

# Frosh Lead in Votes Cast as Classes Name New Officers

## Named Trustee

Mr. R. Lucien Appleby

Mr. R. Lucien Appleby was named a Trustee of Bryant College at the annual meeting of the Board of Trustees held last Wednesday in the Board Room of the Rhode Island Hospital Trust Bank. A resident of Warwick, Rhode Island, Mr. Appleby, who was Professor of Investments and Accounting at Bryant for many years, was appointed Secretary and Assistant Treasurer of the College at the opening of the College term in September.

## GOP-Democratic Candidates for State Treasurer Laud Bryant's Contribution To Their Success

Currently, in Rhode Island, there is a controversial struggle taking place between the Democratic and Republican parties for control of the state government.

Although it is not known yet which party will win, or who will be elected to office, it is safe to assume that the General Treasurer will be a Bryant man.

Both men vying for the office of General Treasurer, which is the fourth highest office in the state, are not only graduates of Bryant College, but active members in the National Alumni Association, of which Raymond H. Hawksley, the incumbent General Treasurer, has been president for the past two years.

Following are biographical sketches of the candidates:

Forty-seven-year-old **RAYMOND H. HAWKSLEY** of East Providence was the DEMOCRATIC choice for General Treasurer in 1948, and, having won, has held that office ever since.

He was born in East Providence August 13, 1909, and received his early education in that town's public schools. He received the Bachelor of Business Administration degree from Bryant in 1929 and took extension courses at Brown University and Rhode Island College of Education.

Mr. Hawksley attended the American Institute of Banking, and was associated with the Providence Institution for Savings for twenty years.

During the second World War, he served in the Navy in the Pacific, where he received a citation. He was East Providence town treasurer from 1946 to 1948.

Mr. Hawksley is president of the East Providence Boys' Club, Chief of the East Providence Auxiliary Police, past president and executive committee member of Rhode Island Public Finance Officers' Association, president of the board of trustees and financial secretary of East Providence Haven Methodist Church, director of Rising Sun Lodge (F. and A. M.), and East Providence CD director.

He is a member of Beta Sigma Chi fraternity, Craftsman Club, Gibbs Royal Arch Chapter, Alpha Lodge, and the Stark Parker Post, American Legion.

Mr. Hawksley is married and the father of two children, Diane N. and Donna L. Hawksley. He lives at 15 Mary Avenue, East Providence.

When interviewed, Mr. Hawksley stated, "I feel that because of

the schooling and teaching I received at Bryant College, I am in the position that I am today."

**JOHN P. KANE**, a forty-one-year-old public accountant, is a comparative newcomer to the political arena this year as he makes a bid as the REPUBLICAN candidate for General Treasurer.

Mr. Kane's sole prior venture into politics was in 1954 when he ran as a GOP candidate for the State Senate for Pawtucket's second senatorial district.

Since then, Mr. Kane has moved from Pawtucket to Warwick, where he lives at 125 Shenandoah Road. He still maintains his accounting offices in Pawtucket, where he specializes in taxation and finance.

He attended Pawtucket public schools and was graduated from Pawtucket High School. He was awarded the degree of Bachelor of Science in Accounting and Finance from Bryant College in 1948.

During World War II, Mr. Kane served aboard a destroyer in the Atlantic, Mediterranean and Pacific. He is the former treasurer of the RKO Rhode Island Corporation.

Mr. Kane is a member of the Rhode Island Society of Public Accountants and the National Association of Public Accountants. He is married and has two sons.

Mr. Kane, when interviewed, stated, "Without my Bryant education I certainly would not be running for General Treasurer, nor would I have an accounting business of my own. Everything I have I owe to Bryant."

## Complete College Calendar 1956-1957

THE COMPLETE  
1956-1957

### BRYANT COLLEGE CALENDAR

#### FIRST MARKING PERIOD

September 5, 1956 Semester begins  
September 5-6 Registration  
September 7 Freshmen Examinations  
November 9 First marking period ends  
Holidays Columbus Day, October 12  
Armistice Day, November 12  
Thanksgiving Recess begins at 12 noon, November 21  
Classes resume November 26

#### SECOND MARKING PERIOD

November 13 Second marking period begins  
February 1, 1957 Second marking period classes end  
February 4-8 Final examinations  
Holidays Christmas Recess begins at 3 p.m., December 21  
Sessions resume at 8 a.m., January 7

#### SECOND SEMESTER

February 18, 1957 Second semester begins  
February 18-19 Registration  
February 19 Freshmen examinations  
February 20 Classes begin  
May 3 First marking period ends  
Holidays Washington's Birthday, February 22  
Easter Recess begins April 18 at 12 noon  
Sessions resume Tuesday, April 23

#### SECOND MARKING PERIOD

May 6 Second marking period begins  
July 12 Classes end for graduates  
July 15-19 Senior examinations  
July 19 Classes end for undergraduates  
July 22-26 Undergraduate examinations  
August 1 Class Day  
August 2 Graduation  
Holidays Memorial Day, May 30 and 31  
Independence Day, July 4 and 5

## What the College Calendar Means to Vets...

By Jude B. Rutten

How many days of school can we miss before the government will tax our compensation check? What constitutes a day missed? These are two of the many questions in the minds of Bryant Veterans.

Computations as set up by the government allow the veteran absences on the average of two and one-half days a month. Bryant veterans attending college on a semester basis rather than on a yearly basis have been allocated 15 days of absences to correspond with the September 5 through February 15 term and 12 days for the semester February 18 through August 2. Not until the veteran exceeds these respective limits will the compensation check be taxed for his absences.

It should be brought to the mind of the veteran that prior to commencing the Fall semester,

approximately ten of the fifteen days have been consumed. How? Vacation periods, excluding Federal and state holidays, are counted as days missed. For instance, the Christmas holiday commences at 3 p.m., December 21 and extends to January 7. During this period when ten days of school are missed, excluding Christmas and New Year's, eight days will be counted against the semester allowance. Cuts also can constitute a day missed. A total of five cuts is equivalent to one day missed. Veterans dropping out of school will have to pay the government for days paid in excess.

The Bryant College 1956-57 school calendar as published will not affect the monthly checks as to days missed.

If the above information is not clear, Dean E. C. Wilbur will gladly give further information.

## Charter Member Will Guide K.D.K.

### Mrs. Castronovo to Be Honorary Adviser

Kappa Delta Kappa proudly wishes to introduce to the Bryant student body its newest Honorary Adviser Mrs. Philomena Castronovo. K.D.K. is justly proud and honored that Mrs. Castronovo will be taking her place with the other Advisers and Honorary Advisers of the sorority, because not only is she one of the newest and best-liked personalities on the Bryant campus, but she was originally a charter member of Kappa Delta Kappa when it was organized in 1929.

At that time Mrs. Castronovo was working for her Bachelor of Secretarial Science degree. In 1954 Mrs. Castronovo decided she would like to come back to Bryant for two more years and earn her Bachelor of Science in Business Education degree—which she did. While she was on the campus for these two years, she made many friendships; and many people were elated when she was appointed an instructor at Bryant this past year.

At present Mrs. Castronovo is busy taking extension courses at Brown University, keeping house, and teaching the mechanically inclined whizzes at Bryant the principles of operating office machines. For those of you who don't know Mrs. Castronovo personally, here's a glimpse into her family life: Her husband is an active physician, and they have a daughter who is a junior at Pembroke College.

And here's a big secret which has just come to the attention of the author—When Mrs. Castronovo can find the time, she enjoys growing African violets! With all these interests and all these qualifications, you can see why Kappa Delta Kappa is very happy about including Mrs. Castronovo in all future sorority activities.

**FALL RIVER EXCHANGE CLUB HEARS DEAN WILBUR.** "People and Property" was the title of a talk given at a Luncheon Meeting in Fall River on Monday, October 29, by Mr. Wilbur, Dean of Men and Veterans at Bryant College. The Exchange Club is a businessmen's group.

## Student Senate Leader Calls Student Apathy Disappointing

Moving the national political campaign temporarily out of the picture, the Bryant class elections were held Friday, October 19. The elections were a climax to the vigorous campaigning done by all the candidates.

However, the entire Bryant student body cast only 400 votes, one of the lowest vote totals in election history.

In electing Bob Meyer, Robert Richmond, and Jack Mahon as President, Vice-President, and Secretary-Treasurer, respectively, the Junior BA & AF class cast more votes than any other division. The third semester group presented the most candidates for election, three for each office.

Runners-up in votes cast were the FRESHMEN. The officers elected by the BA & AF Frosh were Rocco Lancia, President; John Doyle, Vice-President; and John Reynolds, Secretary-Treasurer. The Executive-Secretarial Freshman division selected President Jeanine Morency, Vice-President Louis Tognieri and Secretary-Treasurer Patricia Sullivan.

The SOPHOMORES chose Joseph Zalucki as President, Earle Engley as Vice-President, and Edward Pezzelli as Secretary-Treasurer. The last two officers ran unopposed in the elections.

Other candidates facing no opposition in the election were, in the PREPARATORY CLASS, Richard Newton for President, James Wright for Vice-President, and Theophilus Burr for Secretary-Treasurer; in the EXECUTIVE-SECRETARIAL JUNIOR CLASS, Judith Ferren for President and Louise Vaillancourt for Vice-President; and in the EXECUTIVE SECRETARIAL SENIOR CLASS, Carolyn Girelli for President.

The final class contest, for SENIOR President, was won by William Franks. There were no candidates for the other two offices.

In commenting on the elections, Student Senate President Bob Radican expressed disappointment over the small number of votes that were cast by the students as well as the lack of representation by some divisions in presenting candidates for election.

CARL A. FRAZE.

## Glee Club Chatter

By L. C. V.

Hi again! Last week's sunny days made everyone glad to be alive. What will the future bring? Two great evenings will thrill the hearts of Bryant men (and women) musically—the 19th and 20th of November. That's when the Glee Club will present its annual Pops Concert—a time of joy and merriment for all.

Specialty acts by the Brush Cuts and Belles will highlight the show, as well as numbers by solo performers. The theme of the performance is a review of the great shows of Broadway. Included are songs from South Pacific and Oklahoma. Some of Victor Herbert's best known and loved works will also be sung.

Admittance, by the way, is free. Mothers and Dads are cordially invited and most welcome.

Another of Bryant's annuals is the Candlelight Services held just before Christmas vacation. The Glee Club Chorus takes part, lending a joyous note to the services.

## Editorial

### To Be Or Not To Be

How many times have you wanted to run for an office, try out for a play, or go out for sports, but haven't? Think carefully for a moment and try to figure out just why.

Most likely it isn't because you haven't the time or the energy, but rather because you are afraid of not being picked, or of being defeated. You might come out with a statement such as this: "The same old people will get it anyway. So why should I waste my time. I'll just forget about it." Right at that point is the time to change your attitude.

If only a handful of people go out for things then it is only natural that they should be the ones picked for everything. Even these students might feel a little timid about trying out for things, but they have enough get-up-and-go to do it anyway. Let us cite, for an example, the case of a national scholarship contest. For writing an essay on a given subject, a person was eligible to win a 4-year scholarship to a well-known university. Because of the nature of the contest, only a small number of people tried out. It would have been very easy for a person to do a few hours of research and do a competent job and thus win one of the prizes offered. But too many people entertained the idea that there would be too many good essayists entering for them to have a chance to win.

This is quite an unhealthy attitude to take. If you can't push yourself in college life, how can you be expected to succeed in the business world? Next time some activity that you are interested in announces that it is having try-outs, check on it, at least. It might be you who will be the star in the play, or the one who makes the winning point in a basketball game for your sorority or fraternity, instead of the person you accuse of "always getting into everything."

S. M.

### A Word to the Die-Hard Litter Bugs

Throughout the period of our Cafegymtorium Cleanup Campaign, the overwhelming majority of Bryant students have pitched in energetically to maintain cleanliness and order in our hall of gastronomy and gab.

Conscientious individuals have proved that table manners come easy to most people; that pride in one's surroundings IS a powerful force—even in a college cafeteria.

But there are always jokers in every deck. A few barn-bred barbarians still remain to remind us of the sea of debris that once flooded our caf. These uncooperative individuals continue to bemoan so simple and so reasonable a request as to return their dinner trays and coffee cups when they have finished. Rather than erect troughs outside the cafeteria for these few throwbacks to the pre-Cleanup days, we'd rather see a change of point of view in these individuals, punctuated by a willingness to cooperate with the majority.

If you are so fascinated by litter and debris, take it home with you where you can really enjoy it. At any rate, don't leave it in the cafeteria where others have to put up with it.

Cooperate with the officials of this school who want to give us a clean cafeteria and gymnasium! It has already been shown that 99 44/100 per cent of the student body is with the Administration on this issue. Let's make it 100%!

G. V. C.

### Election Day

By R. McMILLAN

Once again we are approaching that day that is all-important to all loyal Americans, a day that comes only once every four years. It is November 6, the date of our national elections. Throughout the country, preparations are being made, speeches are being given, and intensive campaigns are being waged. Individuals, clubs, and various organizations in each state, city, and town are striving to gather votes for their favorite candidates. Here at Bryant loyal supporters of both major parties, the Democrats and the Republicans, have formed their respective clubs.

HILLEL COUNCILSHIP HEARS REVEREND EARL H. TOMLIN. The Bryant College Hillel group joined with the Brown University Hillel organization in a Sunday Brunch on October 28 in the Pembroke Field House to hear the Reverend Tomlin, who is Director of the Rhode Island Council of Churches and recently returned from a trip to the Middle East.

### 200 Words-a-Minute Man Amazes Bryant Audience With Display of Shorthand Speed

Gregg shorthand editor, Mr. Charles E. Zoubek, demonstrated whirlwind speed before a group of Teacher-Training and Secretarial students in the auditorium last week.

Standing before a blackboard on which he wrote to demonstrate his skill, Mr. Zoubek took dictation from two people simultaneously. His speed ranged from 60 words a minute to 200 words a minute.

### Weather, Weather Everywhere...

Ever wished you could order a specific weather condition to fit some mood or occasion? Like to be able to requisition the Weather Bureau for weather of your choice?

Meteorology is everyone's business. Yet it's just as well no one can control the weather—wonderful idea though it seems at first thought.

For how could you satisfy everyone? There are some molten souls who thrive in August while the rest of mankind stews in their own juices. There are icy individuals who flourish in Arctic temperatures. Conversely, there are the pathetic personages to whom the merest suggestion of fresh air brings presentiments of pneumonia (obnoxious little creatures to meet in stuffy classrooms!)

Better follow the Old Timer's advice: "Weather predictin'? 'Taint necessary. Weather controllin'? 'Tain't possible!" Don't look for the Old Timer, though. He moved away from this miserable climate years ago!

## Campus Capers

By DORIS KING and TERRY FUSCO

Hi Kids! Well, here we are back again with the latest organization news. Smokers have been the topic of conversation this past week, and all sororities and fraternities have passed out their bids to prospective pledges. Something to look forward to—a new dance to Rhode Island, the meringue, a combination of the mambo and the cha cha. We are predicting that it will be very popular, more popular than the cha' cha. So, remember the name, meringue, because you will be hearing a lot about it.

Things were really buzzing in KAPPA DELTA KAPPA sorority during the past week as the sisters busily prepared to hold their Smoker on Monday evening, October 22. The girls in the sorority, under the direction of Terry Fusco, Pledge Mistress, all worked exceptionally hard to make their Smoker a success, and they all deserve a great deal of credit. The sisters on the bowling team have not been idle either during the past two weeks. In the second game of the series, KDK, led by a high string of 133 rolled by Joan St. Godard, swept 3 points from Sigma Iota Beta. This past week, led by Thelma Derosier with a high string of 119 and Eileen Salvadore with a high string of 109, the sisters took all 4 points from the sisters of Sigma Lambda Theta. This now puts KDK in first place with a record of 11 wins and 1 loss. Plans are now being made for the sorority's Avon Demonstration which will take place on Friday, November 16, at 3 p.m. in the Barn Studio.

PHI UPSILON had a party on the 21st for the sisters who graduated in August. Each sister will receive a beer mug as a souvenir. A dance to be held on November 16 promises to be a bang-up affair, because it will be a joint party with the brothers of Chi Gamma Iota. Watch for it. A joint rush party and smoker will be held in the gym on October 30 at 8 p.m. There'll be a buffet

lunch, a short meeting to acquaint prospective sisters with the sorority, and dancing afterwards. Phi U.'s bowling team topped APK on the 9th and Delta Sigma Chi on the 16th. Two of the sisters hold offices this year. Judy Ferrin is President of Ex. Sec. 3 and Louise C. Vaillancourt is Vice President.

SIGMA LAMBDA THETA bowled its second game of the season Tuesday, October 16, and was defeated by Kappa Delta Kappa. Mary Lou Conway led Theta with 95. Beta and Theta's joint dance, "Flirtation Frolic" was held Friday, October 19. The sisters and brothers plan to have a costume party soon. This will bring out the imagination and originality of the sorority and fraternity members. The sisters of Theta are busily preparing for their pledge program. The Smoker has an original surprise in store for all who attend it. Theta's smoker will be held in the Barn Studio on November 1. A large attendance is expected because of the large turnout at Open House, which was held in the Cafegymtorium, October 15. Soon after the Smoker, the traditional tea will be held. Plans for both the Smoker and the tea are now under way. This year promises to be very successful for Theta, both socially and athletically.

TOBACCO CO.,  
WINSTON-SALEM, N. C.

### CAMPUS CAPERS

(Continued from P. 2)

Sigma Lambda Theta started the basketball season off with a bang today when they defeated Sigma Iota Chi with a final score of 48-29. High scorer for Theta was Mary Lou Conway with 15 points, followed by Marietta Gilleran with 14 and Elaine Eagan with 12. Theta broke off to a fast lead, with the score at the half being 43-15. SIC lessened the gap in the second and third quarter, but not enough to stop those speedy girls in the red blouses. This promises to be a good year for Theta in basketball.

The "Flirtation Frolic", which was held on October 19 at Roger Williams Casino, was a huge success attended by about four hundred. Another dance will be put on by Theta and Beta shortly after Thanksgiving. Here's hoping it's as successful as the first one!

Theta defeated Phi Upsilon in bowling by a twelve point lead. High scorer for the winning team was Helen Paniccia with 91. Both teams bowled a good game, and it was close all the way through. The first round was a tie; the second, Phi U won by a few points; and the third, Theta won. The final points decided the game for Theta.

Plans for Theta's rush party are running along smoothly. There is an original surprise in store for the girls who attend. Because of the large number of girls who signed up at Open House, we look forward to a large turnout at the Smoker.

### News Briefs

#### William E. Connor, '49 Installed as President Of National Alumni Council for 1956-58

William E. Connor, '49, was installed as President of National Alumni Council for 1956-58 to succeed Raymond H. Hawksley, '29. Other officers include George J. Viera, '50, of Portsmouth, R. I., first vice-president; William T. Dayton, '40, of Providence, second vice-president; Mrs. Evelyn Stanghellini, '34, of Riverside, secretary; Charles Menge, '51, of Greenville, R. I., treasurer. Gregory T. Parkos, '50, Alumni Secretary of the College was named an ex officio member of the Executive Committee.

#### 104 Delta Omega Members and Guests Hear Mr. Goode

The Delta Omega Professional Society held its first dinner-speaker meeting of this semester on Tuesday, October 23, at Johnson's Hummocks.

President Eric Corriveau introduced the guest speaker, Mr. William F. Goode, who is a registered representative of the investment brokerage firm of Merrill Lynch, Pierce, Fenner & Beane.

Mr. Goode showed an informative film which explained briefly how stocks and bonds are traded on the New York Stock Exchange. After an interesting talk on investments in general, Mr. Goode answered numerous questions which were asked by the members and their guests.

There will be a meeting of the Board of Directors on Monday, October 29, at which time final arrangements for the November 6, dinner-speaker meeting will be discussed.

#### Navy Representatives to Be on Campus November 8

Representatives from the Office of Naval Officer Procurement, Boston, Massachusetts, will be on the Bryant College Campus on November 8, 1956, for the purpose of discussing current Navy programs with interested students. These officers will be available throughout the entire day for the convenience of those desiring information. Students who have not fulfilled their military obligations and who are not committed to an ROTC or other military program will have an opportunity to obtain detailed information regarding requirements for appointment to Officer Candidate or Aviation Officer training and subsequent commissioning as Ensign in the professional areas of Line, Aviation or Staff Corps. Information will also be available for junior and senior women regarding Wave officer opportunities. Navy representatives will be available to discuss the various programs for student groups or organizations as well as for individuals desiring specific information. Arrangements for group presentations may be made through appointment by inquiring at your Placement Office.

# S P O R T S

### On the Sidelines

By LARRY DELAHUNTY

To all of you faithful and conquering Yankee fans I extend my most humble apologies for doubting the ability of your team. After the series I gave careful thought to the task of ending it all, but then I thought that if Don Newcombe (Clem Labines' understudy) can show his face in public and live, how can I go wrong!

A hypothetical situation where three boys were sitting in a booth joking with one another and picturing themselves sitting in on the fifth game of the World Series at Yankee Stadium, turned into realism. Bill McGowan, Bob Blanchette and George Olson decided to undertake the trip at 11:30 P. M. When 5 A. M. came they found themselves standing in line at Yankee Stadium. As a result, they witnessed one of the greatest baseball games in history as Don Larsen hurled his perfect game.

An interesting point in the fate of Don Larsen was that as a result of his gem each pitch he threw was worth approximately \$500.00 apiece. This is aside from his salary and Series share which in itself amounted to over \$8,000.00!

Bob Blanchette, present member of the Taupeps basketball team, who has been active in the Bryant sports program, is leaving school shortly. Bob was also an active member of the Tau Epsilon softball team in the spring.

The very capable Bryant soccer team battled to a 2-2 tie with the Rhode Island College of Education team Tuesday afternoon. These boys have combined to form themselves a strong team, and they deserve backing by the student body. They practice hard daily and, though they have no coach, they have still managed to come up with a top-flight team. I'm sure that your support would be appreciated and it may be just what the team needs to give them the extra drive to go beyond a tie with their opponents. Perhaps a little publicity as to when the games are to be played would help.

#### Bryant Soccer Roster

The officiating in the Intramural Basketball League is being capably handled this year by Joe Lemieux, Bob Blinn, Joe Ferrier, and Duke Dumaine. Officiating in the league is no fun for these men and they have done a tremendous job so far.

A word of advice to you night league coaches—Be careful not to get over-excited while disputing an official's decision. If you do, you're liable to find yourself going through the hoop instead of the basketball! \*\*\* Technical fouls have been called a number of times thus far this season. The players are only hurting themselves and their team by blowing off steam and not controlling their temper. \*\*\* A tip to the Cafegymnasium quarterback club—Don't sell Notre Dame short in their next two games. \*\*\* A suggestion to the President of the Brooklyn Dodgers—While in Japan, make an attempt to acquire Takumi Otomo of the Yomiuri Giants and use Don Newcombe as trade bait. This would enable "Big Newk" to save face, save wear and tear on Clem Labine's arm, and (above all) Otomo has beaten both the Yankees and Dodgers when he has faced them. \*\*\*

With the girls' basketball league scheduled to get underway this week there will be a full program of basketball in the Gym from Monday thru Thursday, inclusive. The boys play on Mondays, Tuesdays, and Thursdays, while the girls play on Wednesdays. All games begin at 3:00 P. M. and 4:00 P. M. (There are two games each day.) The Night League is composed of only the boys' teams, and their games are played on Monday, Tuesday, and Thursday nights, beginning at 7:00 P. M. and 8:00 P. M. The competition is strong and the quality of ball played is very good and of a "small college" level. Drop over to the gym and give your favorite your support.

That's all for now, folks, see you in the next issue!

### Basketball

CHI GAMMA and PHI SIG opened the basketball season with Phi Sig ending up on the short end of a 34-23 score. It was a tussel from the opening whistle with both clubs putting on an exhibition of superb ball handling and shooting. McGaufliffe hit for 11 and Lemieux hit for 10 for the losers. Zezula hooped in 18 on three field goals and 7 free throws for the losers.

BETA SIG had little trouble beating TAUPEP, 36-26. From the opening minute, Beta Sig took the lead and never again lost it. They controlled the backboards, giving them control of the ball throughout most of the game. This was the deciding factor of the game. Tippy McCann led the victors by splitting the hoop for 12 points. In a "losing cause," Rebella and Blanchette each hit for 6.

In the closing minutes of the game, the FLAMINGOS nipped K. T., 45-41. At the end of the first period, the Flamingos were down 9 points, but after a great show of ball handling and defensive maneuvers they came from behind to win by 4 points. McGowan and Campbell led the victors in scoring with 11 and 10 points, respectively. Shelton, while scoring 9, set up most of the plays. On the losing end, McGiveny and Peterson dumped 16 points each.

PHI SIG made it two in a row by edging out TAUPEP, 33-28. It was a nip-and-tuck affair throughout the first three and a half frames. Then Phi Sig, with two minutes to go, put on a scoring spree and ended up on the winning end. Jack Handley split the nets for 15 points on 7 goals and 1 free throw for Phi Sig. Bob Blanchette lead Taupep in the scoring department with 11 points and led his ball club defensively.

CHI GAMMA nipped BETA SIG in the closing seconds of the fourth quarter. In the closest-fought game thus far this year Chi Gamma came through victorious, 36-34. Both clubs continually matched each other basket for basket. Bob McGauliffe led his team in scoring with 19 points. Joe Lamie stood out with his superb ball handling. In going down to defeat Beta Sig proved themselves as a definite contender for top honors. Tippy McCann and Leon Brazean scored 10 and 12 points, respectively, for the losers.

The FLAMINGOS, walloped SIGMA LAMBDA PI, 57-23. With superior ball handling and sharp shooting the Flamingos made Sigma Lambda an easy foe. The losers lacked very definitely the experience needed to win. Lubinsky and Campbell both dumped 20 points through the hoop. Rodman and Russel paced the losers with 6 points each.

### Bowling News

By Mike Abdalla

As the bowling season got underway Taupeps (Independents) got off to a good start. They have a perfect record of 16-0. Among the top bowlers for Taupeps are Harry Fieldler, Tom Maselli and Roger Wordell.

Phi Sigma Nu's team fell behind when they lost four to Taupeps team. Mike Abdalla and Dan Bookless have been top bowlers for Phi Sig.

Beta Sigma Chi and Sigma Lambda Pi have shown great improvements in their last two matches and should be closer by the end of the season. George Olson, Real Remillard, and Mike Gilotte of Beta Sigma Chi and Herbie Gillotti of Sigma Lambda Pi have lead their teams on.

Alpha Theta Chi, who were short of men at the beginning of the season, fell far behind. Before the end of the season, they should be in the battle for first place. Alpha Theta has been strongly lead by Jack Findrey, one of the better bowlers in the league.

Beta Iota Beta and Kappa Tau have gotten off to a slow start but are due to pick up speed shortly.

#### Top Ten Bowlers

Harry Fieldler, T.I.	120.5
Jack Lindsey, A.T.C.	113.7
Tom Maselli, T.I.	109.7
George Olson, B.S.C.	108.9
Roger Wardell, T.I.	108.1
Real Remillard, B.S.C.	107.1
Mike Abdalla, P.S.N.	105.8
Herbie Fain, S.L.P.	105.0
Mike Gilotte, B.S.C.	104.9
Dan Bookless, P.S.N.	104.1
Mike Brady, C.G.I.	104.0

#### League Standings

Taupeps	16-0
Phi Sigma Nu	11-5
Sigma Lambda Pi	10-5
Beta Sigma Chi	10-5
Alpha Theta Chi	8-8
Beta Iota Beta	2-14
Kappa Tau	2-14

### Basketball Predictions

By Duke Dumaine

Swish!

They're at it again—in the basket and off the backboards. This year (as usual) Phi Sig and Chi Gamma seem to be slated again for the top two positions. I predict that one or two points will determine the winner. Both teams have many returning lettermen: Chi Gamma's Kerwin and Blinn are two of the league's leading rebounders and all around courtmen. Phi Sig's Gayer and Veritas with their one-two punch will make this club hard to beat.

Third place should go to the independent Arrows who have a fine ball club led by Gus Summavis. Their lack of rebounder power will handicap them against taller clubs.

Fourth place may be occupied by B. I. B. They have a couple of good ball handlers in Gilardi and Foster, but are lacking height and experience.

Last position may be held by the Newman Club. They are a new team with little experience. With a little time, they may develop into the dark horse of the day league.

Our enlarged Students' Dept. features complete stocks of School Supplies in all Price Ranges.

#### Vet's Corner

Veterans separated from active service since September 4, 1956, will NOT have 120 days in which to apply for five-year term non-convertible GI insurance; they will have ONLY until December 31, 1956.

Acting Manager Edward D. Graham of the Providence Regional Office of the Veterans Administration, said the new application deadline was set by the recently enacted Servicemen's and Veterans' Survivor Benefits Act (Public Law 881, 84th Congress).

Before this law was enacted, Graham said, eligible veterans had 120 days from separation in which to apply for the post-service five-year term nonconvertible policy.

The new law ends issuance of this insurance effective January 1, 1957, and thereby establishes December 31, 1956 as the deadline for application, even though less than 120 days have elapsed since separation, Graham said.

Veterans eligible for this insurance are those who were ordered into active service for 31 days or more since June 27, 1950.

Eligible veterans separated from service since last September 4, who wish to apply for the insurance on or before December 31, 1956, were advised by Graham to make sure their applications are accompanied by the proper premium.

He further advised eligible veterans to make certain their applications are received by VA December 31, or are postmarked on or before that date.

An application postmarked on or after January 1, 1957, will not be eligible for consideration under the law, Graham said.

No medical examination is required for this insurance.

Further information and assistance in filling out the application form are available from any VA contact office, Acting Manager Graham said.

#### "This Island Earth"

Featured Film on Wednesday Night, October 31

Stars for this movie to be shown in the College Auditorium at 7:30 p.m., are Jeff Morrow, Faith Domergue, and Rex Reason. These film showings are admission free to students, faculty and administration staff.

**Sshh!****Henry L. Jacobs Library Open Evenings;  
Librarian Outlines Borrowing Procedure**

Dorothy E. Keith, Librarian, Henry L. Jacobs Library, announced that, beginning Monday, October 22, 1956, the college library will be open evenings, Monday through Thursday, 6:15 P.M.-8:45 P.M. Mrs. Hope Palmer, formerly secretary to Dean Lionel H. Mercier, School of Business-Teacher Training and the School of Secretarial Science, and presently a student in the School of Business-Teacher Training, will be the assistant to the librarian during the evening hours.

Dormitory students may be excused until 8:30 P.M. Mondays through Thursdays to do research, reference work or study in the library. The student who plans to be at the Henry L. Jacobs Library will follow this procedure:

a. Fill in two "Supervised Study" cards (name, date, time leaving dormitory, and destination).

b. Have both cards signed by the housemother before leaving for supervised study.

c. Upon entering the library to study, turn in both cards to Mrs. Hope Palmer, who will be in charge.

d. Before leaving the Henry L. Jacobs Library, the student will obtain one of the cards from Mrs. Hope Palmer. He or she will return to the dormitory promptly and turn in the card immediately to the housemother.

In the case of the housemother who gives permission to the student to go to the library,—she will sign both "Supervised Study" cards for the student, and upon the return of the student, will obtain the card signed by Mrs. Hope Palmer and will place it in a file provided for that purpose.

Mrs. Hope Palmer, upon admitting the student to the college library, will ask for both "Supervised Study" cards. When the student leaves, she will enter the date and time, and will sign both cards, giving one to the student and placing the other in a permanent file.

At this time, Miss Dorothy E. Keith, Librarian, would like to state the library rules for the benefit of the freshmen who may not be informed. They are:

1. Books and periodicals are loaned for a two-week period except when the book is on reserve within the library because of reading assignments.

If the student desires to renew a book or books, he will either come to the library or telephone Miss Keith at GAspee 1-3643, Extension 24, and request a renewal.

2. There is no fine system. You are expected to have the interests of your college library at heart and return a book when you have finished reading it.

3. If the student does not return a book or books at the end of the two-week loan period, an overdue notice will be sent by the librarian through the mail. Upon receiving the notice, the student is expected to come to the library as soon as possible and return the book.

4. The student is expected to make restitution for damaged or lost books.

**Library  
Whispers**

Miss Keith has a supply of application cards for the Providence Public Library and its branches and urges all students to get in the habit of using the Business, Science and Industry Department at the main city library.

The college library bears a special relationship to its college, its faculty, and its students. It is planned for their use, and its activities are geared to the tempo of the academic year and the academic day. When a book is in great demand, the college librarian will buy five or more copies, put them on reserve, lend them for periods of one or two hours. At the other extreme, it may waive the two-week rule and lend a book for a whole semester. No text books, however, are lent to the students on this plan. In other words, the library is not just a department of the college—it is a part of every department. It is no exaggeration to say that the student who fails to use the library's resources in any subject is not getting the most out of that subject.

**"Artists Series" Concerts to  
Feature Rubinstein**

A limited number of Student Tickets at \$4.00 each are available for the 1957 "Artists Series" Concerts at Temple Beth El, which features four outstanding concerts by world-famed artists.

This series, now in its third season, brings ARTHUR RUBINSTEIN, to Providence, along with three other greats in the concert world. Regular subscriptions to the "Artists Series" are \$10.00 each for the four concerts. Dates of the concerts, together with the artists performing, are as follows:

HILDE GUEDEN, the Metropolitan Opera's radiantly beautiful Viennese Soprano ..... JANUARY 23

ARTHUR RUBINSTEIN, "King of Pianists," hailed the world over for his remarkable talent ..... FEBRUARY 27

IVRY GITLIS, Famous Israeli Violinist, internationally renowned prize musician ..... MARCH 20

ANDRES SEGOVIA, World's Greatest Guitarist fresh from an international tour ..... APRIL 24

Concerts take place at Temple Beth El, at 70 Orchard Avenue, (corner Butler Avenue), in Providence. No tickets are sold for individual concerts. Because of the limited number of student tickets available, students are urged to make early application for subscriptions at the special price of \$4.00 for the four concerts. See your student activities director for tickets or send your check or money order to Temple Beth El "Artists Series," 70 Orchard Avenue, Providence 6, Rhode Island.

**Selective Service Test  
Slated for November 15**

On Tuesday, October 23, at 2:30 P.M., an assembly was held in the Bryant College Auditorium to explain the Selective Service College Qualifying Test to students under Selective Service who wish to obtain a draft deferment to enable them to finish college. The Qualifying Test will be held on November 15. Cards must be sent in no later than October 30.

In order to qualify for the test, to be given to students in 857 test centers throughout the United States, Alaska, Hawaii, the Canal Zone, and Puerto Rico, a student must intend to request a deferment as a student, must be satisfactorily pursuing a full-time course of instruction, and must not have taken the test previously.

The purpose of the test, developed by Science Research Associates of Chicago, leading publishers of educational testing materials, is to provide evidence for local draft boards so that they may consider student deferments for military registrants.

**Who's Who on the Bryant Campus?****MARGARET GIROUX**

MARGARET GIROUX—she prefers Margie—from Southbridge, Mass., is the president of Alpha Phi Kappa sorority. She graduated in June 1955 from Mary E. Wells High School in Southbridge. While in high school, she was active in the dramatic club, band and basketball team.

She entered Bryant in September 1955 and is enrolled in the Secretarial Department, where she will complete her studies for her degree in August, 1957. Margie is an active member of the Newman Club. Her keen interest is in her sorority. You will find her playing basketball and bowling, as well as conducting the sorority meetings. Margie capably represents Alpha Phi Kappa in the Greek Letter Council where she holds the office of Secretary-Treasurer.

Margie was quite familiar with Bryant before she arrived, for her sister, Pat Giroux, graduated in August, 1955.

BOB RADICAN of 477 Hope Street, Providence, is the president of the Student Senate. Bob attended Hope High School and Central High School, graduating from Central High in January, 1954. While attending Hope High, he participated in football and wrestling.

Upon entering Bryant in September, 1955, he took an active interest in social and extracurricular activities. Bob was president of his sophomore class and a member of the Student Senate before his election to the presidency of the Senate. Freshmen of this past September will remember him as the Chairman of Student Activities.

Bob is an active member of Tau Epsilon fraternity and attends the many social activities which Tau Epsilon sponsors. His athletic ability has been a great help to his fraternity in basketball and softball. Among his other activities, Bob has been a reporter for the ARCHWAY and is a member and vice-president of the 2:30 Club.

He is an Accounting and Finance major and a candidate for the Bachelor's degree in August, 1957.

**Noted Educator, U. S. Senator****Address Bryant Delegation****Faculty Members, T.T. Students****Attend R.I.B.T.A. Meeting****Teacher Trainees Visit****R.I.C.E. Education Exhibit**

Dean Mercier, members of the Bryant College faculty, and a score of Bryant teacher trainees were guests at the Annual Fall Meeting of the Rhode Island Business Teachers' Association, held October 25 at the Sheraton-Biltmore Hotel in Providence.

Highlight of the luncheon-meeting was an address by Dr. Mary Ellen Oliverio, Assistant Professor of Education, Teachers Col-

lege, Columbia University, widely-known business education specialist. Dr. Oliverio spoke on improvements in education.

Also featured was a talk by Senator John O. Pastore (D-R. I.). Sen. Pastore spoke on the peaceful uses of atomic energy.

Prior to their attendance at the luncheon-meeting, the T.T. students visited the education exhibition at Rhode Island College of Education.

**GOP-Democratic Groups  
Born on Bryant Campus**

Intense interest in Election-Year partisan politics on the Bryant campus has materialized into two dynamic student political clubs. Ellsworth Fisher and Tony Pires are leading the newly-formed GOP and Democratic clubs respectively along the electioneering road of Ike vs. Adlai, 1956.

**Republican Club****ELLSWORTH FISHER**

Only two out of five college students eligible to vote for the first time in the coming elections plan to exercise their right to vote, according to Eugene Gilbert whose article appeared in Look magazine on October 2, 1956.

Alarmed and disturbed over the complacency outlined in the article, several Bryant students took immediate steps to bring to the campus an organization which might deal directly with the apparent lack of concern. Within the week, the Bryant Young Republican Club was formed for the purpose of bringing to the Bryant student a greater ability to cut to the heart of public and political issues.

At a recent meeting, the members were addressed by Frank Mangione, member of the College Service Committee, and the Executive Committee of the Young Republican National Federation, and Thomas Needham, Republican candidate for Congress from Rhode Island. Both speakers stressed the importance of earlier affiliation of the members with the Republican party, and of becoming, in addition to scholars, men and women of affairs with an interest in and an understanding of practical politics.

An aggressive campus program is contemplated during the coming year, which is expected to include debates, addresses on various topics of national importance and assistance to the students at coming election dates by the establishing of an Absentee Voters Bureau. This program will make available an accurate digest of the absentee voting requirements in each state.

ELLSWORTH FISHER

**Democratic Club****TONY PIRES**

This event is resulting in a wave of political observation over the entire campus, and a whirl of functions in which members of the club are participating.

In rapid order, Bryant students welcomed Adlai Stevenson to Providence on October 6th, and many of these student's met Adlai personally. Jack Mahon and Ray Fallon managed to get the "Bryant for Stevenson" sign and their pictures on the front page of the Evening-Bulletin. Members of the club were invited to a reception given in honor of Governor Dennis J. Roberts with Jack Kennedy (D-Mass.) as guest speaker. Members acted as hosts during the affair and personally met and talked with Governor Roberts and Senator Kennedy.

On October 9 at a rally in the auditorium, Congressman John Fogarty and State Treasurer Raymond Hawksley addressed the club.

Professors Dallas L. Sharp, Jr. and Dorman J. Hayes agreed to act as faculty advisors and the club was on its way. A meeting was held in which Tony Pires was elected president and it was decided to wait until November 6 to elect the other officers. A constitution has been drawn by a constitution committee and will be voted on at the next meeting.

An active program is planned in which students will be encouraged to participate in various affairs to enhance the election of Adlai Stevenson and Estes Kefauver to the offices of President and Vice-President of the United States, and the re-election of Governor Dennis J. Roberts as well as all candidates sponsored by the Democratic Party.

TONY PIRES

**IT'S FOR REAL! by Chester Field****MEMORIES**

She looked in the mirror to see if she was still the girl she used to be ... Miss Sanitation '53.

That was the day she reigned supreme. That was the day they made her queen of sanitation—and sewers, too!

"Life," she sighed, "is never the same After a girl has known real fame; After a girl has been like me ... Miss Sanitation '53."
