

U. S. ARMY AIR FORCES
MAXWELL FIELD, ALA.

Sunday
1900

Dear Mom,

It's beautiful today. There isn't a cloud in the sky. I just got back from church. It was a nice service. I'm going to try to attend every Sunday.

Last night we had Recreation privileges for the first time. I went to the "Rec" hall with a bunch of boys and had some cokes + played the piano. It was good to have some time to myself for a change. I have Rec privileges today, I think I'll go

to a movie.  The Primitive
Man is playing.

You asked me the
difference between cadets
& enlisted men. You see,
we are not enlisted men,
we are officer candidates,
and aren't supposed
to ~~so~~ associate with enlisted
men, who are privates,
corporals, or sergeants in
the regular army. It's
alot of crap if you ask
me, but that's the way
it works.

Enclosed is a picture
taken the morning I left
Catawba, Pete sent it.

Give my love to Rob &
Nan. I love you honey with
all my heart.
Yours Don Field
