

# Bryant Brevities and Stunt Night to Be Held June 8

## Pledgees Become Anxious as Hell Week Approaches

### What's in Store for Hell Week? A Preview of What is to Come

By Ann Havens

Once again that time of the year that the upperclassmen look forward to is rolling around. Our traditional Hell-Help Week will be held the week of June 6.

To brief the Freshmen on what to expect and to bring back memories for the Seniors, we shall go slightly into the history of this famous week. Until last year, this week was known as Hell Week, but by an act of the Greek Letter Council it was changed to the present Hell-Help Week. Previous to this time, very few of the Fraternal organizations had really done anything really helpful during the week.

This semester's Hell-Help Week will be very similar to that of last fall. The majority of the pledges will be found on campus in get-ups of one sort or another. This is the one week in the semester the fellows are permitted to see the girls "without" any traces of make-up. In order to compensate for this to some extent, neither are permitted to speak to each other during school hours,—that is, with the exception of the upperclassmen, who make their own rules. The fellows will be kept busy shining shoes, running errands, taking part in pie-eating contests, and all kinds of exercises. It seems a shame to see the boys so busy and the girls doing nothing, but the Sisters soon find plenty to keep them "busy". In order to keep the pledgees happy in their work, one fraternal organization tries to outdo the others.

As usual, Wednesday will be Help Day. Last year we sent one bus load of pledgees to Howard and one to Lakeside. We don't intend to make the pledgees do hard work, just odd jobs. By doing this, they are helping the community as well as going through a Fraternal initiation.

You are expected to make good  
—not to make excuses.

### Franz Lehar's "The Merry Widow" Presented by Bryant Glee Club

The Bryant College Glee Club presented Franz Lehar's "The Merry Widow" in modern dress on May 11, at Hope High School Auditorium. Music for the production was provided by the "Star Dusters" under the direction of Professor Handy.

The audience of over two hundred people thoroughly enjoyed the performance staged by Mary T. Appleby.

The cast was excellent in its portrayal of the characters in this amusing play with the music retaining the original gusto and vigor of its originator, the famous Viennese, Franz Lehar. The costumes used by the Glee Club were as colorful as the play.

The orchestra gave one of the best performances of its career, and just seems to be constantly improving. The music and acting went hand-in-

hand to make this play a very enjoyable event. The audience expressed their congratulations to the performers by applauding for five curtain calls.

The cast included

Prince Nikalas... Robert Forrest  
Mrs. Adele Talbot  
(The Merry Widow) Jane Price  
Clarissa Preston, Priscilla Mallett  
Mrs. Randolph... Blanche Bishop  
Mrs. Van Orden, Martha Petrarca  
Ethel... Joan Todd

### "Star Dusters" Get Letter of Thanks

The "Star Dusters" added another success to their long list of successes when they recently entertained at the Veterans Administration Hospital in Providence.

The following is a letter received by Professor Ralph S. Handy, Director of the orchestra, from Mr. Edward J. McGrory, Recreation Director for the hospital:

Dear Professor Handy:

This thank you note comes a bit late but certainly with the best intentions. Your recent program presented in our Theatre for the ambulant patients in the hospital received outstanding response.

Thank you once again for your efforts in bringing the program to the hospital on such short notice and please consider us in your planning for future entertainment.

Very truly yours,

(signed) Edward J. McGrory

### Adm. Secretarial Class Begins Tours of Business Establishments

By Joan Todd

The Administrative Majors of the Executive Secretarial Class have been caught up in a whirl of tours, lectures, and assemblies to acquaint them with various phases of business, thereby further preparing them for their future careers.

Our first tour was of the Nicholson File Company where we were divided in groups and taken through the major departments of the company. One of the interesting features of our tour was an informal "introduction" to the Tele-Audograph—a new device for dictation and transcription of letters. Our tour was concluded in the Export Department where we were told about the various field representatives all over the world, as shown on the huge map in the department. Various situations and their solutions were mentioned. We found this phase of Nicholson File to be extremely interesting. A visit to the President's office and an introduction to the President of the Company was the highlight of the tour. Mr. Nicholson gave each girl a small file, as a souvenir of the day.

The next day a tour was held in Salisbury Hall, at which time we had the pleasure of listening to Miss Lois Whartman, a former Bryant

graduate, and a CPS. Miss Whartman spoke on "What Makes a Secretary Successful." This proved to be a most interesting and informative talk, which we all enjoyed immensely.

The third day—a tour to the Manufacturers' Mutual Life Insurance Company. Here we were given information on insurance and then taken on a guided tour of the various departments. One of the most interesting departments was the "photography" department where we were allowed to watch actual photostatic work as applied to insurance policies.

We feel that these tours, talks, and assemblies have helped us a great deal in furthering our knowledge of the business world.

It should especially be mentioned that the interest shown by those who guided our tours was at a high ebb every moment and it was certainly appreciated by all those who were able to benefit from their attention.

### Bryant Publicity Director Appointed State Promotion Chairman for ACPRA

Mrs. Gertrude Meth Hochberg, director of public relations, Bryant College, has been appointed state promotion chairman for the American College Public Relations association convention in Chicago June 29-July 2.

The announcement of Mrs. Hochberg's appointment was announced by Mr. Victor J. Danilov, Public Relations Department of the Illinois Institute of Technology.

Mrs. Hochberg will be responsible for stimulating interest in the convention among college public relations personnel in the state, according to convention promotion co-chairman Gertrude M. Hall, director of publicity for Illinois State Normal University.

More than 800 public relations staff members from throughout the nation are expected to attend the annual convention to seek ways to improve their public relations programs.

News dissemination, radio and television programs, relations with business and industry, and fund raising are a few of the topics to be discussed during the convention at the Drake Hotel, Chicago, Illinois.

### He's a Convert

(ACP)—There was a musical shindig in Washington, D. C., at the British Embassy and one of her majesty's subjects brought along his eight-year-old son, who had been living in Washington ever since he was five.

At the wind-up, the orchestra played the traditional "God Save the Queen," and the youngster joined in the singing. Only difference was that he sang "My Country 'Tis of Thee," in a clear penetrating soprano.

When it was over, one of the guests remarked in a crisp British accent: "My word! The lad's been brain-washed!"

### Retailing Class Visits Outlet Co.

On May 17, the third semester Retailing Class went on a field trip to the Outlet Company in Providence.

The group, led by Mr. James Keniston, toured this large retail establishment as an important phase of their retailing training. The group visited the receiving, traffic, and advertising departments of the store.

The trip proved very interesting and educational to the students because they were able to see first-hand the retailing process.

### The Show With an Unlimited Cast to Provide Laughs and Enjoyment

The long awaited Bryant Brevities show will be staged on June 8 at the Hope High Auditorium. This year's show will be a combination of the Brevities and Stunt Night usually put on by fraternities and sororities and discontinued last year.

All students are invited to take part in this all college revue. The entire production is being run by the students through an Executive Committee whose chairman is Don Slate. Other members of the committee are Ronald Bond, programs, Ken Adler, publicity, Nick Facaris, theater, Don Esmay, stage, Walt Fitzgerald, invitations, Bob Barry, judges, Howard Chayt, tickets, Fred Gafner, Art Blum, and Paul Dunne.

If past performance can be used as an example, the night of June 8 will provide much enjoyment and many laughs to those in attendance. The last Brevities was such a

tremendous success that students talked about it for months.

The program will consist of feature acts depicting each month of the year and holidays. The fraternities and sororities will feature in eight of the months, the faculty in one month, and the Glee Club, Masquers, and the Executive Committee will fill in the other three months. Specialty acts will be staged between the month features.

Music for the show will be provided by Bryant's own "Star Dusters."

For an evening of laughter and merriment attend this show!

### Alumni Weekend Huge Success; 500 Alumni Return to Scene

Another Bryant Alumni Homecoming has gone down in history. This year, almost 500 alumni returned to their Alma Mater to renew old memories and talk with old friends.

The two-day festivities opened with a gala dance in the Bryant gym last Friday at 8 o'clock. The "Stardusters" did their usual good job in furnishing smooth dancing music for the alumni and present students who attended.

On Saturday afternoon, the Bryant campus was a beehive of activity as the alumni arrived, first greeting President Henry L. Jacobs and then proceeding to meet old and new fraternity brothers and sorority sisters in the gym where the Greek Letter Organizations had tables set up for the occasion. The Brothers of Beta Sigma Chi, celebrating their Thirtieth Anniversary, and their Sisters, Sigma Lambda Theta, served a buffet lunch to their guests in Room 1-D of South Hall.

At six o'clock, the former Bryans met in the Foyer of the Hotel Sheraton-Biltmore to enjoy a delightful cocktail hour. Dinner was then served in the hotel ballroom. After the meal, the group was welcomed by the Honorable Raymond H. Hawksley, President of the Bryant Alumni Council and General Treasurer of the State of Rhode Island, Dr. Henry L. Jacobs then gave the greetings of the college. The Alumni Secretary, Robert G. Drew-Bear, followed with a report of the alumni highlights of the past year. Alumni awards were then presented to six former graduates by Dr. Henry L. Jacobs. The alumni to receive the awards were Mrs.

Helen F. Goff '91, Miss Alice R. Anthony '91, Mr. Henry H. Eddy '93, Miss Myrtle E. Godwin '18, Mr. Walter L. Breard '17, and Miss Clara Gibbs '40. Mr. Hawksley presented a plaque to Dr. Jacobs for his long and outstanding career in the world of business education.

The guest speaker of the evening, Mr. Sam Ramsay, stole the show with his talk on "Sense of Humor." Mr. Ramsay, a renowned humorist, had his audience in stitches throughout his talk, which seemed altogether too short.

The Glee Club under the direction of Professor Mary T. Appleby completed the entertainment of the evening with their rendition of selections from Franz Lehar's "Merry Widow," and selections from the "Desert Song" and "Student Prince." The students taking part in the glee club presentation were Robert Forrest, Jane Price, Lonnie Modica, James Bryson, Nick Facaris, Bob Barry, Joan Todd, Robert Thibeault, Priscilla Mallette.

Dinner music and dancing music was provided by Tommy Masso's Orchestra.

Once again, the "Welcome Home, Bryant Alumni" banner has been stored away for another year at which time Bryant College will again extend a warm greeting to all its returning sons and daughters.

Rhode Island Supreme Court official hosts Bryant legal secretarial students during visit to building. Front row L. to R.: Mary Pires, Hope Nelson, Elizabeth Mariano, Beverly Jansen, Phil Ashby, and Annette Sargis. Back row L. to R.: Mrs. McLaughlin, Bette-Lou Burdick, Betty Brown, Janet Wagner, Helen Hratko, Pat Bradley, Connie Houlihan, and Janet George.

## Red Editors Return Home; Won't be Fingerprinted

The anticipated visit of 11 Soviet student editors to the United States came to an abrupt end recently when the Russian group refused to be fingerprinted before entering this country—a perfectly normal requirement for all visiting foreigners. The Russians returned home.

The incident brought a deluge of opinions from the college and national press, as well as lawmakers on Capitol Hill. From the editorial columns of the *George Washington University Hatchet* at Washington, D. C., comes this impression of the incident which reverts back to the stalling tactics caused by U. S. Immigration laws, when USSR editors first were seeking admission to this country:

"The eleven Soviet editors are staying home. Their proposed visit is no longer forthcoming because they won't be fingerprinted. And on the surface it would seem the Commies have scored a minor propaganda victory.

U. S. Immigration laws gave the State Department one black eye when the stalling over whether or not to let the student editors in caused a roar of protest from the American press and Russian officials. The red tape was cut.

"But the State Department recently got a second black eye. An immigration act of 1950 provides that all persons entering this country must be fingerprinted. The Russians have kicked up a storm over this one. They argue that fingerprinting is 'humiliating'—that in Russia this treatment is strictly for criminals.

"Only official visitors are exempted from this regulation and since World War II most visits from the USSR have been official. The unfortunate part about it is that once a bunch of Russian skiers and chess players were admitted and someone forgot to fingerprint them.

"It doesn't seem too far fetched to say the Rooskies never intended to permit the trip and seized on the fingerprinting as a propaganda dodge.

"It's pretty disappointing that we won't get a chance to meet these Russians . . . the Western world heard about them when a member, 17-year-old Valery Alexandrovich Lysikov, came bounding over to West Berlin a month ago saying 'Communism? It stinks.'"

—Associated Collegiate Press

## "What's In It for Me?"

The beginning of the business year is important to the businessman. It is the time when the previous year's operations are analyzed, inventories are valued, and balance sheets and income statements are prepared. With these aids to guide him, the successful businessman intelligently plans for the future year.

In a sense the graduating Bryant student is similar to the businessman because he is commencing his business year and will begin his career upon graduation.

It would seem wise, therefore, to borrow procedure from the successful businessman. The student should analyze his past years at Bryant. He should make a balance sheet listing his abilities, skills, and personality traits. With these aids to guide him, he will not make the mistakes in job seeking that the majority of college graduates make. The mistake of asking, "What's in it for me?" Then, taking the job that at first seems best—the one that offers a high starting salary, security, and no traveling. Then, after working for a while, finding that he is not qualified for the job.

The Bryant graduate who asks "What's in it for me?" can find the answer in his personal balance sheet. He will be able to choose the job that he is best suited for and in which he should be successful. For, as the successful businessman, he has interpreted the past and intelligently planned for his future.

H. A. H.

## Theta Tau Holds First Dinner-Dance

On May 14, THETA TAU held its first semi-formal dinner-dance with about twenty-five couples attending. Jim Carty, president of Theta Tau, gave the welcome address; and Dean Mercier, the guest of honor, was the speaker for the evening. Mr. and Mrs. O'Connell and Dr. and Mrs. Hammond also were present.

The dance, which was held in one of the private dining rooms at Johnson's Hummocks, combined good food and dreamy music.

The highlight of the evening was the interesting and humorous talk given by Dean Mercier.

It is the plan of the members of THETA TAU to make this dinner-dance an annual event.

Theta Tau members enjoy the festivities at recent dinner-dance. Left to right: Ellen O'Brien, Frank Low, Peg Harrington, Jerry Cassels, Mrs. Hammond, and Dr. Hammond.

## Big Day Coming for College Jazz!

Stan Rubin, the Princeton potentate of Dixieland, will have a chance to battle it out on the bandstand with the great, cool Dave Brubeck—and about 100 other big names in music—at this summer's Newport Jazz Festival, July 15, 16, 17.

George Wein, producer of the town Five were chosen in keep-event, stated that Rubin's Tiger-

Bertie Prestbn. . . . Arthur Newberry  
Beatrice Killgarden . . . . Yolanda Modica  
Carlo . . . . . Nickolas Facaris

Hartley Langdon . . . . Ronald Bond  
Princess Stephanie . . . Louise Tatso  
Elsa . . . . . Pauline Anthony

Special mention must also go to the student Production Manager, Don Slate, and his three assistants, Walter Fitzgerald, Donald Esmany, and Kenneth Adler, for their efforts in behalf of the production.

## Professor Bates Speaks to Attleboro Credit Bureau

Professor George W. Bates, Jr., Professor Marketing and Research at Bryant, addressed a meeting of the Attleboro, Mass., area credit association, Tuesday, May 24, at the Lafayette House, Attleboro.

Current problems facing the retailer, such as fair traded merchandise, brand name merchandise, the high break-even point, and the effect of competition from discount houses were discussed.

It was brought out that there has been no increase since 1929 in the number of retailers in the United States, and that the small retailer is losing ground to discount houses and larger retailers.

The suggestion by Professor Bates that simplified methods of display, increased reliance on customer selection (self-service), and more flexible credit plans be developed sparked a lively discussion period.

## Laffs

"Honey, I'd go through fire and water for you."

"Okay, make it fire. I'd rather have you warmed up than all wet."

Ned: "I once had a job with 1,000 people under me."

Ted: "Issatso. What did you do?"

Ned: "I mowed grass in a cemetery."

She was the kind of girl you'd like to bring home to mother if you could trust father.

Sue: "You remind me of the wild ocean."

Stu: "Wild, romantic, and reckless?"

Sue: "No, you just make me sick!"

Hoarsely the impassioned swain begged, "Whisper those three little words that will make me walk on air." She answered in a sweet, lovely voice, "Go hang yourself."

Spring is the time of year when a young man's fancy turns to thoughts of love and how he can get a little tomato in his garden.

## "Social Static"

By NANCY GALLIGAN and PHYLLIS LEPORE

Alumni Weekend turned out to be a very successful event. It was great seeing all our old friends again, and also making new ones. Remember, all prospective pledgees, Hell Week is June 6, 7, and 8. We both are interested in seeing just who will be the best sports during this trying time. Now on with the news.

SIGMA LAMBDA PI: The Sigma Lambda Pi Fraternity welcomed their prospective brothers at a smoker in the "Barn" on Monday evening, May 16. After the introduction of the Fraternity Officers and the prospective brothers, the Fraternity joined their sisters of Beta Sigma Gamma for a social gathering with refreshments and dancing. Sunday, May 15, all the brothers enjoyed a very successful picnic and are looking forward to the ball games in Boston and the deep sea fishing, which will be coming up in the next few weeks.

ALPHA PHI KAPPA: Big plans are in the offing for the sisters of Alpha Phi Kappa in the coming summer months. A cottage at the Cape is part of these plans. Thirty sisters are going to spend a great Fourth of July weekend. As an athletic note, all the sisters wish the team good luck in the present season.

THETA TAU: The semi-formal held on May 14 was very successful. TT also had a hot dog roast on May 22, at Goddard Park. Thanks to our president, Jim Carty, TT members have enjoyed and will continue to enjoy many activities.

CHI GAMMA IOTA: Chi Gamma Iota Fraternity is alive with activity now that the warm weather has once more rolled around. Bill Maher and Ed Fitzgerald are piloting the softball team . . . Roger Houle and Tom Hartnett are in charge of the Alumni Homecoming activities . . . Earl Robinson is doing a marvelous job with the pledgees as Fraternity Pledgemaster . . . Nick Facaris is director-producer of the Fraternity Stunt Night skit to be presented at the Bryant Brevities.

KAPPA TAU: Many thanks for the co-operation and spirit of all the brothers and sisters towards the making of the Splash Party last Saturday night such a success. This weekend, the brothers and sisters are having a combined party in honor of our Alumni and to celebrate our tenth anniversary. The brothers are looking forward to this party.

PHI UPSILON: The sisters would like to congratulate Elsie Schaich on being crowned May Queen. This is the second consecutive time that a Phi U sister has won this crown. Also, Elsie is our third queen in two years. We are quite proud of that record. Our joint smoker, which was held two weeks ago, was well attended by prospective pledgees. Refreshments were served followed by dancing and entertainment. Incidentally, why did a certain Law professor dance with one sister and not with another? It should be mentioned that Doreen Gregory and Nick Facaris did an excellent job in the Glee Club's presentation of the "Merry Widow."

KAPPA DELTA KAPPA: Congratulations to our sister Jane "The Merry Widow" Price—you did a splendid job. Jane was also assisted by some of her sisters—Gayle Vanek, Beverly Vezina, Anne Gulski, and Connie Masse. A good time was had by all the sisters who attended the spaghetti supper at Asquinos. We all received "bibs" as souvenirs of the occasion. We hope everyone enjoyed themselves at Alumni Weekend. It was good to see so many of our alumnae on the campus. Best of luck to our softball team under the leadership of Joan St. Goddard, Captain.

BETA SIGMA GAMMA: Beta Sigma Gamma together with their brothers had a very successful picnic at Lincoln Woods this past weekend. Everyone had loads of fun and plenty of food to eat. Many of us went horseback riding and were sore Monday, Huh Kitten! Softball was another highlight of the day. Many more summer activities are being planned for the weeks ahead. A Hay Ride is planned for June 11. The sisters are planning a picnic for the children at the Mount Pleasant Home on June 21. Congratulations to Lois Baumstein on being pinned.

BETA IOTA BETA: We wish at this time to thank the brothers of Beta Iota Beta for their splendid support in making this year's May Queen one of the greatest dances ever put on here at Bryant. Also, thanks to the sisters who helped to make the dance the success that it was. Congratulations to the May Queen, Elsie Schaich, and her sponsor Kappa Tau. With the coming of softball, we want to wish the players of B.I.B. a good season and lots of luck. We know they will be fighting hard to make B.I.B. a top team. . . .

SIGMA IOTA BETA: May 15 marked the day on which we had our annual sorority-fraternity outing. The picnic was held at Pat Bradley's summer home. Among some of the events of the day were badminton, archery, softball, croquet, hiking, sunning, dancing and singing to the music of our own Matt D'Atuono, a fraternity brother. Everyone had a wonderful time. On May 17 we held our smoker in the Barn. We had a nice group of prospective pledgees. After our meeting we joined our brothers in the gym, where we danced and were entertained by an Alumnus of B.I.B.

Four lovely lasses give Bryant's version of the famous Can-Can in the recent "Merry Widow" production. Left to right: Ellie Puthe, Dottie Gosselin, Ann Ostergren, and Suzanne O'Lerta.

(Continued on Page 4)

## Lack of Training Produces High Scores in Men's Softball Games

By B. SCHAEENEMAN and L. DELAHUNTY

After a couple of weeks of play in the men's softball league, Phi Sig led the league with a 3-0 record. Many of the teams still haven't loosened up, and play should improve and get hotter as the season wears on.

Let's take a look at some of the games played. Sigma Lambda Pi provided the first upset of the season by defeating Alpha Theta Chi 9-6. The winners showed up surprisingly well and will demand respect from the top teams throughout the remainder of the season. Barry Fellman, Sigma Lambda, struck the decisive blow of the game with a towering triple with the bases loaded in the 6th inning. Sonny Baker, Sigma Lambda's pitcher, allowed only 5 hits while pitching his team to victory. His teammates gave him good support in the field by making only two miscues in the entire game. Hall hit a triple for the losers.

Chi Gamma combined heavy hitting with some costly errors by BIB to wallop the latter 15-9. The winners broke the game wide open in the second inning by scoring 7 big runs. The feature of this inning was a grand slam home run by Bob Paulino of Chi Gamma, who also hit two doubles to run away with batting honors for the day. BIB rallied in the 5th inning to score 6 runs on three timely hits coupled with four free passes given by Kofsuske of Chi Gam; however, it wasn't enough to catch the high-flying Chi Gamma team.

Kappa Tau, after going ahead early in the game, weakened and finally bowed to a strong Tau Epsilon nine. Bill Roncaloli pitched a good game for the winners but hurt himself with streaks of wildness. He issued ten free passes in the game and walked in three runs in the first inning. Dean of the winners belted the longest blow of the game, which was a long triple in the second inning.

On Thursday, May 12, Alpha Theta defeated Chi Gamma in a saw-saw game that was finally protested because of a scoring error. Kofsuske pitched for Chi Gam with Paulino behind the plate. Mendillo and Heelan were the batteries for Alpha Theta. Both teams played loose ball and committed many errors. This game was ruled a tie.

On Monday, May 16, Tau Epsilon rolled over the Portuguese Sports Club by a score of 12 to 4. Following the Tau Ep vs. P. S. Club game, Kappa Tau and Sigma Lambda Pi faced each other, "Goose" McGowen and Ed Liberace

were the starting battery for KT, and the Sigma Lambda battery was Baker and Sugarman. Kacerik of KT relieved McGowen when he started to have control trouble. This was a free scoring game all the way, and KT managed to outscore their opponents by a score of 12 to 10.

The third game of the day saw BIB defeat Beta Sig by a score of 10 to 6. The BIB boys didn't waste any time scoring, as they got three runs in the first inning. They continued to club away at the Beta Sig team, and Sanderson broke the camel's back when he hit a home run. Mellen started on the hill for Beta Sig and was lifted for Gilotti. Phil Bassett worked behind the plate for Beta Sig. The BIB battery of Sanderson and Flynn went the distance for the winners.

On Tuesday, May 17, the familiar call of the umpire "play ball" was heard, and the Newman Club took the field against Alpha Theta. The Newman Club umpired into an early lead, but Alpha Theta bounced right back with a four run barrage in the second inning. Leo Viti and Charlie Heelan were the battery for the Alpha Theta club, and Dewey and Bogoian worked for the Newman Club. Final score: Alpha Theta 11, Newman Club 9.

In the middle game scheduled for the day Chi Gamma managed to eke out a game by a one run margin over Beta Sig. The deciding run crossed the plate in the last inning. Batteries were Kofsuske and Paulino for Chi Gam opposing Mellen and Bassett for Beta Sig.

### TEAM STANDINGS AS OF MAY 17

	Wins	Losses	Games Behind
Phi Sig .....	3	0	0
Chi Gamma ...	2	0	½

Newman Club ..	0	2	2½
Beta Sig .....	0	3	3

## Coach Sherwill Encouraged With Bryant Tennis Team

By Walt Larson

The Bryant College Tennis team, coached by Bernie Sherwill, started the season off with a bang by winning their first match against the Providence Baptist Bible College, 4-0. Bryant swept the single matches when Sherwill bested Bar 6-3, 6-3; Otamendi bested Elliott 6-0, 6-1; and Oddy bested Holt 0-6, 6-4, 6-3.

In the doubles Otamendi and Sherwill had a little trouble when they downed Barr and Elliott 6-1, 7-9, and 6-1. In the second set of doubles Holt and Adams of P.B.B.C. started out fast and took the first game from Oddy and Ferraguto 7-9. The match was then stopped because of darkness.

In their third match of the young season, Brown's freshmen took them over the ropes, 6-0. In singles

Flatteau bested Sherwill 2-6, 1-6; Cole bested Otamendi 3-6, 0-6; Fowler bested Oddy 2-6, 1-6; and Squires bested Ferraguto in the last singles match 4-6, 1-6. In doubles Maddock and Rettaliste beat Sherwill and Otamendi 4-6, 4-6; and Barry and Feinstein beat Oddy and Ferraguto in the last match of the day 2-6, 2-6.

Although Bryant has only one win in three matches they are a good team and will improve with practice. Coach Bernie Sherwill has high hopes for the team.

## Stevens Institute of Technology Seniors Take Part in About 2000 Interviews

Hoboken, N. J.—(I.P.)—Over 170 companies, large and small, scheduled visits this spring to the campus of Stevens Institute of Technology in order to interview the 128 members of the senior class, according to a report issued by officials of the Institute. The report reveals that the 128 students took part in about 2,000 interviews for an average of over 15 interviews each.

Commenting on the report, Professor Samuel C. Williams, who heads the Placement Office, said, "Simple arithmetic indicates that with 170 prospective employers and only 128 prospective graduates, some companies will go a way disappointed, especially since many have more than one job opening to fill. This indicates that the shortage of engineers in industry is as critical as ever."

"On the other hand," he said, "some students will receive ten or more job offers, and every student, regardless of his standing in his class is almost certain to be placed." Even those due to enter military service soon after graduation are being sought eagerly by employers. By accepting a position before entering the Armed Services the engineers gain longevity benefits during their terms of service.

The report also revealed that starting salaries offered to young engineers had advanced over last year's record average of \$360 to reach more than \$370 per month in 1955. Some offers run as high as \$440 or more. There is no indication that the demand for engineers is confined to any special kind of engineering work or to any one engineering field. Graduates are employed in general en-

gineering, design, development, construction, sales, research and patent law.

The report states that few students choose their employers entirely on the basis of salary offered. Factors such as training programs, chance for advancement and prospects of future expansion of the company are given equal consideration. Recruiters for the companies therefore place heavy emphasis on such advantages.

## Gregg Shorthand Gold Pins Awarded

Mr. Robert E. Slaughter, Vice-President and General Manager of the Gregg Publishing Co., awarded gold pins to three Bryant girls receiving the highest points in the Advanced Shorthand Class for the month of May, at an assembly held in the auditorium on May 19.

The girls receiving the awards for the month of May are Mary Giorno, Gloria Palmieri, and Jeannie Sinclair.

The winners of the awards for the month of April are Mary Lou Alsfield, Ruth Palmquist, and Eleanor Sorenson.

## The Sports Whirl

By WALT LARSON

SOFTBALL—The big surprise of the softball year is the great play displayed by the men of Sigma Lambda Pi. Last year the boys couldn't buy a win; this year they turned in one of the most stunning upsets by defeating a strong Alpha Theta Chi nine in their first game. Although they lost their next two games, SLP might now be undefeated except for a few bad breaks in those two games. Their outfield is one of the best in the league with Al Chansky,

left field, displaying a throwing arm that will have base runners thinking twice before trying to score on a fly.

Phi Sigma Nu with three wins and no losses really showed off their wares against BIB as they beat them soundly in their last game, 20-7. John Perrone, Phi Sig's big centerfielder, can belt the ball a mile and is the big threat in the line-up. Chi Gamma, behind the clutch pitching of Bob Kofsuske, is tied for second place with Tau Epsilon. Chi Gamma has a good hitting team; and, when Kofsuske is hot, they'll be hard to stop. Little Johnny Matula can really go get them in centerfield and is a great asset to the team. Tau Epsilon also has a hard hitting team. Lloyd Johnson, right-fielder, is probably the hardest hitting player in the league. In a recent game he hit a homer, triple, and two doubles. One of his doubles was a long fly that should have cleared the fence for a homer, but it hit the branches of the big tree in right-center field for a ground-rule double. Bill Roncaloli, Tau Ep's pitcher, has probably the biggest assortment of pitches of any pitcher in the league.

The Portuguese Sports Club also has some good pitchers in Bill Swanson and Larry Delahunty. The hitting on the club seems a little weak, but it should come along. Alpha Theta, fifth place team, plays a steady brand of ball; and, if they work the kinks out, they could be dangerous. Ernie Mendillo, their pitcher, has good control, which is evidenced by the low amount of walks he has given up per game.

Beta Iota Beta's leaky infield and lack of steady pitching has held them back so far. If pitcher, Joe Sanderson, gets hot with his fast ball and the leaks in the infield are worked out, BIB could put themselves into contention for the playoffs. Kappa Tau, the Newman Club, and Beta Sig don't figure to do much damage unless their pitching and hitting improves. These teams have good spirit and once they get rolling they might do some damage to some of the contending teams. However, spirit is not quite enough, and they must improve greatly if they are to be counted as serious contenders.

As I see it now, the top three teams, as they are now, will be fighting it out for first place with the P. S. Club, Sigma Lambda Pi, and Alpha Theta in that order next.

In girls' softball it looks like a three-team race between SIB, SIC, and Alpha Phi Kappa. The rest of the league is essentially weak and shouldn't give these girls too much trouble.

TENNIS—Coach Bernie Sherwill is rapidly rounding his tennis team into shape, and they should give a good account of themselves and Bryant as the season wears on.

The boys won their first match but lost the next two. However, they displayed a fine brand of tennis and looked strong. One of the two losses was to the Brown freshmen which is no disgrace because the Brown men have a great team.

If there are any tennis enthusiasts who would be interested in joining the team, speak up now. The team is beginning their schedule and waiting may cause you to be too late to join the team.

Little Girl: "My sister just had a baby, but they didn't tell me whether it's a boy or a girl, so I don't know whether I'm an aunt or an uncle."

### JAZZ FESTIVAL

(Continued from Page 2)

with the Festival's purpose of presenting to the public a complete cross-section of all that's worthwhile in jazz.

"The time has come," Wein said, "to give more recognition to what the colleges are doing to keep jazz exciting and progressive. The college people are not only listening to jazz a great deal; but they also are building up a thought-out critical appreciation of it. In a large measure, the survival of jazz as an American art form lies in their hands."

Rubin was selected as a "representative" of college jazz, Wein added. As such he will perform along with recognized representatives of all other kinds of American jazz. "In succeeding years, other college jazz groups will be invited to perform at the festival," Wein added.

The Newport jazz event was instituted only one year ago, and before the last note echoed on the first night's performance, writers from the nation's newspapers and magazines were hailing it as an event of outstanding importance.

This year's three concerts will feature, in addition to Brubeck and Rubin, such stars as Louis Armstrong, Chet Baker, Count Basie, Ruby Braff, Wild Bill Davison, Buddy DeFranco, Roy Eldridge, Duke Ellington, Erroll Garner, Woody Herman, Stan Getz, Teddi King, Jimmy and Marian McPartland, Gerry Mulligan, Pee Wee Russell, "Kai and J.J." and Lester Young.

## Orientation Program at R. I. Hospital for Medical Secretarial Students

By Jeannie Sinclair

During the week of May 9, the medical secretarial students spent a very exciting and interesting week at Rhode Island Hospital. The whole program was arranged by Miss Sally Knapp, Public Relations Director at the hospital.

First, we were guided on a tour of the hospital to familiarize us with the locations of the various departments. We were given talks on the different jobs medical secretaries have at the hospital and were shown the hospital admitting procedure. In the clinics and in the X-ray Department, we were given an opportunity to take the dictation of the doctors, providing us with valuable practical experience.

One of the most interesting things we did was to go on the pediatric rounds with the doctors. The highlight of the program for most of us was watching an operation. We looked right over doctors' shoulders while everything they were doing was explained to us.

Everyone at the hospital was very helpful in making this an experience we shall not soon forget and which will be of great value to us in our future careers.

## lent Senate Speaks

By Al Hillis

Spring is here making it very difficult for many students to sit in classrooms. The great outdoors is quite appealing these fine days. Just the same, our duties come first. The Senate has felt the affect of the weather in the slack attendance at the last two meetings. Has your representative been attending regularly? When was the last time you asked him or her about the important issues brought up? Have you ever attended a Student Senate meeting? You can and should, whenever possible. Your opinions on any matter will be welcomed. Now let's see what's going on.

Banquet time is here again and the Senate announced theirs at the last meeting. It will be held on June 21 at the Admiral Inn.

The touchy subject of the blood drive is still a touchy one. In the last issue of the ARCHWAY the manner in which it was to be conducted was described. It was pointed out by President Paul Dunne at the last meeting that the fraternities and sororities were still not meeting their obligation of 15 pints a month, not a very good compliment to Greek Letter organization leader. All fraternities and sororities on the campus accepted this blood drive idea, pledging to support it completely. At present the three-month total stands at 7 pints, whereas it should be 45 pints.

The Clean-up Campaign in the cafeteria is meeting with great success. Chairman Hillis reported that the students are co-operating 100% with the Campaign.

The Genie Fund Committee was appointed for this semester's drive. The Committee has Sena-

tor Hillis as its chairman, Senators Mary Flannagan, Peggy Harrington, Don Slate, Jerry Baleman, Walter Fitzgerald, and Dan Spaight. Mr. E. Gardner Jacobs volunteered his services as the faculty advisor.

Here it is! The budget set up for the Activities Fee for this year. The budget is set up for \$18,400. It is expected that from \$23,000 to \$24,000 would be received this year. All the money that is not used during the current year is retained in the fund.

	Allotted	Balance
ARCHWAY.....	\$3,000	\$ 278.82
Freshman Activities (Beanies and handbooks have been bought in advance.).....	1,000	1,100.26
Intramural Basketball.....	1,000	217.40
Intramural Softball.....	1,000	583.26
Intramural Tennis.....	500	477.50
Awards.....	1,200	917.81
Janitor Supervision for dances in gym.....	1,000	483.91
Ledger.....	2,700	2,761.00
Masquers.....	1,500	627.75
Glee Club.....	1,500	\$29.24
Orchestra.....	1,000	274.39
Student Senate Christmas Formal (Bought 2,000 programs for future use.)...	300	736.63
Spring Formal.....	500	500.00
(As of March 1)		
Student Senate Banquets.....	350	190.00
ARCHWAY Banquets.....	300	153.70
Ledger Banquet.....	150	150.00
Reserve.....	1,200	1,545.00
Out of the original balance of \$18,000, there is a balance of \$5,244.46. Part of the Reserve was used for the Barn Studio.		

## VA Announces Starting Deadline for Korean G.I. Bill Training

A round-up of rules dealing with the three-year starting deadline for Korean G.I. Bill training was issued today by the Veterans Administration.

Under the law, veterans actually must start their G. I. courses within three years from the date of their separation from the armed forces, in order to continue afterwards. VA said it is not sufficient for a veteran to file an application before the deadline with the intention of starting afterwards. He must enroll in and begin his course in advance of his deadline.

Furthermore, having started in time, he must be in training on his deadline date, unless his attendance has been interrupted by the summer vacation or for some other excusable reason. Such an excusable interruption would be the up-to-12-month suspension of training allowed by the law. In some cases the suspension may last even longer, if the veteran can show VA it was impossible to have resumed training within the 12-month limit.

Special rules go into effect for veterans in Korean G.I. training courses after their starting deadlines, VA said. Before the starting deadline, there is no requirement for continuous training. But after that date, there is; training must be continuous, except for the up-to-12-month suspensions that are permitted.

Also, before the deadline, the veteran-trainee has the right to make one change of course. He could switch, for example, from Accounting to Medicine, or from Carpentry to Shoemaking. After the starting deadline, however, he

no longer may make a free change of course. If he has not changed courses before the deadline, he may be allowed to change afterwards only if: 1. The new course that he wants is a normal progression from the course he already is taking, or 2. He is not making satisfactory progress in his current course, due to no fault of his own, and vocational counseling discloses that he would make better go of it in a different course.

### "BRYANT'S VIEW"

(Continued from Page 2)

Mr. Monti emphasized the need to investigate all factors involved as whether a business should be a partnership, sole proprietorship, or corporate organization.

He discussed the factors which should be considered by anyone confronted with the choice of the type of business organization best suited for him.

Copies of all talks given on the series may be obtained by writing to station WPRO.

### RETAILING CLASS

(Continued from Page 1)

hand much of the class room theories learned at Bryant.

The officers of the Outlet Company took time out from their busy schedules to accompany the group to the various department and explain their functions. The officers also explained to the group the functions of the non-selling departments.
