

Bryant Blood Drive Planned—Nov. 19, 1963

Members of the Bryant College Family Are Asked to Contribute

The annual Blood Drive will be held on Tuesday, November 19, from 9:00 a.m. to 1:00 p.m. in Gardner Hall's Study Room near the Dispensary. Bryant College maintains a Blood Bank which was started in 1955. Since that time approximately 75 pints of blood per year have been used by members of the Bryant College Family.

As of October 31, we have no blood left on deposit and cannot respond to your calls of need until the supply is replenished through this Blood Drive appeal. All students and their immediate family can draw upon this supply free of charge in time of need. Members of the faculty, secretaries, staff members, maintenance crews, refectory personnel are also covered. Everyone is, therefore, responsible for replenishing the supply on deposit in the Bryant College Blood Bank which is maintained for us at the Rhode Island Hospital.

One hour of your time and the donation of a pint of blood could save a life—it could be your own. Serious automobile accidents with victims who require hospitalization and blood donors are NOT UNCOMMON.

If you care to contribute, please observe the following instructions:

(1) Fill out Blood Donor's Card (have parents' signed consent if under 21)

(2) Return card to the Activities Office or to the box in the Bookstore, by Thursday, November 14. Dorm students return cards to their House Directors.

(3) An appointment will be made for you through the Activities Office. Watch the Bulletin Boards for the appointment time schedule.

IMPORTANT—OBSERVE THE FOLLOWING RULES

NO Alcohol for 12 hours before donating

NO Cream, Milk, Butterfats for 4 hours before donating

YES You may have black coffee, juice, dry toast and jelly

Fruit juice, coffee and doughnuts will be served afterwards at Gardner Hall.

ILLNESS: You MAY NOT donate if—

You have had an operation within the past year.

You have a cold or an allergy at the time of donating.

You have had jaundice at ANY time in your life.

IF YOU ARE NOT SURE OF YOUR ELIGIBILITY, COME ANYWAY—YOU WILL BE PROPERLY ADVISED.

Call Mrs. Sadye Luft, R.N. or Mrs. Ruth Logan, R.N., at the Bryant College Dispensary at PL 1-0490 if you have any questions.

Students who donate blood will be excused from class for the period they miss plus one hour afterwards.

YOUR HELP IS NEEDED!!!

Pauline Boisvert

Coordinator of Student Activities Well Liked

"Pauline, may I use the football this afternoon?" "May I have two social pledge contracts?" These questions among many are answered daily by Pauline Boisvert, Mr. Hathaway's secretary, who also is coordinator of student activities.

Pauline enjoys her work immensely and is both as efficient in her role as a secretary as she is popular with the students. Her cooperativeness and genuine friendliness are a welcoming asset to the school. She resides with her little Chihuahua, Muffy, in Warren, R.I., where she is a member of the Grange. Her educational attributes consist of U.R.I. and Katherine Gibbs Business School. She is now taking a night course in political science at Bryant.

Through Kelly Girl Service, Pauline has worked in many large

Movie Schedule

November 13

BACHELOR FLAT

Tuesday Weld, Richard Beymer, Terry-Thomas, Celeste Holm. Terry-Thomas, as a shy "stiff upper lip" professor of archaeology, is the center of attraction among the femmes. He is engaged to Celeste Holm, who is on a trip abroad, and has rented her beach house. When her teen-age daughter comes home from school, the girl realizes that her mother neglected to tell the professor about her. The attempts to keep her identity secret and her romantic entanglement with a law-student neighbor provide many laughs in the old slapstick tradition.

November 20

THE COLOSSUS OF RHODES

Rory Calhoun, Lea Massari, Georges Marchal. The story of the ancient Phoenicians and their attempt to take over the island kingdom of Rhodes. Just as victory seems at hand, an earthquake begins, Phoenician ships disappear beneath nightmarish seas, and a tremendous tidal wave roars thunderously toward Rhodes and topples the Fifth Wonder of the World.

business offices, which are considered by her as being 'much too stuffy,' and she finds her work now a change most suitable to her personality.

The organization of the freshman picnic is credited to Pauline who applauds the freshman on their bravery and also on their good sportsmanlike attitude toward the vigilante committee.

We students would like to extend our congratulations to Pauline for the fine work she is doing and also convey our appreciation for her understanding and helpfulness toward us.

Statements of Elected Class Officers

By Tony Nobrega

Freshmen

Treasurer—Marcia Levin

Secretary—Christina Cudak

Vice-President—Roy Howard

President—Stephen Di Stefano

I, Stephen Di Stefano, newly elected president of the freshmen class, wish to thank everyone who made this possible. At this time I would also like to let all of the freshmen know that I will work for you to the best of my ability. I would also like to let everyone know what I would like to do in the coming year. First, I would like to plan some meetings, dances, and other events to create a greater unity between dormitory and commuter students. Next, I would like the freshmen class to gain recognition in the Student Senate. And the next thing is that I would like to meet any freshmen whom I have not yet met, and I will be willing to listen to any ideas they may have. Thank you again.

Sophomores

Treasurer—Elin Weinstein

Secretary—Patricia Di Muzio

Vice-President—

Susan S. Smith

President—Ken La Salle

I, Ken La Salle, wish to let everyone know the things I plan to try to do. There are three main things: they are to try to collect class dues, to promote a physical education program, and to assist the Senate as much as possible.

Juniors

Treasurer—William H. Carter

Secretary—Nancy Manchester

Vice-President—

James Tarantino

President—Bruce Wilson

First of all I, Bruce Wilson, wish to thank everyone for everything. Next, I would like to tell everyone the five things I want to do while in office. First, I want to have a class meeting; second, I would like to get the Senate O. K. on a Junior Prom; third, I would like to have a suggestion box in the Union for the Class of '65; fourth, I want to try and have the diploma changed to a larger size; and fifth, I will attempt to act as a public relations man for class members who go looking for a job.

Seniors

Treasurer—

William J. Piccirilli

Secretary—Carolyn Squillante

Vice-President—

Jerry A. Houghton

President—Robert F. Cerrito

I, Bob Cerrito, would like to thank everyone who voted for me. I will represent the class as much as possible in the Senate. This job I am undertaking will not be an easy one; that is why I want a good turnout at class meetings, and I would really appreciate the support of everyone. Right now, the senior class is faced with a great financial problem, and I would like to have a few dances, parties, and other events to build up the treasury. Also, I would like to start plans now on a gift for the school. Accomplishing everything will not be easy, but with everyone's support we can do it. Please help, thank you.

Richard Haines—I feel that the turnout for voting was excellent, and I was very pleased. I noticed that the people took time to think about whom they were voting for instead of just checking away. I also feel that the officers elected

Ethiopian Peace Corps Representative Visits Bryant

By Bill Chamberlain

On November 1 Mr. Andrew Bell, Associate Representative from Ethiopia, was at Bryant lecturing to students about joining the Peace Corps.

Mr. Bell described the objective of the Peace Corps as twofold: (1) to show the people of other countries that the United States is anxious to help in any way possible, and (2) to acquaint Americans with the customs, habits, and general character of the people of these other nations.

The requirements for joining the Peace Corps are simple. You must be a United States citizen, in good health and 18 years of age or over. A prospective Peace Corps Volunteer (P.C.V.) submits a questionnaire, obtainable by application to Washington, D. C., and awaits the decision on his acceptance into the Peace Corps. If accepted, he is sent to one of the many universities around the United States where applicants are trained. This training goes on for five weeks during which time the volunteer's aptitude, psychological maturity, social character, and physical ability are tested. After these five weeks the prospective P.C.V. is sent before a board of selection where his test results are evaluated and the board asks itself the question, "Will he make a good Peace Corps Volunteer?"

Training then goes on for 5 more weeks but is concentrated on a certain job and location. Now the P.C.V. receives training which will help him in a specific location already chosen for him. He is given the opportunity to select the place of his assignment and unless the board of selection sees otherwise, he may be sent to the country of his choice. After the 10th week the volunteer again goes before the board of selection where his tests are evaluated. The board carefully examines the applicant's psychological test results and the recommendations of the psychologists concerning the volunteer. The Peace Corps wants men and women who are emotionally, as well as physically, stable and mature. If the volunteer is then accepted, he is given time to make his goodbyes and ready himself for his assignment. He is given last minute instructions, boards a plane and sent to Ethiopia, Brazil, or some other nation which needs his skills.

The Peace Corps Volunteer may be assigned to do one of several jobs. He may teach, be involved in census taking, work in a medical capacity, help improve rural community conditions, or do any job which needs doing. A business school graduate might be assigned to a public administration project. If a job is not open, a new project may be developed specifically for him.

Mr. Bell said that the hardships of Peace Corps work are emotional rather than physical. There is little or no physically exhausting work such as mountain climbing or ten-mile hikes as many people are led to believe. The hardships are more inconveniences than actual physical problems. In Ethiopia, for example, Mr. Bell was troubled with the lack of hot water, the necessity of boiling drinking water to purify it, the poor condition of the roads, and the lack of electrical power. Students are often unwilling to learn and the P.C.V., without doing something to make himself unattractive to the local citizens, must make the student want to learn. The P.C.V. works five and one half days a week and 10 hours a day.

The monetary rewards for the work he has done.

Peace Corps work is a self-satisfying project and makes one feel that he has done something to add to the fine reputation of the United States while doing a job which needed to be done.

Women's Symposium Seen As Major Event of Centennial Program

By Milt Wroblewski

The Symposium and Convocation to take place on November 18 at Bryant seem to have the ingredients needed for success. It is now definite that at least 500 will attend the Symposium and 750 the Convocation. These figures are based on the replies received by the Administration. Of these numbers, approximately 300 students are expected to be in attendance. Replies from invitees are still coming in and many students are still debating as to whether or not they will be able to attend.

In reviewing the figures on the number of students who have indicated that they will attend, Dr. Charles Russell, Assistant to the President and Director of Academic Affairs, stated that, "The stature of

ant Secretary of Labor, has consented to be the Keynote Speaker at our Symposium.

Along with Mrs. Peterson many important women will participate: Miss Marion Stephenson, Vice President of NBC, is general chairman for the Symposium and Convocation. She is the first woman vice

The Honorable John E. Fogarty

president of NBC, and Bryant awarded her an honorary degree at commencement last July. Mrs. Margaret Ackroyd, Commissioner of Minimum Wages for Rhode Island, is serving as the active chairman of the Symposium Committee.

An outstanding panel has been selected to present the issues along with Mrs. Peterson. Jesse Bernard, Professor of Sociology at Penn State, will speak on "The Sociological Aspects of the Status of Women." Pauli Murray, expert on Constitutional rights of women and minority groups, will present "Women's Rights as Individuals and Citizens." Wilma Soss will present, "Women as Stockholders."

Following the speakers will be discussion, and question and answer periods. The Symposium will then adjourn, and the guests will proceed to the Veterans Memorial Auditorium for the Convocation. The speaker at the Convocation, the Honorable John E. Fogarty, will present "The Women's Stake in Health and Welfare." Representative Fogarty is only one of the many important men who will be in attendance at the Convocation. Gov. Chafee, Mayor Reynolds, and The Very Reverend Vincent Dore, O.P., President of Providence College, are among those participating.

This is a program for all. The male population as well as the female will be affected by this women's movement. It will be to your advantage to be well informed about this issue. You can be if you attend. See you there.

Kappa Tau Wins Beta Sigma Chi's Personality Ball

By Paul Langelo

Kappa Tau Fraternity's candidates, Carolyn Malone and Brad Dupee, were announced the winners of Beta Sigma Chi's fifth annual Personality Ball.

The dance was held last October 25 at the Grist Mill in Seekonk, Massachusetts. More than four hundred people attended the event which began at 8 p.m.

The announcement of the winners was made at 10:30, at which time all the candidates were brought on stage and everyone eagerly awaited the announcement of who was to be this year's Mr. and Miss Personality. It was then that Carolyn Malone and Brad Dupee were announced as the winners.

The winners were chosen by both judges and student vote. The judging took place October 24 in the Bryant auditorium. By the way in which these questions were answered, the judges were able to decide who they thought were best qualified to have the title of Mr. and Miss Personality on Friday, October 25, in the auditorium. The student body was given the opportunity to voice its opinion of who it thought should be given the title. From the total of these two opinions was chosen the winning couple sponsored by Kappa Tau.

Mrs. Esther Peterson

a college depends on the degree of support it has from its student body and alumni. We are delighted therefore that a large segment of the student body has expressed a strong interest in the program, and we are

Miss Marion Stephenson

quite sure that they will find it to be an experience which will be rewarding as well as enjoyable."

People judge an educational institution largely on the support the Administration receives from its student body with regard to college sponsored activities. The status of women is an issue which affects us all directly or indirectly. For these reasons you are urged to attend and enjoy the Symposium and Convocation.

In case you've forgotten, the subject of the Symposium is "The Status of Women in America." This is the issue that President Kennedy thought important enough to warrant the setting up of a Presidential Commission to study it. This Commission studied the problem and made its recommendations to the President in a report presented to the President on October 11. Mrs. Esther Peterson, Chairman of the President's Commission and Assistant

work are very small. The P.C.V. earns \$75 a month plus \$13 a month living allotment. 350 college scholarships are available to returning Peace Corps Volunteers and many use these to go to graduate school. Colleges are interested in P.C.V.'s for students because they feel that they can add first-hand information to class discussions. Private industry is also interested in P.C.V.'s because they have gained maturity and dependability. The most valuable reward gathered from Peace Corps Work is the feeling of having accomplished something, the feeling of having helped where help was needed. When a village holds a party in one's honor or a student says "Thank you" in English, the Volunteer feels well rewarded for the work he has done.

Peace Corps work is a self-satisfying project and makes one feel that he has done something to add to the fine reputation of the United States while doing a job which needed to be done.

For further information, see Dr. Buchanan in the Administration Building.

Seating at Weekly Movies

An excellent movie, one of the weekly College series, drew a crowd of approximately 400 students last week. Although the auditorium has a seating capacity of 500, some 75 students had to stand along the sides of the auditorium.

Mathematically these figures do not seem to reflect what is said. Why would students have to stand if there were more than enough seats for everyone?

The reason for this is that some students feel privileged to take up two seats, one to sit on and the other to rest their feet on. Searching for a word to clearly describe the action of these privileged students, we come upon the childish word "selfish."

Since the purpose of the weekly movies is to provide a mid-week period of relaxation from the drudgery of studying, it is only fair that someone be able to enjoy a comfortable seat while watching the movie. Let us make an effort to share the seats that are available. Need more be said?

Letter to the Editor

Dear Editor:

Having been a student at Bryant College for the last two years, I have witnessed many elections. I have admired the great enthusiasm of the candidates for office. However, one great factor is missing. That is total campus enthusiasm and interest for the elections. I feel that campus enthusiasm can be stimulated and unified by the adoption of a party system to the Bryant College campus.

I feel that there are advantages in having a party system on the Bryant campus. First, it would bring about unification of platform ideas. Second, it would give the students a political concept which they can identify. Third, it would eliminate personality influence. Finally, it would stimulate and bring together commuter and dormitory factions for one common purpose.

Political parties are not ends in themselves. The welfare of the student, the administration and the college is the real important goal, which the parties must serve.

The adaptation of a party system to the elections will not only bring great benefit to the student body and administration, but also to the public image of Bryant College.

Sincerely yours,
JOEL M. GORDON

Student Teachers Return to Bryant

By Beverly Samson

On Thursday, October 24, Bryant College's approximately forty student teachers—seventh-semester, teacher-education students—returned to share their experiences with the junior class teacher education students. Many of Bryant's alumni, now teaching in Rhode Island and surrounding areas, were also on hand at the assembly.

The student teachers told of their various experiences—some humorous, some depressing. The student teachers agreed that it will be a come-down to become a student again for their final semester. They are looking forward to the time when they will be out on their own, with no one watching over them.

The alumni teachers—graduated last July—have found teaching to be a rewarding experience. They unanimously agreed that teaching is the only career for them, and they wished all the student teachers much success in their work.

Placement News

During the next few months the Placement Office will bring news to you concerning recent graduates who have availed themselves of the Placement services. We feel that you, the undergraduate, would like to know what job opportunities our seniors are being offered upon graduation.

Each ensuing issue will present some of our TOP-PIC's from the class of 1963.

TOP-PIC

Dick Laffargue

Industrial Engineer with Owens-Illinois at the Vineland, New Jersey plant.

Dick was a member of the Beta Sigma Chi Fraternity; President of the Student Senate; member of the Delta Omega Professional Society; Vice-President of his class; member of the American Marketing Association; the Greek Letter Council; the Societas Jurisprudentiae, and the Rhode Island Association of Student Leaders.

Attention!

Through the efforts of Class President Bruce Wilson, a suggestion box for the Class of 1965 has been installed upstairs in the union. Students are urged to use this box.

What The RA's Are Doing!!!

By C. Wood

Recently there has been a newly formed organization on the college campus. The club has chosen the name of "RA" for its name and a fat pigeon as its mascot.

The Board of Directors consist of 5 members which is all the active members at the present time. The board has set a limit for membership at 10 members.

We are a unique club, especially along the lines of our activities. Because we are a special type of club we must be very select in taking new members. If you are at all interested in joining, please drop a line in the activities office stating your qualifications (remember, we can only take "five" more members). Please address all letters to Phillis Bellmore, Secretary. If the committee finds that we are interested in you, invitations for an interview will be sent to you at a future date.

Details of the club will be told to you should you be invited to our interview.

All details of the club especially one must always be kept in absolute secrecy.

The members thus far:

Dave Barber President
Nancy Manchester Vice-President
Phyllis Bellmore Secretary
Charles S. Wood Treasurer
Mary Ann Babilewicz
Social Chairman

Library News

President Jacobs has presented the Library with "A Prospect of College Hill in the City of Providence", an elegant, framed, watercolor print after the original by Rosalind Howe Sturges. This beautiful gift has been hung over the fireplace in the Reference Room of the Library. Come and see how lovely Providence really is. And try your skill at finding in the "Prospect" one of the pink brick gables of your own Administration Building at Bryant.

The Library has these winning titles in the McKinsey Foundation Book Awards, inaugurated in 1962. The Award recognizes books "That contribute significant insights, ideas, information or concepts to managers with major policy responsibilities." The three winning titles are:

GARDNER HALL

Pardon me if I sound as if the executive position I've landed deals with the whole future of the world.

It does.

Certainly, there's no organization today conducting more vital business than the business of the United States Air Force. And very few organizations that give a college graduate greater opportunities for responsibility and growth.

As an Air Force officer, you'll be a leader on the Aerospace Team—with good pay, a 30-day paid vacation each year, educational opportunities.

How can you get started? For many, the best way is through Air Force ROTC. But if you missed out on AFROTC, or if there's no unit on your campus, you can still apply for Air Force Officer Training School. This three-month course leads to a commission as a second lieutenant in the United States Air Force.

For more information about Air Force OTS, see your local Air Force representative.

Sports

This is the George A. Richards Intramural Award that will be given to the fraternity earning the greatest number of points in the various I. M. sports through the 1963-64 season according to the newly incorporated point award system.

Here Bob Else, Student Intramural Athletic Director, and Professor George A. Richards look at the award which was given by a faculty member in honor of Professor Richards.

Professor Richards is being honored because of his long, active service as a faculty member, his instruction in advertising, and his interest and backing in both the intramural and varsity programs.

We're here at Bryant—the faculty and, most important, the men students—wish to express just how we feel by saying THANK YOU, PROFESSOR RICHARDS.

The George A. Richards Intramural Award is now on display in a show case located in the table-tennis room.

Touch Football

Summary

KT 6 — Phi Sig 0

KT bounced back strong after a disputed 8-6 loss to TE to defeat Phi Sig 6-0.

Once again it was KT's super-stupendous defense led by the fleet running linebacker Jack Ray, with strong assistance from the "Georgia Peach", Fred Edlestein; Jan Smolan; and Walt "Milky" McMann; and Tom "Tiger" Kane.

Ray scored the only touchdown of the game on a 15 yard pass interception with 5 minutes to play in the game. Freddie, Jan, Tom, and Walt also had interceptions. KT not only outplayed Phi Sig on defense, but on offense they had 5 first downs to Phi Sig's 1. Charlie Wood and Joe Tomaselli split the quarterback chores with the "Hurd"-ler, Dave Adelman, catching 3 fine passes, Dick Myers—2, and Jack Ray, playing offensive also, catching a pass. Of course, all the pass plays were made possible by the fine blocking of "Drone" Grover, "Deadwood" Graf, Karl Kery, and Jack Warzocha.

Phi Sig played a real fine ball game, led by Barry Siegal, Walt Coutu, Bob Cerito, and little Pete Sodafsky, who saved the day twice for the green sweater men with 2 end-zone interceptions.

The brothers of Kappa Tau want to personally thank Coach "Rence" Reed and his fine assistant, Jim "Wonder Boy" Dobson for the fine job they're doing in running the ball club.

KT 26 — BIB 0

Kappa Tau won its third shutout victory of the season as it defeated BIB 26-0.

Once again it was KT's superb defense which could not be cracked, and the much talked about offense truly came to life as had been expected.

All of the scoring was done by the boys from Maine. Jack Ray became the leading scorer in the league by catching three touchdown passes, and kicking two extra points for a total of twenty points. The other six points were scored on a dazzling interception by Dave "Bear" White. Two of the touchdown passes were thrown by Charlie Wood, who now has thrown four TD passes in four games; and the other was on a run-pass option play for 40 yards by the "Brockton Speedster" Joe Tomaselli. The game was truly an all out effort

Intramural Volleyball

Program Underway

On Wednesday, November 6, at 3:00 in L-4 a meeting of the athletic directors from the fraternities and managers from the independent teams met to organize volleyball leagues. Each A. D. or representative came to this meeting prepared with a type written list of all members who wish to play in this tournament. The type of tournament will be decided once the number of teams is established. Since there are just five days available for sport activities in the gym from November 1 to December 18, games will be played from 3:15 until 9:00 on the assigned days.

by the whole team. Dave Adelman played his usual great game with three fine receptions. Besides Dave White, Dave Hayllar, Jack Ray, and Joe Tomaselli had interceptions.

When it seemed as if KT's defense was weakening in the second half, Coach Larry Reed decided to put in his Chinese Bandits, who held BIB to a mere twenty yards in fifteen minutes of play. This outstanding team is led by "Rosey-Red" Burkart, "Guzz" Perreault, "Chico" Astorino, "Goose" Griffith, "Allie" Horvitz, and "Scoop" Richmond. Burkart really showed speed and power on several occasions, and may have taken over the starting position from Curly Calamari.

KT thanks its fans for all of the support that they are giving us. Injured Fred Edlestein watched a fine game.

KT 20 — Chi Gam 0

Kappa Tau won its fourth shutout victory of the season as Joe Tomaselli, Jack Ray, and Jerry Calamari led the Tigers to a 20-0 triumph over Chi Gam.

Tomaselli was phenomenal on defense as he intercepted five passes, two for touchdowns. There was one other interception, that by that great linebacker, Gerard Calamari. Tiny also put on an extravagant show on offense as he caught three passes and scored the third and final touchdown of the game. Jack Ray played his usual great game catching three fine passes thrown by "Stoney" Wood and also kicking two extra points. This raises Ray's total point output to twenty-eight for the season.

Bryant Ten Pin

Bowling

By Chuck Grundman

During the past two weeks the Misfits have taken over first place. They are closely followed by another independent team, the Wildcats. The independent teams look as though they have some strong contenders for the league title this year. The league still has 17 weeks to go though and anything can happen in that period of time.

So far no team has been in sole possession of first place for more than a week. This shows how well-balanced the league is this year. You should be able to pick out the strong contenders for the title, in a couple of weeks, now that the bowlers are getting into the swing of things.

On the individual side of the record book Bill Carter remains on top with a 187 average. It looks like he is going to be a hard man to overtake. If anyone overtakes Bill, it will probably be Hank Riccitelli. Hank is just getting used to a new ball, so look out for the high scores to come.

Matches on the 30th

Alpha Omicron 3, Kappa Tau 1

Led by Jim Clark and John Lemme with 476 and 468 respectively, AO defeated KT three to one. Hank Riccitelli was high for KT with 491.

Tau Epsilon 3, Alpha Theta Chi 1

Ed Bailey proved to be the major factor in TE's win over AOX. Ed Bowled a 211-542 series, while Tom Roselli was high for AOX with a 217-491 series.

Wildcats 3, Pinboys 1

John Marco and Ed Suchecki proved to be too much for the Pinboys. They bowled 513 and 503 respectively. Paul Ceresa was high for the Pinboys with a 500 series.

Phi Sigma Nu 4, Barber House 0

Led by Dave (Montana) Barber's 518 series, Phi Sig rolled to an easy victory in taking three games from Barber House. Jim Zorbo was high for Barber House with 480.

Beta Iota Beta 4, Beta Sigma Chi 0

Joe Nowack led an aroused BIB

New Athletic Facilities

By Barry Hertz

With the opening of the intramural football season this year, Bryant College christened its new athletic field, and field house. Work was started on this multipurpose athletic field in August of '62 and was completed just before the opening of this semester.

The athletic field is laid out in such a manner as to allow for a touch football field in the fall, and a baseball diamond in the spring.

Complete with grandstands, the baseball field has been skinned to official hard ball size. This field will be used by our varsity baseball team for both practice and games. In the past, the baseball team has had to travel to MacCall field, in Pawtucket, which was a twenty-minute trip.

The football field is positioned across the outfield of the baseball diamond. The goal posts at either end of the field are collapsible, and will be stored from year to year.

Over looking the athletic field is the field house. The field house contains a locker room, equipped with 54 lockers, a shower room, two lavatories, storage room, and benches.

A parking lot, which can accommodate 25 cars, is also on the grounds, along with the old locker room, which was moved from the original field to be used for storage.

Encircling the athletic facilities of our new field is an anchor fence. It stands 6 feet high, but before baseball season it will be raised to 26 feet along the outfield section of the grounds.

The students that have used the new athletic facilities thus far appreciate the school's interest in developing athletic activities here at Bryant College.

team to a 4-to-0 victory over Beta. Joe bowled a 223-488 series to lead BIB while Jim Summa was high for Beta with 520.

Misfits 4, Four Patches 0

Led by Ralph Pilling's 553 series, the Misfits took over sole possession of first place. Lenny Grunin was high for the Four Patches with a 513 series.

Tau Epsilon Ends Its Football Season

In an Electrifying 6-0 Defeat

By Tom Wallace

Tau Epsilon and Kappa Tau met for the second time on the gridiron last Thursday—31st, this time for the right to be in the championship game. At the whistle, when time ran out, KT was the victor in this squeaker of squeakers.

The 1st half ended in a scoreless tie with both teams showing hard defensive rushing. Tau Epsilon showed an excellent pass offense—connecting many times and tabulated 2 first downs. KT had their offensive difficulties and connected with 1 pass for short yardage and no first downs.

The beginning of the second half started much the same as the 1st—good defensive rushing and no score. The ball went back and forth several times.

Then with KT on their 20, after a punt return, Charlie Wood was rushed and forced to throw the ball away. Nick Betlow (TE) made a full-flying lunge for the elusive football only to be disappointed. KT retained possession and pulled their horseshoe out of hiding. Jack Ray (KT) lost his TE defender, scooped in a beautiful pass, and ran 70 yards for a touchdown. This was Kappa Tau's 3rd and last completed pass of the game.

Tau Epsilon fought the rest of the half to try to gain back those 6 points. With 1 minute 50 seconds left and Nick Betlow as quarterback, T.E. moved down the field. Nick had that "something" to spark Tau Ep. With 15 seconds left, Lyle Wendell caught a pass between two defenders and went over the goal line. Three officials raised their hands to signal touchdown. The fans went wild and Tau Epsilon was the winner. (1st downs determine the winner if the score is tied.)

BUT!!!!!! One official did not hold his hands up. The referee in whose zone the play occurred called Lyle tagged — on the one foot line. TE had time out with 3

seconds on the clock. With time for one play Nick dropped back to look for a receiver—saw none—and spotted a gaping hole in the KT defense. A touch down again might have been scored had not Brad Dupee—KT materialized to put an outstretched hand on Nick's arm. THE GAME WAS OVER.

Bryant College

Ski Club

By Bill Carter

At the last meeting of the Ski Club, the members finally decided on a name to be used on the club patches. Henceforth, we shall be known as the "Schussboomers." Now that this last decision has been made, the order for the patches has been sent. Soon all of the club members will be immediately identifiable by these colorful insignias.

The volunteers for committees to help on ski movie night are reminded that the success of the movie depends on their conscientious application to their particular jobs. Let's all get together and make our first activity something to be proud of.

The date for the movie is Sunday night, November 17, 1963. The Bryant College Gymnasium will hold only 425 people, so be sure and purchase your tickets early. Contact any one of the members or buy them at the locations mentioned on the posters soon to be seen around campus. The title of the movie is "For Whom the Snows Fall" featuring Olympic tryouts, instruction sessions, fun at Tuckerman's Ravine, and several other sequences. Mr. Les Zuromsky, the director of the movie, will personally narrate the film. The Ski Barn from Pawtucket, R. I., will present a fashion show of new clothing and equipment during intermission time. This movie will be open to the general public, so tickets will go fast. Don't miss out; get yours early.

Now five kinds of Chevrolets for all kinds of people!

JET-SMOOTH LUXURY CHEVROLET—For luxury-loving people. Rich new styling, finer appointments in all four series and 15 models. Engines up to 425 hp*, manual or Powerglide* transmissions.

NEW CHEVELLE—For pacesetter people. A totally new kind of car with small-car handling, big-car comfort! Styling that makes expensive cars jealous. Three series and 11 models, and a full choice of engine and transmission tests!

CHEVY II—For practical people. Chevy II with new V8 power* for fun-on-a-shoestring. Stretches the shoestring further with 4- and

6-cylinder engines. Chevy II's six models in two series all act like they're bigger, more expensive cars!

CORVAIR—For fun-loving people. More fun than ever from Corvair's new bigger engine! Same Corvair handling and riding ease in 9 models—including the 150-hp Turbocharged Spyders!

CORVETTE—For sports-minded people. Corvette now rides softer, smoother—but loses none of its gusto because its big V8 offers versions from 250 to 375 hp*!

Want to get together with other car-loving people? Go see your Chevrolet dealer... he likes all kinds!

*optional at extra cost

See five entirely different lines of cars at your Chevrolet Showroom — CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

What The Greeks Are Doing

Kappa Tau

Pres.—Charles Wood
1st Vice Pres.—Stephen Horvitz
2nd Vice Pres.—Howard Grover
Rec. Sec.—Lynwood Graf
Treas.—Francis Perreault
Reporter—Buz Stoddard

The Brothers of Kappa Tau wish to extend their congratulations to Mr. Brad Dupree and Miss Carolyn Malone on their recent victory in Mr. and Miss Personality. Congratulations are also in order for Jim "The Kid" Tarantino on his recent election as Vice-President of the Class of 1965.

The Brothers held their annual smoker on October 29. Informal chatting, short speeches, movies and entertainment highlighted the evening's activities. The Brothers were very happy to see so many men turn out for the smoker.

A reminder that Turkey Trot is coming up in a few short weeks! Steve Horvitz, Chairman of the Turkey Trot Committee, is making the necessary final preparations. A big feature of this year's dance will be two bands to provide continuous music for the evening's dancing.

Once again the KT football team proved victorious, this time by beating defending champion Tau Epsilon. A nip and tuck game all the way, the TE boys fought right down to the last second. KT's lone touchdown was a pass play from Quarter-Back Charlie "JB" Wood to end Jack Ray.

Bill Corne returned to school last week after being home for the first time in eight weeks and his first remark was: "Opps, I forget to see my girl." Birdie thinks she has Tom Kane under her wing, but Chicken feels different. Lyn "Limpy" Graf, who has been a key man on KT's defensive team has decided to stop limping until the beginning of Basketball season. As for Scoop Richmond, what can I say!

Alpha Phi Kappa

Pres.—Judith Carlson
Vice Pres.—Joyce Harnois
Sec.—Marilyn Ceven
Treas.—Ella Wirtanen
Reporter—Susan McGeough

Alpha Phi Kappa and Kappa Tau held their smoker on October 29. A history of the sorority, a summarization of the duties of the officers, and the singing of some of the sorority songs were included in the meeting. After, we joined our brothers for dancing and refreshments. The turnout was very good in spite of the weather and we enjoyed meeting and speaking with those who attended.

The sisters of Alpha Phi Kappa would like to congratulate Brad Dupree and Carolyn Malone for winning the Mr. and Miss Personality contest.

See you next issue!

Tau Epsilon

Pres.—John Little
1st Vice Pres.—Kenneth La Salle
2nd Vice Pres.—John Montecalvo
Sec.—David Simpson
Treas.—Jeffrey Horn
Reporter—Richard Lovelace

ATTENTION, FRESHMAN: On Tuesday, November 12, the brothers of Tau Epsilon Fraternity are holding their annual smoker. This is your chance to meet the brothers of T. E. and learn about the fraternity.

Just as a preview, Tau Ep was founded in 1929 by Edward Wrenn, Milton Israeloff, Alfred Benoit, Louis Castriotta, Cory Richard-son, and Henry K. Mitchell. The founding of the fraternity was supervised by Dr. E. Gardiner Jacobs, who was then Director of Student Activities, and by Dean Lionel H. Mercier, who, at that time, was coach of basketball and baseball. The Fraternity was founded for the purpose of promoting enduring friendship, brotherhood, and welfare among its brothers.

Following the smoker a mixer will be held with our sister sorority Kappa Delta Kappa. Refreshments will be served, and there will be dancing to the music of brother Dave Simpson's band. Don't forget TUESDAY, NOVEMBER 12, 7:30 P. M., BRYANT GYM.

Sigma Iota Beta

Pres.—Nancy Manchester
Vice Pres.—Carolyn Squillante
Sec.—Margo Drotter
Treas.—Ann Supnick
Reporter—Claire Bosma

Once upon a time there was a bowling league, a somewhat disorganized bowling league, composed of capricious bowlingball throwers in a sad plight. Is it three strikes, you're out on three strikes, you win? Why can't you count bonus points for knocking down all the pins in the alley adjacent to yours even if the man who happens to be using it makes faces at you and disgustedly declares, "You just can't do that!" Why can't you toss the bowling ball at those defiant pins using both hands, over your head with all your might, if you can't lift it or throw it otherwise? From lane to lane they rambled in search of the answers that even the pinboy couldn't give them. Once there was a bowling league, a very well-organized bowling league, that held an election and elected a leader who, with the speed of a greased-lightning bowling ball, up-lifted her fellow bowlers' despairing faces and convinced them that all was not gutter balls. Our thanks and congratulations to Pat Russo, leader and president of the bowling league. We know she will continue to do a fine job as will her secretary, Ginny Quinlan, to whom we also extend congratulations on her recent election. SIB also congratulates the members of its team for its victory over Sigma Iota Chi in its first game.

Just as voting ballots were a common thing last week on campus, likewise will be the familiar faces of the following class officers, whom the votes determined the "Students' Choices," from now on. SIB is proud to announce the election of Nancy Manchester, secretary, class of 1965; Carolyn Squillante, secretary, class of 1964; Elin Weinstein, treasurer of the class of 1966; and Pat Di Muzio, secretary of the class of 1966. We are confident that the vote results decided justly and that each of the above-mentioned, qualified officers will prove herself capable, worthy, and a tribute to the class she represents.

The sisters of SIB would like to express their sincere appreciation to Chy Basso and Wayne Huck for their fine contributions in the Mr. and Miss Personality judging. A gratification applaud is extended to you and our commendations are yours.

Your smile gives you away, Paula. May we, your sisters, convey to you and John Little of Tau Epsilon our heartfelt congratulations on your recent pinning and wish you every happiness possible.

SIB has made a ready and interested response to the appeal of the Circle K Club for sponsorship of their "Clean-up" campaign in its procurement of one of the many litter baskets designed for campus neatness. Already, we have collected more garbage than we'll ever be able to use.

Do you have to be an "R. A." to join the "R. A." Club, Nancy? By the way, what's an "R. A.?"

Has everyone seen and heard Megsie's new \$75-more guitar? The question remains, Megsie. What are you going to do with two of them. One for each hand? What else!

Don't be embarrassed, Debbie. A lot of sorority sisters buy their blazers in men's shops.

On November 1, Tau Epsilon Fraternity initiated three honorary brothers:

1. Bob Constantino
2. Bob Else
3. Bruce Nourie

Congratulations to Brother Ken La Salle who was recently elected President of the class of '66 and Brother Bill Carter Treasurer of the class of '65.

Beta Iota Beta

Pres.—Steve Konish
Vice Pres.—Joseph Nowak
Sec.—James Villa
Treas.—Joseph Uomaleale
Reporter—Steve Turkus

At the last meeting, the brothers of Beta Iota Beta welcomed Fred Rosen into the frat as a social pledge.

BIB's bowling team scored a 4 point victory over Beta Sigma Chi October 30. Brother Joe Nowak sparked the victory with a high 223. Good going, Joe!

The brothers' apartments have been the scene of many rousing parties. Word has it that at least three brothers are looking for a possible future abode.

Joe, Scarp, and Denny have a new canine roommate . . . Joe "Alphabet", what happened to your Old's??? . . . Speaking of cars, Frank's Volk's almost turned into a Jag!

Hay Polack, do pigeons' kicks bruise your toes???

Alpha Theta Chi

Pres.—Joseph Alfred
Vice Pres.—Joseph Blasi
Sec.—Richard Stanek
Treas.—Richard Zuremski
Reporter—Robert Armstrong

Alpha Theta Chi held its annual Smoker last Tuesday, November 5. The fraternity was introduced by President Joe Alfred who in turn introduced the officers to the prospective pledges. A fine luncheon and mixer with our sister sorority DEX followed. Music for the evening was provided by the New Yorkers. Everyone had an enjoyable time; and the Brothers are looking forward to seeing many of the new men at the AOX interviews.

Charlie "the bull" Andrade will try his luck with the varsity basketball team this year. His ability on the court is widely known and should prove to be an asset to the Bryant team. The Brothers wish "the bull" and the team the best of luck for the coming season.

Joe Higgins reports that he has fully recovered from his illness and is anxious to return to the frat. He would also like to thank the Brothers for the "basket of goodies" sent him.

A hearty "well done" goes to Jim Rapson and Debbie DelDeo for representing AOX in the Personality contest. Both did a fine job.

Plans are in the making for the AOX raffle to be held shortly. Excellent prizes will be awarded. Harry Erickson will head the committee to run the raffle. Be sure to read this article for further details.

The Triple Threat has invaded the campus. The buzzing of horns can be heard in the background as they go by.

Skip and Zeke got shot down last week . . . Squiz would like the frat to plan a trip to Juarez, Mexico . . . Terry has a habit of breaking windows.

WORK IN EUROPE

Grand Duchy of Luxembourg Nov. 6.

Summer jobs are available for students desiring to spend a summer in Europe but who could otherwise not afford to do so.

Among available jobs are office and sales work, tutoring, lifeguard and high paying (to \$400 a month) resort and factory work.

The American Student Information Service also awards \$200 travel grants to students. Interested students may obtain the ASIS 24 page prospectus listing all jobs, and a travel grant and job application by writing to Dept. N, ASIS, 22 Ave. de la Liberté, Luxembourg City, Grand Duchy of Luxembourg. Send \$1 for the prospectus and airmail postage. The first 8000 inquiries receive a \$1 credit towards the book, "Earn, Learn & Travel in Europe."

Sigma Lambda Theta

Pres.—Elaine Nardi
Vice Pres.—Dianne Palacz
Sec.—Lorraine Giessler
Treas.—Linda Bull
Reporter—Gerri Huck

Today is another proud and happy day for THETA. The sisters were all very pleased with the turnout at our Smoker. The friendly atmosphere lent itself to everyone having a good time. The rushees were impressed and the sisters were proud of the uniformed black dresses worn with a rose, our symbol. When we joined our brothers, faces were smiling while enjoying the refreshments and entertainment. It was also good to see Betty and Terry again, our past presidents, at our smoker. Good luck to our prospective pledges.

Saturday was Beta and THETA's annual visit to the St. Aloysius Orphanage. The brothers and sisters look forward every year to seeing the smiling faces of these children when they are so glad to see us. This outing, among other activities, has started our year off on the right foot. The sisters and brothers and prospective pledges are looking forward to the return trip at Easter. Believe in dating younger boys, Flash?

THETA goes Navy! Thursday night eight lucky sisters performed a "charitable duty" by visiting the boys working for Uncle Sam at the Naval Hospital in Newport. This is only the beginning of a program that THETA is working diligently for.

We want to thank all the sisters for the great job they did in playing volleyball for THETA, and that we made it in the finals.

Sprout your wings, Fern . . . how's the freshman class, Sher? . . . I know two girls who go for the short ones.

Phi Sigma Nu

Pres.—Peter Calise
Vice Pres.—Robert Cerrito
Sec.—Fred Robinson
Treas.—Arnold Montaquila
Asst. Treas.—Robert Scott
Reporter—Fred Robinson

Phi Sigma Nu wants to thank Peggie Ahern and Dave Barber for the great job they did in the Personality Contest.

The brothers of Phi Sigma Nu wish to congratulate Bob Cerrito for his recent victory as the new president of the Class of '64' and all other newly elected class officers.

Everyone who attended the Phi Sig smoker, and the mixer enjoyed the fine refreshments prepared by the Sisters of Sigma Iota Chi.

Phi Sig is now making plans for their annual Christmas party for the children of the Lake Side Children's Home. Only one problem has arisen: Who is to be Santa Claus? A rumor has it that Walt Coutu may be the answer.

Pete Sodafsky, athletic director, has led the football team on to a successful season with 5 wins and 1 loss. When you read this article the playoffs will have decided the intramural champs.

Attention!

"POETRY WANTED" for the new 1963-64 Inter-Collegiate Poetry Congress Anthology. Selections will be based upon poetic merit and chosen from colleges and universities throughout the country. A first prize of \$25.00 will be awarded, with a second and third prize of \$15.00 and \$10.00 respectively. All poetry must be submitted no later than November 25. If accepted, all future publishing rights are to be retained by the author. All contributors shall be notified of the editor's decision within two weeks of receipt of poetry and shall have the opportunity of obtaining the completed anthology, to be in print by mid December.

Submit to:
Inter-Collegiate Poetry Congress
528 Market Street
Lewisburg, Pennsylvania

Here and There

Bryant President accepts new post. Dr. E. Gardner Jacobs was appointed to serve on the Rhode Island Steering Committee for the United Negro College Fund during 1964.

"Business Education World" to feature article by Professor Moulton. The November issue of "Business Education World" magazine will include a feature article by Professor Priscilla M. Moulton, supervisor of secretarial studies at Bryant College. Entitled "Let's Take Advantage of Research Sources," this article describes the library facilities and material for teachers who are engaged in research projects. A picture of the Bryant College Library illustrates the article.

Honorary degree to go to Mrs. Peterson at Convocation. Dr. E. Gardner Jacobs, president of Bryant College, will confer the honorary degree of Doctor of Science in Business Administration (D.S. in B.A.) upon Mrs. Esther Peterson, U. S. Assistant Secretary of Labor and Executive Vice Chairman of the President's Commission on "The Status of Women," at Bryant's Centennial Convocation to be held Monday, November 18, at 3:45 p.m. This Convocation, which will follow a Symposium on "The Status of Women in America," is the major event of the College's one-hundredth anniversary year.

Bryant student represents College. Miss Janet Rathbun, of Hebron, Connecticut, a senior in the secretarial department at Bryant, represented this department at the Rhode Island division of the National Secretaries Association's Seminar held Saturday, November 2, at the Colony Motor Hotel. The theme for this year's seminar was "To Open More Doors."

Mrs. Pendergast attends Workshop. Mrs. Grace M. Pendergast, assistant professor of shorthand and typewriting at Bryant, attended the Manfred Sakel Foundation and The Association for the Rehabilitation Treatment of State Hospital Patients' 3-day Workshop at the Metropolitan State Hospital in Waltham, Massachusetts from Thursday, October 24 through Saturday, October 28. Mrs. Pendergast is a member of the Board of Trustees of the Westborough State Hospital, Westborough, Massachusetts.

"Business Education — Critical Issues" to be theme of N.E.B.E.A. Convention. The 61st annual convention of the New England Business Educators' Association will take place on the Bryant campus, Saturday, November 16. More than 400 business teachers are expected to attend. This event is part of the College's centennial year observance and is in accordance

with its objective to serve and enrich the community.

College officer interviewed on WTEV-TV, Channel 6. On Wednesday, November 6, at 10:30 a.m., Bob Bassett, of television station WTEV's "On Campus" program, had for his guests Dr. Charles Hoover Russell, vice president for academic affairs at Bryant College, and Mrs. Margaret F. Ackroyd, chief of the division of women and children, Rhode Island Department of Labor. As chairman of the College's centennial committee, Dr. Russell discussed preparations for Bryant's forthcoming centennial Convocation with Mrs. Ackroyd, who is chairman of the local committee planning this event. The Convocation and Symposium on "The Status of Women in America" is to be the highlight of the College's centennial year celebration.

Zoning boards of review hold Fall meeting on Bryant Campus. The Rhode Island Association of Zoning Boards of Review held their Fall Business Meeting in the Bryant College Library on Tuesday evening, November 5, 1963. Dallas Lore Sharp, Jr., professor of economics and investments at Bryant College, is president of this organization. Refreshments were served after the meeting.

National Alumni Council holds meeting. On Wednesday, November 6, the Bryant National Alumni Council held its second meeting of the season at the Colony Motor Hotel. Solomon A. Solomon, Bryant '56, president of the Council, presided at the business meeting following a buffet dinner.

Invitations issued for Centennial Convocation. Advance invitations have been mailed to colleges, universities, and scholarly institutions to participate in the academic procession to be held in connection with Bryant College's forthcoming Centennial Convocation to be held on Monday, November 18. This event will be a highlight of the College's one-hundredth anniversary year.

Bryant dean represents College. Nelson J. Galski, C.P.A. and dean of the school of business administration at Bryant College, attended the conference of Business Administration School Deans which took place Thursday and Friday, October 17 and 18, at the University of Rhode Island.

Professor Moulton receives appointment. Priscilla M. Moulton, supervisor of secretarial studies at Bryant, has been appointed State Membership Chairman for Rhode Island of the Eastern Business Teachers Association, an organization consisting of approximately four thousand members.

LITTLE MAN ON CAMPUS

"OUR BOYS REALLY SHOW UP BEST ON DEFENSE."
