of their calibre prompted the organizers of the new conference. The present regional alignment will allow conference competition on a home and home basis.

Vice-president E. Gardner Jacobs has announced that the formation of a varsity basketball team will in no way affect the usual intramural program of the college.

Student Round Table

At a recent meeting the Student Council approved the formation of what is at present the only extra-curricular discussion group on the campus.

The purposes of the activity are to stimulate sound thinking, familiarize students with "roundtable" procedure, and develop the ability to speak to groups with ease.

The moderator for the initial discussion was Charles Wielgus. Participants included, Terrence Rielly, Francis Devine, Al Acker, Russ Connell, George Barlow Jr., Ruth Carty, Lorraine LeMay, Marilyn Bourne, and Ken Buongiorno.

FEDERATION

An editorial entitled "For Federal Union" appeared in the Providence Evening Bulletin the day after the Bryant Student Activities Council voted upon the recognized existence of the Student Round Table.

The editorial was based on a concurrent resolution which has been introduced in the House by Rep. Hale Boggs of Louisiana and in the upper branch by Senators Fulbright and Thomas which says:

"The Congress hereby favors the creation of a United States of Europe within the framework of the United Nations."

The editorial states "if we believe that a federation of the western European democracies is a 'positive solution to an important source of trouble in the world,' then how much more vital and inspiring is a federation in which the United States is a member."

The United States of Europe has been an ideal which has caught the imagination of many far-sighted men, among them was Victor Hugo, whose wide-ranging mind encompassed many subjects. In 1849, while at the International Peace Congress at Paris he said:

"A day will come when those two immense groups the United States of America and the United States of Europe, shall be seen placed in the presence of each other, extending the hand of fellowship across the ocean, exchanging their produce, their commerce, their industry, their arts, their genius, clearing the earth, peopling the deserts, improving creation under the eye of the Creator and uniting, for the good of all, these two irresistible and infinite powers, the fraternity of men and the power of God."

Men like Prime Minister Attlee and Winston Churchill, who we know is diametrically opposed to the Socialism of Attlee, are foremost proponents of the federation.

The "Federal Union" editorial writer believes one extra step should be taken and that is the inclusion of the United States. He

CONGRATS

Many students have started the new semester off with a bang by completing their terminal speeds in shorthand.

Up to date our Congrats list includes forty-five names, but this is not enough. Let's make our next column a record-breaking one.

The group to be congratulated this month includes:

Margaret Amidon	140	160
Rosemarie Budka	140	160
Claire Jackson	140	160
Ruth Karstens	140	160
Virginia Remington	140	160
Elaine Shapiro	140	160
Muriel Blain	120	140
Lucille Rolletta	120	140
Victoria Schneible	120	140
Patricia Wesley	120	140
Isabelle Wheeler	120	140

states, "The United States of Europe is a magnificent but incomplete idea. The union of the United States of Europe and the United States of America would be, by its very strength, the guarantor of universal peace."

Boggs, Fulbright, and Thomas favor a United States of Europe, the writer of the Bulletin editorial and many other famous figures see the advantages of the United States of Europe and America. What do you as a student and an inhabitant of the United States favor? You have the opportunity to express your convictions at the monthly Student "round tables" which are being conducted in the Bryant Library.

Education For Mutual Understanding

This year Bryant received an invitation from the Board of Control of the Eastern States' Association of Professional Schools for Teachers to have representation at the 21st annual spring conference.

Ruth Carty, Sophomore of the teacher-training class, elected delegate by the teacher-training club, and Barbara Niemiec, President of the teacher-training club, were the two student representatives from Bryant, with Mr. Mercier as the faculty representative.

Ninety-three Eastern teacher colleges were represented at this conference, with a total of about five hundred delegates attending.

The governing thought all during the conference was that throughout the world there must be tolerance — tolerance through understanding — understanding through education. The whole world must be able to understand the customs, religious and social beliefs, etc., of people in every section of the world, in order to understand why they do what they do, when they do it.

On March 20, registration of the delegates in the Grand Ballroom of the Hotel Commodore was followed by a faculty-student conference. This part of the conference dealt with "Arbitration in Human Affairs." There were several speakers who explained the necessity of arbitration in industry, in politics, and in the home. It was stressed that the only way to settle disputes between any two sides—

Reunion Planned

At a meeting held in South Hall, the B. A. Division, Class of '47, has

made preliminary plans for a reunion which is to be held in 1950 at the Sheraton-Biltmore Hotel.

Charles Wielgus has been elected Chairman of the Reunion Council; treasurer, Joseph Mandato; secretary, Esther Rossini; sgt. at arms, Vincent Lonardo.

Shanley Heads Newmans

Following the 9:00 Mass in St. Raymond's Church, Providence, the Newman Club held its annual Communion Breakfast at Howard Johnson's on North Main Street.

After the Breakfast which was attended by about 100 members, Rev. Fr. Grace of St. Raymond's spoke on the necessity of love of neighbor, as a result of love of God, if we are to have any peace in the world.

There were elections of officers for the coming year and the following people were elected: President, James Shanley; Vice-President, Ruth Carty; Secretary, Lorraine LeMay; and Treasurer, Ed O'Connell.

NEWMAN ... (Continued)

ty of the priesthood was manifested in the scene in the movie in which also the magnificence of the Mass was evidenced by the tableau of the Last Supper when the replica of Christ's taking bread, blessing and offering it, was accompanied by the change of the Apostles into sacredly vested priests offering the Sacred Host to God.

After the movie, Fr. Kelly, the moderator, gave an excellent elaboration on all that had been shown.

BRUISERS CAPTURE CHAMPIONSHIP

Defeat Bachelors in Playoff

Ardent basketball fans given a treat when they witnessed the Bryant College Playoffs recently at Bryant Gym between the Bruisers and the Bachelors. The Gym was filled to capacity on both occasions and the teams responded by putting on a good exhibition.

It was agreed that the playoffs would be a best "two out of three" series. However, the Bruisers upset the plans by winning the first two games thus making a third game unnecessary.

In a closely played game the Bruisers came out on top to the tune of 31-27. Teddy Lussier was high scorer for the winners with 7 points and Gene Matuszek scored the same number for his team.

In the second game, it was the same thing again, a closely matched contest sparked by brilliant floor performances on the part of Dugas and Fernandez of the Bachelors. As was the case previously, the Bruisers were on top again 34-30. John Sadowski, Bryant's second highest scorer, and Al Genga paced the Bruisers with 9 points. Henry "Duke" Dugas, individual high scorer for the College, and M. Fernandez stole the scoring honors with 11 points each.

The score:

BRUISERS

SIGMA LAMBDA THETA WINS

GIRLS' BASKETBALL CHAMPIONSHIP

Defeats Sigma Iota Beta in Thriller

During the girls' basketball season much competition was had between Sigma Lambda Theta and Sigma Iota Beta. Sigma Lambda Theta won the first round and a tie existed between Sigma Lambda and Sigma Iota at the end of the second half.

The game to determine the second round winner was a thriller with the girls on both teams displaying great offensive and defensive play. Sigma Iota Beta won the game 26-19. Next came the championship match at which both teams displayed excellent teamwork. Defensive work had a definite influence on the final score. The Sigma Lambdas won 16-9.

Rosemarie Budka sparked Sigma Lambda Theta's team with a total of 124 points for the season. Eileen Kingsley led Sigma Iota's scores with 85 points followed by 66 for Ruth Karstens.

K.D.K. Captures

Girls' Bowling Crown

K.D.K., Sigma Lambda Theta, and George Street all were close contenders for the girls' bowling championship up until the second last week of play. Mary Monti really came through in the needed moment when she rolled games of 106, 96, and 105 thereby helping K.D.K. take four games from George Street. Up until this second last week of play, all three top teams were neck and neck for first place.

PRODUCER

Above: Ray Stephens and Dorothy Buckler, Director

Tap dancing and piano lessons proved to be an outstanding asset for Ray Stephens of West Haven, Connecticut, that versatile young man in the B. A. Division, who recently produced "Cole Black Joe." This production was Ray's first attempt at writing.

Ray's talents were exhibited at the Christmas Ball held at the Biltmore when he introduced the song, "At the Bryant Christmas Ball."

Some of the songs in "Cole Black Joe" already were composed by Ray before he worked the songs into story form. Probably the song, "New York, New Haven, and Hartford" was inspired during Ray's employment with the Railroad Company. "Aincha Goin' to the Harvest Hop" was presented through the courtesy of Phi Sigma Nu, of which Ray is a member.

At present, "the personality of the month" is working on another production, "Heavens to Betsy" which is concerned with the boy's dorm at 95 Governor Street.

During grammar school days, Ray participated in several shows and directed musical productions ever since he began high school. While in the Navy, he also appeared in several U. S. O. and Navy shows.

You will find Ray billed as a professional entertainer, appearing at various night clubs throughout Connecticut, excelling in his comedy singing and dancing routine, usually on Saturday nights.

Besides being a member of the Masquers and Phi Sigma Nu, Ray also is a member of the Men's Glee Club.

When asked what his plans are for the future, Ray replied, "After finishing Bryant, I intend to study

All of us will be looking forward to "Heavens to Betsy" and are positive this production will soon become a reality.

AROUND THE CAMPUS

Winds Blew

The March winds blew the gayest couples to "The Windy Hop" making it a gala affair. The unusual decorations of the wolf at Hollywood and Vine whistling at the windblown girl got quite a whistle.

The main attraction of the evening was the selecting of "The Most Appealing Couple," Miss Tina Butera and her fiance Ray Russo, by Johnny Glaze and his Stardusters. Miss Butera was presented with an orchid.

Beta's Ranks Expand

The following new brothers were sworn in to the Alpha Chapter of Beta Sigma Chi at a Ritual which was conducted in the Sheraton Hotel: Joseph O'Brien, Wendell Cheney, Don Kennedy, Ken Bongirno, John Sadowski, Bill Fox, Henry Schrade, Harry DeFasio, George Jameson, Ed Quinn, Elvino Giacomini, Luther Panteleo, Earl Rounds.

The new members were feted at a Pledgee Formal which was held jointly with Sigma Lambda Theta in the Churchill House.

Members of Beta are making arrangements for Beta's Bubble Dance which is to be held in the Bryant Auditorium on May 24.

Beta's softball team is looking forward to an enjoyable season.

Report on Sigma Lambda Theta

The basketball championship title goes to Sigma Lambda Theta. After a long season of workouts, Theta pulled through to win in the playoff game against Sigma Iota Beta with the score 16-9.

"Hard work never hurt anyone," is asserted by the ambitious, and seems to be the policy of the Amgis staff. When June time rolls 'round, the efforts of Beta Sigma Chi's and Sigma Lambda Theta's working in conjunction will be seen, for then the yearbook (which spells Sigma frontwards, incidentally) will be published.

Cathie Gordon and Muriel Wheeler have recently been initiated into Sigma Lambda.

Theta once again held its Pledgee Formal with Beta Sigma Chi. This year the event took place in The Churchill House.

Secret Sister

A new "Secret Sister Club" has been initiated by SIX. The club, as its name indicates, consists of each girl having a secret sister who showers her with remembrances during the year. Christmas, a birthday, an anniversary—none are forgotten. The long awaited names will be disclosed at the Mother and Daughter banquet in July.

The "April Showers Ball" was a huge success. Sigma wishes to thank everyone who contributed in making it so.

Delta Kappa Summarized

The activity-filled calendar of KDK has been high-lighted of late by some outstanding developments. Among these was one of the most successful of the informal dances held in the Bryant gym. At this, the "Royal Hearts Dance," Virginia Czuprina and Ed Willis were crowned King and Queen of Hearts.

In bowling competition, KDK has come through the girl's Bowling Tournament in top place, with a record unsurpassed by any organization, boys' or girls' on the campus this year.

Recently, two KDK girls, teacher-trainers, Barbara Niemiec and Ruth Carty, as representatives of Bryant attended a conference at the Hotel Commodore, New York, where 93 teacher-colleges with about 500 delegates, were represented. Carty.

BOWLING . . . (Continued)

George Street team proved to be the most consistent bowler in the league totalling 4089 pins in 45 games, thereby averaging a high 90. The George Street Team had a total pinfall of 17762 pins as compared to Sigma Lambda Theta's 17682, K.D.K.'s 15387, Sigma Iota Beta's 8174, and Stowell House's 7990 pins.

Final standings are as follows:

High Team Three

George Street 516.

Marjorie Riechenbach, Marie DeVito, Irene Cieslak, Margaret Kennedy, Ruth Karstens.

High Team Series

George Street 1372.

High Individual Series

Eileen Kingsley, Sigma Iota Beta, 327; Marjorie Riechenbach, George Street, 319; Mary Monti, K.D.K., 307.

Leading Averages (40-45 games)

Marjorie Riechenbach, George Street, 90; Ruth Karstens, George Street, 89; Elcora Schaefer, K.D.K., 88; Margaret Kennedy, George Street, 86; Eleanor Jan-kura, Sigma Lambda Theta, 85.

WHISPERINGS . . . (Continued)

George had their first quarrel due to stubbornness but things are O. K. now. . . What's holding Frank Morello down? . . . Bill Fox is quite a brain at mathematical figures! . . . Ben Hogan is getting competition in the form of one Moe Robinson . . . Blanche Arzooyan should smile more often and show those pearly white teeth. . . One of the nicest personalities at Bryant belongs to Alma Cianci. . . What does Jean Cote do in Woonsocket on these pleasant evenings? . . . Louise Leone has had a lot of attention during study hours. . . Right, Don, Ray, and Walt. Who were the two little men following Dottie Hill around last month? She tells us they are her brothers, could be? . . . Mary Monti may be changing her last name by the time you read this paper. . . See you next month.

EDUCATION . . . (Continued)

read in order to interpret the Bible for himself.

Next there was another panel discussion, "Cultural Co-operation and World Organization." In this panel it was brought out that education must be the agency through which all nations will become one unified world. The idea was that we should no longer think of ourselves as citizens of the world. We must have a stronger feeling of internationalism.

In order to have cultural co-operation we must have a common background of attitudes and ideas and these can be derived only from education. Through this education we can teach all peoples to have a respect for others regardless of religion, system of government, or customs. There must be vast stores of information about other countries without reflections against anyone; world teachers with world understanding can do much to further these aims.

On Saturday there was a general assembly of all the students and faculty representatives, presided over by President Ruth A. Haas of Danbury State Teachers College, at which time the secretaries of the various panels of the previous day gave their reports. Barbara Niemiec, secretary to the panel on "Cultural Cooperation and World Organization" gave an excellent summary of the conclusions reached at this panel.

At the close of the conference the strong impression in my mind was that children are born without prejudice and it is up to us as future teachers to see that they remain that way. We must teach tolerance in every act of life and train children to abide by the golden rule. A great deal can be accomplished by the example of everyone for we can teach the fundamentals of democracy but it is the practical use of it that counts.
