Campus Vandalism

Abuse of Equipment Disrupts Service

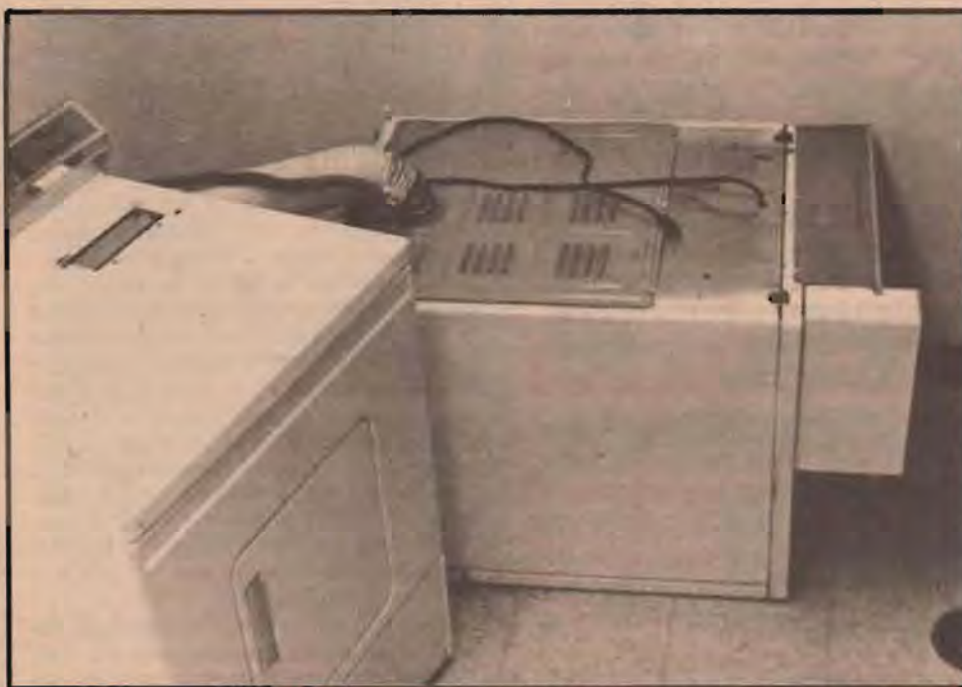

by Frank D'Ostilio
Of The Archway Staff

Serious safety hazards have been created on the Bryant campus because of student abuse of washers and dryers in the dorms. Housing Coordinator, Bernie Blumenthal, feels that the safety hazards are dangerous and need to be dealt with.

Mr. Blumenthal said the problem is "students are prying open coin boxes with a knife or sharp object; then pushing a spring inside the box in order to get a free wash or dry." The contractor for the laundry equipment has told the Office of Residential Life that by tampering with the coin boxes students are creating a safety hazard for themselves and others who may enter the laundry area.

By tampering with the coin boxes students maybe exposing themselves to a electrical shock. Furthermore, "with water in the room, tampering with the electrical wiring in the coin box area can also cause an electrical shock," Mr. Blumenthal said. These safety hazards effect not only the student committing the tampering but innocent individuals who attempt to use the laundry equipment after tampering has occurred.

In addition to the prying open of coin boxes, Mr. Blumenthal said vandalism to the machinery is also causing a safety problem. In one vandalism case, a dryer in Dorm 2 was flipped over. Mr. Blumenthal said "flipping over the machines can split the wiring in back which can cause a fire or may

Vandals strike the laundry room in Dorm 2.

Photo by Dave Burstin

cause harm to others entering the room."

If a student is apprehended for manipulating the machines or vandalizing them, monetary compensation will be sought for damages and disciplinary action will be sought depending on the severity. In addition, Mr. Blumenthal said that abuse of

equipment disrupts service for others, and if abusive acts continue on the same machinery, then the result will be suspension of service of that machinery.

Bryant Establishes Energy Management Committee

By Elly Pappas
Of The Archway Staff

President William T. O'Hara announced on September 23, 1980 that a Blue Ribbon Energy Management Committee (BREMC) will be established at Bryant. Need has been felt for an energy management committee because of the ever rising energy costs and the diminishing supplies of natural resources.

Energy management will be the main objective of the Committee. Mr. Alton Mott, Vice President of Business Affairs at Bryant, defines energy management as, "making better use of energy that we are now using, (or) making less energy do more work." Programs developed through BREMC will be aimed at conserving energy without causing adverse effects to the environment. All of the buildings on campus will be studied as part of the energy management program. Planned energy management is a national concern that is being recognized in many colleges and organizations.

Who will make up the Blue Ribbon Energy Management Committee? Mr. Bill Maillette, Director of Physical Plant at Bryant, stressed that members must be people who have a genuine interest and strong concern for energy conservation. The words, "Blue Ribbon" emphasize the importance of the committee. It will not be a sit-down committee that meets on occasion. Mr. Maillette said that the college is looking for people from all segments of the Bryant Community to become committee members. The people must be able to devote many hours of hardwork and their time to the BREMC. The Committee will begin to operate at the end of next month.

Major responsibilities of the Committee will be to evaluate how Bryant presently is using energy, to establish concrete direction and goals as to how energy can be used more efficiently in the future, and to create an atmosphere of total awareness in energy management throughout the campus.

defining energy wastes in specific areas of the campus, to investigating the viability and feasibility of employing alternative energy sources in the future.

Both Mr. Maillette and Mr. Mott stressed that a successful energy management program comes from total awareness, participation and involvement.

All students, faculty, and staff who are interested in becoming a member of the Bryant Blue Ribbon Energy Management Committee should notify their respective Vice Presidents by October 15, 1980. Although membership on the Committee is limited, it is hoped that all Bryant people will actively participate in helping to manage energy more efficiently on campus.

Survival Seminars

Courtesy of the Alumni Association

For the third consecutive year, the Bryant College Alumni Association will present a series of lectures entitled "Senior Survival." The program is designed to assist seniors in easing the transition from college life to the "real world" after graduation in May. Senior Survival also introduces students to the Bryant College Alumni Association.

The seminars, all conducted in the Mowry Alumni House on campus, are schedule for 7-9 p.m. The seminars for the first semester are as follows:

Thursday, October 9: "Hiring Your Next Boss," Arnold E. Abbot '62, Owner, Abbott Management Group; Wayne Byers '72, Assistant Director of Personnel, Monet Manufacturing.

Tuesday, October 28: "Buying Insurance: What's Your Policy?," Richard V. Battista '65.

Thursday, November 13: "Balancing on a Shoestring Budget," Berta Hysell, coordinator, Educational Opportunity

21 People to Help You

From L-R Top Row: Lee Sheldon, Vinnie Russello, Larry Condon, Steve Patracha, John Hinds, Bill Dziura; Center Row: Steve Friedman, Cheryl Gordon, Jean Weidman, Michael Tenney, Sue Harne, Bill Henry, Rich Rose, Nine Contrino; Bottom Row: Lynn Muller, Mary Beth Early, Sue Eaton, Kim Larson, Alexis Furer, Dan Markowitz.

The Student Assistants are happy to announce a record 21 students are involved with the program this year.

The Student Assistants began the 1980 fall semester with a very successful "Come Study With Us" workshop in the New Dorm on Monday, September 15, 1980. Accounting majors were resented to assist freshmen with problems concerning accounting. More of these "Come Study With Us" workshops will be held in the near future on a variety of subjects. On September 29, the Student Assistants will co-lead a Time Management workshop with Mrs. Berta Hysell, Coordinator of the Educational Opportunity Program.

The Student Assistant office and Resource Center is located in the Center for Student Development, on the second floor of the unstructure in the administrative wing, adjacent to Career Planning and Placement.

Policy Committee Reactivated

By Craig Carpenter
Of The Archway Staff

The Alcohol Policies and Procedures Committee which was responsible for the new alcohol policies and regulations on campus, has been reactivated. The committee will be reviewing current policy in an attempt to alleviate any problems which arise.

There are two immediate concerns of the committee. The first will be to review the policies dealing with the Pub and to come up with revisions that will correct the current situation. Secondly, the committee will be working to develop a workable policy for serving alcohol in the Salmonson Dining Hall. A proposal has been developed for the semi-formal this Friday night, which will allow alcohol to be served. The only question remaining will be, is this proposal a workable one?

The nine member committee, which held its first meeting this past week, is being chaired by Peter Barlow. The student representatives serving on the committee are Cathy Bolduc-Brycol; Dana Maker-Resident Assistant; Scott Porter-Student Senate; Rich Rose-SPB; and Earl Vigoda-GLC. The three administrators on the committee are Gerri Hura-Student Programs and Services; Roberta Hysell-Education Opportunity Program, and Stanley Kozikowski-Dean of Undergraduate Faculty.

The committee, which will be active throughout the entire year, will be looking at the overall campus situation in order to be able to review and correct any problems which aries. Input, which would assist in correcting any trouble areas, will be welcomed by the committee. The committee would like suggestions of viable solutions for ways to deal with the facilities and policies at Bryant concerning alcohol use. Please submit suggestions in writing to box 44.

diversified collection of materials which are available to the Bryant Community and is staffed by both the Student Assistants and the professional staff, who are always present to answer any question that you may have.

Please feel free to drop in any time. Remember, there is more to school than just debits and credits.

From The Editor's Desk...

Ever since the semester began, complaints have been expressed by numerous people on campus concerning the policies adopted by the Alcohol Policies and Procedures Committee.

Well, now the college has an official channel for these complaints to be heard. The Alcohol Policies and Procedures Committee has been reactivated and they will be open to suggestions throughout the year. If any student, faculty or administrator has a viable solution to the already existing problems concerning the Pub or the dining hall, submit them to the committee, care of box 44.

The student body needs to voice their opinion on this matter to insure that any new policies which might be adopted, or any revisions that might be made, are going to be favorable to the entire student body. For those students who are not nineteen and also including those who want to exercise their choice not to drink, you too should express your opinion and proposals, so that you are not forgotten about when any revisions are made or new proposals adopted. Do not be afraid to express your opinion!

Vandalism is one subject which is not too prominent on the Bryant campus. However, this week as the front page reports, somebody went into one of the laundry rooms and turned over a dryer. Damage was also done to the coin box on top of one of the machines. The problems which arise from this situation are obvious. Actions such as these are needless and the inconvenience of them will cause a few headaches for those who live in this dorm until the damage can be fixed.

Every once in a while, you see a dog running around campus. We all know that the dog is man's best friend, however man's best friend has been seen running around the dining hall. Fortunately, it is not too frequent an occurrence, but it should not happen at all. I am sure there are those who do not enjoy eating their dinner with a dog sniffing around by their side. I certainly hope Bryant hasn't gone to the dogs.

by Steve Medin

In a late breaking news story, I regret to report that the "Smithfield Stench" is back for the winter. Yes folks, the Smithfield Solid Waste Backfire System (nicknamed Project S-ticker) is now operating at peak efficiency and will be very productive throughout the colder weather, when sewage pipes are clogged with ice.

Commuters who have passed by the corner of Routes 116 and 7 may have noticed the delicate aroma of the "Sacred afterproduct" and will agree that there will soon be a headline in The Archway such as, "Four Commuters Suffer Tragic Asphyxiation Death from Smithfield Stench." Local commuters are relieved because the cold weather has arrived and they may shut their windows, saving themselves from the creeping odor.

Just as a note to new residents; fear not, the stench does not have a valid Bryant parking permit, so Security will do its job of keeping the Stench off campus. As another not to any new residents or to whom it may concern, you may have noticed a few odd bumperstickers on some of the cars in the commuter lot, such as, "Something Stinks in Smithfield," well, I bet you thought these people had a total disrespect for Bryant, "WELL, You're wrong Smithfield Breath!" (quoting Carson, What next?). I am sure you now understand these stickers.

Although the campus is usually safe, the drift often affects Lincoln Mall, the only other place in the state that residents can find. The effect is usually not a severe as it is in most parts of Smithfield. Occasionally, the fog of stench is so thick that snow is some foreign color before it even reaches the ground. And that morning fog that seems to cling to whatever the catalog calls "Wionkiege Ridge," (which, I'm sure, not a

single Rhode Islander ever knew about before applying to Bryant) is not your average fog, but you can probably guess what it is.

So now that we must face another winter driving through the Stench, we might as well look on the bright (?) side. Here are a few things I would prefer to do; instead of driving through Smithfield: (1) Have a massive root cavity done on my upper jaw. (2) Inhale the fresh exhaust of a GM Diesel. (3) Have a Saga continental breakfast. (4) Sit around of a Friday/Saturday at 2:30 a.m. trying to think of a fourth reason why I still drive by the Smithfield Stench zone, when I have to be at work at 8 a.m.

As far as can be predicted, it seems that the odor will haunt the environment until Spring, so an odorful winter awaits us.

Some of you (one or two, maybe) must be wondering where the "Dictionary for Commuters" went to, well, I was driving past Route 116 last week and smelled that peculiar odor that I remember and decided to run this story instead. This may offend some of you enough to say something like "Hey, we let this low-life frosh have a damn column in the paper, but who said he could just roll with the changes?? I mean what are we, and what is this?" Then some of you may say "So what, I don't read this anyway." To all of you, the dictionary will be printed next week and it shouldn't be missed. Until then,

HAPPY MOTORING

FRANKLY SPEAKING... by phil frank

Letter Policy

The Archway welcomes your letters on matters that concern the Bryant Community. Letters must be signed (w/ phone or box number for verification), and legible (not necessarily typewritten). Writers names will be withheld and or released only by vote of the Editorial Board.

Happy Writing!

BRY-POLL

Conducted by Bryant's Social Science Department

Question: President Carter's decision against participation in a three-way debate which would include John Anderson was, in my view, appropriate to the authority of the office of the President.

"NO" RESPONSE

Students	69	58	84%
Maintenance	10	8	80%
Faculty	11	7	63%
Administration	8	5	62%
Staff	10	6	60%
Total	108	84	77%

MAJORITY VIEW: "Not appropriate" 77%

Weekend Weather Watch

Saturday: Partly cloudy; chilly

Sunday: Partly sunny; chilly

the inquiring photographer

This week's Question: How do you feel about being tripled?

Photos by Mark D. Eklof

Interviews by George Spellman

Liz Hart: I LOVE it! All three of us really enjoy it. We asked to be the last ones to be de-tripled because we are really getting along great.

John Tucker: It's not bad at all. The rooms are small but, if we work together, it should work out alright.

Charlie Palmer: I like it. It doesn't bother me. You get to meet more people and the cost isn't as much.

The Inquiring Photographer needs your help. If you have a question for The Inquiring Photographer, submit it to The Archway, PO Box 37.

Carol Wilson: It's crowded, but I enjoy living with two different people and learning their ways of life.

Lynn Wells: "I like it. It's messy, there is no room in the closets or drawers, but you get to meet new people."

Mike Harrison: "I don't think it's that bad. As long as you get decent roommates, there is no hassle."

The Announcements....

BICYCLISTS TAKE NOTICE:

Anyone interested in possibly starting a Bicycling Club at Bryant, contact miles Washburn. Box 2656 or call 232-0186.

SPORTS CAR FANS, TOO

Are any Bryant Students interested in reviving a Sports Car Club on campus. There was one until two or three years ago.

Activities might include: rallies, autocrosses and social events.

If anyone is interested, they can contact me in Room 370 Monday and Wednesday 10:30-11:30 ext 275, or leave name in my mailbox—faculty office B.

CHANGE OF ADDRESS?

If you have a local address which is different from your permanent address and you are not living on campus, be sure to inform the Registrar's Office of your local address. The reason for this is so that we can contact you locally when necessary.

MALE R.A. NEEDED

The Office of Residence Life announces an opening for a male R.A. in the Residence Halls. All those interested should complete an application form which is available in the office, located in the pit of Dorm 6.

Applications will be accepted only until Tuesday, September 30. If you have any questions please drop by the office.

ANNUAL NOTICE TO STUDENTS

Annually, Bryant College informs students of the Family Educational Rights and Privacy Act of 1974. This Act, with which the institution intends to comply fully, was designated to protect the privacy of education records, to establish the rights of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the rights to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy can be found in the following offices: Registrar, Student Affairs, Public Affairs, and Bursar.

The policy is also printed in the Student Handbook. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Education Rights and Privacy Act may be referred to the Registrar's Office.

Date of Publication: September 1, 1980.

NewsBriefs

By Craig Carpenter
Of The Archway Staff

Despite shortages of skilled personnel, slowness in the delivery of ships, submarines and aircraft, and a shortage of ammunition reserves, Secretary of Defense Harold Brown said the United States Navy remains superior to the Soviet Navy. The Soviet Navy has developed considerably in the last twenty years and the growth and the development of their forces will be a concern for the US in the next ten years. Secretary Brown however, still claims that "our fleet still is clearly the world's best."

This week, the confrontation between Iran and Iraq, developed into an all-out war. As Iraqi troops push forward into Iranian territory, they are attacking Iranian oil installations. Meanwhile, Iranian planes are bombing Iraq's oil installations which are also under attack by Iranian Navy ships. The fighting is affecting the world's oil supply, as

2.7 million barrels of oil a day will be taken from circulation as long as the fighting continues. The US is pledging neutrality in the conflict and is urging other nations, especially the Soviet Union, to do likewise.

President Carter's re-election campaign, which was solid throughout the South four years ago, has lost its strong-hold on the southern states. The Southern states which were all for the President in '76, have had, as one Nashville resident put it, "enough of Mr. Carter." The people are very unhappy with his programs and policies of the last four years and are giving second thought to voting for him again. Many feel President Carter has let the country's strength erode right out from under him.

For the 24th consecutive time, the United States has captured the America's Cup. The American yacht "Freedom" yesterday defeated the yacht "Australia" to win the 1980 America's Cup four to one. Winning by a three minute and thirty-eight second margin, "Freedom" extended the longest winning streak in the history of sports.

The Greek News

Delta Sigma Chi

The Brothers of Delta Sigma Chi would like to extend an invitation to everyone to attend our Freshman Queen Weekend this weekend. We are all looking forward to a wild time. We would like to also invite all freshmen and independents to our annual Smoker. Look for signs or come up and talk to any of us concerning details of either event.

In sports our three intermural football teams all are off to fine starts. Our A squad put things together on Tues. with a team effort victory upping our record to 2-1. Our Green and White teams have put forth strong efforts in combining a 4-2 record. We anticipate all three teams to finish with very good standings.

Congratulations to alumni-brother Jim Garde and his new bride Sue Fern.

Beta Sigma Omicron

Beta Sigma Omicron had their first "happy hour" September 12. Their second "happy hour" was held with TEP last Friday. The sisters would like to thank TEP and all those that attended for a great time!!

Greek night was held Monday night, September 15. Congratulations to all Greeks that made it to their Tuesday morning classes.

BSO already has a streak going in volleyball. Too bad it's in the loss column. Come on BSO let's get psyched!!!

We would like to wish good luck to the brothers of TKE and Delta Sig and the sisters of SIX on their weekend. Good luck to all the contestants especially BSO's freshman Queen candidate, Diane Rodrigues.

Alpha Phi Kappa

The Sisters of Alpha Phi Kappa are psyched that the year has started off so well. We would like to give our sincere congratulations to our Social Pledge, Barbara Dahl—we are happy to have you with us!!

Our volleyball team is off to a good start. Our record as of now is

2-1. We appreciate all the support from Chris, Rich, and Tom. We hope to make the rest of the season a great success.

On Friday night we had a Happy Hour followed by a party with KT. Saturday night's snakebite party topped off the weekend even though it was interrupted by a fire drill. We are glad that so many of our alumni were able to join us for all the fun.

Finally, we would like to wish the best of luck to Delta Sig, TKE, and SIX on Freshman Queen Weekend. We hope it is a great success.

Sigma Iota Xi

The sisters of Sigma Iota Xi are looking forward to a wild Freshman Queen Weekend. We hope all the Freshmen will go out and get themselves a date, because, this weekend is for you. We'd also like to wish all the candidates the best of luck.

The Sigmas wish to congratulate A-Team for their outstanding 4-0 volleyball record, and get psyched for the finals! The other SIX teams are having lots of fun if not lots of wins. All the sisters would like to thank Steady, Brad, Huddy, and Andy for the great job they're doing as volleyball coaches. You guys are great, and we really appreciate all your help.

Once again, we want to wish everyone a great Freshman Queen Weekend. SIX is looking forward to having a lot of alumni up this weekend, and a wild time is expected to be had by all. So get out there and have an outrageous weekend!

P.S. The Sigmas were wondering if their sister, Linda, would be interested in teaching one of the Bryant typing classes the letter E??

Sigma Iota Beta

The SIBBIES would like to wish the Brothers of Delta Sig and TKE and the Sisters of SIX the best of luck on their upcoming Freshman Queen Weekend. Special wishes and good luck go out to our candidate Karen Flynn and her escort Jim Jarboe. We know that you will do a great job, and we are behind you 100%.

We had a successful mug Happy Hour this past Friday, and we would like to thank everyone who attended. Congratulations Yogi on your new appointment as president of the shot club!!!

The Sisters are looking forward to the many good times that lie ahead of us this semester. Rumour has it that the Bin will be back in action soon. Stay tuned for further details....

Kappa Tau

Kappa Tau would like to welcome everyone back to Bryant, and hopes that everyone has adjusted well in the last month.

Congratulations are in order for our football team, "The Loading Zone", who have started out the season with 2 wins and 0 losses. Good job guys.

KT will be holding our annual spaghetti dinner on Monday Oct. 8 starring Ed as the chef, all to be followed by a Monday Night Football "Social Gathering", see any brother for details.

Kappa Tau wishes Delta Sig, TKE, and SIX the best of luck on their upcoming Freshman Queen Weekend.

Sigma Lambda Theta

Freshman Queen Weekend is here at last. Hope everyone is psyched for a great weekend. We'd like to wish the brothers of Delta Sig, TKE and the sisters of SIX good luck on their weekend and also the best of luck to our candidate Gail Harden and her escort Steve Dukas.

Our T-shirt Happy Hour went over really well last week. Hope everyone had a great time. Our next Happy Hour will be Friday Oct 3 from 7pm-9pm.

Thanks to everyone who came to our carwash. It was a big success. "We're having a carwash."

Our volleyball team is doing pretty good but could be better. Let's get psyched Theta and Co.!!!

Birthday wishes to Karen "Sparkles" Parowski and I to Judy "Beltz" Contois. You're finally legal so enjoy. Also lots of luck to Sister

Cookie on her new occupation, Go Boom-Boom!!

Hope everyone has a fantastic weekend.

Tau Epsilon

The brothers of Tau Epsilon would like to extend best wishes to SIX, TKE, and Delta Sig on their weekend. We would also like to wish the best of luck to our candidate for freshman queen, Kathy O'Connor.

The A team is starting off with a strong start with a record of three wins and no losses. Touchdowns were scored by the infamous Ears Mackinaw, Scrappy Vinnie Russello, and Lucky Ronnie Condom.

The B team is one and one, and promises to have a good season also. Coach Rican and Coach Roper are still wondering if Al Delvecchio

Cont. to p. 5, col. 3

Tau Kappa Epsilon

The brothers of Tau Kappa Epsilon are proud to announce two new social pledges for this semester Bill Vanore and Gary Pover. Each will be playing football for us this year, as we strive for another championship.

The football team is off to a slow start with a tie(0-0) to Phi Sig and a loss to TE. We hope to pull together as a team and get ourselves back on the right track.

The TKE-B team started off better with a 20-0 victory over the

trampled Escomos, but dropped a 32 thriller to the Loading Zone. The brothers would like to wish the team good luck in their quest for this weak division championship.

Freshman Queens semi-formal is tonight, Friday September 26th in the Salmanson Hall with the band Habbit. Saturday in the Pub there is a mixer with the band PrimeTime. We hope to see you there.

Phi Epsilon Pi

The Brothers of Phi Epsilon Pi hope everyone who came to our party this past Saturday night had a good time.

The brothers would also like to wish the best of luck to SIX, TKE, and Delta Sig on their weekend.

In sports, our bowling teams are off to a good start. The football team started off slow but is beginning to warm up to the season.

Tau Epsilon Phi

Last week's Happy hour with the sisters of BSO was a great social event and hopefully, the start of something big. The TEP jocks lost their first game of the season to Delta Sig. But everyone takes great pride knowing that Luciani still punished the entire defensive line, (and whoever else got in his way). "Hoosie" also did an admirable job of running all over the place. We should see some good ball games in

Cont. to p. 5, col. 3

THE OR

Brycol

As of this week, the Comfort's grinder delivery service has started again. From 9:30 p.m. to 11:30 p.m. on Sunday through Thursday nights, you can have a grinder delivered to your door for a very small service charge. Sorry, we can't deliver to the Unistructure or to townhouses.

"Brycol Weekend" is scheduled for October 3 and 4. Music will be provided by Pat Keogh on Friday night and by Tumbleweed Connection on Saturday night. A small Admission fee will be charged each night.

Bill Nottage will entertain at the Comfort's annual Halloween party. Watch for further announcements.

A reminder—we can allow no one to enter the Comfort without a picture ID.

Ledger

If there is anyone interested in joining the yearbook staff there will be a meeting on Monday, September 29 at 3:30 in the Ledger office. The meeting will include layouts, advertisements, photography, or anything, in general, which will help contribute to a successful 1981 Ledger. If anyone would like to join but is unable to attend, please write Box 1814 with your name, address, and box number. All are welcomed.

WJMF

WJMF, The Sound alternative held its annual organizational meeting on September 8 in the radio station. General Manager, Duane Lefevre, and the Board of Directors are enthusiastic with the successful turn out and look forward to a dynamic year of radio broadcasting. Special thanks to all who attended.

Positions still available for students interested in music, marketing, accounting, engineering, and sic jockeying. Drop by, no experience necessary — we'll train you!

Good luck to Delta Sigma Chi, and all those competing for a

successful Freshman Queen Weekend.

Tune in to your college radio station everyday and listen for Intramural Sports Wrap-Up every Friday on WJMF, 91.5 FM, the Sound Alternative.

Foosball

Last Friday the table soccer association held a clinic in the new dorm, where students played free games of foosball. The club is planning to continue Friday afternoon clinics at different locations on campus.

Our next meeting will be September 30 Tuesday, at 3:30 in room 260. Leagues will be discussed, so any students interested should attend this meeting. The Foosball League for the fall will start in October.

Backgammon

Hi everyone,

We had our second meeting this week. We had a good turnout despite the fact I forgot to put up our sign. However, I plan on putting up an even nicer sign next week, a T.P. original creation. The play was exciting in most cases with Stacy Sweepins all of her matches. We meet every Monday at 3:30 upstairs in the Student Center. So if you would like to learn, or you'd like some practice or even afresh opponent come and join us. That's all for this week, hope to see you Monday.

Lacrosse Club

The club is off to a great start. Two pre-season games have been scheduled. One against Connecticut College and the other with Fairfield University. The team has been practicing very hard, with practice on Tuesday, Thursday, Friday, and Sunday. Anyone interested in playing is invited to come down to the lower field. The club also announces that the four captain for the fall pre-season are Jack Fisher, Jim Lore, Carry Collins and Ethan Edwards.

On October 10 the club is sponsoring a mixer in the pub. We have managed to bring back the band that was banned from campus,

Thursday, October 2

—Women's Tennis vs. Babson

Have an event to publicize? Send them to The Archway care of George Spellman. The Deadline is Tuesday, Midnight, before before publication.

Disc Jockey of the Week

DJ of the Week: Jim Parisi. Jim is a sophomore from East Hartford Connecticut. He likes playing a wild range of music and enjoys being on

the WJMF staff because of the experience and "good pay". You can listen to Jim on Thursday from 2-5 p.m.

TE

Cont. from p. 4, col. 4
knows which way to run if he gets the ball.

The rock was a great success thanks to all those who participated, especially the pollack. It was a tough decision whether to pull him back up, or let him go upon completion. All in all, a good time was had by all.

Last of all, we would like to invite all freshmen and independents up to our Happy Hour on Friday at 3:15.

TEP

Cont. from p. 4, col. 5
the future according to Coach Nips. The search for perfection is over. The brothers have selected a beauty

to take the title of Freshma Queen. We wish our candidate Liz Hart the best of luck this weekend (she seems like a nice girl).

TEP is planning another big bash in a couple of weekends, with plenty of free "refreshments" and some damn good music. We're at the top of 4, just listen for Lola.

DOC- Civic View! Pil-son!

Mountaineering

Cont. from p. 5, col. 3
when they first tried to climb this route and failed, some of us took as many as four tries before we made it.

The club is leaving this Friday for a weekend climb in New Hampshire, we've been planning this trip for quite a while and it should prove

very interesting. I'll have a lot more to say about this next week if I don't freeze to death this weekend.

A reminder to club members, we climb every Tuesday, and Thursday, we leave Rm. 230, Dorm 3 at 3:15 sharp. Please make an attempt to attend as many of these climbs as possible.

Take
**THE
ARCHWAY**

GANIZATIONS

"Trinity." It's going to be a good time so stick around and enjoy the great sounds and laughter of "Trinity."

Hillel

Hillel will hold Friday evening Sabbath Services TONIGHT, September 26, 1980 at 6:30 p.m. They will take place in Room C-351 (across from the Student Planning Office). PLEASE ATTEND and bring your friends. Refreshments will be served.

Watch in the Rotunda for signs, and read *The Archway* to find out the dates and times of future meetings and activities.

CIA

The CIA would like to congratulate the football team for their impressive 20-0 win Wednesday afternoon. The team's record is now 3-1.

The club is presently planning a hayride for the second or third Sunday in October. Anyone who would like to participate is invited.

Good luck to Marty, the CIA Freshmen Queen representative for 1980.

Bryant Players

Bryant Players presents a "Bed Tuck Service" available the first two weeks in October and a "Sing-agram Service" available throughout the semester. For information write: Laurie Lambet, Bed Tuck Service, Box 1830 and Donna Lavarini, Sing-agram, Box 169.

Investment Club

The Bryant College Investment Club will have its first meeting Wednesday, September 31. Please check the sign in the Rotunda for time and room.

The Investment Club is an organization of students interested in learning about the stock market and investing by doing. New members are welcome!

Marketing

Don't expect a typical news letter... Because this isn't the typical "club"!

A brief note can't possibly explain the entire workings of a nation-wide organization, but *our next meeting can!*

Get involved with the American Marketing Association and get psyched for an excellent upcoming year. Look for our banner in the Rotunda for notice of our next meeting.

Mountaineering

The outlook for our club this year looks very encouraging. The transition to the new officers went smoothly and our first meeting produced a flock of new members, many of whom are experienced Rock Climbers. We have already travelled to Lincoln Woods numerous times for some tune-up Bouldering, with the new members Showing excellent desire and technique. Tuesday the club went to Diamond Hill in Cumberland to practice climbing on some higher cliffs and to sharpen our belaying and rappelling skills. Two new climbers, Greg Gaito and Jan Meek showed incredible determination when they climbed a very difficult 65 foot face route on their first try. Many of the more experienced climbers of the club can remember

Office**

Remember—Your classified must be submitted on the Classified Ad form to get in the paper.

How many people can YOU fit in the shower??

Alf- How about a copy of that family portrait? K.A.&T.T.

D.D.D.K. & Frosh- Slipping and sliding all over the floor, with water and shaving cream covering the door. We messed up your suite and even the hall. But boy, oh boy, did we have a ball!!!!

"Yes, immediately if not sooner."

"Hey Abbott"

Are you serious Tim?

Funny Feet, how do you do?? Funny Face.

Hi Yogi and Boobool

I wish I was 30 years old and still at collegell!

We love the Oates Brothers

Drew, are you going to pick up a girl this weekend, or sit in your room with Kevin??

Let's have a Hat Party

Karen, want to wash my pants too. Kevin

A creamy night in the forest.

Chauvin, some beer and kahlua this weekend again? Or maybe a Strawberry Coleada??

Kahlua, kahlua, kahlua, kahlua. WHO - kahlua

Allison - does drinking out of a little glass make it go faster??

Chickie, Sleazy, Sazy, Cookie and Reet- "We're having a party—Everybody's Swinging!!"

Peter: thanks for the walking advertisement

Frank, Jay, Gary: How about another game of quarters until 4:30 (shots of wine???)

Gogil (Paul) Was that really you in the library the other night? Sleazy, JB, Sazy

Jellybean, Sazy and Chickie: How about another 5-batch popcorn fight! Sleazy

Gogil (Paul) We don't walk, we bite the dust!

Sazy: Will you please learn to sleep in on the weekends.

Gary: Where did you wake up Sunday morn'g?

LAURA-Listen to LED ZEPPELIN?

Mike—is that a hat?

Aren't Jacks- 10 too

Don- way to hide under the table

Butch, Kenny and Harry: You guys sick yet? Wesson

Don Pillow out

GONNA RAISE HELL!! The three Musketeers

To quote Mary- "I Hate guys; they always screw me up. I feel the same way-Hal

The jungle has wild and crazy animals

Bill-we predicted it

Captain- Did you get your Willy wet?

Dan- You look like a Frenchman.

Lynn- Thanks for last night.

D-7 throws the best parties in town. Buzz, Bert, Fish, Snake, Grande.

Caz! Great room setup

Captain-take some aspirin!!!

To the unknown rocker-Yes, I really am listening!!

Lynn-you have the right to remain silent!

oww!!

oww!!

Mellow out Alf!!

Allison-is this Murphy's Law?

"Big Foot spotted in Rhode Island"

"Somebody stole my picnic basket-Cindy

Martha—who were those two guys sleeping in the frosh dorm lounge?!! M&M

Cesar-I always get my man

Love w. by space.

Missy-How'd ya sleep Friday Night? Mary and Martha

John W. Do you want a ride home?

Jellybean: too bad we studied so hard for the Systems test! Thanks for the help Joel! Sleazy

Donna- Did you get spilled on last Saturday? L

Bryant Lacrosse sticks it out for one more year GO F%*IN NUTS

Jill If I fell in love with you, would you promise to be true.

Another one bites the dust, but there's a whole year IF—BREAD

If a man could be two places, I'd spend both of them with you.

Doug-I knew you weren't a Sophomore—I could tell!! Your accounting tutor

Lyn-If I wanted a bath, I wouldn't have taken it in Vodka.

Stan-Do guitars take you for walks much?

Donna-I hear lips!

Terri-I hear lips

Weazy-Do you have dimples?

Weez-Do you go out with a dingy

Nose-How's Glory?

ROBBO!!

TEE HEE IT'S BRICKEY!!

Ron Speaks

Who's the cute blonde from 12??

Hey man, let's hear some Waylon!!!

Allison, is 99 a good game?

I didn't know girls shaved?

Is six people in the shower a world's record?

The Forest needs a shave.

Kevin, get me a Soda.

Tom and Jill: "baby" misses you!

Holly: No more water or you'll only have to go out again!

Lady: You better stay in the yard!

Joanne McEltrick - where are you? - A.B.

All Popes and Cardinals of B-2 get psyched for Sat.

Welcome back Z and Lisal

LAURA: How does people from Warren say Good-Bye? Is it something like „TA—TA???

Pooh: Do you still fly across the room before your Mom goes to bed???? Bernie

V.C.- Thanks for all the good times! A.B.

"Michael"...happy to you! Cheers to another year.

Program, Center for Student Development, Bryant College; Professor Jan Smith, Accounting Department, Bryant College.

Tuesday, November 18: "How to Be Your Own Boss," John S. Renza, Jr. CPA '70.

The programs have been coordinated by Christine F. Hayes, Acting Director of Alumni Relations; Don Clark '81; and the Bryant College Alumni Association Executive Board. According to Hayes, the seniors have received the programs enthusiastically and are well attended. There will be four more sessions during the second semester. The topics will be "Hiring Your Next Boss" (repeated), "Investing in More Than a Six-Pack," and "From Dorm to Apartment: Moving On." Any seniors who have questions should contact the Alumni Office, ext. 415.

ENROLL IN AMERICA'S LARGEST MANAGEMENT TRAINING PROGRAM.

Becoming an officer in today's Army—which also includes the Army Reserve and Army National Guard—requires getting the right kind of management and leadership training.

What's the best way to get it? By enrolling in America's largest management training program—Army ROTC.

In the Army ROTC 4-year program, you'll acquire discipline of mind and spirit, and the ability to perform under pressure. We call it learning what it takes to lead.

It'll pay off, too. First, during your last two years of college, when you'll start receiving up to \$1,000 a year.

And, most of all, on graduation day, when you receive a commission along with a college degree.

For more information, write: Army ROTC, Box 7000, Larchmont, New York 10538.

Fall Season Baseball Gives Team Head Start

by Joe Zukowski
Of The Archway Staff

This year's baseball team is lacking the attitude that enabled Bryant to turn a 1-22 record in 1978 to a 10-15 campaign last year, according to coach Mike McGuinn. "There's no doubt that we have the ability, and we know how to win, but I question the enthusiasm of the players."

The fall baseball season originated for coaches to select their spring teams. Since no money supports the fall season, players have to travel to scrimmages with their own vehicles. "This saves having tryouts in the spring," explained McGuinn, "instead we go to Florida in March."

"Basically," stated McGuinn, "I have the team." There are thirteen returnees from last year's team. Seniors Don Connors (4-1 last year) and Paul Sangeloty (4-3) lead the pitching staff. Other starters include sophomores Dave Liese and Mike Walsh. "I'm still looking for a fifth starter and a reliever," added McGuinn. Mike Magnan, Len Whitlock, Dave Albin, and Ed Held will

Women's Volleyball—A Thinking Team

By Sue Fitzgerald
Of The Archway Staff

The 1980 Women's Volleyball Team, described by Coach Lorraine Cournoyer-Hudak as "not just a power team but a thinking team as well," plays its first match Thursday against University of Massachusetts, Boston. Coming from an incredibly successful season last year with an 18-2 record, both Coach and players alike are

Photo By Bob Briante
excited about the challenges they will face this year.

The team has moved up from Division 3 to Division 2 which will sharpen the competition for the girls. Only one graduate left the team in the Spring, leaving five starters from last season plus two new

be vying for these positions. Brian Dirgins was forced to terminate his pitching career due to a sore arm. Paul Mangano, who has caught every game for Bryant for the last two years, is getting strong competition from Tom Richards.

The outfield seems to be the most secure, according to McGuinn. "I have six outfielders, and every one of them is a starter." Senior Dave Pellerin, who led the team in batting last year (.329 average), juniors Mike Huber and Ken Spitzbard, and sophomore Neal Taylor are the returning veterans. Paul Perry and Gary Deidilori also have great prospect.

Junior Joe Scanlon, who is termed by McGuinn as "consistent", will anchor the team at shortstop. Scanlon was second last year in batting (.292). Dave Henry and Craig Smith are battling it out at first base, while Gene Rosdino and Chris Deruarianian compete at third. At second base, Gerry Schmidt is in deadlock with Kevin Scopebki, who McGuinn has called "my utility man, he's had a very good glove and hit very well for us."

"We have one of the toughest schedules around", McGuinn stated, "but we have potential to be 2nd or 3rd in the conferece (the newly formed New England Seven Conference). "He picks Assumption as the pre-season favorite."

"We have six of the top seven hitters back from last year," added McGuinn, "and we've got better players, but pitching could be a problem. Since we don't have physically strong players, we're going to have to beat teams with cunning, gile, and finese."

McGuinn says that Bryant plays a "crazy type of baseball", citing that the team stole 71 bases in 25 games last year (7 of which were home). "We'll try it until it stops working. Sooner or later it will catch up with us. I feel that we can do some things in baseball that haven't been done yet."

McGuinn feels that one can "see more things in college baseball than professional. There's better defensive plays than you'll ever expect." He said that while he wants the baseball program at Bryant to grow, "I don't want to lose the spirit that we have here. We had more spirit at 1-22 than some .500 teams I've seen...not one player quit. I'm proud of that record. That's the type of kids we have here."

outstanding freshmen to uphold the team record. The girls made it to the Regionals last season where they finally were defeated by Eastern Nazarine (Division 3). This year they must prove to the Division 2 teams that they are strong enough to warrant the move.

Referring to the upcoming game, Coach Hudak says, "We'll beat them. We have a smarter team." She admits that when she started coaching them four years ago that there were teams in the division that didn't even want to play Bryant. She encouraged them to be the second strongest team in New England in their division.
