April 15 Is Day Of Elections For Student Senate

On April 15, elections will be held to select the officers for the Student Senate for the coming school year. The polls will be open to the entire student body on that day.

Any candidate who is interested in seeking an office must meet certain qualifications. Any person who desires the office of President must be a day student who will have attended Bryant for at least two semesters before he takes office should he be elected. All sub-officers must be day students who will have attended Bryant for at least one semester before taking office. Each candidate must possess at least a 2.3 scholastic average.

Any person who possesses the above qualifications, feels that he would make a good leader, and would like to run for office, must obtain a petition from the Student Activities Office. The petition must have seventy-five signatures, and be returned no later than 12:00 noon March 31. The Student Senate Primary is at 3:00 P.M. on Tuesday, March 31. At this time the prospective candidates who have filed their petitions appear before the Student Senate to be approved.

Campaign dates are designated at the Student Senate Primary meeting. All procedures concerning campaigning are supervised by the Student Senate Elections Committee, which is headed by Dick Bartels, Vice President of the Student Senate. The polls open on April 15 to all members of the student body. The voting and vote count is supervised by the Student Senate. The newly elected officers will begin their term of office in September 1964, and will serve to September 1965.

If any interested student has any questions, or desires any information he should see the Director of Student Activities, or Dick Bartels, Vice President of the Student Senate.

Judging for Mr. Bryant in Auditorium Tonight

Candidates for Mr. Bryant are Fran Perreault, Dick Bartels, Jim Mogan, Jack Toti, Jeff Bulman, Vic Muschiano, Bob Cerrito, and Bob Stansfield.

Young Democrats In Action

By Judith McGovern

Have you heard the rumbling of political action on campus? It is the activity of the Young Democrats' Club who are affiliated with colleges throughout the state. They would like to have YOU as one of their members.

One of the recent activities of the club was a forum featuring Senator Pell which was held on March 16 at Brown University. Thirty-five students from Bryant along with many young Democrats in other colleges throughout the state attended and were rewarded by a most enlightening and interesting talk on current state and national issues. A question-and-answer period accompanied by refreshments followed Senator Pell's speech.

Would you like to see and understand politics in action? Another feature that this club offers is the opportunity to work in political campaigns in Rhode Island. The next meeting of the club will be Wednesday night, April 1, at seven-thirty in Jacobs Hall. A guest speaker will be featured, and all present will have the opportunity to take part in a discussion period.

Attend this meeting, derive the benefits of being politically aware, and then decide for yourself whether you are going to be a young Democrat in action!

Attention, Juniors

The Junior Prom is on April 10. Tickets are now on sale in the Student Activities Office. They are \$3.50 per couple.

The Seminar on "Taxation Problems of Small Business" will adjourn at 4:30 p. m.

Award Winners Announced

The following students have received the Office-Style Certificate for the month of February: Judith C. Carlson and Janet M. Rathbun. There are two classes in Office-Style Dictation this semester and the student receiving the highest number of points in each class is awarded a certificate.

The following students have received the Advanced Shorthand Certificate during the academic year: Linda Sloan, Marcia Wheat, Carol Hamel, Jean Kreider, Jane Ulmschneider, Suzanne Raby, and Barbara Shewchick.

The following students have received the Advanced Typewriting Certificate: Linda Poole and Cheryl Barnett.

Seminar on "Taxation Problems of Small Business" to be Held at Bryant College

By Fred Ricci

On Monday, March 30, the Greater Providence Chamber of Commerce and the Small Business Administration will join with Bryant College in sponsoring the second annual seminar on "Tax Problems of Small Business" at Bryant College. Professor Joseph R. Santos, director of the evening division at Bryant College, will introduce the second annual one-day seminar at 8:45 a. m. in Gardner Hall Lounge.

Mr. Victor Pedorella will be the main speaker at the morning session. Mr. Pedorella will speak on "The Internal Revenue Code for 1964." Mr. Pedorella was with the Internal Revenue Service prior to entering private practice in 1954. He has lectured extensively on

taxation before such groups as the Rhode Island Medical Society, Chamber of Commerce, and the National Association of Cost Accountants.

Following the afternoon luncheon two other speaker meetings will be held. At 1:30 p. m. Mr. Albert Sarkisian, Attorney at Law, will speak on "Estate and Gift Taxes—Planning and Problems." Later Dr. Charles Goulston, C.P.A. and Professor of Accounting at Bryant College, will discuss "Inventory Methods — Depreciation Problems—62-21."

At 3:45 a panel session will be held by the speakers of the day. The panelists will discuss and summarize the taxation problems facing the small businessman.

Bryant's Best Typists . . .

TYPING AND SHORTHAND AWARD WINNERS ANNOUNCED: Miss Geraldine Huck and Miss Linda Sloan have been awarded Advanced Typist Keys. In order to earn an Advanced Typist Key a student in the Secretarial Department must have typed a minimum of 80 net words a minute on each of five timed writings for five and/or ten minutes in one semester. The Advanced Typist Key is the highest award that a student in the Secretarial Division can receive in typing.

The following students in the Secretarial Division have been awarded Advanced Shorthand Keys:

Fastest Shorthand Writers . . .

Janice Zielinski, Suzanne Raby, Carol Hamel, Jane Ulmschneider, Jeanne St. Amand, Marcia Wheat, and Linda Sloan.

Advanced Shorthand Keys are awarded to students in the Secretarial Division who double the requirement of the 140 dictation class. The requirement for the 140 dictation is 25 points and a five-minute dictation test transcribed satisfactorily. These Shorthand Keys are the highest honors that secretarial students can have bestowed upon them in recognition of their skill in shorthand.

These awards will be included on the individual student's permanent record in the Placement Office.

Student Senate Highlights

Quick is the word for the 13th Student Senate meeting. Mr. Hathaway read a request for Bryant to join a picket for fair housing. It was decided that those students who wanted to join could but Bryant would not participate as a school.

By Tuesday, March 31st, at 12:00 noon, all petitions for Student Senate offices must be in the Activities office.

The Student Senate banquet will be held on April 22, at the Warf Tavern.

Hillel was reviewed and received a very good report. The only criticism was that the members were outnumbered by the guests.

With Senate elections approaching, it is important that students choose wisely those whom they wish to run in their student government.

Popularity proves only that a person is a "nice guy," it doesn't mean that he or she will make a good officer.

Make your decisions carefully.

Bryant Students Attend Eastern States Teachers Conference

By R. G. Brooks

On Thursday, March 19, Robert G. Brooks, Teresa E. DeVona, Marie A. Cataldi, Phyllis Belmore, Patricia Russo, and Joseph Alfred, all of the Business Teacher-Education Department, left Providence at 8:45 a.m. to attend the Thirty-Ninth Annual Spring Conference of The Eastern States Association For Teacher Education at the New Yorker Hotel in New York City. The theme of this year's conference was "Conflict, Challenge, and Change." Faculty members included Miss Priscilla Moulton, secretary of the association, Dean Lionel H. Mercier, and Dr. Leger Morrison. Upon arriving at the New Yorker Hotel, all students proceeded to the grand ballroom where they registered for the conference. Here each received his official badge stating name and college.

At 3:00 p.m. Robert Brooks, Teresa DeVona, and Phyllis Belmore attended the Meeting of Student Discussion Leaders (chairmen, assistant chairmen, recorders, and summarizers) held in the Empire Room of the hotel. Mr. Anthony Barraco, State University College, Oswego, New York Presided.

At 4:30 p.m. faculty and student delegates attended a reception and tea at New York University Faculty Club. Greetings were given by Dean Walter A. Anderson, School of Education, New York University.

On Friday, March 20, at 9:00 a.m. delegates attended the general session which was held in the grand ballroom of the New Yorker Hotel. Dr. Dorothy R. Mierzwa, president of the association, presided. Mr. Robert Gentile, State College at North Adams, Massachusetts, gave the invocation. Dr. Charles R. Wilson, Provost, Miami University, Oxford, Ohio gave the address: "The Ugly American Undergraduate Student."

Following Dr. Wilson's speech, faculty members attended the faculty group meeting in the Panel Room of the hotel, and students at-

tended the student group meetings in their assigned rooms. The topics for student discussion included the following: "Teacher in the Changing Society," "Challenge to Education," "Professionalism versus Unionism," "Human Relations Training in the Classroom," "Effectiveness of Teacher Preparation in Our Colleges," "Challenge of Political and Legislative Change," and "Professional Education."

After adjournment of the morning discussion groups, all members proceeded to the grand ballroom for a luncheon meeting. At this meeting Mr. James Farmer, National Director, Congress of Racial Equality gave the address: "Racial Equality and Educational Quality." His speech was extremely interesting, educational, and enjoyable. Following Mr. Farmer's speech, faculty and students proceeded for a second time to their assigned rooms for completion of the topics under discussion. At 4:30 p.m. all chairmen and recorders attended a meeting with Mr. Barraco.

At 5:30 p.m. faculty and student members attended a reception in the Grace Dodge Room at Teachers College, Columbia University, with Dr. Florence B. Stratemeyer as the hostess.

On Saturday, March 21, faculty and students gathered once again in the grand ballroom for the last general meeting. Dr. James D. Koerner, Past President of The Council for Basic Education, and Dr. Myron Lieberman, Assistant Dean for Professional Studies, Rhode Island College, Providence, Rhode Island were the main speakers. Both discussed "The Folklore of Teacher Education." This was followed by a question-and-answer period.

The Thirty-Ninth Annual Spring Conference of the Eastern States Association For Teacher Education adjourned at 12:00 p.m. The students from Bryant were very pleased when Miss Priscilla Moulton was named once again as Secretary of the association.

WELL-KNOWN FAMOUS PEOPLE: No. 1

This is the first in a series of 48 million columns examining the careers of men who have significantly altered the world we live in. We begin today with Max Planck.

Max Planck (or The Pearl of the Pacific, as he is often called) gave to modern physics the law known as Planck's Constant. Many people when they first hear of this law, throw up their hands and exclaim, "Golly whiskers, this is too deep for little old me!"

(Incidentally, speaking of whiskers, I cannot help but mention Personna Stainless Steel Razor Blades. Personna is the blade for people who can't shave after every meal. It shaves you closely, cleanly, and more frequently than any other stainless steel blade on the market. The makers of Personna have publicly declared—and do here repeat—that if Personna Blades don't give you more luxury shaves than any other stainless steel blade, they will buy you whatever blade you think is better. Could anything be more fair? I, for one, think not.)

But I digress. We were speaking of Planck's Constant, which is not, as many think, difficult to understand. It simply states that matter sometimes behaves like waves, and waves sometimes behave like matter. To give you a homely illustration, pick up your pencil and wave it. Your pencil, you will surely agree, is matter—yet look at the little rascal wave! Or take flags. Or Ann-Margret.

Planck's Constant, uncomplicated as it is, nevertheless provided science with the key that unlocked the atom, made space travel possible, and conquered denture slippage. Honors were heaped upon Mr. Planck (or The City of Brotherly Love, as he is familiarly known as). He was awarded the Nobel Prize, the Little Brown Jug, and Disneyland. But the honor that pleased Mr. Planck most was that plankton were named after him.

Plankton, as we know, are the floating colonies of one-celled animals on which fishes feed. Plankton, in their turn, feed upon one-half celled animals called krill (named, incidentally, after Dr. Morris Krill who invented the house cat). Krill, in their turn, feed upon peanut butter sandwiches mostly—or, when they are in season, cheeseburgers.

But I digress. Back to Max Planck who, it must be said, showed no indication of his scientific genius as a youngster. In fact, for the first six years of his life he did not speak at all except to pound his spoon on his bowl and shout "More gruel!" Imagine, then, the surprise of his parents when on his seventh birthday little Max suddenly cried, "Papa! Mama! Something is wrong with the Second Law of Thermodynamics!" So astonished were the elder Plancks that they rushed out and dug the Kiel Canal.

Meanwhile Max, constructing a crude Petrie dish out of two small pieces of petrie and his gruel bowl, began to experiment with thermodynamics. By dinner time he had discovered Planck's Constant. Hungry but happy, he rushed to Heidelberg University to announce his findings. He arrived, unfortunately, during the Erich von Stroheim Sesquicentennial, and everyone was so busy dancing and duelling that young Planck could find nobody to listen to him. The festival, however, ended after two years and Planck was finally able to report his discovery.

Well sir, the rest is history. Einstein gaily cried, "E equals me squared!" Edison invented Marconi. Eli Whitney invented Georgia Tech, and Michelangelo invented the ceiling. This later became known as the Humboldt Current.

© 1964 Max Shulman

Mr. Shulman is, of course, joshing, but the makers of Personna Blades are not: if, after trying our blades, you think there's another stainless steel blade that gives you more luxury shaves, return the unused Personnas to Box 500, Staunton, Va., and we'll buy you a pack of any blade you think is better.

AO Continues To Set The Pace in Bryant Bowling League

By Chuck Grundman

Alpha Omicron still continues to set the pace in the Bryant College Bowling League as only four weeks of bowling remain. Kappa Tau is only three points behind in second place and could easily win the title. The next four weeks will tell who the pressure bowlers are.

Coming up soon is the Fourth Annual New England Men's Ten Pin Tournament at the Atlantic Ten Pin Lanes in East Providence. This tournament draws students from all colleges in the six-state New England area. The tournament is scheduled for Saturday, April 18, and Sunday, April 19, and will be conducted on a scratch (no handicap) basis.

Bryant has been well represented in the past and has already taken one team championship and one doubles championship. With the caliber of the bowlers this year and a little luck, we may be able to take another one.

Spring Sports Feature Intramural News

By Mike Raysor

Attention, Fraternities and Independents! Within the next three weeks the 1964 Spring Intramural Sports Program will be in full swing. Start now to organize the teams that will represent you in badminton, horseshoes, and tennis doubles.

The tennis courts will be opened for both independents and fraternities who will compete in doubles competition. The gym will be renovated into a badminton court; and the horseshoe pits have been installed behind Allen Hall.

With a good representation the spring program will prove to be as great a success as were the fall and winter intramural sports programs.

P.C. Downs Bryant Quintet 73-66 in City Tournament

By F. Robert Else

The Bryant College Intramural "All Start" Team was defeated, 73-66, in the first round of the Fourth Annual Intra-City Basketball Tournament held at Alumni Hall, Providence College, on Wednesday, March 18. The team was coached by Richard Tellier, Captain of the Varsity Basketball team. Dick guided his team to one of the best showings of any squad that has entered this tournament from Bryant.

Bryant was sparked by the fine ball handling of Felix Swintak, and strong rebounding of Nick Betlow. In the first game of the evening Brown defeated Rhode Island College, 79-53, to earn a chance to play in the championship game against Providence College.

In the consolation game the Bryant quintet was defeated by Rhode Island College, 79-57. Once again Felix Swintak led the attack with 13 points, followed close by Joe Tenori with 10 points. Bryant found trouble in the rebounding department.

The team from Brown University defeated Providence College, 80-68, on Thursday, March 19, for the championship of the Intra-City Basketball Tournament at P.C.'s Alumni Hall.

Since the beginning of the Intra-City Tournament, Brown has won the title twice and Providence has won it twice.

Sorority 10-Pin Nears End

By Paula Pullano

Closely running for the bowling championship with only five weeks left is Sigma Iota Chi leading by only four games, Sigma Iota Beta in second place, Kappa Delta in third, and Phi Upsilon in fourth.

The girls have been showing excellent bowling skills with a tie for high individual average between Pat Russo and Bev Levinson. Both girls are holding a 134 average with total pins of 5226.

Out of three games played, standings show Sigma Iota Beta as first high team with 1686 pins, Sigma Iota Chi, in second and third with 1652 and 1623 consecutively. First high individual for three games shows Bev Levinson with total pins of 439, Carolyn Mantel in second with 437, and Bev with 453 in third. High individual game for Bev Levinson with 196 pins. Team standings show:

	Won	Lost
Sigma Iota Chi	84	18

TEE OFF

With Bruce Wilson

With the advent of the spring semester Bryant sees the beginning of a Varsity Golf Team. Mr. Boulet, the coach of the team, is most capable, having competed at the college level and having coached golf in high school.

The schedule for this year is not complete yet. One match is scheduled in April with R.I.C. Coach Boulet is presently negotiating for matches with such schools as Babson, Barrington, Brown, and Nichols College. He is also negotiating for dates of matches and practice time at several local country clubs.

The team has yet to be determined. The positions will be determined by a series of playoffs at the beginning of April. If you feel you can qualify, watch notices as to the dates for playoffs.

"The Miss Bryant Pageant" turned out to be a big success with about 20 brothers of the Phi Sig Alumni attending.

Arnie Montaquilla, a brother of Phi Sig who transferred to Suffolk University in 1963, is in the process of incorporating another Phi Sigma Nu chapter there. If this charter is granted by the national chapter at Woodbury College in California, the Bryant brothers will go to Suffolk as a degree team for the first pledge class.

Phi Sig wants to announce that the following pledges passed all three degrees and are now brothers: Richard Battista, Dave Benavides, Mike Benjamin, Lloyd Cahoon, Marty Connelly, James Dingwall, Robert MacDonald, Jack Passet, John Roach, Dick Smith, Tony (SPAG) Spagnole, Jerry Swoyer, and Robert Yurkon.

Plans for the pledge formal are in full swing. The committee is led by Pete Dolan and Ray Mellillo, the tentative date is April 25, and the place will be the Castle Restaurant in Bristol, Rhode Island.

Fred O'Conner, Mickey Oliesuk, and Stanley Downs were also admitted to the frat as honorary brothers.

The BIB pledge formal was held last Saturday at the Newport Motor Inn Ballroom. The following brothers were installed as officers for next year: Bruce Powell, president; Kevin O'Brien, vice-president; Phil Karno, secretary; and Wayne Huck, treasurer.

The following scholarly brothers achieved Dean's List last semester: Jim Villa, Joe U., Wayne Huck, and Joe Nowak.

'64 Jet-smooth Chevrolet Impala Sport Coupe (119-in. wheelbase)

New Chevelle Malibu Sport Coupe (115-in. wheelbase)

Chevrolet will go to any length to make you happy

Things have changed a lot since a Chevy was only a Chevy. Especially your ideas of what you want a Chevy to be.

So now you have the Jet-smooth Chevrolet—17½ feet of pure luxury, bumper to bumper. The size makes it a luxury car. But not the price.

Or you can choose the thrifty Chevy II, a 15¼-foot family car with all kinds of passenger and luggage space.

This year, your choice might be the new 16-foot-plus Chevelle, sized to fit nicely between Chev-

rolet and Chevy II (and between parking meters, with five whole feet left over).

Then, too, there's the sporty 15-foot Corvair, so right for so many people (you girls, in particular) that we've never touched an inch of it. And finally, Corvette—still 14½ feet and still too much for any true sports-car lover to say no to.

The long and short of it is, you don't have to go to any length to find exactly the kind of car you want. Just see the five different lines of cars at your Chevrolet dealer's.

G. L. C. Highlights

By Jeff Bulman

Winter Weekend ashtrays will go on sale in the book store for fifty cents, President Pete Castelli announced in his opening remarks at the G. L. C.'s 13th meeting. Pete also read two letters which were to be sent to Dean Mercier. One acknowledged the secretarial department's letter of complaint; the other requested that the inactive list be exact to prevent any embarrassing situations from arising.

The G. L. C. voted to buy a full page ad in the Ledger. Each Greek organization will be assessed accordingly.

A committee for the G. L. C. banquet has been set up: Chairlie Wood is the chairman with Art English, Nancy Manchester, and Sandy Perler as its members. The banquet is scheduled for April 29. Elaine Nardi started the ball rolling on the idea of a used book store. This matter will be looked into further.

Steak was the first "order of business" at the G. L. C.'s dinner meeting. Pete Calise thanked the G. L. C. for its support of Phi Sig's Miss Bryant Pageant.

Spring is really here. Steve Conish asked permission to divulge the theme for May Queen. His purpose was to give fraternities more time to work on their floats. At the next meeting, a decision will be given.

To end the meeting, Dean Castanova spoke. The Dean expressed both pleasure and pride in the way the G. L. C. handled themselves during pledging.

Brenda Billings Is "MISS BRYANT" 1964

By Betty Ann Coray

Friday, March 13, was a lucky day for Miss Brenda Billings representing Alpha Omicron Fraternity. The moment long awaited had finally arrived when the President of Phi Sigma Nu Fraternity announced the results of the judging on Thursday evening. Miss Marcia-Jean Owen representing Beta Sigma Chi Fraternity was awarded a trophy and the title of "Miss Congeniality" and then, "Miss Bryant" 1964 was crowned by Miss Bryant 1963, Joan Nielson. The pageant began at 8 P.M. in

the main ballroom of the Sheraton-Biltmore Hotel with dancing to the music of Tony Abbott. In attendance were many members of the sponsoring fraternities and sororities and also many students and friends.

After the crowning of Miss Bryant, Tony Abbott played his farewell song and was replaced on stage by Dick Domain and his Rocking Blue Jays.

"Miss Bryant" 1964 will now be entered by Phi Sigma Nu Fraternity in the annual Miss Providence Pageant representing Bryant College.
