

Monday-

Judd dear-

I always hate so to see you go- It's been so wonderful looking forward to each week-end- even if we don't see you much, we know you're near-

You must wonder why I am writing to you but since I am always playing middle man there's one thing I want to ask you to do-

You must admit that you have kind of neglected mother lately so would you do me a favor- Ask her out to dinner next Saturday night- you could go early & have a nice dinner together & then bring her home & you go see Dottie- It would make her so terribly happy just to have

an couple of hours alone with
you - Please do this for me -
Don't worry about the money
part of it - we'll work that
out - Sit down now & write
to her & ask her if she
would like that idea but
please don't ever ~~let~~ ~~let~~ her
know that I suggested it -
your taking her out would
do her a lot of good - You
must never forget that you
are her "ideal" - She adores
you so - & so do I - as
you know - We are so
proud of you -

And so very fond of
Dottie - She is a wonderful
girl and I love her a lot -

I know how much
you want to be with Dottie
but please do this one thing
for me - It would make
mom so happy -

I love you, honey, and
take care of yourself -

No news to write - Mom went
Xmas shopping today -
Please do this for me - honey - thank you
Love, kisses & hugs -
Bobby -
