21 Mar 45

Dear Folks,

We seem to be busy again at the office so I don't have much time to write these nowadays.

They transferred Ida from the File Section to the Message Center so Minnie + I have to do her work.

Mary + I had a quiet restful weekend in Macon. We stayed at the Georgian Hotel this time, a quieter street than that on which the Dempsey is located. We slept sat ~~PM~~<sup>afternoon</sup> 1 Sat evening Sunday Morning until 12 noon! Then ate breakfast + went to Church. We took a long walk before dinner and then had a short nap. before checking out of the room. We went out to Warner Robins + had supper at a small drug store there; then went to the movies. We saw "Sunday Dinner for a Soldier" good movie but the sound apparatus was on the bum and half of it was silent! -

Monday the Glee Club recorded its 3 pieces.  
Two of them were very good and the other was  
terrible. I'm hoping that we can each get one  
of the records to keep but I don't know whether  
it will be possible or not.

Thurs + M

I intended to finish this last night but  
when I got home from the beauty parlor I found  
that Drake had turned off the light + gone to  
bed so I decided not to wake her up  
and crawled into bed myself.

This week was very very warm but yesterday  
& today have been very very cold. I took a hot  
water bottle to bed with me last night and  
still slept cold. Nevertheless I don't  
believe the cold spell will last so will you  
please send me my bathing suit. Sis, do  
you still have those blue rubber bathing shoes?  
if so may I have them?

We did get reservations for Atlanta for  
Easter week-end. In fact we wrote 4 hotels  
hoping one of them would have a room and  
lo and behold all four sent us reservations  
so I have found one group to take one of them  
off my hands but guess I have to cancel the  
other two. Mary + I decided to take the  
Piedmont one as we like it there and feel  
more at home than going to one where we've  
never stayed.

Must stop now

Love to all

Ray

P.S. I'm glad the jersey fitted - I sure wish I  
could see him in it.
