Dear Mom:

Well, old dear, how's Texas treating you. How's Biggie and Cynt and all the mob? I'll bet that you're very happy to see them again.

I'm going to the range tomorrow. I'll shoot the Carbine 30 calibre, and the Thompson submachine gun! It ought to be a lot of fun. I've got theater detail tonite, but it's the one good detail here. I had to report at 1700 for roll call. Then I was dismissed to eat, and I have to report back at 2030. I see the show, "Thousands Cheer," then I have to sweep out the theater. (I see the show free, by the way.) There are 9

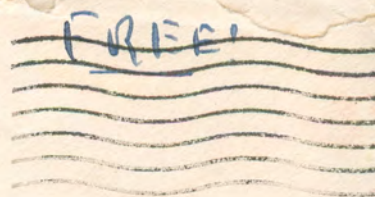

other fellows helping me.

I got paid today, too. I received \$18.30. Insurance @ \$6.40 was taken out for Oct. Nov. + Dec. plus \$12.50 for a bond.

Well that's all the news honey. Give my love to precious Biggie and Cynt. I love you. Goodnight sweetheart.
