Dear Mom:

Here are my, or rather, Gardner's clothes. Enclosed are the frames, and some papers for my scrap book. In the orders, my name is on page four.

Today was beautifully warm. I received Mrs. Nisar's sweater, it's swell. Send me her address now, I'd like to thank her.

I'm taking my ac-20 tomorrow. That's the test that decides how much college I'm to take. I can hardly wait for those cookies now. How I do love them. It's powerful nice of you, I have to go now sweetheart. Will write you tomorrow. I love you,
as always, Giddy
