3 December 1943

Bryant Service Club
To Bryant College
Providence, R.I.

Dear Members:

Your package arrived today in excellent shape and you may be sure it is appreciated very much.

It is little things such as that from the boys and girls back home that make us who are in the
serve realize that when this war is ended we may all be the better for it, and that what we are doing is known and appreciated by you.

Thanks again and Good Luck and Merry Christmas to all of you.

Sincerely,

Mr. Harold Shovelton
