

Bryant Marketers Attend Boston Conference on Distribution

The members of Bryant's Marketing Club had the honor of attending the Boston Conference on Distribution on October 21 and 22. Two groups, one on Monday and one on Tuesday, sat, listened, and talked with men representing almost every industry, and returned to Bryant well informed on new distribution techniques being used in business today. First-hand reports on the conference follow:

Monday, October 21—
The conference opened with a bang as businessmen from Maine to California "rubbed elbows" with their counterparts from Canada, England, Switzerland and other foreign countries. As visitors stood in line to register, they became familiar with the schedule of speakers and subjects for the day. The day was divided into morning, luncheon, and afternoon sessions. An outstanding talk by Dr. Charles E. Phillips, president of Bates College, highlighted the morning session. His subject was entitled "Trading Stamps — Boon or Bane" and was a stimulating discussion of the pros and cons of the Trading Stamps medium of sales promotion. At the luncheon the 1957 Hall of Fame Distribution Awards were presented to four outstanding gentlemen in the distribution field. The day was completed as Mr. Gottlieb Duttweiler from Switzerland narrated a movie showing the remarkable development of the Swiss Federation of Migros Cooperatives, a concern started by Mr. Duttweiler with a capital of \$25,000. It is now worth 140 million dollars and assumes responsibility for 10% of the total food sales in Switzerland.

Tuesday, October 22—

On Tuesday the second group of Bryant students attended the Boston Conference on Distribution. During the morning session, a most interesting talk was given by Mr. L. T. White, Vice President, Cities Service Petroleum, Inc. He spoke on "Strengthening Small Business Management in Distribution." He alleviated the fear that small business is on the way out. On the contrary he said that it is increasing. He supported this statement by saying that in 1956 small businesses reached over 100 million people and did 28 billion dollars in business. The afternoon series of talks commenced with a fascinating film-aided lecture by Mr. Margulies of Lippencott & Margulies. His subject was "Packaging for the Markets of Tomorrow." He opined that packaging will be the main competitive field of tomorrow. As an example of the effect of packaging he said that when Marlboro introduced the "flip-top" box, sales increased by 5,000 per cent. Mr. Applebaum, visiting consultant on Food Distribution from the Harvard Business School, was well received as he conjectured on the future of the supermarket. Mrs. Helen Valentine, Editor in Chief of Charm Magazine, eliminated the day's talks with a survival lesson on fashion and its critical place in the field of distribution. There is no doubt that the two-day conference was most informative and that it stimulated further interest in the ever growing importance of distribution in our economy.

Student Turnout Heavy in Class Elections; New Class Officers Introduced at Beta-Theta Saturday Night Dance

By Rhos Rems

Members of Bryant Elections Committee are seen watching Freshman Barbara Ann Siemes cast her ballot in the Gym. Committee members are (l.-r.) Don Potter, Jerry Jarvis, Pete Barrilla, Harry Fiedler, Vivian Levitt, Jim Costa, and Hank Gaudet. Pictures of the new Bryant class officers are on Page 4.

The class elections that were held on Friday, October 18, proved to be very successful. At the Theta and Beta dance that night, the winners were announced and called upon the stage. In case some of you didn't attend the dance, the winners of the offices of president, vice president, and secretary-treasurer are as follows: Preparatory Class—Ovidio Pezza, Robert Guerlain, and Edward Adams; for the BA Freshman Class the winners were William Duffy, "Mickey" Taylor, and Judi Buckless; the BA Sophomore Class has as its officers Frank DeRocco, Ronald Saffer, and Maureen Henault; the BA Junior Class proclaims as the winners George Bello, Frank Sennella, and John Kelly; the new officers of the BA Senior Class are Robert Lenkowski, Robert Pearson, and Thomas Komaro; the successful candidates for the Executive Secretarial Class are "Cindy" Simcock, Soija Avedisian, and Pat Crugnale; and last, but not least, the winner in the Executive Secretarial Class, Sophomore Division, is "Jina" Jenkins.

A large percentage of all the classes voted in one of the school's largest elections. In the Secretarial Division the first semester students had the greatest number of voters, while in the B.A. Department, the third semester students turned out in large numbers.

As was said in the last issue of the ARCHWAY, these candidates have a job to do in upholding the traditions of their respective classes. It is hoped that they will bring to the Bryant campus ideas that are new and fresh, which will set examples for future classes to uphold.

Ledger News

Each year a staff is appointed to gather "memory pictures" and material for *The Ledger*, our college yearbook. The faculty, campus organizations, and student activities are represented in this book.

Each member of the graduating class receives his yearbook free. Several copies of *The Ledger* are in the library for those students who would like to see what the yearbook contains.

Mr. Lee Weaver is the faculty advisor, and Dorothy Ray is the Editor-in-Chief. Other members of the staff are Paul Morra—Business Editor; Eileen Baker, Joan Bardeen, Margretha Cambo, Carol Hoag, Ronnie Graveson, and Ann Nunes.

To make the yearbook a success, the co-operation of the faculty and students is necessary. Please have your pictures taken on the days arranged for you. All groups and individuals will be notified of their picture dates.

The tentative schedule for pictures is as follows:

1. Candida in the classrooms—November.
2. Group pictures—December 16, 17, 18.
3. Senior sittings—January.

All 3rd and 4th semester students will have the honor of voting for the one to whom they want *The Ledger* dedicated. Balloting for the dedication will be held in November. See you in *The Ledger*!

Dorms Hold Open House

All women's dormitories held open house during the second week of last month. Those who visited the various dorms were greeted at the door and then were served cider, punch, cookies, and other delicacies.

Each dorm had a different theme. If one visited Gardner Hall, he found the elegant theme of *Moonlight and Roses*. One had only to cross the lawn into an atmosphere of mystery and intrigue at Salisbury Hall's *Pirates' Den*. For the nature lovers Harriet Hall provided *Cross Over The Bridge* while Bryant Hall featured *Autumn Leaves*. The traveler was by no means forgotten for he would have a good start at Stowell's *Fascination*, then *Around the World in 80 Days* at Jeannette Carroll Hall, followed by *Parisian Magic* at Eldridge Hall. As a finale our traveler would land back at a good old *Rock-a-billy Party* at Alan Hall.

Through the co-operation of all the dorm girls, open house was considered a tremendous success.

More recent was open house at the men's dorms. This proved a sharp contrast to the social elegance of the women's open house. At Stockwell House visitors found *Campus Copers*, with *Sputnik* at Scott House and a jam session at Barber House. The remaining houses featured Halloween themes. After being graciously received at each dorm, students were served refreshments and showed into the lounges where most dorms had music and dancing. Believe it or not, it was even proved that chivalry is not yet dead. Congratulations to all the boys who helped to make their open house so great a success.

Not to be forgotten are the house mothers who gave up much of their time to help their dorms be the best on campus. All in all, a job well done.

Campus Innoculated Against Flu

By Sally Johns

The first flu shots have been administered to the staff members and dormitory students who expressed the desire to have them. As far as the general student body is con-

Calendar of Coming Events

- October 31—November 23
- Oct. 31 Joint Smoker—Sigma Iota Beta and Beta Iota Beta.
- Nov. 1 Tau Epsilon Dance—Gym, 8—12.
- 4 Joint Smoker—Delta Sigma Chi and Alpha Theta Chi.
- 5 Joint Smoker—Kappa Delta, Kappa and Tau Epsilon.
- 6 Movie: "The Spoilers", starring Anne Baxter, Jeff Chandler, and Rory Calhoun. Dancing by juke-box music until 11 o'clock.
- 7 Joint Smoker—Beta Sigma Gamma and Sigma Lambda Pi.
- 11 Holiday—Armistice Day
- 13 Movie: "All that Heaven Allows", in color, starring Jane Wyman and Rock Hudson. Dancing by juke-box music until 11 o'clock.
- 15 Newport Club Dance—"Dixieland Jamboree"—8-12, in Gym.
- 18-23 "Help" Week.
- 20 Movie: "Crash of Silence."
- 21 Cine Forum—7 P. M. in Gym; Lecture and film, sponsored by Newman Club.
- 23 Kappa Tau Dance 8-12, in Gym.

cerned, the shots will be offered to all, free of charge, if and when a sufficient amount of vaccine is received. The doctors will be able to accommodate large groups at night; therefore, the shots will probably be given between 7:00 and 9:00 P. M. The vaccine supply is limited; consequently, any student who gets an opportunity to obtain the shots through his own doctor should do so. As soon as final arrangements have been agreed upon, an announcement will be made to the student body.

Cokes and Conversation

Blackout Fails to Dim Lecture

On Monday night, October 21, Mr. Arthur K. Smith, assistant professor of English, gave a talk to Bryant students at Gardner Hall on literature. Despite a five-minute blackout, Mr. Smith kept the group interested in different types of literature—from early Greek drama to contemporary literary criticism.

At the end of his talk, Mr. Smith suggested a few titles for those interested in catching up on the classics. Some of the suggestions were Euripedes' *Medea*, Shakespeare's *Othello* and *Comedy of Errors*, Thackeray's *Family Foe*, Stevenson's *Master of Ballantyne*, Eliot's *Middlemarch*, Galworthy's *Forty-Six* and Roberts' *Lydian Bailey*.

Mr. Smith comes from Attleboro, Massachusetts. He received his B.A. degree at Brown, and he also attended Columbia, Boston University, and Harvard University. After completing his service in the U. S. Army, Mr. Smith served as Head of the English Department at Attleboro High School. On the social side Mr. Smith is fond of swimming, skiing, and piano playing.

Those interested in easy, relaxing reading may secure a list of Mr. Smith's suggestions from Miss Moulton.

Mr. Parkos Featured on "The World Around Us" T-V Show

Gregory T. Parkos, Director of Student Activities, was the featured speaker of the TV show "The World Around Us" last Tuesday. Mr. Parkos, who was a Foreign Service Officer in Europe, was interviewed by Mr. John Fawcett, Education Assistant to the World Affairs Council.

Mrs. Marjorie Vinal, Director of the World Affairs Council, was the moderator. The show ran for 30 minutes and was telecast at 9:00 A.M.

This interesting program is under the direction of Betty Adams, well-known TV personality. Mr. Parkos's topic was "What U. S. Policy for Europe?" Questions based on his talk were asked by a panel of students made up of members of the United Nations Club of Rhode Island. Several of Mr. Parkos' future topics will be based on current world affairs.

IRC Attends Harvard World Issues Meeting

On Sunday, October 27, at 12:30 p.m., a caravan of three cars left the Bryant campus for Phillips Brooks Hall in Harvard Square, Cambridge, Mass., for a regional meeting of the Collegiate Congress of the United Nations.

About thirty people attended this meeting, twelve coming from Bryant and the rest from Radcliffe, Harvard, Mt. Holyoke, and Pembroke.

The meeting got under way at 2:30. The principal speaker discussed myths and their impact on the attitudes of people toward each other and the attitudes of nations toward each other. He said, "We ourselves are captives of myths although we are unaware of it." He listed several myths, one myth being that of the Russian people toward Americans, and the way Americans are supposed to have exploited the working class. Some European myths he listed were as follows:

(Continued on Page 2).

Winter Formal

The social highlight of the season, the Bryant College Annual Winter Formal Dance, will be held on Friday, December 6, at Rhodes on the Pawtuxet. The dance will call for formal dress, and it will be non-formal. There will be no admission charged for this dance.

Music will be by Ed Drew and his orchestra.

So That's Jazz!

By Roger Francoeur and Gordon Moore

Many Bryant faces were seen at Rhodes-on-the-Pawtuxet last October when Lester Lamin made his return engagement. Brought back by popular demand the band proved to be just as great as it had been previously. This kind of music is rapidly growing in popularity. A new band with much the same style as Lester Lamin's has just recorded an album. Although the sound is much like the Lamin band, its popularity will probably not reach the peak of the latter.

Our congratulations go to the "2D's" for giving a splendid performance the other night at one of the school dances. This group seems to have what a lot of rock and roll artists lack, and that is talent. We wish them luck on their recording of "Angel in the Sky."

Many top name stars are soon to appear in the Rhode Island area. Johnny Mathis, Bob Manning, Anita O'Day, and George Shearing are but a few.

Here is real good news for modern jazz lovers. There will be a concert at Symphony Hall in Boston on Friday, November 1. The artists appearing at this concert will be The

Australian Jazz Quintet, Miles Davis, George Shearing, Gerry Mulligan, Helen Merrill, and Chico Hamilton. This should prove to be quite an affair. Tickets are on sale at Storyville and at the Symphony Hall box office. Also appearing around Boston in the near future will be Sarah Vaughn, Gene Krupa, and Al Hibbler.

Larry Clinton has recorded an album which seems to be the perfect gift for golfers everywhere. Among the titles are *I Can't Get Started*, *The Tender Trap*, *Suddenly There's A Valley*, *Little White Lies*, *I Talk To The Trees*, *Just One More Chance*, *Just Another Day Wasted Away*, and *Into Each Life Some Rain Must Fall*.

COMING HITS

April Love—Pat Boone
Plaything—Nick Todd
Silhouette—The Rays

NEW JAZZ ALBUMS:

Such Sweet Thunder—Duke Ellington (Columbia)
Birdland Dream Band—Maynard Ferguson (Vik)
Swingin—Terry Gibbs (EmArcy)
The Hawk Flies High—Coleman Hawkins (Riverside)
Zoot Sims Plays Four Alts—Zoot Sims (ABC Paramount)

At the Blackboard

By Arthur Ederly

Commuting seventy miles daily from his home on Harbor Island, Narragansett, Rhode Island is only a small segment of Mr. Lee Weaver's active and interesting life.

Assistant Professor of Accounting and Mathematics, Mr. Weaver came to Rhode Island in 1934 from his home town of Chelsea, Massachusetts.

Mr. Lee Weaver

Mr. Weaver later served as Communications Officer of a blimp squadron on anti-submarine patrol in Brazil, where he served for one and one-half years. He completed his tour of duty in Kansas as Communications Watch Officer of the Naval Air Transport Service. He is presently a Lieutenant in the Standby Reserve.

Mr. Weaver has been teaching at Bryant since 1946. He was first a member of the Secretarial Department where he taught mathematics, accounting, and typewriting. Since 1953 he has been in the Business Administration Department. For eleven years he has been a teacher in the Evening Division.

In addition to taking courses at R. I. C. E., Brown, and the Naval Officers' Reserve Center, Mr. Weaver is faculty advisor to The Ledger and advisor to Phi Sigma Nu fraternity. His wife, Dorothy, is advisor to Sigma Iota Chi sorority. They have two children, Paul, 10, and Donna Lee, 11.

Hobbies of Mr. Weaver are fishing, bowling, and dancing. During the summer he works aboard druggers at Point Judith as a commercial fisherman, an unusual but nevertheless enjoyable avocation for a member of the teaching profession.

Mr. Weaver's home on Harbor Island was built by himself. It is a 42' x 27' ranch style home finished in knotty pine, and was featured in the Home Section of the Providence Sunday Journal.

Mr. Weaver feels that teaching is the most rewarding of all occupations. He teaches because he enjoys it, as expressed in his personal observation of the subject: "Every day we grow a little older and, I hope, a little smarter. I am proud to be a part of the growth of my students' development."

Editorial

What Now That Elections Are Over?

The class elections are over. The winners have been congratulated; the losers consoled. But is this the end of it? What now? The answer to these questions are very important to all Bryant students.

Too often the victors of an election accept their laurels, and then they do nothing. The laurel of victory weighs more heavily than most people think. On the Bryant campus class officers are often erroneously considered to be figureheads because (1) they apparently do nothing, and (2) they have nothing to do. (This is what the class officers say.)

The plain facts seem to support the truth of these two statements. But these two complaints can be eliminated.

How can this be done? Simply by (1) creating something to do, and (2) by doing it. Of course this brings up the horrid subject of work. But is it work? No! It is the weight of responsibility.

Class dances, picnics, and outings seem to have no place on this campus. Certainly our newly-elected officers can think of class events that will provide student activities on a class basis.

The student body must get behind their leaders and supply them with both ideas and help in carrying them out. Let's stop saying, "There's nothing to do in this college." Or, "The kids just don't want to do anything." Such statements are so far from being accurate that they are not worth being discussed.

The new class officers and the student body must get on the proverbial "ball" and enjoy a reputation for being good class officers and an active student body. They will also enjoy the wonderful byproduct of good student activities.

Shown at the Phi Sigma Nu Smoker, October 22, are (l-r.) Don DiBiase, Mr. Lee Weaver, Bud Adams, Mr. Eugene Vinal, and Bill Newton.

Phi Sig Has Turnout at Smoker

The brothers of Phi Sigma Nu Fraternity held a smoker for the prospective pledges on Tuesday evening, October 22, in the Cafeteria.

Master of Ceremonies was President Bud Adams, who introduced the advisors. Mr. Lee Weaver and Mr. James M. Keniston spoke on the requirements necessary for admittance into Phi Sigma Nu.

Bud Adams then gave a history of the Fraternity and introduced

the officers, who explained their duties.

Mr. Eugene Vinal, who became an honorary advisor upon his retirement as Professor in the Economics Department, gave words of encouragement to the brothers and the pledges.

Then the sisters and the pledges of Sigma Iota Chi joined the brothers and pledges of Phi Sigma Nu for refreshments and dancing to the music of the Collegiates.

Petit, Tony Palumbo, Timothy Gillis, Fran Braun, Lloyd Constantine, Sally Johns, and Helen Weisman.

Anyone interested in joining the International Relations Club should contact either Mr. Cunha or Mr. Penza on the campus. There will be a meeting on November 6, 1957. Notices explaining the time and place will be posted on the bulletin boards.

"Economic Nationalism"
"Meaning of Capitalism in Other Countries"

"Myth of Monarchy"
"Belief that European countries have some cultural and spiritual unity"

"Myth that the voice of the U. N. is necessarily the voice of reason," and an American myth: "Role of the American flag in the United States".

It was the speaker's belief that we should fight mistaken beliefs with realities. He also stated, "Democracy is the right to doubt." He said there is a general belief that it is almost impossible for Socialist Governments to work together. Also discussed were the problems that organization in different colleges were running into. Members from the Bryant International Relations Club were Mr. H. Cunha, faculty advisor, and Ovido A. Penza, Thomas Messad, Richard Whitehead, Francis

Alpha Theta and Delta Sig Plan Smoker

On Monday, November 4, the brothers of Alpha Theta Chi and the sisters of Delta Sigma Chi are having their joint smoker.

Among the many attractions are Anthony D'Quattro and his "Rockets" and the famous "Imperials." The alumnae sisters are invited to the smoker. There will be plenty of food for everyone.

Following the smoker, the sisters will give their annual tea for the new pledges. The tea will enable the girls to get better acquainted with one another.

On Saturday night, October 4, the "Autumn Nocturne Dance" was held by Delta Sigma Chi and Alpha Theta Chi at the Churchill House. Music was provided by the Collegiates, and a 40-minute jam session featured Tony DeQuattro. An unusually large crowd turned out for the dance.

The "Queen's Reception" was held September 29 at the summer home of Ann Almonte. Many freshmen and officers of other sororities and fraternities were invited. At the reception the freshmen got acquainted with the presidents and vice-presidents of the various sororities and fraternities.

A joint party will soon be given by this sorority and fraternity.

APK-KT Hold Smoker

By Rita Harte

On Thursday, October 24, Alpha Phi Kappa and Kappa Tau held a joint smoker. Claudia Veglia, APK president, and Herb Weincoup, KT president, explained the history of the organizations and their activities.

After the advisors, sisters, and brothers were introduced, an informal dance took place and refreshments were served.

At the last meeting of the sorority and fraternity, plans were made to have a party on November 17, the night before the beginning of "Help Week," in honor of the incoming pledges. At this party pledge hats will be given out, as well as the lists of "Chores" for the week.

On October 25, seventh semester teacher-trainee students returned to the Bryant campus from all parts of Rhode Island to attend a meeting with Dean Lionel Mercier in South Hall. The "TT's" are seated in familiar surroundings just before the meeting started.

19 Teacher-Trainees Enjoying Practice-Teaching Assignments

Nineteen teacher-trainee students are now participating in their seventh semester student-teaching assignments. These students returned to the Bryant campus for a meeting, which was held Friday, October 25, with other teacher-trainee students and Dean Lionel Mercier.

The students now in practice teaching and their respective schools and supervisors include Ann Nunes, Colt Memorial High School—Miss E. Doris Bullock; Gordon Carr, Central Falls High School—Miss Ellen C. Mulgrew; June Knight, Mt. Pleasant High School—Miss Mary B. Fenton; Theresa Fusco, Cranston High School—Mrs. A. Eileen Forgue; Joyce Corp, Cranston High School—Mr. Gerald Gordon; and Joyce Blinkhorn, East Providence High School—Miss Louise Goggin.

Continuing, Joyce Etchells, East Providence High School—Miss Anna G. Lyons; William Nagle, Rogers High School—Mr. William Lalli; Joan St. Godard, West Senior High School—Miss Catherine F. Mangan; Alcino DeAlmeida, West Senior High School—Mr. George J. McCabe; Joseph Marchetti, Central High School—Mr. Theodore H. Carter; and Miss Hope Palmer, Hope Senior High School—Miss Barbara Murray.

Concluding, William Brasefield, Hope Senior High School—Dr. Ralph W. Wilkins; Robert Perrone, Warwick Memorial High School—Miss Myrtle E. Godwin; Anne Gibbons, Warwick Memorial High School—Miss Audrey E. Riley; Stephen Sambor, Warwick Memorial High School—Miss Mary E. Tillinghast; Doris King, Warwick Memorial High School—Mr. George E. Buckstael; Robert Moorhead, West Warwick Senior High School—Mr. James E. Miller; and Roger Drainville, Woonsocket Senior High School—Miss Ethel E. McCemie.

A Student Speaks Call It Foresight

Call it foresight, if you will. It takes a lot of planning, analyzing, choosing, and an abundant amount of knowledge to pick the up-and-coming persons in these United States; but to our President, Dr. Henry L. Jacobs, making such a choice is no great problem.

At the Commencement exercises, August of 1956, Deputy Attorney General William P. Rogers, was awarded an honorary degree of Doctor of Laws. Last week he was appointed Attorney General. At the time the VIP's were being chosen for our graduation exercises, do you think the future of Mr. Rogers was carefully considered? Well, I imagine a very thorough going over of *Who's Who* and "Who is Going to Be Who" within the coming years in politics and in business took place.

We, at Bryant, can consider ourselves fortunate to have as our President a man with such great foresight that we can be assured the future will show how well chosen is everything being taught to us.

Most of us are probably here for one of two reasons: (1) that this is a two-year college that confers degrees, and (2) that we did not have to take entrance exams at the time of matriculation. We didn't realize it, but, we were subject to a kind of scrutiny the first four months of our career that were the equivalent of entrance exams. By their results our Deans were able to guide us in the right channels, to see where our interests were strongly entrenched, and to determine whether we were good college material and prospective graduates.

Recently I read a report written by the committee set up for research into "Education for the Future" by President Eisenhower. This committee was considering a means of shortening the college four-year program by a year or possibly two and yet of carrying all the requirements set forth for a degree. They were considering the possibility of accelerated programs for higher education, especially at the college level. When I saw the figure that had been allocated from the budget for this research, I was flabbergasted. It was around a quarter of a million dollars. Imagine what our college could do with an additional \$250,000 in the budget!

I immediately thought of the honor to our college if this committee should decide to set up a program of education at the two- or three-year accelerated level.

DO YOU THINK THIS WAS CONSIDERED BY OUR PRESIDENT WHEN HE INAUGURATED THE ACCELERATED PROGRAM AT BRYANT?

I'm sure the up-to-date curriculum that is constantly being improved, the carefully-screened personnel appointed as members of our faculty, and the calculated future of Bryant are all matters of routine planning in the eyes of our leader. To his great leadership, to his faith in himself, and to his courage in adhering to policies that may someday be called the "Sputnik" or "missile-age" education, we extend our appreciation.

BUD ADAMS

BIB Athletic Program Off To Big Start

Bib's cavalcade of sports for the school year commenced last month with tremendous enthusiasm. Most of the athletic activities centered on football, with Fred Bowers being appointed director. Grid giants such as Joe Iasogna, Fred Bowers, and Siro DeGasparis were not enough, however, to overcome the tough opponents BIB had to encounter, and the team was eliminated in its fourth start.

Basketball has been building up gradually under the leadership of Tom DeSaato, newly appointed coach. Such stalwarts as Dick Cooper, Bob Reed, Siro DeGasparis, and Joe Iasogna will make it tough for future opponents. A few excellent newcomers should help to make BIB a title contender.

The bowling team also has great potential, with veterans Siro DeGasparis, Joe Iasogna, George Mouradian, and Cy Cybalski, and two newcomers, Fi Foisque, and Ted Tavermer, making Bib a possible "500 average" club.

No matter what the sport, future opponents can look for tough opposition from Bib.

Tau Epsilon Wins Football Title

By Tom Hart

Going through an undefeated season, Tau Epsilon Fraternity rolled over the Phi Sigma Nu football team 13-0 to clinch the first Bryant intramural league championship.

The final game of the season, between the two teams, was played at the Bryant Field under very moist conditions. Although the field was wet and the rain was heavy, the two teams battled for a victory.

Frank Del Rocco passed to Ed Houle for the first touchdown in the first quarter. Again in the third quarter Frank passed for another touchdown as P. A. T., both very nicely grabbed by Capt. Jim Aiello.

Coach Tom "Sookie" Davies had a very fine backfield consisting of Frank Del Rocco, Jack Allen, Vinny Pennerchilli and Duke Dumaine.

Many fine catches were made by ends Jimmy Aiello and Ed Houle. Frank Sinapi excelled for the winners with his fine defensive play, and not enough can be said about big Bob Pinta. All in all, the entire Tau Epsilon team played magnificent ball throughout the entire season.

A real threat to Tau Epsilon was the playing of Kappa Tau's Buddy Wright, Phi Sig's Ronnie Blasko and Jerry Montisanti, Alpha Theta Chi's Jim McPhillips and Barry Nelson, and BIB's Fred Bowersof.

Tau Ep Wins First Bryant Football Title

As Bryant College's initial season of intramural football draws rapidly to a close, it appears that the "Grid-iron Gladiators" from the camp of Tau Epsilon will be the victors.

The rules governing the League state that when a team loses two games it is automatically out of contention for the title. Of the eight teams that began the season, Chi Gamma Iota, Beta Sigma Chi, and Sigma Lambda Pi were ousted in their first two encounters.

Beta Iota Beta's entry managed to win one game while losing two to nail down fifth place in the standings. By virtue of their two victories and two losses, Alpha Theta Chi eased into a third place tie with Kappa Tau's charges, who sustained their second loss of the season against two wins at the hands of Tau Epsilon's undefeated squad last Tuesday. Although the score of this contest was 13-6, the outcome was in doubt right up until the final seconds.

Kappa Tau drew first blood on an aerial by Buddy Wright who turned in a stellar performance for the afternoon. Down 6-0, Tau Ep roared back with Frank DelRoco passing to Jimmy Eillio to knot the score, and then Vinnie Penicchi snared DelRoco's toss for the point after, and Tau Epsilon forged ahead 7-6.

In the waning minutes of the game, Kappa Tau fought back valiantly, with their defensive backfield intercepting two Tau Ep passes. However, they could not seem to move the ball across the goal.

Then with less than a minute left to play, Vinnie Penicchi hurled a long pass to Eddie Houle in the end zone to wrap things up.

Frank Sinapi, John Viola, and Bob Pinta all played an outstanding defensive game at Bryant's Athletic Field, the scene of the afternoon's action.

LEAGUE STANDINGS

Team	Won	Lost
Tau Epsilon	5	0
Phi Sigma Nu	3	1
Kappa Tau	2	2
Alpha Theta Chi	2	2
Beta Iota Beta	1	2
Chi Gamma Iota	0	2
Beta Sigma Chi	0	2
Sigma Lambda Pi	0	2

On Thursday, October 24, Tau Epsilon will risk its unblemished record against the "Pigskin Powers" of Phi Sigma Nu. This contest shapes up as one of the best contests of the season, as Phi Sig has lost one game and would drop from title contention with a defeat, thus making Tau Ep the reigning monarch. The men of Phi Sig will be up for this one, as well they must be. They face a formidable task in attempting to stop the Tau Epsilon steamroller, which has rolled over all opposition to date.

Congratulations are in order for Ralph Perberg and Gus Summers who have officiated very satisfactorily at all the contests. Nice job!

On the Sidelines

By Dick Cooper and Duke Dumaine

First of all, the Tau Epsilon tough football team is to be congratulated for winning the football championship. The T. E. team scored eighty-six points, and allowed only twelve points to be scored against them.

Looking at bowling, the boys from Tau Epsilon are in first place—Harry Fiedler and Roger Wardell pacing the league leaders, with Harry maintaining the high game and highest league average. Roger Wardell not far behind Harry, is second in the high average department, and holds the seasons high series.

Friday night, November 1, T. E. will hold a big dance at the school gym. Also, soon after, the T. E. Kappa Delta Kappa smoker will be held. Everyone is invited to attend the smoker which will be Tuesday night at 7:15 p. m. on November 5, at the Bryant gym.

Tau Ep's Harry Fiedler is doing a fine job as President of the Student Senate. We all want to congratulate Frank Del Rocco for being elected President of the Sophomore class.

T. E. is very happy on the return of their Canadian brother, Tom "Sookie" Davies. The "Sook" is an asset in many ways.

Looking back to the sports picture, Tau Epsilon will field two basketball teams. Here also, Tau Epsilon figures to be a strong contender for the championship.

The brothers of Tau Epsilon wish to express their earnest congratulations to all of the newly elected class officers.

All teams in the bowling league have now played 12 games each. The following standings show the results of league play thus far.

Team	Won	Lost
Tau Epsilon	13	0
Phi Sigma Nu	12	1
Sigma Lambda Pi	9	3
Chi Gamma Iota	8	4
Alpha Theta Chi	6	6
Beta Iota Beta	6	6
Kappa Tau	5	7
Beta Sigma Chi	5	7

The teams are being well represented by many excellent bowlers. Here is a list of the top ten bowlers in the league. The averages are based on the games played, and each player must have bowled in at least eight games to qualify.

Player	Team	Avg.	G.
Harry Fiedler	—	—	—
Tau Epsilon	—	114.7	12
Roger Wordell	—	—	—
Tau Epsilon	—	112.0	12
Santoro	—	—	—
Phi Sigma Nu	—	106.1	10
Ted Tavernier	—	—	—
Beta Iota Beta	—	107.0	12
Herb Fain	—	—	—
Sigma Lambda Pi	—	106.0	12
De Filippo	—	—	—
Phi Sigma Nu	—	104.8	12
Di Nofrio	—	—	—
Phi Sigma Nu	—	104.0	10
B. Gordon	—	—	—
Sigma Lambda Pi	—	103.0	11
B. Newton	—	—	—
Phi Sigma Nu	—	103.4	12
J. Newton	—	—	—
Phi Sigma Nu	—	101.8	11

Roger Wordell of Tau Epsilon holds the current high three string total of 304. Teammate Harry Fiedler has the high single game with a total of 240.

The girls have also participated in 12 games. Here is a list of the standings among the societies.

Team	Won	Lost
Sigma Iota Beta	12	0
Kappa Delta Kappa	11	1
Alpha Phi Kappa	10	2
Sigma Lambda Theta	9	3
Beta Sigma Gamma	8	4
Sigma Iota Chi	7	5
Delta Sigma Chi	4	12
Phi Upsilon	3	13

The intramural basketball league starts November 4. There are ten teams entered in the Boys' League. The league consists of the eight fraternities and two independent teams. The girls' league will consist of the seven sororities. The boys will play their games on Monday, Tuesday, and Thursday with the girls playing their games on Wednesday. The boys' league will be a day and night affair. Most of the teams have had two or three practices. Some difficulty has arisen in scheduling practices as the fraternities are holding smokers, and a few concerts have been scheduled for the gym.

Tom Hart is in the process of forming a basketball team to represent Bryant College. The players on the team will be selected from the team in the intramural league. The team will wear the uniforms worn by previous Bryant teams.

The team is willing to play games on a home and home basis. Home games will be played on Wednesday evenings directly after the school movie. As of now, the first game is against the Davisville Navy Base team. This game will be played on November 25 in Davisville.

There has been some talk of forming a hockey team at Bryant. Additional information can be obtained from your fraternity athletic director.

Phi Sigma Nu's bowling team is one of great potentiality. Its five regular members all bowl over 100, and they are out to take the championship. The team consists of Tommy Santoro, Placido Di Filippo, Tony Di Nofrio, Bill Newton, and Jim Newton.

These men have broken their own pinfall record, and the new one that they set was 1802. They are second in the league now, but they are determined to win. Their present record is 12 wins and 4 losses.

Although Alpha Theta Chi didn't enter a team last year, their outstanding team this year boasts the following players: George Hagopian, Dick Gawlick, Dick Nolan, Joe Holland, Charlie Hensley, George Campbell, Ray Kiely, Porley Hewitt, Ace Pelietier, and Bill May.

Jim McPhillips is ATC's Assistant Athletic Director, Barry Nelson doubles as coach and Athletic Director.

SIC Holds Successful Smoker

By Dotty Roy

A Get-Acquainted Tea was sponsored by the sisters of SIC last Sunday, October 20, to welcome their new advisor, Mrs. Dorothy Weaver. Several of the alumni were present, and after the refreshments were served Mrs. Weaver and the sisters sat around remembering the events of last year and exchanging ideas of what would come in the future. The newly elected pledge mistress, Deanna Leiss, was installed. All too soon, however, the afternoon came to a close.

SIC's smoker was held Tuesday evening. The sisters were happy to see such a large turnout of girls. After the smoker the girls joined the brothers in the Cafegymnasium, and diets were forgotten when the refreshments of pizza, cake, cider, and coke were served. The calories

that had accumulated were danced away to the music of a combo.

After a few practice sessions under the coaching of Tom Heede, the SIC basketball team is hopefully looking forward to a successful season.

BIB and SIB Plan Smoker and Card Sale

Beta Iota Beta and Sigma Iota Beta are having their smoker Thursday, October 31. A lot of planning has gone into this function to provide fun for all new BIB and SIB pledges.

BIB recently lost a heart-breaker to Sigma Lambda Pi in the bowling league. However, with a few breaks they hope to be near the top of the league.

SIB has organized its bowling team, and its basketball team has had a few practice games. BIB has also started to "collect" new basketball prospects.

BIB was well represented in the recent class elections. Brother Tom Romano was elected Secretary-Treasurer of the Senior class, and brother Ron Sader was elected Vice-President of the Sophomore class.

The fraternity brothers have on display in the cafeteria a fine assort-
