Eight Fraternities Present Sno' Queen Candidates; Ball To Be Held On Dec. 7

By Beverly Samson

Sigma Lambda Pi fraternity presents its twenty-fifth annual Sno' Queen dance on Saturday, December 7, 1963. The dance will be preceded by a week of competition and judging. The Brothers will be aided in this venture by the sisters of Beta Sigma Gamma. All eight fraternities are presenting candidates for Sno' Queen.

The candidates are as follows: Alpha Omicron—Kathy Phinney, Alpha Theta Chi—Sally Foote, Beta Iota Beta—Loretta Clifford, Beta Sigma Chi—Roe DiBlasio, Chi Gamma Iota—Eileen Palagi, Kappa Tau—Paula Hurd, Phi Sigma Nu—Carol Egglestone, and Tau Epsilon—Cecilia Medeiros.

On Monday, December 2, starting at 6:00 a. m., posters may be put up. At 12:00 noon, construction of display areas in the heart of the Bryant campus will begin. Each fraternity and its candidate will have a definite area in which to set up a display. Construction will continue on Tuesday, December 3.

On Wednesday, December 4, at 4:00 p. m., the judging of display areas will take place. The judges will be disinterested third parties chosen by the brothers of Sigma Lambda Pi. Directly following the judging, a rally will be held in the Gardner Hall area.

Also on Thursday, judging of the candidates will take place in

Bryant Auditorium at 7:00 p. m. Again the judges will be disinterested third parties selected by Sigma Lambda Pi. All students are urged to attend this event and meet the candidates.

On Friday, December 6, from 11:00 a. m. to 2:00 p. m., voting for candidates and best displays by the students will take place in Bryant Auditorium. Come and vote for the candidate of your choice.

On Friday evening at 8:00 p. m., Sigma Lambda Pi will present for your enjoyment a stage show featuring three groups, one consisting entirely of Bryant College students and two semi-professional groups. Dress is casual for this affair.

On Saturday evening, December 7, the Sno' Queen dance climaxes the activities of the week. The semi-formal dance will be held in the Empire Room of the Colony Motor Hotel from 8:00 p. m. to 12:00 midnight. Music will be provided by the Tony Abbott Orchestra. Coronation of the queen and awarding of trophies for the best display units will take place at 10:00 p. m.

Tickets for this gala affair go on sale December 2. They may be purchased from any brother or at the ticket table located on campus. So remember to save the week of December 1, and we'll see you at the dance!

Student Senate Highlights

By Jeff Bulman

Today I must get right down to brass taxes as this shiny paper costs "much money" and my verbosity has to be curtailed; so here is your report on the latest Student Senate meeting.

Demonstrating a willingness to make improvements in the present Student Senate procedure, President Dick Haines distributed a Questionnaire to each of the senators asking their opinions on various aspects of Student Senate activities. The answers will be studied and all reasonable requests or suggestions tried.

Because the Art Club has missed three meetings this semester, it has been suspended from the Senate. A movement, tabled until the next meeting, concerns the number of absences calling for suspension being changed from three to two.

Larry Reed, reporting on the library hours investigation, said a questionnaire was given to all dorm students and the results would be tabulated and then brought before the senate. Immediate action will be taken to bring about the changes desired by the majority of the students.

The reason for the collection of organizations' constitutions was to review their set ups and offer help that may be needed in reorganization. Dick Haines is the head of the review committee.

Bill Piccerelli suggested that copies of the AROHWAY be sent to the parents on a subscription basis. Each senator was to bring up the idea before his organization and a vote will be called at the next meeting.

Two notes: 1. Dick Haines and Pete Castelli represented Bryant at a Red Cross convocation and came back with a call to the student organizations for more community activities. The better our public image, the better are our chances as alumni in securing positions in the business world. 2. Dr. Russel spoke on the convocation and its significance.

Remember, when your senate representative asks you for opinions on matters to be discussed and voted on in the Student Senate, make sure you understand completely and vote with a clear head.

CENTENNIAL CONVOCATION

The Centennial Convocation was the late afternoon part of the College's "Status of Women" Symposium program. Here the honored guests listen to the opening address of the Convocation given by President Jacobs. Approximately 90 representatives from colleges and learned and professional societies plus many other distinguished guests attended the event, which was held on Monday, November 18.

Choralaires' First Concert on Nov. 26

By Megsie Sanford

If you are wondering what has become of the Bryant College Choir, it is no more. At a recent meeting, it was decided to change the official title of the group to the Bryant College Choralaires.

On November 26, at 8:15 p. m. the Choralaires will present their annual fall concert. The theme of the concert is American Folk Music. In addition to the entertaining presentations by the entire group, the concert will feature the Emanons—Claire Bosma, Paula Nielson, Megsie Sanford, Larry Levine, John Hartwright, Ray Mitchell, and Kenny Levine—Bryant's only organized folk singing group. Ray Mitchell will be the soloist attraction. Also featured will be the Folk-writes, Kenny and Larry Levine.

The Emanons will be seen leaving Bryant College Campus on December 10 equipped with four guitars, one banjo, six stools, and uniforms to give a performance at the Newport Naval Hospital.

The entire group has been working very hard this semester, and we are sure you will enjoy our annual fall concert. Hope to see you there.

ACADEMIC PROCESSION

(Photo—Jim Herens)

Leading the Procession, which preceded the Convocation exercises, is the Chief Marshal, Mr. Lucien Appleby. He is followed by the color guard, which is made up of students of the College. The procession was one of the most colorful and unforgettable events of the day's activities.

Bryant Recipient of Congratulatory Message from President Kennedy

The late President John F. Kennedy sent a congratulatory message to Bryant College on behalf of its Centennial Anniversary and Convocation Celebration. The message was received on November 18, the day of the "Status of Women" Symposium.

An operation has been performed on Mr. Harris's knee, but it is feared that he may be left with a stiff leg. In that event, another operation will have to be performed.

The injury has left Mr. Harris unable to teach school in Asmara, Eritrea, Ethiopia.

The Harris are in their second year of Peace Corp duty. It is believed that they will be leaving for home some time in August of 1964.

If anyone is interested in sending Mr. Harris best wishes, the address is given below.

Mr. Walter D. Harris

To educate men and women for social and professional responsibility has been the goal of Bryant College during its first century. Your sustained and effective pursuit of this goal has produced mature, intelligent, broadly trained graduates—well prepared to serve their communities and their Nation.

On the occasion of the Centennial Convocation, I am delighted to join such good friends of Bryant College as Senators Pastore and Pell, and Congressman Fogarty, in extending warm congratulations and best wishes to the faculty, students, alumni and to all those participating in this memorable event.

I know you will find the words of Assistant Secretary of Labor Peterson and Congressman Fogarty both stimulating and informative, and I am delighted that these outstanding representatives of our government are with you today.

With every good wish,
John F. Kennedy

Donate 50c — Get Valuable Campus Pac

It's Better To Give AND Receive

By Stephen Horvitz

"It's better to give AND receive." This is the slogan of the fund raising drive to be conducted by THE BRYANT COLLEGIATE CHAPTER of the AMERICAN MARKETING ASSOCIATION in which each student donating 50¢ receives a free Campus Pac worth several times this amount.

Campus Pac is an assortment of nationally branded products given through the courtesy of leading manufacturers to raise money for worthwhile purposes at hundreds of colleges throughout the nation.

Students who want to receive this valuable gift worth many times their contribution must go to the GYMNASIUM on DECEMBER 2, 4, 5 and 6, during the hours from 10:00 - 1:00 and get their coupon to be exchanged for a Campus Pac when the Pacs arrive approximately one week later.

Posters and public address notices in the cafeteria will inform students the time and days when the Pacs may be picked up in the gym.

Each student can receive only one Campus Pac, and supplies are limited. Better hurry to the GYM to get yours.

The proceeds from this fund raising drive will be used by Bryant's chapter of the American Marketing Association to finance this year's Annual Trade Show, which was a tremendous success last year. Also, throughout the academic year, Senior and Collegiate chapters of the A. M. A. offer

conventions and convocations in New York, Boston, and Washington. Bryant's chapter will use the funds to defray the costs of sending delegates. This is an excellent opportunity for students to view marketing and business from the inside, return with valuable information and experience, and represent Bryant College.

Remember, help the A. M. A. and you enable us to grow and represent you!

FRATERNITY FOOTBALL CHAMPS

Former Bryant Law Instructor Injured in Fall

By Bill Piccerelli

Mr. Walter Harris, former instructor of law at Bryant College and now a Peace Corp Volunteer in Ethiopia, was hospitalized recently for an injury he received in a fall.

The information about Mr. Harris's accident was received in a letter from Mrs. Harris to Mrs. F. Douglas Hammond, wife of the Registrar of the College.

Mr. Harris was injured on October 24, "On that day he slipped in a puddle of water . . . here at school," the letter said, "and fell full weight on his left kneecap and

THINK of Thanksgiving

Tomorrow, at noon, is the beginning of the Thanksgiving vacation. It should not mean this alone.

Each one of us must think, "What exactly do I have to appreciate?" Compare yourself to others who are less fortunate.

Very few people are physically perfect; so think of physical afflictions and defects you have been fortunate not to have. Not many people are geniuses; but how many people are not as intelligent as you to get into college or to stay as long as you have.

You may not be exceedingly rich, but think of the many people on relief or collecting social security who are just barely getting along.

The Thanksgiving vacation is a good time to do a term paper or to catch up in some subjects. Thanksgiving is also a good time and the appropriate time to think of what we have and to appreciate the sources that have made us so fortunate.

ADVISER FOR THE CLASS OF 1965

(Photo—Jim Herens)

Bruce Wilson, President of the Class of 1965, congratulates Dr. Sol Lebovitz who has been chosen adviser of the class. Jim Tarantino, Vice President of the class, looks on.

Report from Junior Class

The executive board of the Junior Class is pleased to welcome Dr. Sol Lebovitz to our ranks as class advisor. Dr. Lebovitz has been at Bryant for a little more than one year. He is doing an outstanding job of teaching History of Western Civilization, Political Science, and Sociology. Dr. Lebovitz's contributions to his country and to Bryant College are numerous. He says that he likes the small college and its personal atmosphere. He is a firm believer in the value of a broad general background accompanied by a specialty for all students. His reasons are that a broad general background is necessary in the business world because of the necessary constant dealings with people.

We are proud to have a person of his background as the Junior Class advisor. We are certain that his assistance will be a great asset throughout the next year.

The suggestion box has been installed in the room over the student union. We would like to impress upon you the importance of using this facility. Without your ideas it is difficult for us to act; therefore please help us help you.

We are presently working on plans for a class meeting sometime in the first two weeks of December.

Within the next week you will be receiving a questionnaire. This questionnaire will be in regard to our Junior Prom. When you receive it, please return it to the suggestion box.

Remember, with your support and cooperation through the year, we can make this the most successful Junior Class in the history of the college.

Dress Dinner Dates Announced

Every school year brings a full schedule, and included among the dorm students' dates is the yearly dress dinner. These individual banquets enable the girls in each dorm to eat together as a group in the Faculty Room. The Dean of Women, Mrs. Castronovo, is present at all the dorm banquets. Also present, is one member of the faculty whom the girls invite.

The following is a schedule of dates and list of guests for the year:

Greek Letter Council News

By Jeff Bulman

For my first article on the activities of the G.L.C., I am able to report on two meetings. Because of the limited space in this issue of the ARCHWAY and the fact that there are two meetings to be discussed, my major purpose in bringing the news of the G.L.C. to all Bryant students will be presented in the next issue.

The first order of the day on November 4, was roll call; all members were present; however, AOX and KT both have one absence, and Zeta has two.

A complaint was registered with the G.L.C. concerning fraternity members with acumes under 1.75 playing sports. Under the G.L.C. constitution any member of a fraternity with less than a 1.7 can play sports and also can be members of committees but cannot head a committee.

The Winter Weekend Committee asked the G.L.C. if they approved of Buddy Murrow for the big name entertainment at Winter Weekend. The G.L.C. members approved.

Zeta asked to have their colors changed. At the November 19th meeting the familiar purple and white of Zeta will now be grey and white.

SLP and TE were absent at this meeting. Ron Tsolis, AO, is the Red Cross representative of the G.L.C. The most important new business was the dates and rules for interviews. They are as follows:

- January 6 evening only
- January 7 all day
- January 8 all day
- January 9 all day

(Bids for interviews may go out December 16)

No fraternity or sorority meetings or any other meetings are to be scheduled for these days.

Bids can go out for pledging on February 4.

Pledging will begin Friday, February 7. On February 14 and 15 all fraternities and sororities will cease pledging at 3:00 p.m. February 14, until noon February 16, Sunday. All pledging is open until Sunday, February 22, at midnight.

The only other business of the day was a talk by Mr. Cedergren on the sports at Bryant. He urged all G.L.C. members to get their respective fraternity and sorority members to support Bryant's athletic program.

- October 15: Eldridge—Mr. Meek
- October 29: Allan—Dean Mercier
- November 5: Harriet—Mr. Boulet
- November 19: Stowell—Mr. Candello
- December 10: Salisbury—Mrs. McLaughlin
- January 14: Curtis—Mr. Gaucher
- February 11: J. Carroll—Mrs. O'Connell
- February 25: Bryant—Dr. Buchanan

Report from the Dormitory Council

By Jan Eaton

A discussion was recently held on suggestions for new foods in the cafeteria. The Council decided to obtain suggestions from every student in the dormitories on the menus that are within reason that they would like served. A committee to tally these dormitory desires was formed. These new suggestions were presented to Mr. Falcone and his staff at the last Dorm Council Dinner on November 20.

The Council passes along two items that have been neglected by the students.

1. Many students have been cutting in line at dinner. A discussion was held to obtain the opinion of the Council. If there is any infraction of this rule the violator's name will be submitted to the Administration. Signs and posters have been displayed in the cafeteria to remind the students of this offense. We hope, that with the steps taken, this problem will be solved.
2. At breakfast and dinner: Please return your trays to the conveyor table when you are through eating.

The Council's next business meeting is December 4. The next dress dinner with Mr. Falcone and Administration is December 18. If you have any suggestions for the Council, just submit them to your House President or any member of the Council.

The members of the Council wish all students a very happy Thanksgiving.

Hillel Highlights

By Jay E. Laff

This past month was really a dynamic one for Bryant's Chapter of Hillel. We have been holding discussion groups every Monday night on topics of interest to young adults. Moderated by Rabbi Rosen, they feature an atmosphere of controversial opinion and verified fact. The whole student body is invited to take part in these discussion groups. Check the Hillel signs on campus for the next date.

Hillel was honored to have as its speaker this past Sunday at the newly named Samuel Rappaport Hillel House, Professor Sol Lebovitz, Ph.D., Associate Professor of Political Science and History. His talk was enjoyed by students of all the colleges in Providence.

During the earlier part of this month, President Warren Corin led a group from Bryant to a New England Hillel conclave. Held at Brandeis University, it was attended by students from most of the colleges in New England. Our delegation had the honor of representing not only Bryant but also Brown and the other colleges neighboring our school. We hope many more will attend the next conclave, which will be announced.

We hope to see many more members at our next meeting. Remember, YOU DECIDE WHAT WE DO! Why not come and help with the plans for the future.

DECK THE HALLS

The time has come to think of Christmas shopping, for the Yuletide will be upon us quicker than you can say Jack Robinson. (Have you ever wondered, incidentally, about the origin of this interesting phrase "Quicker than you can say Jack Robinson"? Well sir, the original saying was French—"Plus vite que de dire Jacques Robespierre." Jack Robinson is, as everyone knows, an Anglicization of Jacques Robespierre who was, as everyone knows, the famous figure from the French Revolution who, as everyone knows, got murdered in his bath by Danton, Murat, Caligula, and Al Capone.

(The reason people started saying "Quicker than you can say Jacques Robespierre"—or Jack Robinson, as he is called in English-speaking countries like England, the U.S., and Cleveland—is quite an interesting little story. It seems that Robespierre's wife, Georges Sand, got word of the plot to murder her husband in his bath. All she had to do to save his life was call his name and warn him. But, alas, quicker than she could say Jacques Robespierre, she received a telegram from her old friend Frederic Chopin who was down in Majorca setting lyrics

to his immortal "Warsaw Concerto." Chopin said he needed Georges Sand's help desperately because he could not find a rhyme for "Warsaw." Naturally, Georges could not refuse such an urgent request.

(Well sir, off to Majorca went Georges, but before she left, she told her little daughter Walter that some bad men were coming to murder Daddy in his bath. She instructed Walter to shout Robespierre's name the moment the bad men arrived. But Walter, alas, had been sea-bathing that morning on the Riviera, and she had come home with a big bag of salt water taffy, and when the bad men arrived to murder Robespierre, Walter, alas, was chewing a wad of taffy and could not get her mouth unstuck in time to shout a warning. Robespierre, alas, was murdered quicker than you could say Jacques Robespierre—or Jack Robinson, as he is called in English-speaking countries.

(There is, I am pleased to report, one small note of cheer in this grisly tale. When Georges Sand got to Majorca, she did succeed in helping Chopin find a rhyme for "Warsaw" as everyone knows who has heard those haunting lyrics:

*In the fair town of Warsaw,
Which Napoleon's horse saw,
Singing cockles and mussels, alive alive o!*

But I digress. We were speaking of Christmas gifts. What we all try to find at Christmas is, of course, unusual and distinctive gifts for our friends. May I suggest then a carton of Marlboro Cigarettes? What? You are astonished? You had not thought of Marlboros as unusual? You had regarded them as familiar, reliable smokes whose excellence varied not one jot nor tittle from year to year? True. All true. But all the same, Marlboros are unusual because every time you try one, it's like the first time. The flavor never palls, the filter never gets hackneyed, the soft pack is ever a new delight, and so is the Flip Top box. Each Marlboro is a fresh and pristine pleasure, and if you want all your friends to clap their hands and cry, "Yes, Virginia, there is a Santa Claus!" you will see that their stockings are filled with Marlboros on Christmas morn.

© 1963 Max Shulman

The holiday season or any other season is the season to be jolly—if Marlboro is your brand. You'll find Marlboros wherever cigarettes are sold in all fifty states of the Union. You get a lot to like in Marlboro Country.

Beta Sigma Chi Visits Orphanage

By Paul Langello

Last November 2 Beta Sigma Chi gave a Halloween party for the children at the St. Aloysius Orphanage in Greenville, R. I.

A bus and several cars left campus at about 12:15 p.m. and arrived at the orphanage just as the children were finishing their lunch. Shortly after setting two large tables with cakes, candy, ice cream, punch, toys, and balloons, the children were called into the large playroom.

They first attacked us, then the balloons, then us again. By now everyone was a little worn out (but not too worn out to serve the kids cake, ice cream, candy, and punch).

After the snack, the younger children played games while the older ones danced. Then came the piggy-back rides. One hour of this activity was enough to completely

Members of Beta Sigma Chi fraternity and Sigma Lambda Theta sorority had a lot of fun with the children at St. Aloysius Orphanage.

tire out the entire crew.

When it came time to say "good-bye," the children quieted down considerably.

Beta Sigma Chi will return to the orphanage at least twice more this year. The children are looking forward to the future parties just as much and as eagerly as we are.

Phi Sigma Nu Reigns On the Gridiron

By D. R. A. Barber

Thursday, Nov. 14, brought together two outstanding football teams for the showdown of the Fraternity Intramural touch-football league championship.

The finalists consisted of Phi Sigma Nu, under the handling of Pete Sodafsky, their outstanding coach; and Kappa Tau under the direction of the very able Larry Reed. Both ballclubs went into the final game supporting 6-1 season records. Phi Sig's loss came at the hands of Kappa Tau earlier in the season, and Tau Ep also spoiled K.T.'s unblemished record earlier in the season.

The setting for the big game was there, a fine football day—with temperatures in the middle 60's and attended by a highly-spirited student body.

Phi Sig won the toss and decided to defend the south goal; K.T. chose to receive and the preliminary chit-chat was finished. Then the only thing left was for the ballclubs to play dog-eat-dog for 40 minutes.

Phi Sig's strong defensive line dug in and held K.T. on their series of downs. Phi Sig started their drive on their own 20-yard line and Barry Seigal, the playcaller, hit Bob Cerrito for two quick passes and a Phi Sig first down. Phi Sig marched into K.T. territory and K.T.'s defense dug in and stopped the Phi Sig attack. With 4th and 15, Phi Sig attempted a field goal.

The kick was wide and K.T. had the ball again. That was how it was for the first half, both clubs excelling on defense when the chips were down.

Half time score: Kappa Tau 0 and Phi Sig 0! The second half proved to be an imitation of the first half. Phi Sig frequently proceeded into K.T. territory only to find the goal line invulnerable.

Seigal's passing and Cerrito's receiving for Phi Sig enabled them to amass 5 first downs while the stellar defensive play of Phi Sig held K.T. to only 1 first down. Dick Battista was outstanding on defense for Phi Sig as he caught Charlie Wood, K.T.'s quarterback, many times.

The final score read Kappa Tau 0 and Phi Sig 0, but a ruling states that in the event of a tie the team with the most 1st downs will be declared the winners, thus the PHI SIGMA NU clubs became "CHAMPIONS." Phi Sig truly outlasted and outplayed Kappa Tau and they were deserving in every respect of the title they have won.

Phi Sigma Nu is a fine example of how "TEAM" effort can best be put to use in a sport and anyone who attended the game could not pick one exceptional player but rather 15 or 16.

This writer would like to congratulate himself for picking the Champs earlier in the season.

SIB Wins Volley Ball Championship

This year the girl's volley ball games were highly contested, with all the sororities playing a hard game to win.

In order to win a match, a sorority must win two out of three games played, with 15 as the total winning points per game.

After all the sororities played each other once, the four semi-finalists, Sigma Iota Chi, Kappa Delta Kappa, Sigma Iota Beta, Sigma Lambda Theta, played two games competing for the finalists. The first game was played on Thursday, October 31, between Sigma Iota Chi and Kappa Delta Kappa, with Sigma Iota Chi winning. The second game was between Sigma Iota Beta and Sigma Lambda Theta, which Sigma Iota Beta won.

On Thursday, November 7, the championship game, between the two finalists SIB and SIB was played with great enthusiasm and great sportsmanship by both teams.

At the start of the first game, Sigma Iota Chi had the lead until Claire Bosma, an excellent volley ball player for Sigma Iota Beta, had her turn to serve again. She served approximately seven times in a row knowing right where to place the ball each time to get the points. Sigma Iota Beta came ahead 8 to 7 and stayed ahead for the remainder of the game, winning the first game with a score of 15 to 7. SIB also won the second game with a score of 15 to 1 by good serving and careful playing.

Having won two out of three games, against Sigma Iota Chi, the competing finalist, SIB now holds the Volley Ball Championship for 1963.

Two League Records Broken In Ten Pin Bowling

By Chuck Grundman

The Pin Boys composed of Frank Breault, Pete Brown, Paul Ceresa, and Mike Tansey led the assault on two league records. Their first game was a record-breaking one when they rolled the high single game of 726, breaking the Four Patches score of 706. With this game and two others of 682 and 670, the Pin Boys totaled 2,078 pins which broke the previous high of 2,007 by the Four Patches.

The team standings have not changed too much. The Wildcats are now in first place, but are closely followed by the Four Patches and Misfits. The Pin Boys made the biggest jump in the standings by moving from seventh to fourth place. The closeness of the standings shows that anyone of the teams could win the championship.

On the individual side, Bill Carter still leads the league with a 181 average. None of the other individual records have changed during the past two weeks.

Matches on the 13th

Kappa Tau 2, Four Patches 2
KT and the Four Patches battled to a 2-to-2 tie, with one game being decided by 1 pin. Hank Piccitelli was high for KT with a 526 series while Dave Scanton posted a 481 for the Four Patches.

Beta Sigma Chi 4, Phi Sigma Nu 0
Let by Chuck Grundman and Paul Langello with 522 and 518 respectively, Beta breezed by Phi Sig in all three games. Barry Siegal was high for Phi Sig.

Beta Iota Beta 3, Barber House 1
BIB continued its improved bowling with a 2-to-1 win over Barber House. Joe Scarpelli was high for BIB with a 462 series while Barry Deitch was high for Barber House with a 496 series.

Alpha Omicron 4, Misfits 0
Consistent bowling proved to be the major factor in AO's win over the Misfits. Jim Clark led AO with a 497 while Ralph Pilling was high for the Misfits with a 458 series.

Pin Boys 4, Tau Epsilon 0
Led by Frank Breault, Pete Brown, and Paul Ceresa with 554, 540, and 528 respectively, the Pin Boys defeated TE 4-to-0. They also broke the high team single-game and the high team three-game series. Bill Carter rolled a 507 series in a losing cause.

Alpha Theta Chi 4, Wildcats 0
AOX proved to be too much for the league leading Wildcats. Harry Erickson was high for AOX with a 509 series while John Marco posted a 457 series for the losers.

TEAM STANDINGS		
	Won	Lost
Wildcats	18½	9½
Four Patches	18	10
Misfits	18	10
Pin Boys	16	12
Alpha Omicron	15	13

Barber House won the independent football championship. Members of the team are: First Row, L-R, Eric Blum, Al Passante, Jerry Schlesinger, Mike Shapiro, Jim Glass, Paul Wassel. Second Row, L-R, Barry Deitch, Bill Conaty, Dick Reardon, Jim Zorbo, Ron Rosenberg. Back row, Coach Jim Lockwood.

Barber House Wins 1963 Championship

Hertz, Barry Independent Football Tournament

The key to the championship in the Independent Football "Tournament" this year was a good defensive team, and Barber House apparently held this key. All three games in the tournament were decided by first downs, or a very low score.

On Wednesday, October 30, Gardner slipped past Dyer House with a 2-0 victory. Friday, November 1, saw Barber clash against the Wildcats, with Barber coming out on the top by one first down.

Gardner and Barber were brought together on Wednesday, Nov. 6, to decide the championship. When the final whistle blew, Barber House had gained the 1963 Independent Championship by edging Gardner 6 first downs to 2.

American Marketing Association News

Charlotte A. Kenney

The Bryant Collegiate Chapter of the American Marketing Association has heard several interesting speakers at its meetings this semester. On October 1, Professor Bowman of the University of Rhode Island spoke on the responsibilities of the newly-formed Providence Chapter of the A. M. A. to our collegiate chapter.

On October 22, Mr. Thurston Graden, Marketing Research Director of Fram Corporation spoke on the use of marketing research

for targeting sales.

On November 19, Mr. D'Orlando of Lincoln National Life Insurance Company spoke on "How Intangibles Can Become Tangibles through Imaginative Marketing."

On November 21, several members of the Club attended an interesting tour of the California Artificial Flower Company in Cranston.

More speaker meetings, field trips, and a banquet are planned. New members are still welcome.

Blood Drive Success

The Bryant College Blood Drive was held on Tuesday November 19. This year's drive added 60 pints of blood to your blood bank. This is an increase of 18 pints over last year's drive.

This year's drive was handled by the members of Circle K. I would like to express my sincere appreciation to the members of Circle K. who made posters, distributed blood donor cards, served refreshments, and handled other administrative details for this drive.

Each year a trophy is awarded to the fraternity or sorority that donates the greatest amount of blood based upon a percentage of the active members. This year's winner is Tau Epsilon Fraternity.

Following is a list of this year's donors: Edward Gordon, Jack Shaikovitch, Judy McGovern, Robert Washburn, James Glass, Henry M. Saccoccia, John Henderson, Chris Kapanakis, John O'Connor, Guido Zamerini, Aster Farmer, Julia Hester, Francis C. Breault, Victoria Jacek, Joe Jackson, Elizabeth Baker, Gerard Goyett, Harold Erickson, Anthony Feriera, Ray Joyce, Richard Zuronski, Richard Stanek, Bruce Smith, Arthur English, Herbert Robbins, Ann Supnick, Patricia Dimuzzio, Paula Pullano, Carol Verburg, Sally Bresford, Harry Beardsly, James T. Blake III, Edward Bailey, Richard Lovelace, Ralph Pitcher, Thomas Wallace, Dwayne Dyste, Lawrence Walinski, Alexander Scott, Louis Ponte, John Gutherz, Sandy Perler, Joseph Kozaka, Robert S. Barker, James Summa, Alfred Baer, Charles W. Grundman, Ray Hubbard, Tony Fassel, Jerry Houghton, Chester Janik, Reid Cameron, John Herbert, Malcom Selver, Kenneth Mack, Gerald Greifer.

Movie Schedule

DECEMBER 4
PURPLE HILLS

Gene Nelson, Joanna Barnes, Kent Taylor. Based on a true historical incident in 1870, this is the stirring drama of a young farmer who turns to bounty hunting. Trying to collect his reward for killing a notorious outlaw, he finds himself pitted against a treacherous renegade who also claims the bounty money; a beautiful woman who places honor above money; and fierce Apaches on the warpath.

DECEMBER 11
BACHELOR IN PARADISE

Bob Hope, Lana Turner, Janis Paige, Jim Hutton, Paula Prentiss. Daffy doings in the suburbs as bachelor Bob Hope explores life in a modern housing development. The fun starts when Hope rents Lana Turner's house, the only other "bachelor" in the community, and builds as Hope copes with diapers, supermarket carts, washing machines—and irate husbands.

DECEMBER 18
SEPTEMBER STORM

Joanne Dru, Mark Stevens, Robert Strauss, Asher Dann. Three international adventurers and a beautiful American model join forces to recover millions in Spanish gold doubloons from a sunken treasure ship. They survive a hurricane, sharks, and the deadly Portuguese man-of-war only to have the gold confiscated by the Spanish government.

The Beta Iota Beta and SIB smoker was a lively success. Mountains of food and a lively band were the order of the evening. All those present reported having a good time.

Brothers Frank Reed and Steve Konish were selected to represent Bryant College in the Bryant All-Star game. Good luck, fellas!!

Brothers Jim Villa and Joe U. will be two of the ten Bryant students at the College-Business Symposium at the Biltmore, December 4.

The Beta Iota Beta-Tau Epsilon volleyball game was breath-takingly close. The score: 15-13; 15-12; and 15-11. An outstanding effort was shown by brother Denis Deslauriers.

Loretta Clifford will be BIB's candidate for this year's Sno' Queen competition. The brothers and sisters are all behind you, Loretta!!!!

Until next issue, the brothers all wish you a HAPPY THANKSGIVING!!!!!!

Tau Epsilon Fraternity held its annual smoker on Tuesday, November 12. President John Little, introduced the officers and Brothers of T. E. after which the evening was highlighted by a very informative speech by our Fraternity advisor, Professor George Richards. Following the smoker a mixer was held with our sister sorority Kappa Delta Kappa.

On Tuesday, November 19, the Brothers of Tau Ep took part in the Bryant College Blood Drive. After analyzing the donated blood, it was discovered that the average blood type was 90 proof.

Congratulations to President John Little who finally got brave enough to part with his fraternity pin. Also, to Brother Alex Scott who really got brave and parted with a diamond. What's happening to that old gang of mine!

The basketball season has started again, and three brothers of Tau Ep seem to have made the varsity squad: Nick Betlow, Dick Tellier, and Bill Favro who should be fun to watch. He claims that he can dunk the ball, but I doubt it. Last year he couldn't even lift it. Sorry Bill, I know you're the best shot on the squad, (AT PRACTICE).

Brother Bill Carter seems to be running away with the Bowling Championship. Since the first week he has held the League's High Average. However, I must admit he has an advantage; his bowling ball has a little man inside who knocks the pins down with his hands.

Alpha Theta Chi may be the answer to your money problems. The frat's annual raffle is going on NOW with a top prize of \$100 bond. A \$50 bond and a \$25 bond will be given away for the second and third prizes respectively. Harry Erickson, chairman of the raffle committee, reports that the Brothers are selling tickets like "crazy." Have YOU purchased yours yet? The Brothers will be more than happy to accommodate your request for a chance. The drawing is to be held November 26.

Sally Foote will represent AOX in the forthcoming Sno' Queen Contest. The brothers and sisters are behind Sally 100 per cent and wish her the Best of Luck. Plans are also in the making for AOX's lawn display for Sno' Queen. Pete Gray and Skipper have some "interesting" ideas about the subject. Whatever happens you can bet that the display will be unusual.

The AOX bowling team rolled over the Wildcats in a recent match. Led by Harry and Rosey, the team took four games.

"Tarzan" Joyce is to be congratulated on his splendid job with the AOX Scrapbook. Ray is the historian of the frat and has kept the book up to date with plenty of pictures and stories. Keep up the good work, "young man."

Alfy, in his drive for power, has started the "Diners Club." Are there any takers for this week's meal?

Tony reads Dear Abby... Terry is resembling a scarecrow... Chopper bought a boxer... The King is making a comeback to the throne.

The Brothers wish everyone an enjoyable Thanksgiving holiday.

After careful deliberation, the brothers have chosen their lovely sister, Miss Eileen Palagi, to represent CHI GAM in the 1963 Sno' Queen Contest. We all wish both Eileen and the brothers of Sigma Lambda Pi the very best during the campaign.

On Monday, November 18, CHI GAM presented an excellent party for the prospective pledges of CHI GAM and PHI U. Our next big party will be the annual Christmas Party. Invitations will be sent by mail.

Through the staunch efforts of Artie Silva, CHI GAM won the inter-frat ping-pong championship. Now, we turn our attention to volleyball and Bibby Martin is rounding up our players.

The brothers very cordially welcome the following social pledges: Joe Amaral, Dennis Swartz, Tom Roberge, Jack Byrnes, and Pat Funicello.

"And may our love for Sigma Iota Beta dwell in our hearts forever." Thus was the ending of the Sigma Iota Beta prayer and the formal beginning of SIB's Smoker on November 7. With the uplifting of bowed heads and a polite apology to the wall when the chair in which she was sitting collided with it as she rose to begin her talk, president Nancy Manchester initiated the orientation of all who attended with the history of SIB and the introduction of each SIB officer and sister. Attentive faces listened to an explanation of each officer's duty and then turned toward ex-president Mary Ann Babilewicz who spoke on what SIB meant to her in relationship to the beauty of true sisterhood and unity. The singing of SIB songs ensued and was followed by the mixer with our brothers of BIB in the auditorium. Refreshments were served, movies entitled "BIB and SIB on Campus" were shown, and music by the "Inmates" soon had everyone dancing and enjoying themselves to the utmost. The sisters of SIB are proud of the success of their Smoker and were pleased to see such an interested attendance. It gave each sister great pleasure to have Alumnae Susan Salvatore and Mary Ellen Canniff attend. SIB is now making plans for its teas to be held in the near future. We are eagerly looking forward to them and to seeing as many that made November 7 an unforgettable occasion attend.

November 7 was in another respect again history making. SIB played against Sigma Iota Chi for the volleyball championship, and after two tense games scored 15-7 and 15-2 to term the match victorious in SIB's favor. Each member of SIB's team wishes to express congratulations to an outstanding challenger, Sigma Iota Chi, for a game well played.

"It is better to give than to receive." SIB plans to express its firm belief in this by the giving of a Thanksgiving basket to a needy family of Providence as has always been and will continue to be our practice.

SIB has recently participated in Community Service in the distributing of Red Cross posters calling attention to Christmas Seals and their underlying purpose.

SIB, invited guests, spaghetti, steamed clams, and Balzano's made Sunday afternoon an exceptional day for many last week. Hearty appetites, an overabundance of food, and song made the atmosphere so enjoyable. We were pleased to have so many Italian food and seafood lovers attend. To those who managed to bolster up enough courage to try their first steamed clam, however, we offer this helpful suggestion: Wouldn't you have enjoyed it better if you hadn't closed your eyes, winced horribly, and one-gulp swallowed the thing—and just because he wiggled?

To all girls who attended our Smoker: On your way home tomorrow, please be sure to display your KDK banners prominently. After all the hard work we put into them, we feel they deserve some recognition. I hope you all had a good time at the smoker—I'm sure you'll remember those pictures!

From the sporting side of KDK, the news is still good. We are contending for the bowling champion-

This is a belated article. ARCHWAY deadlines come and go very rapidly and the busy sisters of SIGMA IOTA CHI sorority screeched to a halt in order to inform interested persons about what the sisters have been, are, and are planning to do.

Dave "Montana" Barber and Peggie Ahern did a fine job in representing our fraternity brothers and sorority sisters in the Mr. and Miss Personality contest. A few words to both: "Congratulations, thanks for being representatives, and remember, you will always be Phi Sigma Nu's and Sigma Iota Chi's Mr. and Miss Personality."

We did have an undefeated volleyball team—that is, until the final playoffs when we graciously bowed to Sigma Iota Beta who won the trophy. The last game was great fun thanks to the record attendance of brothers, sisters, and friends. Marolyn Fascio has upheld her office as Athletic Director, and we are positive of her excellent coaching in our future sports of bowling and basketball. A sincere thanks to the teammates who put undivided time and effort into their seasons' games. Marcia Frey, Sandy McDonald, Sheila McCabe, Bev Levinson, Judy McGovern, Marolyn Fascio, Jean Kott, and Ellen Kindstedt. You did a splendid job, girls!

Once again we are busy planning our Annual "HOBO PARTY" to be held from 6:30-9:30 at Jacobs Hall on Sunday, November 24. All interested girls are cordially invited. Keep your eyes wide open for posters. Invitations can be found upstairs in the Student Union. All of the sisters hope to see as many faces as we did at our Smoker.

One big "CONGRATULATIONS" is extended to our brothers, Phi Sig who captured the football championship by outplaying Kappa Tau last Thursday. A few words to the victorious team, "You did a great job, and we're real proud of you. Keep up the tremendous spirit and good work!"

Wendy—get well soon. QUIET, says Judy. Bev Lev are you injuring someone's scholastic standing? Hey, Jeanie, what's this we hear about a megaphone??? Anyone for chocolate chip pancakes, MarOlyn? Betty Ann is continuously busy with obligations, obligations, and more obligations. Barbara, remember to reserve that room.

That's all for now!

The Brothers of Beta Sigma Chi and their Sisters, Sigma Lambda Theta, thank everyone who attended their smoker. The smoker was successful in familiarizing prospective pledges with the fraternity and sorority.

Beta also wishes to thank everyone who attended the Personality Ball. Congratulations to Carolyn Malone and Brad Dupee, winners of the event.

On November 2 Beta Sig gave its first party of this year for the children at St. Aloysius Orphanage. The Sisters of Sigma Lambda Theta and others who participated helped to make this a very successful party.

Plans are now being made for the ski trip to Mt. Snow scheduled for next March. Last year's trip was terrific and this year's should be better. Right, Roger? (Roger was our bus driver last year, and we hope to have him again this year.)

Attention

Beta Sigma Chi wishes to announce Roe DiBlasio as their candidate for Sno' Queen. Roe, who is a sister of Sigma Lambda Theta sorority, is a fifth-semester teacher trainee. Roe lives on campus in Harriet Hall. Good luck, Roe!

Well, as you have probably heard, Phi Sig on Thursday, November 14, won the fraternity football championship. Phi Sig wishes to thank all their supporters who were at the game. Special thanks go to our sisters "Sigma Iota Chi" for the fine job they did in cheering the brothers on to victory.

Pete Sodafsky, Coach of the Phi Sig football team and the Bryant All-Stars, is now looking for a good volleyball and basketball season. Five brothers made the Bryant All-Star team: Walt Coutu, Joe Finelli, Dave Barber, Dick Battista, and Pete Sodafsky, Coach. Phi Sig's football record is as follows:

- Phi Sig—13—Tau Epsilon 6
- Phi Sig—2—Beta Sigma Chi 0
- Phi Sig—0—Kappa Tau 6
- Phi Sig—12—Alpha Theta Chi 0
- Phi Sig—16—Beta Iota Beta 0
- Phi Sig—39—Chi Gam Iota 0
- Phi Sig—3—Beta Sigma Chi 0
- Phi Sig 4 first downs—
- Kappa Tau 1 first down

This season our defense allowed only 12 points while the offense had 82.

Walt Coutu, as earlier predicted, was nominated to be the Santa Claus for the annual Christmas Party, held by the brothers and sisters for the children of Lake-side Home. Also on December 14, our annual Christmas Dinner-Dance will take place. This year it will be held at Lindy's Bali Room Restaurant in Cranston.

The brothers of Phi Sig wish to congratulate Ken Allard and Judy Larkin on their recent engagement; a September "64" wedding is planned.

PHI SIG NOTES from "Mike" **** Montana was glad to see that his football prediction came true—Walt picked up some money on the game; might be another *Horning* case—"Seven Letters" did his usual fine cheering job from the bench along with the "Fang." Scotty escaped this dubious distinction by taking pictures.

The brothers of Sigma Lambda Pi wish to thank all the students who attended the smoker last Tuesday night for their part in making the evening enjoyable and successful. The brothers also wish to thank the sisters of Beta Sigma Gamma for their help in preparing for the smoker and for the ideas they submitted which turned the smoker into an event that won the praise of all who attended.

The finishing touches are now being given to the annual SNO' QUEEN PROJECT. Eight candidates representing eight fraternities and eight sororities have been entered to vie for the honor of being crowned Bryant College's 1963 SNO' QUEEN. Each fraternity and sorority will build a display to be judged Wednesday afternoon, December 4, at 4 p. m.

Sigma Lambda Pi is celebrating its Silver Anniversary of sponsoring SNO' QUEEN. The coronation ball and crowning will be held at the Colony Motor Hotel on Saturday, December 7. The brothers of Sigma Lambda Pi sincerely wish that they may share this grand affair with each and every Bryant student.

Tickets for SNO' QUEEN weekend will go on sale on Monday, December 2, in the cafeteria. Tickets may also be purchased at the door or from any brother of Sigma Lambda Pi.

The past two weeks have been very busy for the brothers of Alpha Omicron. We held our annual Monte Carlo Nite, a party, and had our smoker, all within a relatively short time. We are very happy to announce that everything was successful, even though we were rushed for time.

At this time Alpha Omicron wishes to thank all those who helped us on Monte Carlo Nite. Special thanks go to the sisters of Delta Sigma Chi who worked with us and made that annual event a big success. Thanks also goes to all those fraternities and other college organizations that donated prizes. When a fraternity gets the sort of help that we received, all of the members of that fraternity truly realize the value of cooperation.

Optimism is now the key word in anything relating to Alpha Omicron. We have been having great success in sports, with our bowling team and volleyball team making outstanding efforts. The social outlook of A.O. is one that promises good times and fun. But most important of all is the feeling of true brotherhood that is sweeping through the frat. We are happy, nay! elated, and we hope that this feeling will move over the whole Bryant campus.
