Dear Mom,

Boy, what a weekend.
Oh, money, money, money.

Man His town really
cleans you out. ~~The way~~

I went into town with
two of my roommates
and three girls we
got through the date
we wear. We went to
a little hot spot called
the "Hi Hat." We walk
in the dump, ".75 cents,
please, a piece." Well
that started in. Between
the three of us we
polish off fifty
bucks! Easy come,

easy go.

We had a room in town last night, so today we went to see "Cover girl". It's very good, that Rita Hayworth is simply.

I have guard duty tonight, and me with a beautiful hangover. I go on at 1800 hours for two hours, then at 2400, 0600 and 1200, 8 hours of hell.

I have to wear white gloves and carry carbines, some fun, eh?

Well honey I've got eight Special Orders to learn so I'll have to cut it short. I love you give my love to all. Love you
