Sunday night

Dear Douglas-

We can't be with you Monday night as we are not leaving until that night on the 11:00 PM Bus, getting in New York at 5:00 AM Tuesday morning. You can call us at the Hotel Chesterfield around noon or 5:30.

Dad is bringing enough money to take care of any expenses you may have and we will bring the large black suitcase, but the laundry mailing box is too awkward to bring.

We are looking forward

to our trip and your return home
with us. Perhaps you will go to
a good show Monday night "By
Jupiter" is supposed to be good
with Ray Bolger a very wonderful
eccentric dancer - he took the
part of the straw man in Wizard
of Oz (I think!)

Here's to our new ensign!

Love from
Mother
