VOLUME 57

NUMBER 14

WELCOME BACK!

U.S. Accounting Head to Speak at Convocation

Courtesy of The Bryant College Office of Public Information

America's outspoken chief accountant, dubbed the "congressional watchdog," helps Bryant College celebrate the start of another academic year September 13 by speaking at the annual fall Convocation.

Charles A. Bowsher, comptroller general of the U.S. and head of the General Accounting Office, gives the keynote address at the 11 a.m. Convocation in the Gymnasium. The recipient of an honorary doctorate from Bryant in 1984, Bowsher began his 15-year term as one of Washington's most influential people in October, 1981.

The Convocation also will include the faculty's annual recognition of a colleague. Joseph Ilacqua, associate professor of economics, will be honored this year with the Distinguished Faculty award.

Bowsher's appointment by former president Ronald Reagan was described by him as one of the most important he would ever make. The GAO is an independent, nonpartisan legislative agency with a mandate to assist Congress by examining and reporting on essentially all government activities.

In essence, Congress rarely moves on a major program without consulting Bowsher and the GAO, which also acts as a fiscal watchdog.

Before moving to the GAO, Bowsher was a partner with Arthur Andersen and associated with that accounting firm for over 25 year. He is a graduate of the University of Illinois and the University of Chicago Graduate School of Business, where he earned an M.R.A.

Professor Ilacqua has been teaching at Bryant since 1968. He came to Bryant from Providence College, where he taught for four years after earning an M.A. from Clark University in 1964. His A.B. is from Stonehill College.

Ilacqua is the former president of the Faculty Federation, a post he held for more than 10 years. He has served also on numerous college committees and has been involved with a variety of state and local organizations. Papers he has written or co-authored have been published in leading journals or presented nationally at association conferences. He lives in Providence.

So that students and faculty can attend Convocation, 11 and 12 o'clock classes are cancelled.

Freshman Nick Patalano unloads a cartload of belongings into his Dorm 15 room

For more photos, see pages 6 & 7

The Archway -In A Class By Itself

There is one organization on this campus that cannot be fully described in one black and white article. The Archway has been Bryant College's student-run newspaper since 1946.

Located on the top floor of the MAC, The Archway uses a state-of-the-art Apple Macintosh desktop publishing network.

Every Wednesday evening the production staff and writers unite to produce the newspaper. Any Bryant student is welcome to experience "production night." As always the organization provides pizza and soda for those who attend. "Production night" officially starts at 4 PM and extends well into the evening.

There are numerous positions open at The Archway. Writers are always needed to report news, features, sports, entertainment, business and opinions to the Bryant community. Writers are given the freedom to do as much as he/she desires for The Archway. There are also editorial board (staff) positions currently open.

Other department positions that need to be filled include: Production, business, distribution and photography. To get an accurate job description of each department, one should consult with an

Archway staffer.

Why should you join The Archway? Most organizations will try to attract members by telling you of the valuable information you will gain, the resume you will build, the great people you will meet and the excellent time you will experience in the process. Although The Archway offers all of these benefits, the organization goes one step beyond the apparent. Staff members experience a great deal of satisfaction every week when the paper is finally

produced and distributed on campus. Picture a team of people working together for one cause. When the team wins, everybody wins. And the satisfaction from that experience cannot be repeated by any other means.

Students on the staff feel that their input has a tremendous impact on the newspaper. And it does. When a new issue, such as parking, is brought to the attention of the campus, whether it be by news, features or editorial, the Bryant community is informed. No other publication covers issues in depth about Bryant College as does The Archway.

When a faculty member expresses an opinion about your editorial, whether it be pro or con, that one comment will be enough spark to keep you writing for the next four years. When a classmate applauds your artistic creativity, you will feel more in you than just to say "thank you." When your news article reaches 8,000 eyes and informs people of the impossible, you will feel the power of the

The purpose of this first issue of The Archway is intended to inform new and returning students of some of the organizations on campus. September not only marks the beginning of a new academic semester, but also the beginning of organizational opportunity. There are many more worthwhile organizations that are not portrayed within these pages. Students should look for signs in the Rotunda and Bryant Center for further information. In addition, an Organizational Fair is scheduled for

The Archway staff would like to welcome all new and returning students. We wish you the best for a successful semester.

Offices are located on the top floor of the Multipurpose Activities Center. Mailing Address is Box 7, Bryant College, 450 Douglas Pike, Smithfield, R.I. 02917-1284, Our latephone number is (401) 232-6028.

ACCOUNTING ASSOCIATION

The Accounting Association is both an academic and social organization. Our primary purpose is to bring together accounting majors or those interested in the major. The Association sponsors events which help the members become aware of what accounting is and what it has to offer. The Association is also interested in campus events that effect its many members. In fact, the organization's average membership is 130 to 150. This large group allows members to meet many other students with similar interests. This is a tremendous asset (pun intended) of the Accounting Association.

In order to give you an idea of what the Association has planned, here are some definite and tentative plans. For late September we will offer public and private accounting nights. This allows members to hear and meet with professionals in each area. In October is the accounting recruiters reception where senior accounting students are invited to meet their soon-to-be interviewers on a less formal basis. Some tentative plans include an event to meet with the accounting faculty to discuss current student issues and also a purely "social gathering" that would include members and their guests. Of course, we will have monthly general meetings and newsletters to keep all members well informed. In addition, if any member would like to participate beyond attending the meetings and events, we more than welcome

We hope we have given you a good idea of what the Accounting Association is all

Archway **Edict:**

- 1. Archway writers' meetings take place weekly in the Archway office. Look for more information concerning day and time in next week's issue. All are welcome to attend.
- 2. Editorial board meetings are held on Thursday nights at 6:30 in the Bryant Center's South Meeting Room.
- 3. All submissions, including Greek News and Letters to the Editor, must be received by 4 p.m. on the Monday before publication. Copy received after this may or may not be printed, depending on space limitations.
- All written material must be mechanically reproduced, double spaced, and include the writer's name and phone number.
- 5. Advertisements are due no later than midnight on the Monday before publication. Rate sheets can be obtained by calling the office (232-6028).
- 6. Letters to the Editor must be signed. Names will be withheld upon request.
- 7. Personals must be written on Personal Forms which are available at the Bryant Center Information Desk. Any Personals not submitted on Personals Forms will be discarded. Personals are picked up every Tuesday approximately 11 a.m.

about. We are sure that if you give the Association a chance you too will find it a fun way to learn, meet new people and make the most of you time here at Bryant. We invite you to attend our first general meeting: Tuesday, September 12th, at 4:00 p.m. in the auditorium. Please feel free to contact the president, David W. Arden, at box 1572.

ACTUARIAL ASSOCIATION

The Actuarial Association of Bryant College was founded in October of 1988 to help students learn more about the actuarial profession. Actuaries from local insurance companies are invited to speak about current topics in the industry. In late September a resource center will be opened in the Actuarial Lab in the Koffler Center which will contain information about summer internships, permanent positions in consulting and insurance firms, and an expanded section of study material for the preliminary actuarial exams. Study exams are being formed for the November exams.

Learn more about your major and find out why the actuarial profession was rated the best one in the country. Look for our organizational meeting in the next couple of weeks or write to Pamela Bruyns at box 1489, Steve Naldi at box 2942, or Brian Hunter at box

BRYCOL

DON'T JUST LEARN BUSINESS; LIVE IT!

We would like to take this opportunity to welcome you to Bryant College, and introduce you to one of the most exciting and vital organizations on the Bryant campus: Student Services Foundation, Inc.

Brycol is an incorporated organization run entirely by Bryant students. We employ over 100 students in our seven enterprises, which are: the Country Comfort, Tupper's Pizzeria, Pepsi Vending, the Campus Connection, The Informant, Arcadia Travel, and College Rent-A-Fridge. We also offer employment in areas such as computer operations and accounting.

Have you got an entrepreneurial spirit? A great business idea? The drive and enthusiasm to turn a dream into reality? Bring your ideas to us. We can help you with the legwork, supply you with employee, and even help you to finance your operation.

Do you need a part-time job to help defer the cost of your education? Brycol places students (including work-study recipients) into all kinds of jobs every year, and gives them the chance to move up the ranks very quickly. A freshman clerk at Tupper's could easily have a management position in a few months. But if you are just out to earn extra cash, you can keep the same position for all of your college career.

We would like to especially stress what Brycol can offer you. No matter what your major you can gain valuable experience; experience which is guaranteed to give you that extra edge over the competition in the years to come. And companies know what Brycol is about!! The firms which recruit at Bryant come back every year knowing that Brycol delivers enthusiastic go-getters.

Brycol is one of the reasons Bryant College is such a great place. Take the time to get involved, and open the door to a successful future.

For more information or applications, call 231-1220 or stop by the Brycol House.

BRYANT **PLAYERS**

Do you like theater? Join us! We put on two shows per year: our short, one-act Parents' Weekend show in the fall (did you see last year's show? We packed the auditorium!) and our full-length spring show. Recent hits include Just Desserts, The Butler Did It. The Scheme of the Driftless Shifter. and last spring's ever-popular

Grease.
We don't stop with performances, though! Every fall we sponsor a candy apple sale. And around February 14 we hold a Valentine's Day candy sale so you can send sweets to your sweetheart! And the fun doesn't even end there . . . last year we had several murder mystery gatherings. Pretend you're someone else for a night and try to solve the mystery. Whodunit?

Come to one of our weekly meetings to see what we're all about! Look for signs around school announcing auditions! Come meet new friends and have good times! Get those creative juices flowing!

For more information, contact President Bob DelGruco (box C4135) or Secretary John Abbott (box 1001).

BRYANT'S PROFESSIONAL WOMEN'S ASSOCIATION

Congratulations to some and welcome back to others! The organization of B.P.W.A. applies to those of you interested in pursuing the answers to the problems faced by today's business professionals. From the difficulties of "the glass ceiling" to the challenges of finding career opportunities, B.P.W.A. otters the chance to explore any issue. This year we plan to sponsor events with other Bryant organizations as well as hold monthly meetings, informal events, panel discussions, and off-campus

We welcome anyone interested in joining B.P.W.A. to come to our welcome back and informational meeting planned for the second week of this semester. Look for posters placed in the rotunda and Bryant Center for more details.

If you have any question, feel free to contact any of the following

President: Michelle Mitchell box 2314 Vice president: Jen Hunter box 1990

Secretary: Laurie Barron - box 1137 Treasurer: Dawn Blest - box

1219 Good luck for the upcoming year and hope to see you at the meeting.

THE COMMUTER CONNECTION

The Commuter Connection is an organization which was established for serving and helping commuter students. Our organization has two main objectives:

1. To keep commuters informed about issues and events on campus and to provide a voice for the commuters in administrative and academic decision making.

2. Moreover, we act as an information resource to inform commuters of resources on campus and in the surrounding communities which may help with their commuting problems.

Apart from that, we strongly encourage commuter students to get involved in campus activities that will provide opportunities for interaction with resident students.

Last year, we had organized a few events, such as music performances for both resident and commuter students. Popular rock 'n roll singers such as The Philtres and Pat Cottrell were invited to perform in our events. Furthermore, we had published a brochure which briefly describes our organization. These brochures were given out during orientation together with a beautiful Commuter Connection keychain.

You are welcomed to join us and share this experience with us. Just stop by our office on the third floor of the Bryant Center or give us a call at 232-6176 or write to box 2321.

The executive members of the Commuter Connection for the year 1989-90 are as follows:

President: Christopher Lee Vice president: Chris Coutu Treasurer: Paul Willoughby Secretary: Kyle Gibson

HILLEL

Welcome freshman! The Bryant College Hillel is Bryant's own Jewish student organization. Founded 23 years ago, our Hillel is dedicated to providing students with a rewarding collegiate experience with opportunities to make lasting friendships and to participate in a variety of social, educational, and religious activities.

This fall we are welcoming our new rabbi, Rabbi Lawrence Silverman and our new faculty advisor, professor Alan Olinsky to Hillel. Both have worked with the executive board on our fall calendar. Some of our activities planned for the fall include: monthly brunches, a trip to Newport, a Chanukah deli supper, guest speakers, trivia games, social hours, and other fun events. Our bi-weekly meetings are held on

Wednesdays in the student center, Whether you would like to become an active member of Hillel or attend an event every so often, you are always invited to see what we're all about!

This year's executive board includes: Karen Cohen, president; Jon Lurie, vice president; Jon Hefter, treasurer; and Drew Polinsky, religious chairperson.
If you have any questions or

would like more information, please write to us at box 7.

Our first meeting is scheduled for Wednesday, September 13 at 4:00 p.m. in the MAC and we are looking forward to a great year!

KARATE CLUB

The Karate Club would like to welcome the incoming students to Bryant. Bryant has numerous activities and clubs to offer its students. The club was founded in 1977 by Ronald Renaud and Stephen Maurer, Ronald Renaud continues to teach the students in the club in the martial arts. The club is open to all students, and no experience is needed. The students are put through rigorous training, both physical and mental. The students learn self-defense, discipline and gain confidence in themselves and their abilities. The discipline that the students learn through the martial arts can help improve both study and work habits.

There are also many other aspects to the club. The club helps in fundraisers such as the phonothon and in charity work such as Special Olympics. We also do demonstrations for other clubs, at basketball games, Spring Weekend and also at Parents' Weekend. The club also goes to tournaments, has picnics, banquets and parties.

If the Karate Club sound like something that would interest you, come check us out. Look around school for signs about our beginners' day or contact one of the officers of the club if you think you might be interested.

Vice president: Susan Torti box 4377

Secretary: Pam Iovino - box 3249

Treasurer: Brandon Hay - box 1829 Public Relations: Trish Lewis -

box 2969

THE LEDGER

The Ledger is Bryant College's campus yearbook. The Ledger covers all events from the first day of class till graduation. The book is distributed in late October-November. The seniors are catered to with direct mailing from Taylor Publishing Co. in Dallas, Texas, while the rest of the students must await its arrival on campus. It is important to state that it should not be a senior project to put the yearbook together. We urge both seniors and underclassmen to get involved. Without the help of underclassmen, the '89 Ledger would not have been possible. You can make a difference.

SOCIETY FOR THE **ADVANCEMENT** MANAGEMENT

The Society for the Advancement of Management, (SAM), is the world's oldest management society.

ARCHWAY

Distribution Manager Wanted!!!!

Only a 3 hour commitment per week.

For more information about wages and job description call Drew at 232-6028.

The first chapter was established in 1912. Today there are many chapters in the United States and internationally as well.

Some of the goals of this organization include

-Becoming more active in campus activities.

-Meeting students with

similar interests. Makin PROFESSIONAL CONTRACTS.

-Improving managerial knowledge and leadership

abilities.

-Combing learned theory with actual business practice

through interaction with professionals.

Four key ideas that SAM wants to enforce are:

-PARTICIPATION -COMMUNICATION -EDUCATION -DEDICATION

These four ideas are important as you strive for success in the modern business world.

Become involved with SAM today and enjoy fun-filled trips, guests speakers, and much more.

Learn more about SAM at our first meeting which is on MONDAY, SEPTEMBER 18 AT 4 P.M. The meeting will be held in the North Dining Room in the Bryant Center. Meetings are held every other week at the same time and place. ALL MAJORS ARE WELCOME.

If you have any questions, feel free to contact any of the officers or send a message to us at box 5. The officers for the 1989-90 year are as follows:

President: Susan Moody - box 2312

Vice president: Lauren Balgach

-box 1065 Treasurer: Debbie Burnham box 1274 Secretary: Michelle Mitchell -

box 2314

We look forward to meeting with you on September 18.

SCUBA CLUB

This year the Scuba Club plans to continue the expansion begun by last year's president, Derek Fox. Our new officers are co-presidents Ken Vander May and Brian Simon. Rob Fox remains as treasurer.

Anyone who is interested in diving at student rates should contact us through box 5. There will be certification courses both semesters for newcomers. For the experienced divers we plan to dive once or twice a month which may include overnight trips to Cape Cod if interest is high enough. Following last year's successful trip to the Caribbean, plans are already being made to repeat it during either Christmas or Spring Break.

We are trying to become a larger, more visible club on campus and will continue to hold special events like underwater Monopoly.

Anyone interested in joining the club, whether experienced or not, please contact us through box 5, and come to the meetings. Our first meeting will probably be during the second week of school. Look for more information posted in the rotunda and Bryant Center.

SKI CLUB

We invite you to join one of the hottest clubs on campus. Don't miss out on the hot tub parties, pool parties, skating parties, and the most unbelievable skiing you've ever encountered!

We welcome skiers of all abilities, from those just learning to those who've been skiing for years. We had over 150 members last year who enjoyed awesome skiing and partying. We are not a bunch of ski bums anymore. We also host intramural sports teams as a way for you to get together and have fun away from the slopes also. We also

STUDENT PROGRAMMING BOARD

A warm welcome to all incoming freshman and a sincere welcome back to everyone who has returned. The Student Programming Board (SPB) would like to wish the best of luck to all students for a very successful semester.

For those of you who don't know, the Student Programming Board arranges the majority of social events on campus. We are responsible for planning everything having to do with the show; from deciding who the performers will be, when and where the show will be put on, what times the shows will be put on, calling their agents, booking the acts and dealing with

all of the contracts. We are also very busy planning the major weekends throughout the year as well. These include Welcome Back Weekend, which this year will be from September 13-September 17; Unhomecoming Weekend; Winter Weekend; and undoubtedly the biggest weekend of all, Spring Weekend in April. Making sure that these are both successful and safe takes a good amount of teamwork on the parts of everyone involved. Because every year we have our seniors that leave, we need new students to take their place as the very important team players that we need. We could always use more people to lighten everyone else's load just a bit, so if you'd like to be a team player with us, we want you! Come join us and find out what we're all about . . . we think you'll like what you see. If you feel

ambitious and would like to have a say in the programs that come on campus, come join us for our first meeting on Monday, September 11 at 4:30 p.m. in meeting rooms 2a&b on the second floor of the Bryant, Center. If there are any questions at all please do not hesitate to stop in and ask. Our office is located on the third floor of the Bryant Center. Stop in and see us . . . we'll be looking for you!

STUDENT

The Student Senate serves as a liaison between the student body and college officials. The Senate acts as a governing body for the students. One of the major responsibilities of the Senate is to

recognize all student organizations and allocate the student activities fee to these groups.

The executive and legislative councils form the two branches of the Student Senate. The executive council is made up of five elected students and the legislative body is represented by six members of each class.

Get involved! You don't have to run for a position on Senate to be involved on a committee. Committees range from ad hoc to upper class buddy. Each class has their own committee to plan events to bring each class closer. These events may range from clam bakes to hay rides. The faculty liaison academic committee serves as a communication link between students and faculty. Food operations helps ARA to make our food service comparable in service,

Continued on page 11

66I don't want a lot of hype, I just want something I can count on.99

Some long distance companies promise you the moon, but what you really want is dependable, high-quality service. That's just what you'll get when you choose AT&T Long Distance Service, at a cost that's a lot less than you think. You can expect low long distance rates, 24-hour operator assistance, clear connections and immediate credit for wrong numbers. And the assurance that virtually all of your calls will go through the first time. That's the genius of the AT&T Worldwide Intelligent Network.

When it's time to choose, forget the gimmicks ar d make the intelligent croice—AT&T.

If you'd like to know more about our products or services, like International Calling and the AT&T Card, call us at 1 800 222-0300.

АФК ALPHA PHI KAPPA

The Sisters of Alpha Phi Kappa would like to welcome everyone back to Bryant - hope you all had a great summ

Justtogive you short "formal introduction:" APK was introduction:" APK was established in 1946 by returning veterans of WWII. These men comprised our brother fraternity, Kappa Tau. Our purpose as a sorority is "to institute a creative interest in the school we represent, to enact a feeling of sisterhood between fellow members and associates without discrimination, and to combine our resources and social philosophy in the helping of others.

We annually sponsor a Bowl-a-Thon which raises over \$2000 for our charity, Muscular Dystrophy. Everyone is invited to join in the fun and a good time is had by all. We also sponsor a weekend with our brother fraternity, Kappa Tau, and also with Beta Sigma Chi. This event has always proved successful and we're expecting another memorable year.

APK is also looking forward to intramural football this year, as our team will prove to be exceptionally strong. We're looking for a few good women, if anyone is interested!

And, by the way, everyone is invited to come by and visit AT ANY TIME (within reason?) You can find the girls in Blue and Gold on the 3rd floor of Dorm 6 and in Townhouses B-1 and G-

ΒΣΧ BETA SIGMA CHI

Beta Sigma Chi is the oldest fraternity on Bryant's campus, founded on May 6, 1925. We are as group of individual men who are bonded into one through our pledge program. This common bond includes past, present, and future.

KAPPA DELTA RHO

The name of our fraternity is Kappa Delta Rho. KDR is what we are more popularly known

KDR was begun in April of 1984 by a band of men who were looking for a new and unique fraternal experience. They applied and became a group of intent with the national organization of Kappa Delta Rho Fraternity. A year later, after much hard work and battling against adversity, our founding fathers began the Rho Alpha chapter of Kappa Delta Rho. KDR was founded upon

strong ideals-not the least of which is our motto, "Honor above all things." We try to attain excellence in all that we do.

Since 1984 KDR has flourished into a dominating force on campus. We are coming off one of our most successful years in intramural competition (capturing the basketball crown). Our philanthropic projects were all very successful as well. The most noticeable of our philanthropics was the co-sponsoring of Eileen Stevens, an anti-hazing activist and founder of CHUCK (the Committee to Halt Useless College Killings), which appeared on two television stations and was reported in various newspaper statewide.

The Brothers of Kappa Delta Rho proudly wear our colors of Middlebury Blue and Princeton Orange. You will find us on the

top floor of Dorm 1.
Please don't hesitate to drop by, our floor is always open. You can also contact us by mail at box 2839.

In closing, all of the Brothers of Kappa Delta Rho would like to welcome you (back) to Bryant College. We wish you a successful and fun-fill year.

ΔX DELTA CHI

"We, the members of Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, develop character, advance justice, and assist in the acquisition of a sound education, do ordain and establish this Constitution."

The Delta Chi Fraternity was founded on those principles on October 13, 1890 at Cornell University in New York. Since then, thousands of men, including President Benjamin Harrison and actor Kevin Costner, have accepted the challenge of entering the brotherhood of a lifetime in Delta Chi. Delta Chi is now located at 106 college and universities throughout

Last spring semester, Delta Chi became a reality at Bryant College. Its fifty founding fathers have worked diligently to become an integral part of the Bryant and Smithfield communities as well as becoming a leader in Bryant's scholastic, athletic, and social events. For example, in our short existence we have already raised over \$750 for United Cerebral Palsy in a charity softball game with 92.3 WPRO-FM. Delta Chi is making great headway to already becoming one of Bryant's premiere fraternities.

The opportunities for personal development are limited only by your desire. Look for our organizational flyers and Greek News columns to find out about our upcoming events, and if Delta Chi is the fratemity for you. Or better yet, stop any brother and ask him what's new with Delta Chi and why he is so PROUD TO BE A DELTA

ΦΣN PHI SIGMA NU

Phi Sigma Nu welcomes everyone to Bryant this year and would like to take this opportunity to tell you who we are and what we're about. There are many misconceptions of fraternity life. Although the partying is present, there are many things to gain from a fraternity. You gain friends and a sense of belonging.

You also gain an education, an education in leadership and responsibility. You gain all this and have a good time too in your four short college years.
Phi Sigma Nu welcomes anyone

down to the floor. We are located in Dorm 1, 110's and 130's

Also anyone who wants to play intramural football, feel free to stop down the suites and sign up.

ΦΚΣ PHI KAPPA SIGMA (formerly TAU EPSILON)

As of last semester the local chapter of Tau Epsilon became nationally affiliated with Phi Kappa Sigma. Phi Kap is among the oldest international fraternities and enjoys an outstanding reputation from coast to coast. Our colors are black and old gold. The bond of brotherhood is important to us. We strive as individuals and as a group to strengthen this bond.

Phi Kap provides opportunities for students to better themselves, We provide over \$30,000 in scholarships a year as well as academic awards on the local level. We provide the opportunity to grow socially as well as strengthening one's leadership characteristics.

Throughout the semester we sponsor a number of social events. These include parties, fund-raisers, and other events. Our first big event is our informational meeting. It will be in a couple of weeks at the Bryant Center. Any questions you may have will be addressed here (time and date to be announced).

Another social aspect we are involved in is sponsoring the OFC freshman flag football team. We take pride on being one of the better teams around every year. Last year we made it to the flag football playoffs. We will be having practices and sign ups the first and second weeks of school, so keep your eyes and ears open.

At Bryant we have 24 brothers: We are located in Dorm 1 on the 3rd floor. If you have any questions drop us a letter, box 1025 or stop by the floor. Phi Kappa Sigma welcomes you to Bryant and hopes to meet you soon.

ΣIB SIGMA IOTA BETA

Hi everybody!!! Welcome back to school, and welcome freshmen and transfers. The summer was too short, as always, but the sisters are psyched to be back so we can jump back into the swing of things.

Sigma Iota Beta is one of the five sororities here at Bryant. We can be found in blue, white, and light blue. The SIB floor is located in Dorm 7, in the 230's and 240's. Our new president, Bonnie Szarek, and vice president, Lynn Rist, will be living on the floor along with 10 other sisters The other 18 of us are scattered about campus. So if you o have any questions, or would like to talk to any of us, you can write to box 2162 or come up and visit us up on the floor. During the week we can be found on the runway in the rotunda, beside our brothers, TKE (don't let them scare you away).

As a sorority we have many responsibilities to the Bryant community; things that come to mind are the Special Olympics, the telethons, and Sullivan Stadium.

The sisters of SIB are very proud of their family, as we work toward continuing cooperation and loyalty with one another, as well as good sportsmanship and good fellowship.

ΣΛθ SIGMA LAMBDA THETA

Hello! Welcome, or Welcome

Back to Bryant College. To introduce ourselves, Theta is a sorority made up of 36 active sisters and innumerable alumni with whom close touch is kept. We participate, as a sorority, in many campus activities. We have intramural sports teams. Weenter in the annual GLC road race. And we volunteer as Spring security during Weekend. We also sponsor a weekend with Kappa Delta Rho, Sigma Phi Epsilon, and Sigma Iota Beta.

Theta encourages community activities as well. Sisters volunteer for Special Olympics chairpeople and workers, blood drives for Rhode Island Blood

Center, and we support local charities and hospitals.

As individuals, Theta sisters are active in the Bryant community. Positions that have been held or are being held by sisters are Student Senators, GLC officers, Upper Class Program members, and positions on The Archway staff.

Theta's colors are red and white. Watch for us, especially on Wednesdays, our formal suit

President - Deb McQueeny Vice president/Fund-raising Donna McGrath Vice president/Formal -Carrie Smith Secretary - Kim Greiner Treasurer - Becky Blackmore Pledgemaster - Heidi Modugno

TAU EPSILON PHI

The brothers of TAU EPSILON PHI would like to welcome the incoming freshman class of 1993 to Bryant College, TEP has been an established tradition on this campus for the past twenty-two years and continues to build a strong bond with the Bryant community, both faculty and students. Our annual Teeter-Totter-A-Thon raises over \$1,400 each year which is contributed to the City of Hope Cancer Research Fund, and we are recognized by both this charity and the state of Rhode Island for our continued dedication to this cause. During intramural sports last fall, our football team came in first place in our division, and we were competitive in the various other intramurals Bryant offers; anyone who would like to play on our team is welcome. Throughout the year, we travel to other Tau Epsilon Phi chapters, especially our sister chapter at the University of Rhode Island.

We are always interested in meeting new people, so feel free to stop by the third floor of Dorm 2 anytime.

Questions Come Up

By Andy Rooney

Why don't reporters and the President come to some agreement about his vacation - and theirs?

The President could agree not to make any important decisions during his vacation and, in exchange, reporters would agree to go home and not hound him every time he hits a golf ball or throws a fishing line overboard.

I wonder what Ronald Reagan had for breakfast this morning?

After dinner last Saturday night, we were talking about the homosexual Congressman Barney Frank of Massachusetts.

"Exactly what IS sodomy, anyway" someone asked.

No one answered.

Why are typewriter keys where they are? Who decided the b would be in the middle of the bottom line? There's some reason but I forget what it is. It may have something to do with the frequency with which letters are used. If that's so, though, I don't understand why a touch typist's index fingers, the most dexterous, are positioned on the f and the j and the little fingers start on the a, to the left, and the semicolon, to the right. You use a's more than f's and j's.

Why did so many of the 600 people at Malcolm Forbes' 70th birthday party come back with such negative stories about it? I thought it was a great party. You didn't hear me say I didn't have a good time. Some of the guests complained

that the air conditioning didn't work in the hotel rooms in Tangier, but the hear didn't bother me. A few ingrates said they ran out of drinks before dinner and that dinner itself wasn't served until after 10 o'clock. wasn't hungry anyway, so I didn't getting up

Other guests complained because of the seating arrangements at the big banquet and they objected to having to stand in line to get on the airplane that took them to Tangier and then stand in line again to check into the hotel and to get into the banquet hall to eat. I'll bet Malcolm won't invite THEM to his 80th.

I thought it was a wonderful party...but, of course, I didn't go because I wasn't invited.

Scientists are excited about the pictures of Neptune sent back by Voyager II after it zoomed for 12 years to get there. It was an amazing feat but why don't they tell us exactly what's important about it in relation to our own lives? What will Neptune do for our civilization? Or isn't that important?

When you call someone staying at a hotel, why do hotel operators ring the phone in the room for so long before coming back to ask if they can take a message?

Come to think of it, I wonder what Gary Hart had for breakfast,

The three network news broadcasts have spent more time on the Pete Rose story than on any other this year, including China, Oliver North, and Beirut. Is Pete Rose really that important?

How do leaves know when to start turning color? It seems to happen before it gets cold.

How much would a magazine cost if the publishers didn't spend so much money mailing us stuff, trying to get us to buy it?

Wouldn't it make sense to delay the beginning of the football season until the baseball season is over?

Why is it that the time you go to bed doesn't seem to have much to do with what time you feel like

Intramural Update

Intramural Rosters Due!! (Men and women):

Flag football - Thursday,

September 14. Women's Volleyball - Monday, September 18.

Tennis - Doubles (men, women, mixed) Entry deadline Wednesday September 20. Tournament to be held Sunday, September 24.

Fall Varsity Notes: Varsity Women's Softball: Meeting for veterans and new candidates will be held Wednesday September 6 at 3:30 in the MAC

conference room. Varsity Baseball: Meetings will be held on Wednesday September 6 in the MAC conference room newcomers at 4:00 PM, veterans at 4:30 PM

Varsity Women's Volleyball: Tryouts will be held in the Main gym starting Sunday, September 3 and continuing through Wednesday September 6, between the hours of 3:00 and 5:00 PM, report to coaches Burke and Ferreira.

Men's Varsity Basketball: Students interested in being men's basketball team managers (male or female), statisticians or video operators, contact Coach Reilly at 232-6077 or in the Intramural Office (second floor of the MAC) as soon as possible!"
