***T**HE COLLEGE SEAL represents the educational mission of the College and its symbols are intended to convey the significant aspects of this institution. The ellipsoid globe represents the world-wide implications of business in Twentieth-Century America. The quills ringing the globe symbolize the importance of communications in business. In the center stands the torch which can be understood both as the torch of liberty to stand for the free spirit of inquiry or academic freedom, and as the torch of learning. The Archway, which forms a background for the globe, torch and quills, is a College landmark, affectionately remembered by thousands of alumni. In its entirety, the seal recognizes the achievements of the faculty in their continuing search for educational excellence. The Latin motto expresses the purpose of the College, "Educando Dirigere Mercaturam,"—"EDUCATION FOR BUSINESS LEADERSHIP."*
