Alumni Weekend June 5, 6, 7

Come celebrate good times with good friends during the 20th anniversary celebration of Bryant's Tupper Campus. During Alumni Weekend you will have a chance to reminisce with old friends, tour the "new" campus, visit the East Side campus, gather with the Greeks, and party by the pond.

Special events for all alumni will be sponsored by reunion year classes throughout the weekend. Call Donna Harris at (401) 232-6040 for details.

For more than a year, a delegation of active alumni representing our diverse current and discontinued majors, three campus locations, and a variety of ages and backgrounds, has met to discuss the future of alumni relations at Bryant College.

The Task Force unanimously offered the following recommendations to the Board of Trustees:

1) The Bryant College Alumni Association will become a network of regional chapters with a geographically-based, task-oriented structure, replacing the existing Executive Board hierarchy and building a two-way association that will reap rewards for the College and satisfaction for alumni volunteers.

2) The new regional chapters will be chartered to fit the size, scope, and interest of the alumni community in any given area.

3) A National Alumni Leadership

Council will be formed to assist in setting the overall philosophy, policies, and goals of the Association.

- 4) The Association will foster four key priorities by acting as:
- A) a recruiting, retention, and admissions liaison;
 - B) a resource for career guidance and assistance;
 - C) a support system for annual and special fund drives;
 - D) a programming board for athletic, cultural, social, and educational activities to enhance A, B, and C.

5) To foster better and more timely communications, the College should increase the frequency of the *Alumni Newsletter*.

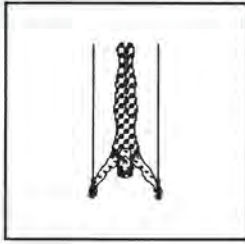

Director of Alumni Relations Paula Iacono '69 indicated that "the Trustees were very supportive of the innovative structure the Task Force has envisioned." She is "looking forward to an accelerated, aggressive alumni relations program."

Revitalized Alumni Admissions Network

Eileen Chekal

Under the able direction of newly hired Volunteer Coordinator Eileen Chekal, the Bryant Alumni Admissions Network has been restructured and revitalized. According to Director of Alumni Relations Paula Iacono '69, "It is a vital volunteer role and one in which alumni across the country will be asked to participate as either regional coordinators, admissions representatives, or admissions adjuncts." Regional coordinators

will disseminate timely information to volunteers from their geographic area; admissions representatives will talk with potential students; and admissions adjuncts will host receptions for potential students and their parents. Iacono continues, "The program is appealing to alumni volunteers and extremely beneficial to the College." Areas of concentration for 1992 include Long Island, upstate New York, Connecticut, Pennsylvania, and Rhode Island.

Festival of Lights

On Wednesday, December 4, the Student Alumni Association and the Office of Student Activities co-sponsored the fifteenth annual Festival of Lights holiday celebration. This multi-denominational program is the official beginning of the season of peace and goodwill on the Bryant campus. College chaplains offered readings, and Rabbi Silverman lit the menorah for peace. Entertainer Dave Binder led a sing-along of holiday music. Bryant President William E. Trueheart and Bryant Trustee Walter C. Tillinghast '53, '88H also participated in the program.

Bryant President William E. Trueheart lights the 15 foot tree donated by Mr. and Mrs. Henry Sousa, parents of Kenneth J. Sousa '87MBA.
