

UNITED STATES
ARMY AIR FORCES

Friday
2030

Dear Mom,

This will have to be very short aye. I have no time what so ever to write now.

The schedule at this place is really terrific. We get up at ~~two~~ thirty and are on the go until ten at night.

We started flying today. were on the flight line from seven until two.

My instructor is a swell guy, a 2nd Lt. He reminds me of aee alot. Contrary to most of the others, he seems to want to get us through.

It's going to be plenty tough hon, but I'm going to

try my hardest.

We get no leave after Graduation. I guess Pottie has told you that General Arnold got a bag up his ass, and now it's no telling how long it will be.

Well honey, I've got plenty to do. I have to write an autobiography, an Essay, make out a notebook, and a thousand other things.

I love you darling and I'll write as often as I possibly can.

I miss you, hon. Give my love to Bob + Nan and all the kids.

I love you and miss you hon, tell Pottie I can't write tonight.

P.S. - Enclosed is some stuff for my S.B.

Your Devoted Son
Fred
