

Herring, Bernhauer To Head Archway

John Herring and Herb Bernhauer, third semester students in the school of Business Administration, will head the ARCHWAY Staff during the forthcoming semester.

Herb Bernhauer hails from Johnson City, New York, and at present resides at 138 Benefit Street with his wife and eight-month-old daughter.

After graduating from Johnson City High School in 1950, Herb enlisted in the Army for three years. During his Army enlistment, Herb spent eighteen months in Germany as a code-sender.

Herb received his discharge from the Army in 1954 and entered Bryant College in September, 1954.

Herb hopes to become a public accountant after he graduates from the Accounting and Finance Course.

John Herring attended Fleetwood High School, Fleetwood, Pennsylvania.

After graduating in 1949 John enlisted in the United States Airforce where, in the course of his service, he attended several university and college extension schools and became interested in the accounting profession.

After separation from active service, John enrolled at Bryant where he is currently a third semester student in the Accounting and Finance Major.

John is an excellent student, having been on the Dean's list twice and will rank high in his class when he graduates. He intends, after graduation, to undertake graduate study.

John is married and resides at 18 Phoebe Street, Providence.

Results of Elections

Officers of Organizations Hillel

Pres. Barbara Borodach
Vice-Pres. Bert Azia
Sec. Dale Rubin
Treas. Dave Brown

Tau Epsilon

Pres. Preston Swanson
Vice-Pres. Tom Hart
Sec. Joe DeAngelis
Treas. Bill Brown

Student Senate

Pres. Dan Spaight

Teacher-Training Students to Return to Bryant February 20

A coffee hour was given last week at Salisbury Hall for senior Teacher-Training students who have been out on practice teaching assignments since last September. They will return to Bryant on February 20 to terminate the four year course.

The sixteen students who were out teaching were placed in various high schools located as close to their homes as possible.

Their names and those of the schools in which they taught are as follows: Shirley T. Bourbeau, Veterans Memorial Hospital High; Mrs. Philomena Castronovo, Mt. Pleasant High; Bertha A. Duffy, Tolman High; Carole M. Ferrari, East Providence High; Dolores C. Greer, Veterans Memorial Hospital High; Margaret M. Harrington, Tolman High; Gladys M. A. Kinolan, Hope High; Ellen M. O'Brien, West Warwick High; Rosemary B. Oneil, Mt. Pleasant High; Audrey F. Perreault, Bristol High; Mary G. Toto, Veterans Memorial Hospital High; Eleanor R. Wilbur, Cranston High; Mary L. Carpenter, North Providence High; Mary B. Flanagan, Pawtucket West High; James J. Rennick, Jr., Pawtucket West High; Stanley A. Scraba, Jr., Putnam Connecticut High.

Miss Moulton and Dean Mercier arranged the affair. Also present as special guests were faculty members who had these students during their Junior year in Methods courses.

Admiral Inn Is Scene of Student Senate Banquet

With the end of another semester comes the usual banquets, pledge formal, and elections of new officers of all organizations on the Bryant campus. In keeping with this custom, the Student Senate held its banquet on January 18, at the Admiral Inn.

At this banquet, the Student Senate usually pays tribute to members of the Bryant College faculty and administration by inviting certain of them as special guests. Seated at the head table were Mr. and Mrs. E. Gardner Jacobs, Mr. and Mrs. Abram

Honan, Mr. and Mrs. Jack Silliphant (she is better known as Lynn, the attendance checker), and Mr. Donald Drew-Bear.

The Vice-President of Bryant College, Mr. E. Gardner Jacobs, was the guest speaker for the evening. The topic of his interesting speech was "History of Bryant College."

Student Senate President Don Slate presided over the banquet and formally welcomed the new officers of the Senate. He also presented trophies and plaques to Senators for their outstanding work this past semester.

The new officers of the Student Senate are
President—Dan Spaight
Vice-President—Allen Hillis
Secretary—Ruth Roach
Treasurer—Doug Stewart

The Passing Technique

EMORY, VA.—(ACP)—The White Topper of Emory and Henry College has given a few hints on "How to Pass a Course Without Studying."

Laugh at the professor's jokes. This is practically S.O.P. for students, and the art of laughing at old jokes should be a pre-requisite to college courses. Instructions for the best laughing techniques are:

A. Pretend not to catch on at first.

B. Look thoughtful for a moment.

C. Break into a healthy chuckle, followed by a loud guffaw if you deem it necessary.

If you must nap in class, do not do it behind an open textbook, as this strategy is too old and too often used. Instead use paper eyes which are available for this purpose and which can be stuck on closed eyelids, giving a lifelike semblance of wakefulness.

Will Put Heads Together . . .

John Herring

Herb Bernhauer

Bryant College

Calendar for the end of the Semester

First Semester classes end	Friday, February 3
First Semester final exams	February 6 through 13
First Semester ends	Friday, February 17
Second Semester begins	Monday, February 20

Masquers Production of "Nine Girls" Makes Big Hit With Saturday Night Audience

During the week of January 16th everybody in these parts wanted to know who had killed Paula. For that matter, they wanted to know who she was. On the night of January 20, all who wanted to know found out, and there were plenty who wanted to know because the auditorium was packed.

The play "Nine Girls" was a crowning achievement for the Masquers Society. Real dramatic talent held the audience in tingling suspense. Two sorority sisters were mercilessly murdered, and the murderer paraded across the stage as the most respected and trusted of the sorority sisters. Nobody in the audience had any idea as to "whodunit" until the closing curtain of the second act. Even then, nobody could be sure who the killer was.

Lonnie Modica, who played the leading role and directed the play under the guidance of Professor Mary T. Appleby, was the culprit. Her emotional portrayal of a young college girl whose mind had been warped by a jealous passion and an inferiority complex

was a truly outstanding performance. The other members of the cast were Pam Mallett, Doreen Gregory, Beverly Parody, Martha Petrarca, Karen Jill Mackaig, Theresa Joseph, Judith Everts, and Sheila Mulligan.

The stage setting, one of the best that has ever been seen on a Bryant stage, was constructed under the direction of stage managers Don Slate, Walter Fitzgerald, and Don Essmay.

Lonnie Modica as "Mary," a ruthless killer.

BIB-SIB Pledgees Honored at Banquet At Ranch House

The feature occasion for the brothers and sisters of BIB and SIB over the past weekend was the semi-annual installation and pledge formal. The evenings festivities took place in the beautiful Ranch House, Johnston, R. I., and highlighted dinner music, good food, and excellent spirits.

The occasion was sparked by an entertaining and informative talk by Professor Dallas Sharp in which Professor Sharp placed emphasis on the true meaning of fraternities and sororities.

The new brothers of BIB raised spirits even higher with a hearty rendition of the BIB rally theme, for which they were given a full round of applause.

New officers of B. I. B. are President, Dan Spaight; Vice-president, Vic Basile; Secretary, Toivo "Swede" Rumm; Treasurer, Dave Maffini; Sergeant-at-Arms, Bob Fregeau; Alumni Secretary, Joe Santerson; Historian, Bob Gilard.

The new SIB officers are Carolyn Girrelli, President; Carol Bonacorsi, Vice-President; Cindy Harriman, Secretary; Barbara Tarro, Treasurer; Lynn Greisner, Athletic Director; Carolyn Long, Historian; and Dottie Deppisch, Alumni Secretary.

If You Can't Find News, Make it!

Los Angeles, Calif.—(ACP)—The managing editor of the Daily Trojan recently got a traffic ticket because he wasn't paying proper attention to the important job of driving his car. And why was his mind wandering while he was behind the wheel? Because he was trying to think up angles for a campaign his paper was conducting . . . a traffic safety campaign.

Humor, Anyone?

St. Peter Minn.—(ACP)—The "Old Man" Column in the Gustavian weekly recently included these bits of wit:

Someone suggested that this sign be placed on all lecterns: Caution: Be sure brain is engaged before putting mouth in gear.

In this highly energetic and progressive age there are probably more home permanents than permanent homes.

Editorials

Hail and Farewell

By MANNY ALLEN

Two years ago a group of unacquainted though determined young men and women, with definite ideas of life firmly entrenched in their minds, journeyed to Bryant College seeking an education sorely needed to carry out their ambitions. Within a few days this temporary detour will reverse itself, and the group will return to their home base—mission dutifully accomplished.

Over the past few months, however, these scholars have been looking forward happily to February so that they can rid themselves of the routine of classes and homework; yet, it is this routine that is the basic substance for our memories.

Gone, but not forgotten, will be those "Koffee Klashes" sparked with animated conversation; the constant rush to move automobiles at nine-fifty; the nightly submarine races on the Seekonk River; Hell Week in the Cafegymnasium; the summer visits throughout America's FIRST Vacationland (as the border signs so beautifully state); parties, parties, and more parties.

With such an abundance of seeds for nostalgia, where will this group go from here? Will it be to business, or industry, or for added educational study?

Wherever they go competition will be just as important tomorrow as it was yesterday. However, there will be one difference in the final result obtained in their eagerness to make good. This difference will be competition based upon practical application and adjustment, rather than competition based upon a numerical position in the classroom.

With the same determination present that they showed two years ago, plus an application of subject matter which they were exposed to while at Bryant, each will undoubtedly add a mark of credible distinction to the ever changing commercial world.

The entire ARCHWAY staff extends to them their best wishes for good health, good fortunes, and good luck—in addition to the pleasant memories of yesterday that will carry them well into each tomorrow.

From a Lotus Eater's Viewpoint

By HERB BERNHAUER

FIRE! ON BENEFIT STREET

The warning howl of the siren on the fire station roof and then the strident roar of the fire engines laboring up the steep, narrow alley, while the silent, grimy facade of Benefit Street prepares to multiply and distort their sound and destiny. Aroused from their apathy and intro-spection, welcoming the thought of a flaming holocaust as a respite from their boredom, the denizens of Benefit Street spill forth from their respective flats to transform the scene of the fire into a veritable "mardi-gras" of winking red lights, frivolous laughter, and morbid humor, set off by clanging bells and back-firing engines. . . . More fire engines! more onlookers! more confusion! for this is Benefit Street where even a false alarm can achieve Wagnerian proportions. . . .

. . . . More sinister red lights winking out their woe-ful import, as, side-by-side, existentialist and jewelry worker drink deeply of the moment's excitement and revel in the misfortune of their neighbor. . . .

. . . . And then, a flurry of activity and hoarse commands as frenzied efforts are made to find the elusive fire. . . . and sheepish faces, as trucks are sent lurching and protesting back down the hill, away from the sardonic surveillance of the hulking tenements and thinly-guised disappointment of their inhabitants. . . .

. . . . The ranks of Bermudas, worn khakis, knickerbockers, and soiled overalls slowly part, and in two's and three's savoring the remnants of their lunch, they return to their dingy flats to fan the spark engendered by the un-natural blaze with scintillating wit and potent liquid. . . . while outside, the silent, grimy facade of Benefit Street, like an urchin, smiles within itself.

HFB

Girls, Please Note

CHAMBLEE, GA.—(ACP)—The Technician, published by students at the Southern Technical Institute, recently took a scientific view of the female of the species. It printed this description of a woman as seen through the eyes of a chemist:

The Bryant Reservist

Bill Kingman

Faced with the problem of providing adequate defense measures for 165 million Americans, their property, and our country in general, our government enacted the Reserve Forces Act of 1955. This act provides for a comparatively small standing army backed by trained civilian reserves rather than a large standing army.

This act provided that all men up to the age of twenty-six who are entering active service after August 6, 1955, (via draft, enlistment, or commission) have a six year military duty.

This military duty may be accomplished by serving:

Either 2 years Active Reserve, 3 years Ready Reserve, 1 year Standby Reserve.

Or 3 years Active Reserve, 2 years Ready Reserve, 1 year Standby Reserve.

Or 4 years Active Reserve, 1 year Ready Reserve, 1 year Standby Reserve.

Or 5 years Active Reserve, 0 years Ready Reserve, 1 year Standby Reserve.

However, young men from seventeen to 18½ years of age may enlist for a draft-deferred 8-year duty of six months active service and 7½ years in the Ready Reserve.

The Ready Reserve is an Army Training system which amounts to forty-eight scheduled drills (usually a two-hour session once a week) and two weeks field training. The members of any unit under this Ready Reserve system receive one day's pay for each meeting or day of training in which they participate. (This pay is equal to \$1.30 an hour for drill meetings for the newest private and increases with rank and service.)

The Bryant College reserve unit meets on Monday evenings from 8 PM to 10 PM in room G1A. There is a scheduled meeting Monday, February 6.

Come to the meeting. See what your friends are doing. See how you can join the unit, earn some extra money, earn a rank, and complete some of your military obligation while you are still in school.

Symbol: WO

Accepted Atomic Weight: 120 lbs. Physical Properties: Boils at nothing and freezes at any minute; melts when properly treated; very bitter if not well used.

Occurrence: Found wherever man exists.

Chemical Properties: Possesses great affinity for gold, silver, platinum and precious stones. Violent reaction if left alone. Able to absorb great amount of food matter. Turns green when placed beside a better-looking specimen.

Uses: Highly ornamental; useful as a tonic in acceleration of low spirits, and an equalizer of the distribution of wealth. Is probably the most effective income-reducing agent known.

Caution: Highly explosive in inexperienced hands.

New Officers Installed At Phi U Party

On January 19, 1956, Phi Upsilon held its formal installation ceremony at the Admiral Inn. Beverly McClure installed the following officers:

President, Rita Izzi; Vice-President, Doreen Gregory; Recording Secretary, Joan Vallone; Corresponding Secretary, Ann Kelly; Treasurer, Martha Petrarca; Assistant Treasurer, Sandy Karouz; Chaplain, Barbara Handy; Pledge Mistress, Evelyn Healy; Athletic Director, Connie Gibson; Historian, Eleanor Ricci.

Phone-A-Date

Kalamazoo, Mich.—(ACP)—Men at a Western Michigan College dormitory recently came up with a plan to increase dating on campus. Hearing that a large number of girls went home on weekends because they didn't have dates, they arranged dates for any girl who called during the week-end.

The dormitory men expected some replies, but nothing like the reaction they got. The offer appeared in the school paper and calls started coming in soon after it had been distributed. In all, 147 girls called and 95 dates were arranged.

The Sports Whirl

BY JACK HALL

In a thriller that required an overtime period, Beta Sigma Chi defeated Beta Iota Beta 46-40. With 15 seconds left in regulation play, "Joe" Santerson's push-shot split the nets and tied the score at 38 all.

Quick baskets by DiOrio, Monroe, and Gillotte gave the "Blue and Gold" the margin of victory. The high scorers were "Jim" DiOrio (14) for Beta Sigma Chi, and "Joe" Santerson (19) for B. I. B.

Phi Sigma Nu edged a determined Tau Epsilon "five" 40-33. The "Big Green" had little trouble in adding the "Red and Black" to this list of victories. By the rest period, Phi Sig held a twelve point lead, which wasn't threatened at all.

Al Alexander star forward of T. E. scored 17 points, while Jones scored 20 points for the charges of Fran Dilegro.

Kappa Tau won their second game of the second round, as they defeated B. I. B. 44-24. Taking a 20-12 half-time lead, K. T. coasted to an easy victory.

"Jim" Handy (14) and "Spiro" Sperkowski (17) lead the attack for the victors, while Foster, of B. I. B., pushed the ball through the hoop for 12 points.

With "Woody" Woods (18), "Jack" Pierce (16), and "Charlie" Coolbrith (16) setting the pace,

Tau Ep Defeats BIB; Beta Sig Downs Independents

By Bob Sugarman

Tau Epsilon finally broke the "ice" by defeating Beta Iota Beta 35-31. The first half was played on even terms and the score at this point was T. E. 28; B. I. B. 21; the deciding factor was the "Black and Red" defense—which limited B. I. B. to one floor basket in the third period.

Scoring honors for the game went to Joe Santerson, who in a losing cause, split the nets for 19 points. Alexander (11) and Blanchette (18) led Tau Epsilon to victory.

Scoring with ease, Beta Sigma Chi had little trouble with the Independents. The "Blue and Gold" held the lead throughout the contest.

Phi Sigma Nu volleyed Beta Sigma Chi 55-32. Both teams played, on even terms for the first half; and at the intermission buzzer, the score was 26-17. In the third period, the roof fell in on the "Scholars" as the "Big Green" outscored them 18-2. Heading the attack for Beta Sigma Chi was "Jim" DiOrio (12).

The Independents continued to set the pace in the second round of the night league, by trouncing Tau Epsilon 52-27. The first two periods were played on even terms; and at the intermission, four points separated the teams.

The last half was dominated by the Independents, as they outscored the "Red and Black" 27-10. Brown (14), McCann (9), and Lowder (8) spirited the attack for the winners. Outstanding for Tau Epsilon were Blanchette (14) and Alexander (8).

In the last half, the Independents were limited to six points, while the "scholars" split the nets at will.

Jim DiOrio (11) and Dick Mellen (17) set the pace for mentor Bob Reynolds.

Getting back into the win column, a spirited Independent "five" upset Phi Sigma Nu 48-36. The contest was "nip and tuck" for three-quarters but at this point, the "big green" fell apart.

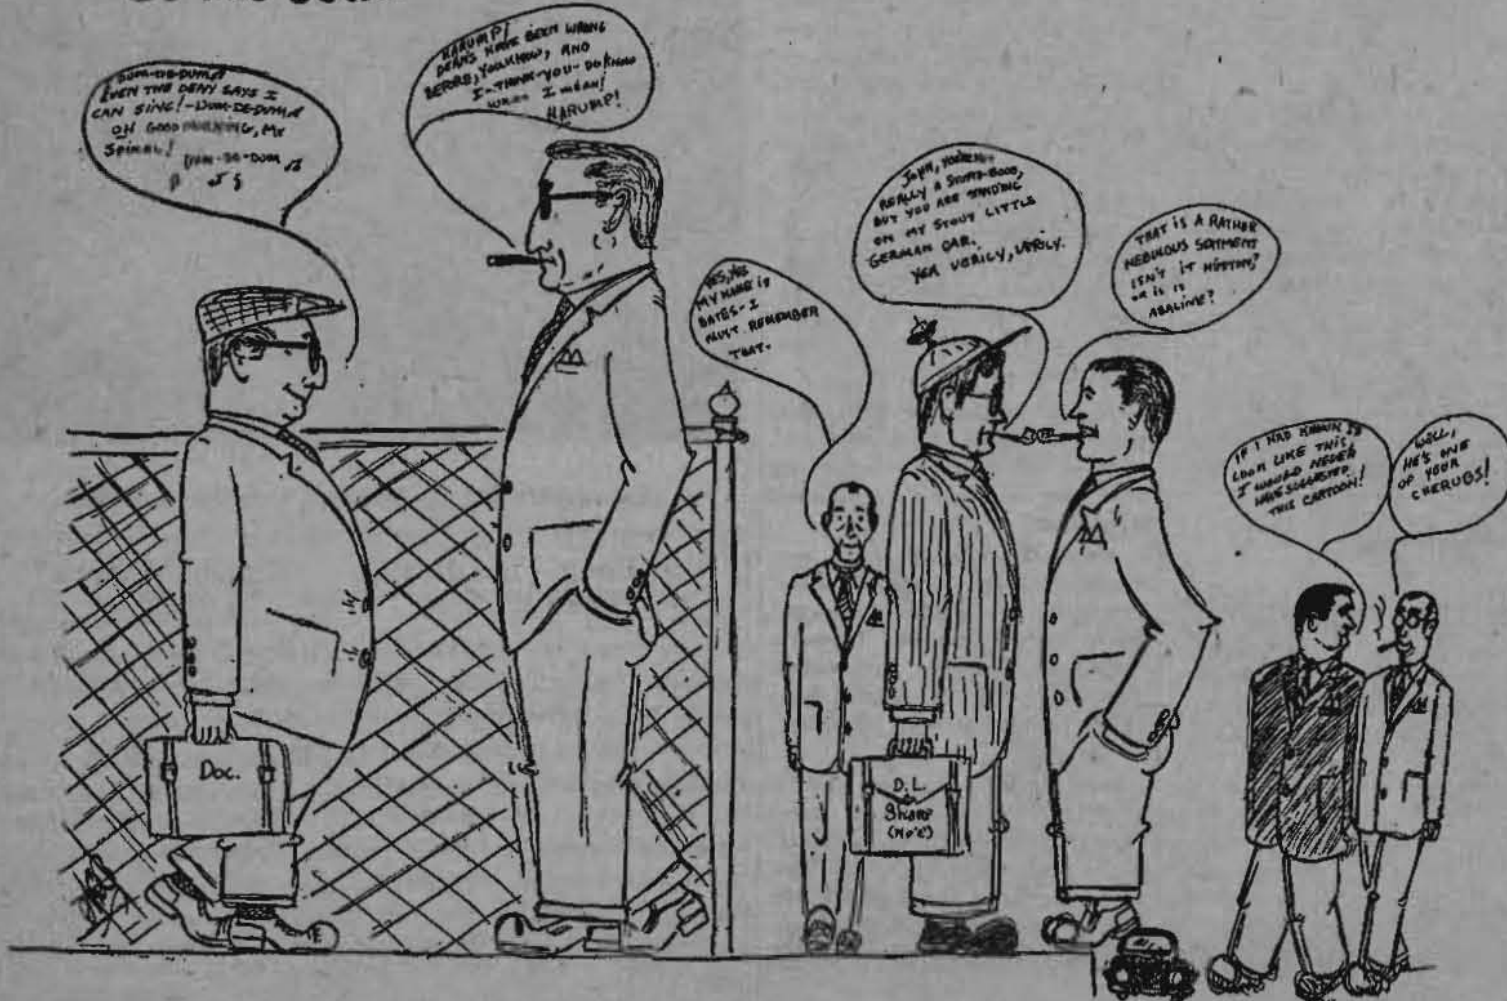

Jack Handley (10) and "Woody" Woods (17) set the pace for Phi Sig, but the scoring combination of Lowder (16), Ottomann (8), Franks (7) and McCann (6) proved to be too much.

After holding an eleven point advantage at half-time, Beta Sigma Chi edged out a 36-30 victory over Kappa Tau. In the fourth stanza, K. T. caught fire and gave the "Blue and Gold" a run for their money. Quick baskets by Mellen (13) and Daly (8) in the closing minute gave Beta Sigma Chi a well-earned victory. In a losing cause, "Sandy" Zuckerbrof (11) and "Spiro" Sperkowski (9) played well.
