Henry F. Koller To Speak At Delta Omega Banquet Monday

January 16 at 7 P.M. marks the date and time for the first Delta Omega dinner-speaker meeting for this semester. The speaker for this meeting, Mr. Henry F. Koller, has been

Mr. Henry F. Koller

selected as a result of the numerous requests for a talk on foreign trade.

Mr. Koller, a graduate of the American Institute of Banking and the Graduate School of Banking, Rutgers University, also attended Columbia and New York Universities. His business experience includes operating as head of a chemical export firm, being Assistant Chief of Banking Department, United Nations Relief and Rehabilitation Administration, Washington, D. C., and over thirty years of foreign banking experience. At present Mr. Koller is Assistant Vice-President in charge of foreign banking operations of the Industrial National Bank. He has also been an instructor at several institutes. Mr. Koller has chosen for his topic: "What is new in prologue—current European developments."

At this meeting, the installation of the new officers and Board of Directors of Delta Omega for next semester will take place.

Marketing Ass'n Meeting Highlighted By Fram Official

By Lane Hayden

As the Archway was going to press, the Marketing Association had made plans for holding its guest-speaker and installation banquet at Topps Gaylord Restaurant on Thursday evening, January 13.

The guest speaker was to be Mr. Mark Fuller, Advertising and Sales Promotion Manager of the Fram Corporation. His talk was to be on the problems that arise during a product promotion campaign.

Mr. Mark Fuller

Mr. Fuller was attending Georgetown University when World War II started and temporarily interrupted his education while he served in the Air Force for four years. After the war ended, he continued his education with special studies at Willam and Mary College (RPI Division) in

Jan Rose Elected Sno' Queen For 2nd Time in One Month

By S. J. Sottolare

Bryant's lovely Sno' Queen, Jan Rose, last month became the first person ever to be elected to the office of Sno' Queen twice in one year.

In early November the Admissions Department received requests for information on admission procedures from some of the enlisted men of Naval Jet Division VU-10, now stationed at Guantanamo Bay, Cuba. The men were sent, along with the school catalog, a copy of the December 4 issue of the Archway.

Early this month the Archway received the following letter:

VU-10, Jet Div. Navy 115
F.P.O. New York, N. Y.
18 Dec. 1958

Editor-in-Chief
The Archway
Alumni Hall, Bryant College
154 Hope Street
Providence, R. I.

Dear Sir,

After reading, with great interest your edition of Thursday, December 4th; we of VU-10, Jet Division, here at Leeward Point, U. S. Naval Air Station, Guantanamo Bay, Cuba, held our own little "Sno' Queen" Contest; utilizing the photographs of your own candidates, which were printed in the Archway.

We are happy to name at this time, and after a very close balloting, our choice. She is, JAN ROSE. We have no personal knowledge of this young lady's character and make-up, but judging from her photograph, we feel sure that she meets all of the qualifications and standards which your judges have prescribed.

We are extremely curious as to the outcome of your contest, but regardless of whom you have chosen we wish to extend to JAN ROSE, our heartiest congratulations upon being chosen "Sno' Queen" of the VU-10 Jet Division.

There is no snow here at Guantanamo Bay, Cuba, but it is nice to dream.

Yours truly,

Joseph Amarel, Jr., AK2
for the Enlisted men
VU-10 Jet Division

One can plainly see that Jan's popularity extends far beyond the boundaries of Bryant College. As the letter plainly states, the men of VU-10 had no knowledge of who would be elected. They chose Jan strictly on the basis of a photograph, thereby confirming the choice of the undergraduate election.

Two Plays Planned By Dramatics Club

Once again this semester the dramatic society of Bryant College, the Masquers, will present on Tuesday, February 3, at 8:15 P.M., an evening of fine entertainment for all.

This second production will feature one-act plays will be presented.

The first one-act play, "The Second Guest," has a cast of two males. It is a melodrama with a theme of MURDER WITHOUT MURDER.

The cast includes: Howie Goldstein... Major Challoner Ed Bertolini... The Listener

The second play is a comedy character study revolving around the idea of whacky, small-town people. The scene takes place in a small fishing village of Maine. Mattie and friends try to prepare a society dinner for a guest who is the only one with a substantial education. This play with a female cast includes:

Mattie Helvi Karro
Alfreida Gail Hand
Lucy Phyllis Schabowski
Miss Carroll Victoria Yourho

The Production Staff for this presentation consists of:

Assistant to the director—John Nicholson.
Stage Manager—Bob Loranger.
Sound Technician—Stan Mumford.
Publicity—Mike Merolla.
Programs—Roni Graveson.
Properties—Dave Thompson.
Ushers—Roni Graveson, Sylva Bernier, Glenice Gagnon, Ann Johnson.
Director—Mr. Brooks.
To find out just how these plays conclude, make a date with the Masquers for February 3 at 8:15 P.M. sharp.

Bryant Student Wins 1st Prize in Annual Senior Class Raffle

By Goey Beers

The Senior Class of Bryant College held its raffle campaign during the months of November and December. The campaign was brought to a close on January 9 when Walt Bucko, President of the Senior Class, drew out the lucky numbers.

The first prize, a General Electric clock-radio, was awarded to Lane Hayden of Bryant College. Second prize, a \$10 gift certificate to any store, was won by Eritta Del Motto, of Providence. Victoria Lembo, of Pawtucket, and Jane Chase, of Swansea, Mass., were presented with the third and fourth prizes of sterling silver jewelry.

The Senior Class Banquet will be held in the State Room of Rhodes-on-the-Pawtucket on Saturday, January 24, at 7:30 P.M. Previous to the banquet, a wives graduation will be held in the Bryant College auditorium on Friday evening, January 23, at 8:00 P.M. Dancing and refreshments will follow the graduation ceremonies. All seniors and their guests are cordially invited to attend both functions.

Anne Marie Holmgren Explains Swedish Customs on WJAR-TV

Anne Marie Holmgren appeared as the "guest of the day" on WPRO, Channel 12, on Tuesday, December 23. Mrs. Virginia Stewart on her "Morning Show" interviewed Anne Marie.

Wearing a colorful Swedish costume, Anne Marie conversed on the origin and celebration of the Lucia Festival, December 15, in Sweden. Also, Swedish Christmas customs and holiday preparations were discussed during the interview.

Earlier, Miss Holmgren assisted Mrs. Cedergren in arranging the Lucia Festival held December 13 at the Gloria Dei Lutheran Church in Providence. Authenticity was added to the Swedish celebration when Anna Marie gave a speech in Swedish to greet the Lucia Festival and the large group of guests in attendance.

Anne Marie came to the United States in September, 1957, from Saltsjö-Duvnäs (just outside Stockholm), Sweden. After graduation from a secondary school for girls in Stockholm in the spring of 1957, she entered Bryant as an advertising major in the class of 1959.

After-graduation plans include the intention to go to New York and work there in the advertising field. Eventually, after working for a while, she

will return to Sweden and probably stay in Europe.

Her extra-curricular activities at Bryant are Marketing Association, in which this semester she has held the office of Secretary and next semester will be vice president; Delta Omega; and Sigma Lambda Theta, of which she has been alumnae secretary for this semester.

Bryant Grad Becomes First Female Officer Of Plantations Bank

By Russ Paonessa

The first two women in the history of Plantations Bank of Rhode Island to receive officer status were announced recently.

President of the Plantations Bank, Mr. William H. Swift, III, announced to the 140 employees, bank directors, and officers that Miss Elizabeth A. Neilan, of the Bryant graduating class of '43, and another woman had been named Assistant Secretaries of the bank.

Miss Neilan, who is a native and resident of Fall River and a graduate of Sacred Heart Academy, has been employed by the Plantations Bank since her graduation in 1943. She is very active in the American Institute of Banking, having completed in Negotiable Instruments, Fundamentals of

Banking, and the A.I.B. National Women's Committee. Recently, she was one of the members of the panel arranged by the R. I. Bankers Association, speaking on the subject "Women in Banking." While attending Bryant, Miss Neilan was a member of Sigma Iota Chi.

Refectory Traffic System Started; Patrons Must Follow IN and OUT Signs

By Kay McCormick

Have you noticed anything new in the cafeteria? If not, take a look at the signs above the inside doors and on the outside doors. They say very plainly: IN and OUT. Those signs have a very important purpose.

It was brought to the attention of the Student Senate that there was a great deal of congestion at the cafeteria doors.

sectioned off the space in front of the inside doors so that patrons will have to walk through the IN doors on entering and the OUT doors on leaving. Also, the signs indicate which door to use.

Be sure to use the left hand stairs for leaving and the right hand stairs for entering the cafeteria. If one of the doors is closed for some reason, tell Mr. Falcione and he will gladly remedy the situation.

Your cooperation will assure an easier time for yourself and others and will relieve the annoyance of waiting in line to enter and leave.

Supermarket Service Offers Part-Time Jobs to Students

More than 300 male college students are now employed on a part-time basis by Supermarket Service, Inc., of Plainville, Connecticut, according to Raymond C. Galvin, President.

Supermarket Service offers a complete, fast, accurate inventory service to supermarkets; department, drug and variety stores; discount houses and service stations along the east coast from Maine to Florida.

The firm provides a fleet of cars and buses for transporting the inventory crews. The inventory service is especially active during the night and all week-ends while the stores are closed. This does not interfere with college attendance.

Pay ranges from \$1.50 to \$2.50 per hour plus a traveling allowance. Students available for part-time work are requested to write for full details concerning job opportunities in their immediate vicinity. Write to Supermarket Service, Inc., Plainville, Conn.

"We, the members of the Bryant College of August in the year 1959, realize that the quality of any educational institution and the degree and/or diploma which it confers rest mainly in the accomplishments of its graduates. Therefore, we do hereby establish and bequeath the Genie Fund in order that future students of Bryant College may be encouraged to participate in advanced studies, which work, it is hoped, will bring credit to themselves, to Bryant College, and to all graduates, past and present." With the preceding words and a gift of \$200 by the graduating class of August, 1953, the Genie Fund was born.

During the seven years of its existence the Genie Fund has grown in both size and importance. During every semester some sort of fundraising activity is held to help finance the Genie Fund grant. This semester, a male-female basketball game, under the direction of Frank Del Rocca, will be held for such a purpose.

The event, scheduled for January 20 at 3:00 p.m., should provide much entertainment as well as funds. Admission to the game will be only twenty-five cents. Each student attending the game will know the satisfaction of contributing to a worthy cause.

Every graduate of Bryant College is eligible to apply for the Genie Fund grant, providing he or she meets the following qualifications:

1. Scholastic performance as attested by a transcript of the candidate's grades.
2. Character as attested by reference and by the records kept by Bryant College and which shall be available to the Selection Board on a confidential basis.
3. Participation in extra-curricular activities.
4. Degree to which the prospective graduate school has accepted the candidate for study.
5. The written request by the student which shall accompany the above data.
6. The desirability of the particular student.

Applicants for this scholarship will apply to a five-man selection board composed of outstanding Bryant alumni. The board includes three established, successful businessmen, one recent graduate, and one member of the present graduating class. The selection board will consider the qualifications of each candidate and make the final decision. The student who plans to make extensive part-time graduate study is also eligible to apply for the Genie Fund grant, providing his course can be successfully completed within a five-year period.

One of the best examples of the success attained by a Genie Fund grantee is that enjoyed by Mr. John R. Bueh.

Mr. Bucklew received the Genie Fund award and entered Harvard Graduate School of Business Administration from which he was graduated in 1957 with a Masters' Degree in Business Administration. Mr. Bucklew, who is now with the National Production Office of the Wall Street Journal, has established an award of a United States Savings Bond to be presented to the senior in the Bryant School of Business Administration who has distinguished himself by exceptional interest and scholarship in the field of Economics, Finance, and Investment.

The student body of Bryant College has made the Genie Fund what it is. Let us strive to keep it growing not only for our benefit, but also for the benefit of future Bryant College graduates.

Employment Seminars Now in Full Swing

To bridge the gap between the classroom and the office, the Business Administration Department of Bryant College is conducting a series of Employment Seminars under the supervision of Mr. Nelson J. Gulski, Dean of the School of Business Administration. These assemblies are being held in the Bryant Auditorium.

Three guest speakers have addressed the assemblies thus far with a fourth guest speaker scheduled to speak on January 14.

On Wednesday, January 7, at 9:00 A.M., Mr. William E. Connor, of the New York Life Insurance Company, addressed the Marketing and Management Majors on the subject "Opportunities in the Field of Sales." At 10:00 A.M. of the same day (Wed., Kavanagh, of the Grinnell Corporation spoke to the Accounting Majors on the topic "Opportunities in the Field of Private Accounting."

On Tuesday, January 13, at 10:00 A.M., Mr. Arnold Lundgren, of Ernst and Ernst, addressed the Accounting Majors on "Opportunities in the Field of Public Accounting."

The fourth lecture in this Employment Seminar series, on Friday, January 16, at 9:00 A.M., will present Mr. Martin Held, of the Boston Civil Service Office, who will address all Business Administration students on the topic "Opportunities in the Field of Civil Service."

Rules Listed for Secretarial Exams

FOR THE MID-YEAR EXAMINATION PERIOD, 1959

- Classes end February 6.
- On the last meeting of each class all students who are excused from the final examination will be given cards evidencing this special privilege. If you do not receive an "excuse card," you must take the examination during the examination period, February 9 through 13.
- A student who has a quiz average of 75% or better on the number of quizzes required by the instructor and who has had total cuts not exceeding 10% of the scheduled classes will be excused from the final examination and will be given a grade equal to the average of the quiz grades.
- Students who have cuts in excess of 20% and those whose work is incomplete will receive cards notifying them of the fact that they are ineligible for the examination.
- Only the Dean of your department can grant you permission to take the examination if you have over 20% cuts. If you have had excessive cuts (over 30%) and have been ill or experienced other unavoidable difficulties, you may present your case in writing to the Dean who may, for cause, grant permission to take the examination.

6. Final examinations will be held from February 9 through 13 in South Hall according to the schedule which has been posted.

7. Students with a grade of D, F, or Incomplete in Shorthand or Typewriting are required to attend Shorthand and Typewriting classes when not taking an examination. Students with C averages may--it is optional with them. Students with A and B averages are not permitted to attend the Shorthand and Typewriting classes during the week of February 9, through 12.

8. Students with an Incomplete or failing grades in Office Machines I or Office Machines II are required to attend the special classes February 9 through 12 when not taking an examination.

9. Registration of "renewal" students in the Secretarial Department for the new semester will take place at 10:30 a.m. on Wednesday, February 25.

10. Since provision will be made to give out schedules and books at the above hours it is imperative that you report at the proper time. Late arrival or failure to register on February 25 will necessitate delays and inconvenience. Please cooperate by reporting at the proper day and hour.

11. Classes begin at 8:00 a.m. on Thursday, February 26, 1959.

From Where I Sit

By JIM SHEEDY

Well, the holidays are over, and the New York Giants made our prediction go the way that the majority of our predictions have gone—right out in the middle of left field. Ah, there is at least one consoling fact. The Boston Celtics are still leading the pack in the Eastern Division of the NBA, and we picked them to take the title this year.

The bowling season is rapidly drawing to a close, and therefore it is only fitting that we put the jinx on another poor innocent team. This corner will have to go along with Phi Sig to win out in the playoffs. The only team that we expect to give them any trouble is Tau Ep, and they haven't got the strength to down the king-size kegler from Phi Sig. We do not, by any means, believe that the margin at the end of the season will be the ten games that our friend Mr. DiFillippo reported to us at the start of the season.

It also appears that Sigma Iota Beta is well on its way to still another athletic trophy. They are out in front of the pack in the Women's Bowling League and are going strong. Your reporter will also go along with S.I.B. School Athletic Director Frank DeRocco has come up with quite a surprise team for Tau Ep's basketball fans this season. They are playing a

brand of basketball quite similar to that of the undefeated Westerly Commuters. As of this writing both Tau Ep and Westerly are undefeated, but they are meeting Monday (last Monday) in what could well decide this year's champs. Westerly may lose the services of big Mac MacVikar through an unfortunate auto accident. We have heard from a very reliable source that the flashy Ken Bennett will be there. This will certainly take up the slack. Like last year we will go along with Westerly, but they will certainly know they have been in a ball game when they leave the court.

Jack Ribero of Tau Ep, who is a newcomer to the Bryant court this season, is as good a ballhandler as we have seen in a number of games. He seems to have a knack for knowing where his teammates are at all times. He calmly whips the ball to them.

Ray Nolletti, who lost last season's scoring race only because of a stellar 47-point performance by Dick Cooper in late season, deserves a slight pat on the back. Ray has an assortment of shots and a deadly eye that could probably win him the scoring title. Instead he has concentrated on a brand of team play that has more than one fan at the Cafegymnasium wondering. Nolletti has done a job that was so good that teammate John Pirich will be one of the leading scorers. This will be due primarily to the feeds that he has gotten from Ray and his other teammates.

Pirich, Phillips, Moyer, and Washington Head New Slate of Phi Sigma Fraternity Officers

On Monday evening, January 12, 1959, at a meeting held at the Sunset Club in East Providence, the Brothers of Phi Sigma Nu elected a slate of new officers to take charge of the Fraternity in the coming semester. The newly elected officers are the following:

President, John "Yonko" Pirich; Vice-President, Ray Phillips; Secretary, Bob Moyer; Treasurer, Ken Washington; Sergeant at Arms, "Moose" Poirier; Grand Councilman, Scotty Clancy; Assistant Secretary, Don Frauenberger; Assistant Treasurer, Bruno Pedulla; Alumni Director, Rick Michaud; Co-Alumni Director, Ray Cerrito; Athletic Director, Don Wyatt; Chaplain, Dennis Sullivan.

At the same meeting, thirty-six pledges were conferred the honor of the Third Degree of the Phi Sigma Nu Fraternity, thus becoming full-fledged brothers of the fraternity.

The new brothers are Ken Allen, Dick Batherson, Bob Blanchini, Bob Black, Joe Cabral, Ray Cerrito, Mike Cohn, Joe Cote, John Cunningham, Al Durvin, Clayton Dye, Don Frauenberger, Gus Guifra, Rocky Hall, George Hamilton, Rosy Korbald, Mike Kubick, Bill Lang, John Loughran, Herb MacNeil, Julio Maggiano,

Westerly Commuters Break First Place Tie By Routing Strong Tau Epsilon Quintet

By Charlie Rogan

THE WESTERLY COMMUTERS continued to dominate the Bryant cage; this year going into this big game with Tau Epsilon, Westerly was tied for first place with the strong determined Tau Ep club. From the starting whistle to the game-ending buzzer, there was little doubt as to who had won the game--Westerly had out-played, out-scored, and out-fought a tough T.E. team.

The Commuters jumped to a 2-0 lead and that was the last time the game was to be that close. Westerly was almost able to take 3 shots to Tau Ep's 1, thanks to the fine rebounding of Ray Nolletti on the defensive boards. The first half of the game really told the story. Tau Ep had only 8 baskets out of 33 shots for a 18.1% from the floor, while Westerly had 17 baskets out of 46 shots for a respectable 36.9 shooting percentage. The half-time score was 33-16 in favor of Westerly.

If T.E. had played the whole game as they did the third quarter, the outcome of the game might have been different. But as good as T.E. played

that quarter, Westerly played their same steady game and kept their lead safe.

Four out of the five starters for Westerly hit double figures: Ken Bennett had 20 points, "Yonko" Pirich 18, Ray Nolletti had 11, and Buddy Wright 10. Ken Bennett was high man of the game with his 20 points. Enough can not be said about his timely passes and excellent ball-handling. Buddy Wright also deserves a word of praise for the outstanding defensive job that he did against Curt Holmes' of T.E. Curt, who usually averages about 20 points a game, found himself "boxed out" of the middle so that he couldn't put up one of his patented jump shots.

At the end of the game, Westerly had 28 baskets for 90 shots from the floor for a 31.1%, while T.E. regained their composure, a bit too late though, and had 18 baskets from 66 shots for a 27.2 shooting percentage.

Dick Casciano led the way for Tau Ep with his shooting and fine handling. He had 17 points while Curt Holmes had 10, and Fred Grebian, who rebounded tremendously, scored 8 points.

The officials, Norm Darsel and Jim McPhillips, did their usual good job of keeping peace and order in the game.

Sigma Lambda Theta Pledge Banquet Held at the Admiral Inn

By Janet Cote

Sigma Lambda Theta held its formal initiation for pledges January 7 at the Admiral Inn.

After the banquet dinner the eleven pledges took the Theta oath and were officially made sisters. Each new sister received a certificate of membership, identification card, a red rose, and hearty congratulations and well wishes from every sister. The new sisters of Sigma Lambda Theta are Irene Bollart, Evette Silva, Connie Fialkiewicz, Mary Jean Glass, Dorcas Holden, Marilyn Strino, Pat Testani, Helvi Karro, Joan Bercy, Kathy Seiser, and Pat Masini.

Miss Gildert, advisor to Theta, welcomed the new sisters into membership. Barbara Curry, a past Theta sister, was installed as a new advisor to Theta.

Congratulations are extended to the three sisters who became engaged over the holidays. They are Judy Mace to Bill Ehrhardt, Goey Beers to Victor Otley, and Sadi Levin to Howard Goldstein. Also congratulations to Jerry Choquette on his recent engagement to Alice Mayhew.

Sports Notes

By Charlie Rogan

While the defending champs, Westerly, have been able to escape injuries to a couple of key players, Tau Epsilon has turned into one of the powers of the league. T. E. has won all their games so far and pose a threat to Westerly.

Tau Epsilon turned in a fine all-round performance as they romped over Chi Gamma Iota 62 to 32. Tau Ep took an early lead and just was too far out in front before Chi Gam could do any scoring. As usual Curt Holmes was the big gun for the winners with 23 big points. Also helping Tau Ep were Freddy Greblan with 16 points, Dick Casciano, and the surprising ball handling of ageless Frank Del Rocco. Mike Foster and Ed Vele played fine games for the losing Chi Gam team.

In a real thriller all the way, Chi Gam squeezed by the Raiders 55 to 52 in overtime. Bob Clapprood tied up the game with two foul shots as the game came to a close in regular time. Chi Gam was led by the hot shooting of Bill Driscoll with 16 and Ed Vele with 14 points. The Raiders were paced by Dick Cooper with 18 points and Bob Clapprood with 16 points.

In a poorly played game Kappa Tau beat Beta Sig, 34 to 24. Sloppy ball handling and poor shooting, most likely caused by the vacation lay-off, was probably the reason for the final score. Jack Morrissey and John Donahue led Kappa Tau to the victory.

Westerly was put to their first real test of the season as Kappa Tau almost beat the Champs 60 to 51. Kappa Tau broke fast in the beginning and led at half time, 29 to 26. They continued their scoring attack with Jack Morrissey tossing in 15 points. Westerly turned on their famous scoring attack with about 10 minutes left in the game. Led by Ray Nolletti with 17 and Yonko Pirich with 16, the champs had just a little more than the tiring, but valiant K. T. team. Salani, Yusko, Kleh, and Donahue all played fine games for the up-and-coming Kappa Tau team.

best new year's party in quite some time. But this was only the beginning, and everyone in Phi Sigma Nu and Sigma Iota Chi are looking forward to the many events planned for the coming year.

Phi Sig Leads Men's Bowling League

Phi Sig's strong bowling team has edged a little further in front of its competitors. For the past three weeks of the current bowling season, Phi Sig has taken four points from its opponents.

Dick Biele of Phi Sig rolled a remarkable 156 single to take honors for the high individual game thus far. However, Jimmy Walsh of Chi Gam retained his high average of 118. He is closely followed by Placido DiFillippo of PSN who is rolling right behind him at a 111 average.

Standings:

PHI SIG	88-18
TE	84-10
CHI GAM	39-17
BIB	39-10
AOX	28-18
BETA SIG	21-37
KT	9-39
AO	2-46

The high flying Tau Epsilon team continued undefeated as they walloped Beta Iota Beta, 63 to 21. TE simply had too many guns as they easily handed B.I.B. the defeat. Curt Holmes continued to play fine ball as he tossed in 28 points. Tommy Hayes and Jack Ribero helped in the Tau Ep scoring department, while Freddy Greblan turned in a fine rebounding game. Brown was high man for B.I.B.

The Raiders whipped Beta Iota Beta, 40 to 29. B.I.B. started the game off with a fast scoring attack, but slowed down at the end as the Raiders led by Cooper with 14 and Cibroski with 13 pulled ahead near the end of the game. Brown led Beta Iota Beta with 10 points.

SIB's 30-6 Is High In Ladies' Bowling

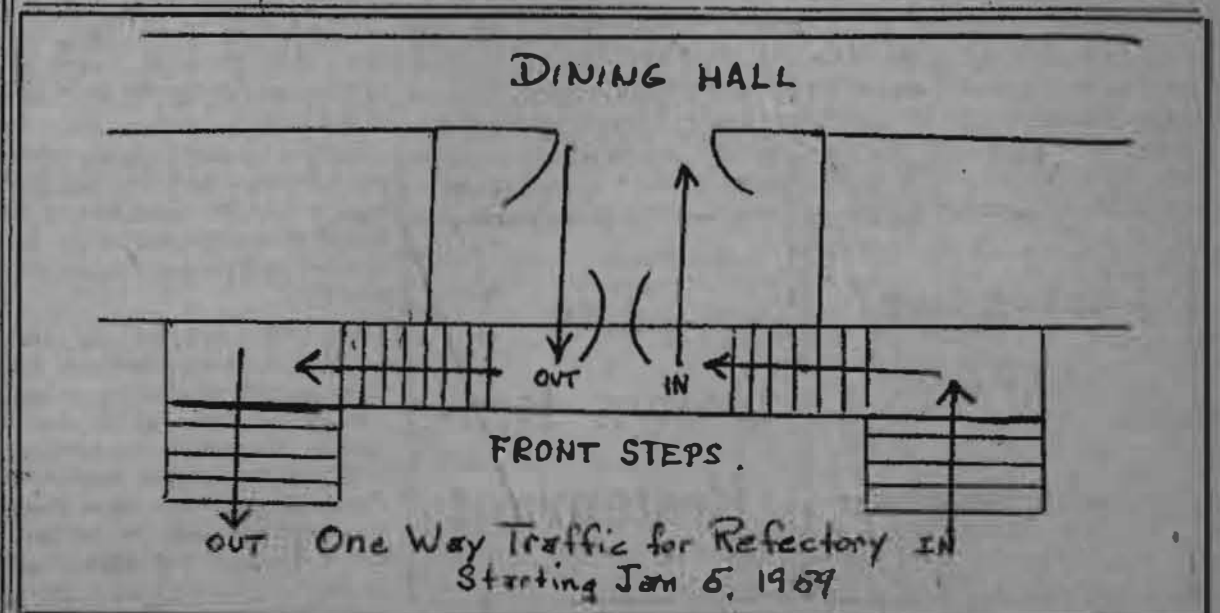

SIB's Donna Cardarelli has almost single-handedly led her sisters to the current bulge they hold over the other teams in the women's league. She holds the high individual game with a 122, the high three-game total, with a 304, and the high average with a 92. Sigma Iota Beta also has the high team total with a 1348.

Sigma Iota Chi holds down the second slot, three games behind the leaders. S.I.C. also holds a three-game lead over third place Zeta Sigma Omicron.

Standings:

SIB	90-11
SIC	87-10
ZSO	84-16
APK	18-53
PU	15-21
KDK	11-25
SLT	9-31

At the Blackboard

By Malcolm B. Clancy

Many new students at Bryant are sometimes quite puzzled when they see a collection of upperclassmen standing in front of the bulletin board in Memorial Hall, diligently drawing a map. To these new students, the mysteries of the Economic Geography of our country have not yet been revealed. They need not worry too much however, because in due course they, too, will have the privilege of studying under Bryant's own "Master Mapper," Mr. Richard P. Alberg.

A native Rhode Islander, Mr. Alberg was born in nearby Pawtucket. After attending grammar school in Pawtucket and St. Dunstan's School in Providence, Mr. Alberg was graduated from Pawtucket East (Thomas) High in 1947.

After graduation from high school, Mr. Alberg studied at the Rhode Island College of Education from which he graduated in 1949. While at R. I. C. E., Mr. Alberg was a member of Kappa Delta Pi, an honorary society in education.

Upon leaving college, Mr. Alberg enlisted in the United States Air Force where he served from July 1951 to July 1955. During his term in the service, Mr. Alberg spent 45 months at Lake Charles Air Force Base in Louisiana, and as he affectionately remembers, he "fought the Battle of Lake Charles."

September 1955, found Mr. Alberg continuing his education and studying at the Graduate School of Geography in Clark University, Worcester, Mass. Mr. Alberg has good reason to remember Clark University, for it was there that he met his wife, the former Miss Rebecca Brockelbank, whom he married in March, 1957. Mrs. Alberg is also a geographer but is better known for her cartographic ability. She has already prepared the maps for two books: one, the *American Agriculture*, by Edward C. Higbee, (a copy of which is available in the library), and another which is forthcoming.

Mr. Richard Alberg

After graduation from Clark University, Mr. Alberg came to Bryant as an instructor of Economics and Economic Geography in the Department.

At the present time, Mr. Alberg is working on the completion of his thesis for a Master's degree in Geography. Mr. Alberg has also taken courses at Providence College and Brown University. On top of his already busy schedule, Mr. Alberg still finds the time for his hobbies, singing with his church choir and with the Schubert Male Chorus of Providence, and aiding Mr. Handy with the Bryant Glee Club.

Known and respected for his conscientiousness, Mr. Alberg had the following comment to make regarding teaching: "I like to think of teaching as a two-way process with both the student and the instructor gaining some new knowledge with every meeting. I am thankful for the opportunity to be part of this learning process and take pride in being able to contribute to my student's educational growth."

We're glad to have you helping us, Mr. Alberg!

Bill Bertolini, Ed Blanchette Re-elected by AO

By Paul V. DeLomba

On January 5 the members of Alpha Omicron Fraternity met to elect officers for the coming semester. When the balloting was completed, Bill Bertolini was declared President; Ed Blanchette, Vice-President; Roger Deware, Secretary; and Joe Romano, Treasurer. While Bertolini and Blanchette were elected to their respective offices for the second time, Deware and Romano are assuming their capacities for their initial term. Paul DeLomba was elected to the only other position voted upon, that of Historian.

Complementing a particularly busy week, on Friday night the brothers of AO played host at their Second Annual Dance, which proved to be a complete success. Those who attended the dance, held in the Gymnasium, experienced the unique pleasure of dancing to the music of Tommy Rondono and his band, who performed at Bryant for the first time. Tony Celuzza, George Abadjian, Don Arpin, Bob Schwartz, Bob D'Amico, Al Kells, Joe Mega, and several other members of various committees made the diligent efforts which contributed to the success of the event.

Theta Tau Holds Christmas Party

By Rita D. Michael

On Monday, December 21, 1958 Theta Tau held its annual Christmas party. The affair was held at Trinity Brotherhood Hall in East Providence. A Christmas tree, festive decorations, and refreshments helped to put everyone in a jovial mood.

Old friendships were renewed as fellow TT's, who are out student teaching, stopped in to say hello.

A meeting will be held sometime this month to discuss plans for the annual conference of Eastern States Association of Professional Schools for Teachers in March.

Sigma Iota Chi Initiates 20 New Sisters, Jan. 14

By Grace J. Pettinicchi

On Wednesday evening, January 14, the Barn Studio was the scene of the First Degree ceremony for Sigma Iota Chi's twenty pledges. The pledges, who have successfully completed their initiations, sorority pledge lessons and tests, and who qualified for First Degree were Mary Ann Cooke, Sue Phetteplace, Pauline Lippe, Jean Strandquist, Janice Mariani, Kathy Cotoia, Dottie Denelle, Barbara Gray, Helen McCaffrey, Barbara Stanard, Donna Gale, Carol Ferry, Barbara Johnson, Barbara Radginski, Dolores Boss, Carol Raffa, Joan Gregory, Lynne Ochicano, Joyce Fetko, Nancy Hunt.

The pledges have already had their Big Sister-Little Sister Ritual, at which time they received their pledge pins, which they are now proudly wearing. The pledge pins must be worn by the Sigma Iota Chi pledges until such time as they become Third Degree Sisters. Plans for Third Degree are now being made for the early part of February.

Right about now, pledges, brothers and sisters are all looking forward to having a great time at the annual Pledge Formal, which has been set for Saturday evening, January 31.

Meanwhile, everyone has been enjoying this winter semester. The brothers and sisters had a get-together on December 21 for a skating party which was arranged by Kathy Cotoia. Also during the Christmas vacation, a New Year's Eve party was held for brothers, sisters, pledges and alumni and guests.

Zeta Sigma Elects New Officers; Hold Banquet for Pledges

Zeta Sigma Omicron sorority held their formal initiation for pledges Wednesday, January 7, in the Barn Studio.

President Joyce Aldrich administered the Oath of Fidelity to the pledges.

The new sisters include Janet Stewart, Elizabeth Walenda, Carolyn Lamkin, Lois Klingaman, Betty Montryn, Janice D'Amours, Janet Anisewski, Judy Meister, Vernie Redente, and Marie Nuzzo.

Officers of Zeta Sigma Omicron for the coming semester are as follows:

- President—Joyce Aldrich.
- Vice-President—Nancy Vechinsky.
- Treasurer—Glenice Gagnon.
- Secretary—Carolyn Lamkin.
- Historian—Judy Meister.
- Pledgemistress—Vernie Redente.
- Athletic Director—Gail Noe.

The sisters held their pledge banquet in affiliation with their brothers, Alpha Omicron, at Lincoln Country Club, Saturday, January 10.

Beta Iota Beta Elects Naglieri President; Simpson, Vice Pres.

By Dick Biels

Elections of officers of Beta Iota Beta Fraternity took place January 6 in South Hall at 7 p.m. Three men elected and their office are Thomas Naglieri, President; David Simpson, Vice-President; Richard Biels, Secretary; Frederick Auger, Treasurer; James Sheppard, Sergeant-at-Arms; Joseph Crowley, Alumni Secretary; George Swahn, Historian; Berton Bronnwell, Chaplain. The following Saturday evening at the Admiral Inn these men were formally installed as officers at the Annual Pledge Banquet.

Before the proceedings began, the pledges were formally initiated into the fraternity with the performance of the Formal Initiation.

The sisters held their pledge banquet in affiliation with their brothers, Alpha Omicron, at Lincoln Country Club, Saturday, January 10.

Swinging over from the sports picture, B.I.B.'s Bowling Team scored four points from K.T. in a pre-holiday match. The first game ended in a tie, which was promptly broken as B.I.B. bore down and collected the greater number of pins across the second frame of the second game. The team continued on to capture that and the remaining game. The first week of bowling after vacations saw B.I.B. take 3 of 4 from an insurgent A.O. quintet. Both teams showed the effects of a long lay-off as a great number of easy spares were missed. The deciding factor was B.I.B.'s ability to pick up more of the extra wood.

Campus Capers

By Roni Graveson

Welcome back to the last hill of the semester. I hope everyone started off the new year on the right foot—collecting balloons, blowing two horns at once, and shaking noisemakers while trying to say Happy New Year.

Beginning the home stretch and final social which was the Second Annual Dance presented by Alpha Omicron Fraternity.

This week-end Beta and Theta will hold their pledge formal at Warwick Country Club.

SIM and BIB held their formal last Saturday as did Zeta Sig and AO.

Monday night Delta Omega finished its semester with a final banquet at Admiral Inn. I would like to congratulate the directors of Delta Omega on the excellent selection of their speakers. Many present day problems have been discussed.

Gas tanks were checked and oil was filled up in the cars of many retailing majors as they took off for the N.R.D.G.A. City. Many important points concern-

ing the modern day retailing practices were discussed.

Latest comment heard around campus—Gee, I don't seem to be bumping into as many people now in the cafeteria. Reason: the new system of using IN and OUT doors and stairs. They help to eliminate some of the black and blue marks.

What's this I hear—Murder without murder? Impossible? Could be, but don't forget to find out the answer from the Murders, February 3, at 8:15 p.m.

Boy! Look at all the new ties and jewelry floating around campus. Seems like Christmas presents are getting their first, and perhaps their last, wearing.

Vote, Vote, Vote. Those words seem to be echoing in the ears of many as their organizations elect their slate of officers for the coming semester.

A private word to the poor girl friend of Ambrose: Try the stair, dearie, and you'll find yourself standing on top of the subway. Hold your head up high (oops, not too high or you'll fall into the tracks) for the sun never shines on a poor adjustment.

A bell is to ring but without the clapper, you'd miss the whole idea of a bell

A cigarette is to smoke but without flavor—you miss the whole idea of smoking

When it comes to flavor

It's what's up front that counts

Up front in Winston is **FILTER-BLEND**

That's why **WINSTON TASTES GOOD**, like a cigarette should!
