Dear Folks,

Sun 10 PM
Apr 22 1945

This has been the dumbest week I just haven't been able to get in the mood to write, Sorry - hope you haven't worried too much.

A new Mr. Dept. Currier came out telling us what to do with 201 files as we've been checking that damn stuff again. Then it has been decided that the Adjutant's Section will move to a different building and that the Decimal files

and Officers after would
move but the enlisted ser-
vices would stay. The
best looking file cases were
to go so we spent one whole
morning changing things all
around so as to get the
stuff that was to go in
the right file cabinets

Then Major Tuttle decided
that Minnie would stay
with the enlisted ser-
vices instead of moving with me
and that's bad for both
of us. It's been one thing

right after another, the
past two weeks, I've
worked night some and
all day today and will
be very busy for the next
3 or 4 weeks till we are
straightened out again
so please forgive me if
I don't write as often
as usual.

I had a nice week-end last
week - Mary and Jim Cook and
I went to Perry. We had swell
meals and a nice rest. We stopped
at Warner Robbins for their retreat
parade and memorial service for

President Roosevelt. It was very very hot and they had those taking part in the parade out on that hot field for over two hrs. Two ambulances were kept busy all the time! They said there were 3 WACs, 1 WAC officer and 25 of the men who fainted from the heat. of course. That wasn't a very big proportion, however.

It was the first time I had been inside the gates at Warner Robins. We went to their Service Club which seemed slightly larger and much more convenient and attractive than ours.

We didn't like the situation of the WAC Barracks which were built just like ours except for wooden floors instead of cement.

They were right on one of the main thoroughfares so that the girls cannot enjoy the privacy which we have in our area.

I have been to two shows and have been in town once this week with Oga Drake. One show "The Flame of the Barbary Coast" was punk; the other, "The Enchanted Cottage" was very good though very sad.

Last night, we went to #3 chapel for Sgt Rowana Bell's wedding. She is wing Sgt in the barracks I was in with Crockett. It was a very pretty wedding. She had a beautiful white gown with a very long train. Sgt Ryan was her maid of honor and wore an attractive long pink dress. The bridesmaids wore their tropical worsted B-I suits, but carried lovely bouquets of flowers.

I got your parcel today - Thanks -

I got homesick when you mentioned
sending things over to camp!!

Must stop now and get
some sleep - Love

Ray
