Dear Mom,

It's really getting warm now. It must have been almost 100° today. We had a rifle inspection in ranks today. It took about an hour, boy that was hell.

Then I went to P.T. only to come back just in time for a parade. Boy I'm burned to a crisp. Tonight our squadron had "rec" privileges and we went swimming in the pool that was just opened. It's swell, but very warm. I didn't
