## Tourney of Young Tycoons

### Senators Win Competition

By Elly Pappas  
Of The Archway Staff

On April 22, 1980, the five-member team representing the Student Senate won the final round of the Third Annual Tourney of the Young Tycoons. The tournament was coordinated by the Society for the Advancement Of Management (SAM) and financed by Student Affairs. The late Dr. Stanley Shuman was the overall coordinator of the tournament. Ray Wong, a senior at Bryant and member of SAM, was the student coordinator of the student competition, and Dr. Theodore Gauthi was the technical coordinator.

What is the Tourney of Young Tycoons? It is a business simulation game. Each five-member team represents corporate officers who are responsible for eight key factors of a business. The factors are promotion, quality, price, research and development, capacity, production, dividends and credit. The object of the game is to develop a successful winning strategy for the business. This year, teams represented a business selling recreational vehicles.

On April 15, 1980, four student organizations competed for a spot on the final round. The Student Senate placed first, SAM second, Commuters In Action, third, and SPB finished fourth.

Results of the tournament finals were Student Senate first, Business

and Industry second, Faculty and Administration third, and the Graduate team fourth.

Mr. Wong expressed that the tournament was a success. "There was a real spirit of competition throughout it and all those who participated had a good time." He also felt that the tournament was a good way for students to be participants in an extracurricular activity that is not on an athletic level. It was also a way of getting organizations involved in working together. All who participated got a real feeling of being in a business environment.

Trophies were presented by Dr. O'Hara at the awards dinner on April 22. The Student Senate received the trophy for first place in both the student competition and final competition. Best student interactor was awarded to Ms. Tina Warren. Best interactor in the final round was awarded to Mr. Scott Condit. Mr. Condit, who is employed by Penn Mutual Life Insurance company was a member of the Business and Industry team.

## Activity Fee Increase Rejected

By Mitch Tepper  
Of The Archway Staff

As anyone who has participated in the recent elections for Student Senators might recall, there was a referendum concerning the present Student Activity Fee. Students were polled to see whether or not they would support an increase of \$5 in that fee. The final results have been tabulated, and, for now, it looks as if the fee will remain as is.

Results of vote and Breakdown:

Juniors ..... 91:60

Sophomores ..... 140:110  
Freshmen ..... 93:159  
Total ..... 324:329

According to Paul D'Adamo, President of the Student Senate, the bill to raise the fee \$5 did not pass because the students were not given enough information about the fee. The Student Activity Fee is currently \$30 per student and falls into the category of Tuition and Fees. The budget, as it stands now and for the last two years is \$78,000. An increase of \$5 per student would result in \$13,000 in additional

money that could be used to meet the growing needs of the student body. The Senate has been doing its best to avoid any increase. However, additional money is needed to maintain current levels of spending on activities and to facilitate new and expanding organizations.

The vote was not the first of its kind and it will not be the last. The Senate intends to poll the students again next year and they will make sure the students are properly informed as to how these fees can directly benefit them.

## Ramos Seeks New Challenges

By Craig Carpenter  
Of The Archway Staff

Three years ago, when Jerry Ramos took over as Housing Coordinator, he set four goals which he would like to accomplish while at Bryant College. These goals were (1) to familiarize himself with the students, (2) to reduce the damage and noise in housing, (3) to develop a number of different living styles, and (4) to develop proficient RA's.

In an interview conducted earlier this week, Mr. Ramos was asked why he has decided to leave. He replied "I have accomplished the goals I set for myself when I first came to Bryant, and I am leaving because I have outgrown my potential at Bryant."

Then, in discussing his stay at Bryant, Mr. Ramos said Bryant has a very fine student body, and 99% of the time, he had positive interactions with them. He also said "he has enjoyed working with the students,

Photo by Mark Toms

and of the five institutions he has worked at, overall this has been the most positive experience so far."

Mr. Ramos, commenting on the housing at Bryant, feels it is very important to match the students

living style needs. "There are very few institutions of the same size and price with comparable housing arrangements" and he would like to see Bryant continue to expand its housing so it will be able to continue to meet the needs of the students.

Speaking on the College's faculty, Mr. Ramos said Bryant has a good faculty, but he expressed a concern over their involvement with students. He feels the faculty is the center of involvement and that too few of the faculty members are involved with advising the students. Mr. Ramos said "the faculty is not fulfilling their potential in helping to develop the students."

The College is in the process of looking for a replacement and hopes to find one before Mr. Ramos leaves. Mr. Ramos, who is still searching for another job, will be leaving on June 15 and is leaving so he himself can grow and meet new challenges.

## WJMF Elects New Directors

By Mary Morgado  
Of The Archway Staff

On Monday, April 21, WJMF held its annual elections of Board of Directors. Succeeding Paul Rochelleau as General Manager is Sophomore Duane Lefevre. Mr. Lefevre is beginning his third year with WJMF and has served on the Board for the past year and one half; recently as Public Relations Director.

Stated Mr. Lefevre, "The Board is young and energetic, they are eager to take over their new positions."

"Cooperation and Progress" is the motto pushing the staff members at WJMF. The goal for the new Board will be to expand the relationship between the station, students, Administration and the town of Smithfield.

Re-elected to the Board were Junior Liisa Laine, Production Director and Jeff Ferrante, Business Director. Newly elected members are: Freshman Sandy Alemian, Public Relations Director; Junior Vic Michaels, Music Director; Freshman Greg "Smirk" Fury, Engineering Director, Sophomore

Gary Edelson, Fund-Raising Director; Sophomore Lynn Erikson, Public Service Director; Freshman Mike Neiss, New Director; Sophomore "Looney" Bob Torado, Sports Director; and Sophomore Dan McDermott, elected to the newly established position of Training Director. It will be the duty of these Directors to continue the

Professionalism exhibited in the past at WJMF.

The station is growing at a rapid pace. Liisa Laine, Program Director, stated, "I have seen immense progress in the last year. This Board is made up of highly competent individuals and we are on our way to becoming a dynamic radio station."

# THE OPINIONS

## From The Editor's Desk...

There are many clubs and organizations on the Bryant campus, but there are not too many which offer such a wide variety of areas for involvement as **The Archway**.

Every **Archway** department requires its personnel to possess certain skills. If a student comes into **The Archway** office with the necessary skills, one stands a good chance of becoming a member of the staff. However, if you are lacking the necessary skills, we are more than willing to train you if you have the desire to learn.

If you have a literary talent, **The Archway** presents to you the opportunity to use and develop your literary skills. You could become a writer for our News Department and write weekly on the issues facing the Bryant Community. The opportunity to meet and talk with many of the College's administrators and faculty presents itself through personal interviews. Satires, reviews, poetry and human interest stories are all part of our Features Department. If you enjoy a more creative style of writing, then this is the place for you on our staff. Sports enthusiasts are always welcome on **The Archway** staff. We are looking for male and female sports fans to become **Archway** sports writers and who can help us to improve our sports coverage.

**The Archway** also serves as a place for students to develop their business skills through actual first hand experience. **The Archway** Advertising Department is a great place for a Marketing Major to develop his or her salesmanship. Through field experience, an **Archway** salesperson can develop a sense of what sales is all about and also give them the chance to size up their potential as a salesman. **The Archway** Advertising Sales personnel also receive a commission of each ad they sell. So, besides doing something which will be beneficial in the long run, you could receive a little money on the side.

The position of News Editor is presently open. This position is available to a student who enjoys writing as well as one who is looking for the chance to manage one of the most important departments of **The Archway**. This is a fantastic opportunity to test your skills as one type of manager.

One of the more enjoyable positions, but just as important, is being an **Archway** staff photographer. If photography is your hobby, **The Archway** offers to you, through our complete darkroom facilities, the opportunity to take pictures at all types of events and of all sorts of people. The ultimate success will be to have some of your pictures published in **The Archway**.

If you are interested in talking further about the above opportunities, stop into **The Archway** office sometime or come up on our next production night. Most of all, keep us in mind over the summer and come to our organizational meeting in the fall.

## Center Thanks Donors

To the Editor:

During the past year, the Rhode Island Blood Center has been through many growing pains and some crises, and one of our strongest supporters in the community has been the students of the various colleges.

I would like to take this opportunity to thank the students of Bryant College for their participation in the four blood drives that we have had over the last two semesters. This, as you may know, is an increase over last year when there were only two blood drives. In one instance, the blood drive of March 5, 1980, a particular

need was generated at the Blood Center because of the cancellation of a blood drive. When this urgency was made known to the students of Bryant College on March 5, they responded in a rather magnificent way, when over one hundred students showed up to donate. This kind of support is the kind of support which will help the Blood Center (and has helped the Blood Center) get "over the hump" so to speak.

With the continuing support from the community at large and from the colleges, we know now that the new community blood bank for the State of Rhode Island, the

## WJMF Director Remembers Past Year

To the Editor:

As I look back at this past year, I am very satisfied and very pleased with what I see at WJMF. The board of directors and the staff of this most vital Bryant organization have truly given their best to make WJMF *The Sound Alternative*.

**Remember:** Power Increase; Ascertainment of community needs; FCC; Going Stereo; Equipment Breakdowns; Equipment Repairs; Scratched Records; The cart that was supposed to work, but didn't; The Concert Report; The News; The Weather; The "Log;" Staff Meetings; PSA's; Northeast Expressway; Wine and Cheese; The Craft Fair; the Parties; Treasure Chest; Board Meetings; The Budget; Basketball Games; The expansion committee; MAC; Senior Class Gift; Block-Party; ETC, ETC, ETC.....

We've done a lot this year. The people who are to be thanked are too numerous to be mentioned. Within the next year, WJMF will become Smithfield's Sound Alternative. This is because of what everyone has done this year.

To the Staff: It seems that

sometimes you work and work for the station and nobody every takes the time to say "Thanks." Well—Thanks. Without you, we couldn't be where we are now. Every little contribution helps. It's because of you that we've grown so much, and we're counting on you for even more help next year.

To the Board: Doesn't it sometimes seem that we don't know what the Hell we're doing? All in all, we've gotten our act together. We've done a fantastic job.

Special thanks goes out to graduating seniors, especially Paul Rochelleau, General Manger and Former Business Director; Steve Feinberg, Engineer-in-Charge and former General Manger, and Patti Brennan, Public Service Director.

Good luck to all WJMF graduates. Don't ever forget that WJMF will always be here—don't get out of touch.

Interviews by Elly Pappas

Photos by Patricia Zajac

This Week's Question: Should Bryant offer foreign language courses?

John Hinds: "Yes they should. A lot of students are interested in it."

Sheila Nolan: "No. Kids wouldn't take it seriously unless it was required."

Pauline Silva: "Yes, they should because if a person wants to work for an international company, they would have the background of knowing different languages. This would be an advantage to the individual."

Matt Haller: "Yes, but it shouldn't be required. If you want to take a foreign language course, you should be able to."

Richard Daly: "Yes, they should because when you get out into business, you'll be affiliated with people who speak different languages. By having this language background, you'll be able to relate to them."

Cindy Bibbins: "Yes, because in a business environment you need to be able to communicate in more than one language."

## NewsBriefs

By Craig Carpenter  
Of The Archway Staff

The U.S. Postal Service proposed this week to raise postal rates an average of 28%. As a result of this increase, first class letter rates will increase from 15 to 20 cents. This is the biggest increase ever, and the Postmaster General said if these rates are approved, they would go into affect no sooner than next year.

The U.S. Labor Department released this week the CPI for the month of March. The high monthly rate of 1.4%, brings the rate of inflation so far in 1980 to an 18.1% level. Despite a decline in energy costs, which have been the main

cause of inflation over the last year, inflation continues to rise as manufacturers have begun to pass the increases on to consumers. Food, clothing and housing costs are now supporting the high rate of inflation.

Canada announced this week that it will boycott the 1980 Summer Olympic Games in Moscow. Canada's decision is in protest of the Russian invasion of Afghanistan, and their decision to boycott the Summer Games brings the total number of countries not participating to around 30. Great Britain, China, and Japan are among these thirty nations.

## Alpha Phi Kappa

This past weekend we had our Pledge Formal with the brothers of KT at the Ramada Inn in Mystic, CT. Friday was the formal with the music provided by Rugs. Patty Brennan was given the award of "Sister of the Year" and Carol Johnston was appointed as Assistant Pledgemistress for next year.

Saturday we had a boat cruise on the Hel-Cat. Everyone had a wild time and luckily no one fell overboard. Kate, next time you take a picture don't forget you have a beer in your hand!!!

Last week the new sisters gave us a surprise pillow party. The punch was very potent and it was a great way to start the week off. We also had "Drink your Big Sis under the Table" night. A great effort was made by all the new sisters to outdrink their big sisters.

Our softball team had a very short but memorable season. At least it was longer than last year!! We would like to thank our coaches Phil Frey and Doug Smith for a great job of coaching. Also, a special thanks to Ranger Rick for his support at our games.

Finally, we would like to wish TE, Phi Ep, and BSO the best of luck on their weekend. Also, good luck to our candidate.

## Tau Epsilon

The brothers of Tau Epsilon would like to invite everyone to our weekend with Phi-Ep. It should be an eventful weekend for everyone. Hopefully there will be lots of sun and lots of partying.

Our Pledge Formal was a big success as usual. Andres only got lost five times, and Captain Biff had a successful cruise.

In sports, our A Soccer Team is cruising with a 2-1 record and a 10 goal performance in their last game. The Delmar connection of Bud Primomo and Mark Bryant fired in seven of the goals. Our B Soccer Team is undefeated at 2-0 with high goal production from "Bah of

Bones" Harris and fine goalkeeping by Vince Russello. Our A and B Softball Teams have identical 1-1 records and are both hoping for a little better defense and much more offense. Our Bowling Team is once again in the playoffs and hoping to defend their championship.

We would like to congratulate our new officers: Kevin Lampeter, Pledgemaster; George D'Auteuil, Assistant Pledgemaster; Bob Raymond, President; Earl Vigoda, Vice President; Phil Brown, 2d Vice President; Larry St. John, Secretary; Vince Russello, Treasurer; Gary Remley, Assistant Treasurer; Jim Tormey, Alumni Secretary; Phil Palma, Historian; Andres Bernard, Athletic Director; Paul Black, Chaplain.

## Tau Kappa Epsilon

The brothers of TKE would like to wish the brothers of Phi Epsilon Pi, Tau Epsilon and the sisters of Beta Sigma Omicron good luck in their upcoming weekend.

We would also like to congratulate Earl Vigoda in his election as president of GLC.

The softball team took a road trip to Central Ct. for a TKE softball tournament with teams from the Northeast. The team finished second overall. This year in Bryant's intramural softball we are looking for another championship, with our 16-5 victory on Sunday things are looking good.

The soccer team was handed a tough loss last week, but our fired up team hopes to recover and make the finals.

## Sigma Lambda Theta

Well it's pledge formal time. Tonight is sister night, BEWARE!! It's certainly going to be a night to remember. Tomorrow we are off to the Treadway Inn in Newport. Let's get psyched for a great weekend sisters!!

The sisters would like to wish the brothers of TE and Phi Ep and the sisters of BSO, lots of luck on their weekend. And especially to our

Mr. Bryant candidate Tom MacDonald, we're all behind you Tom. Let's go wild this weekend before we know it the semester will be over.

## Beta Sigma Omicron

We are all psyched for our weekend with Phi Epsilon Pi and Tau Epsilon. We hope everyone has a great time at all the different events.

On the weekend of April 12 we had our Pledge Formal at the Ramada Inn in Mystic, Connecticut. Everyone had an enjoyable and memorable weekend. Awards were given at the Formal, and they are as follows: Best Sister--Cindy Caldwell, Worst Sister--Marisa Daley, Best Pledge--Deborah Tortolani, and Worst Pledge--Elaine Vogel. A special congratulations is also given to Heidi Henyon who won the overall Best Sister Award.

## Delta Sigma Chi

This past weekend the Brothers of Delta Sigma Chi held our annual pledge formal. It proved to everything that the Brothers expected and more. The most noteworthy awards were presented to Chris Bielawski, Best Brother (and Burnout) Jeff Rantanue; Best Pledge, Ken Bronsoi; Rookie of the year, James Narcissi; Unsung hero, and Tony Tortorici; Most improved cum.

Elections for the fraternity were recently held, the results were: Rob Gabourg - President, John Terry - EX. Vice President, Ken Bronson - Social Vice President, Jim Persano - Sgt. at Arms, Shawn Gale - Rush Director, Drew McLoughlin - Treasurer, Mike Scher - Pledge Master, Jeff Schwartz - Secretary.

In softball, our "A" team is off to a rousing start with a 18-2 trouncing of their opponent. It should be a banner year for our "A" team. Delta Sigma Chi quote of the week: "Intramural Softball should be wild this spring. TKE and the Factory both have tough squads again and are definitely the teams to REAT"

## Beta Sigma Chi

The Brothers would like to officially congratulate Chip, Caz and Smiley on becoming full fledge brothers of BETA SIGMA CHI.

We just held our Pledge Formal at the Dutch Inn in Galilee, and this year was no exception for stories.

Everyone has sunburn, except Budzo, who took an unexpected plane ride. Bud, only you could miss the boat by 10 seconds!

We would like to congratulate Chrissy on her swan dives, we hope you didn't get too wet (as long as you brought Skeeter along with you).

Skeeter entertained everyone on the Ferry by doing his rendition of *Strangers in the Night*, much to the amazement of the Snoop Sisters.

The brothers were off to a fine start in softball with a muddy victory of 18-12. Our second game was a close one, but ended in a 9-6 loss.

BETA and SIB are looking forward to our Softball match Sunday against KT and APK. The beer will be flowing all afternoon.

Woody, Skeeter, Airy and Victor- you guys only have three weeks. Do it up to the max.

The brothers would like to wish TE, Phi Ep and BSO good luck on Mr. Bryant Weekend.

## Tau Epsilon Phi

Greetings Bryant Partyers. Last Weekend TEP held their 1980 Pledge Formal at the Sher-le-mon in Cumberland, R.I. This year's best pledge award goes to Mike Durkin whose "Serenity" managed to keep us all together. Worst pledge Award

goes to Gary "Oedipus" Aarons whom we could never find during pledging. Special thanks goes to the Bawtucket Police Dept. for their unwelcome, unnecessary appearance at our ceremonies. The new brothers congratulate Gerry D. for his speedy recovery after Julio caved in his buttocks. TEP wishes the best of luck to Phi Ep, TE and BSO on their upcoming weekend. We hope the sun shines and the beer is cold. A special good luck to Steve Georgalis who will represent TEP in the Mr. Bryant pageant on Thursday. He will be escorted by Andrea Hantz. PILSON!!!

## Sigma Iota Xi

The sisters of Sigma Iota Xi are all psyched for their pledge formal this weekend. Sisters and their dates-- GET PSYCHED and GO WILD!! "A GOOD TIME WILL BE HAD BY ALL."

The Sigmas would like to wish good luck to TE, BSO and Phi Ep on their Mr. Bryant weekend. Also, best wishes are extended to all the

This Monday is Greek Night. Because this is the last one of the semester, everyone should make an effort to go and once there, everyone should go WILDER than WILD and make one more lasting memory.

The Sigmas softball season is off to a good start, thus far. Thanks must go to our coach, Rat, for doing such a good job.

Thanks to the Delta Sig brothers who helped us out when it came time to take down the stage at our recent Wine & Cheese.

Finally, Congratulations Amy on your new state of "MOMHOOD"

# THE ORGANIZATIONS

## Hillel

Special services will be held on Friday evening at 6:00. We will be honoring past and new board members and discussing possible upcoming events. Please attend and be prompt. Congratulations to our new officers, they are:

Vice-President--Lainie Levinson  
Secretary--Cheryl Gordon  
Treasurer--Jay Weiner  
Publicity--Alix Furer

## Karate Club

On April 12 the Karate Club held their 2nd interscholastic karate tournament. Although the turnout was not as large as expected, the

event was a success. Seven schools attended with Bryant coming out on top. Individual winners for Bryant in forms were:

**White/Yellow Division:** 1st--Joe Maseclotti, 3rd David Burnstein, 5th Scott Groves.

**Green/Blue Division:** 2nd Donald Busee, 3rd Greg Pocars, 4th, Randy Larrow, 5th Mike Esposito.

**Brown Division:** 1st Jeremiah Doran, 2nd John Greve.

# WHAT COULD THE ARMY POSSIBLY OFFER A BRIGHT PERSON LIKE YOU?

Drop your guard for a minute. Even though you're in college right now, there are many aspects of the Army that you might find very attractive.

Maybe even irresistible. See for yourself.

## MED SCHOOL, ON US

You read it right.

The Army's Health Professions Scholarship Program provides necessary tuition, books, lab fees, even microscope rental during medical school.

Plus a tax-free monthly stipend that works out to about \$6,450 a year. (After July 1, 1980, it'll be even more.)

After you're accepted into medical school, you can be accepted into our program. Then you're commissioned and you go through school as a Second Lieutenant in the Army Reserve.

The hitch? Very simple. After your residency, you give the Army a year as a doctor for every year the Army gave you as a med student, and under some conditions, with a minimum scholarship obligation being two years' service.

## INTERNSHIP, RESIDENCY & CASH BONUSES

Besides scholarships to medical school, the Army also offers AMA-approved first-year post-graduate and residency training programs.

Such training adds no further obligation to the student in the scholarship program. But any Civilian Graduate Medical Education sponsored by the Army gives you a one-year obligation for every year of sponsorship.

But you get a \$9,000 annual bonus every year you're paying back medical school or post-graduate training.

So you not only get your medical education paid for, you get extra pay while you're paying it back.

Not a bad deal.

## A GREAT PLACE TO BE A NURSE

The rich tradition of Army Nursing is one of excellence, dedication, even heroism. And it's a challenge to live up to.

Today, an Army Nurse is the epitome of professionalism, regarded as a critical member of the Army Medical Team.

A BSN degree is required. And the clinical spectrum is almost impossible to match in civilian practice.

And, since you'll be an Army Officer, you'll enjoy more respect and authority than most of your civilian counterparts. You'll also enjoy travel opportunities, officer's pay and officer's privileges.

Army Nursing offers educational opportunities that are second to none. As an Army Nurse, you could be selected for graduate degree programs at civilian universities.

## ADVANCED NURSING COURSE, TUITION-FREE

You get tuition, pay and living allowances.

You can also take Nurse Practitioner courses and courses in many clinical specialties. All on the Army.

While these programs do not cost you any money, most of them do incur an additional service obligation.

## A CHANCE TO PRACTICE LAW

If you're about to get your law degree and be admitted to the bar, you should consider a commission in the Judge Advocate General Corps. Because in the Army you get to practice law right from the start.

While your classmates are still doing other lawyers' research and other lawyers' briefs, you could have your own cases, your own clients, in effect, your own practice.

Plus you'll have the pay, prestige and privileges of being an Officer in the United States Army. With a chance to travel and make the most of what you've worked so hard to become. A real, practicing lawyer. Be an Army Lawyer.

## ROTC SCHOLARSHIPS

Though you're too late for a 4-year scholarship, there are 3-, 2-, and even 1-year scholarships available.

They include tuition, books, and lab fees. Plus \$100 a month living allowance. Naturally they're very competitive. Because besides helping you towards your degree, an ROTC scholarship helps you towards the gold bars of an Army Officer.

Stop by the ROTC office on campus and ask about details.

## UP TO \$170 A MONTH

You can combine service in the Army Reserve or National Guard with Army ROTC and get up to \$6,500 while you're still in school.

It's called the Simultaneous Membership Program. You get \$100 a month as an Advanced Army ROTC Cadet and an addi-

tional \$70 a month (sergeant's pay) as an Army Reservist.

When you graduate, you'll be commissioned as a Second Lieutenant, but not necessarily assigned to active duty. Find out about it.

## A BONUS FOR PART-TIME WORK

You can get a \$1,500 bonus just for enlisting in some Army Reserve units. Or up to \$2,000 in educational benefits.

You also get paid for your Reserve duty. It comes out to about \$1,000 a year for about 16 hours a month and two weeks annual training.

And now we have a special program to help you fit the Army Reserve around your school schedule. It's worth a look.

## A SECOND CHANCE AT COLLEGE

Some may find college to be the right place at the wrong time for a variety of reasons. The Army can help them, too.

A few years in the Army can help them get money for tuition and the maturity to use it wisely.

The Army has a program in which money saved for college is matched two-for-one by the government. Then, if one qualifies, a generous bonus is added to that.

So 2 years of service can get you up to \$7,400 for college, 3 years up to \$12,100, and 4 years up to \$14,100. In addition, bonuses up to \$3,000 are available for 4-year enlistments in selected skills.

Add in the experience and maturity gained, and the Army can send an individual back to college a richer person in more ways than one.

We hope these Army opportunities have intrigued you as well as surprised you. Because there is indeed a lot the Army can offer a bright person like you.

### Artist Profile

## Scott Jarrett to Appear Spring Weekend

The SPB is bringing one of America's fastest rising rock/jazz stars to campus on Friday, May 2. His name is Scott Jarrett and he will be appearing with the David Bromberg Band during Spring Weekend.

Scott's first album, which was just released, is called WITHOUT RHYME OR REASON. In an age of slapdash musical conception, Scott Jarrett stands out and the album proves it.

Much of Scott's early life was spent moving from town to town in Eastern Pennsylvania. His musical background began with piano lessons at age three and later guitar. After working as a sideman for rock bands near his home, he went solo in Toronto. He cut two singles for

Scott Jarrett

small Canadian labels. His next stop was New York.

He set out to bring together ten

years of musical ideas that he believed in. Jarrett says of his songs in a press release, "I've always been serious about the poetry of, and within, music. For example, in a lyric, every word should have a purpose. So I try to make sure my songs emerge exactly on paper the way they form in my head... or else I wait until I get a clearer picture. Because I think people relate to lyrics that actually say what they themselves were once thinking... if I can capture that experience in my songs, then I've accomplished something."

Scott Jarrett's album is doing relatively well on the charts. It is a refreshingly new sound from a refreshingly dedicated new performer.

## Ultimate Messengers are RI Champs

By David Cooley  
Of The Archway Staff

The sun was shining and the beer was flowing as Bryant College's Ultimate Messengers defeated Brown University in an exciting 12-11 game to clinch the Rhode Island Ultimate Frisbee Championships. With wins over Providence College 17-10 and Roger Williams 16-12 on Saturday, and a 15-6 victory over R.I.C. on Sunday, the Messengers increased their Spring record to 7-1.

Tony Galaurdi led all scorers in the tourney with one goal and eighteen assists, while Joe Cahill scored twelve goals and contributed three assists. Brian Cowley's six goals and six assists were good for twelve points and Bill "Hawker"

Warren rounded out the top scorers with ten goals and an assist, and had golden hands in the crucial Brown contest.

The team will now encounter their toughest test to date when they head to Boston this weekend for the International Frisbee Association's Eastern New England Regional

Tournament. Teams from Rhode Island, Eastern Massachusetts, New Hampshire, and Maine will be competing, and the winners will go on to the Eastern U.S. tourney at Bucknell University next weekend. The Ultimate Messengers would like to thank the fans who came out to support the team during the Rhode Island tournament.

## Bryant Baseball

by Bob Todaro  
Of The Archway Staff

The 1980 Baseball season started April 1st and since then the Indians have compiled a 3-8 record. This, of course, is not exactly what you would call championship baseball, but compared to last year's 1-22 record, the Indians are flying high.

After dropping the first two games to S.M.U. and Rhode Island College, the Indians came back and buried Barrington College 13-1 behind the strong pitching of Paul Sangeloty and the strong hitting of Dave Pellerin. The Indians next win came against Nichols College when the Indians compiled a 10-2 win in the second game of a doubleheader. Donny Connors had a strong game pitching and Paul Mangano and Bob Todaro supplied key hits.

The next few games saw the Indians get hit hard in losses to Central Connecticut and Eastern Connecticut, but the Indians bounced back on the weekend by beating Southern Connecticut 9-7. Dave Henry, Bob Todaro and Paul Mangano all had key hits.

So the Indians, now 3-8, are still optimistic about the season and have proven they can win ball games. This Weekend's action includes two home doubleheaders against Bridgeport University and Stonehill College. **Come support the Indians!!**

## Varsity Jacket Stolen

by Steve Provost

Congratulations to the new member of the Bryant College Soccer Team. No you didn't practice with us through the heat of summer, or play in our games under all conditions, but you now have a "Varsity Soccer Jacket" and you really earned it, years of hard training on stealing I would imagine.

I am, however, pleased that whoever removed the coat from my suite late that night is such a hard-core soccer fan that he would go to such extents for a jacket. Please at least show your spirit and wear it to

a game next year, or maybe to the pub to show what a true jock you are.

Perhaps you are a good player, in that case you can travel with the team to away matches and wear "my" coat. Oh by the way, when a 180 lb. defenseman is screaming down the field at me, I'll just direct him to you for you're the one with the Varsity Soccer Jacket.

To the rest of my fellow Bryant Athletes, chain your athletic gear to your body. To the rest of the students who want a jacket or sweatshirt, perhaps joining a team will get you one, the true way.

## Sports Quiz

1. Sparky Anderson took over his 1966-69 Cincinnati Reds and turned it into the Big Red Machine in 1970. Went on to manage the Brewers for three years, and is now in charge of the Giants. Name him.

2. Since the introduction of division play in 1969, he has won division titles with three different clubs in the American League. He is currently managing his fifth A.L. team. Name him.

3. He took over a suffering Detroit Tiger club in '63 and turned it into a contender in '64 and '65, when he won 85 and 89 games. He became ill and died early into the 1966 campaign. Directed the Dodgers to

pennants in 1952 and '53. Name him.

4. In 1969 he turned a last place Washington Senator team into a contender with 86 wins. He averaged only 62 wins over the next three seasons however, and retired rather disgracefully. Name him.

5. Name the senior manager in the major leagues today.
