Bryant College to Enlarge Campus

A 150 Foot Classroom Building To Be Erected

Bryant College has already made plans to increase its facilities for both study and practical instruction which will be put into effect this coming term, according to Mr. Gardner Jacobs, Vice President of the College.

A new lot, 215 feet deep and 120 feet wide was purchased and is located behind Baldridge Halls. A 150 foot building, that will contain classrooms will be erected on this lot. Work on this building will start as soon as the weather will permit and it will be ready for occupancy next fall.

Besides the new building this lot will contain a tennis court and a gymnasium and other recreational facilities for another year.

SIGMA IOTA BETA HOLDS ELECTION

The new election of officers for Sigma Iota Beta took place Tuesday, February 12, 1946. Miss Mary Caccia, retiring President, presided at the meeting. Miss Eileen Kingsey was elected as the new president of Sigma Iota Beta. Eileen is a junior training student and has been a member of her sorority for a year. She has been very active in the various plays presented by the Dramatics Club and has been a member of the Glee Club and Beta Chi Tau. The vice-president of Sigma Iota Beta, Emma Bianchi, was re-elected by a majority vote of all the sorority members. The secretary's office, has been filled by Miss Mary Balian. The treasurer's office has been filled by Phyllis O'Rourke, who will graduate in August with the Secretarial Degree.

SIGMA IOTA BETA HOLDS ELECTION

The members of Sigma Iota Beta, wish to thank their past president, Mary Caccia, the Secretary, Vivian LaFaucia and the Treasurer, Mary Dederian for being so cooperative in all the activities held by the sorority and above all making their grand accomplish.

THE ARCHWAY JOINS W. S. N. S.

The Archway was notified last week that it has been accepted for membership in the World Student News Service whose headquarters are located at 1500 Pennsylvania Avenue, Washington, D.C. The Archway will serve as the world student paper at the college.

This news service operates along the same line as does the Associated Press. Through this service the Archway will receive weekly news releases concerning other colleges and universities throughout the world. Some of these releases will be published in the first issue of the Archway following the release.

Certain news items from The Archway will be sent to the W.S.N.S. and if they desire so they will send them to other colleges for publication.

The Archway will receive this service for a period of one year provided that it adheres to the standard set up by the W.S.N.S. and if the Archway has maintained these standards it will be accepted for membership and it will continue to be a member as long as the W.S.N.S. standards are met.

Tau K. D. K. Pledgee Formal Held

The February social season at Bryant College was highlighted by the annual Pledgee Formal of Tau Epsilon Fraternity and Kappa Delta Kappa Sorority. The formal was a tremendous success resulting in the Ballroom Foyer of the Billmore Hotel to capacity.

The main attraction of the evening was the installation of the Tau Epsilon Fraternity officers for the spring semester. Milton Kingsey was installed as a member of the fraternity and as a member of the fraternity.

The following officers were installed: President, Myles S. Hooper; Vice President, Craig Edor; Treasurer, Arthur Yelle; Secretary, John Longworth.

After the flow of wine and fine music and the contest of the fish and chicken, Mr. George Richards, faculty advisor for the fraternity, was once again called upon, as in the past, to express the honors of the honoraries as guest speaker. This popular professor, with a broad smile on his face and a smoking cigarette, elaborated upon the time, excellence and the experiences as a member of the fraternity since its inception as a national organization in 1911. He is one of the charter members of the society.

VIVIAN THURSTON ELECTED QUEEN

Miss Vivian Thurston was elected Snow Queen at the annual Snow Ball Dance sponsored by Delta Kappa Gamma Sorority.

A member of the United States Navy placed the white floral crown upon her head and a formalized compact was presented as a gift.

In appreciation for the honor bestowed upon her by the large audience gathered at the annual Social, she sang "Symphony" and "It Had to Be You.

Vivian came to Bryant last September in order that she might peruse the Secretarial Course taken at Bryant College. She was chosen for the building. She has been a member of the University for four years and has had many accomplishments one in particular is outstanding and that is academic success. She has also been elected by the sorority.

TO HOLD SAINT PATRICK'S DAY DINNER

The annual St. Patrick's Day Dance sponsored by Phi Sigma Nu fraternity will be held on March 16, 1946, at 8:30 p.m. in the Bryant Auditorium.

The entertainment committee headed by Athila Verrenza has arranged for the dance to be held at the college. The dance will feature a meal and entertainment provided by Phi Sigma Nu franchise and other officers as a result of the spring elections held by the fraternity.

Tickets for this evening of fun and frolic are available and may be obtained from any member of the fraternity, otherwise tickets may be purchased at the door.

A tribute was paid to the retiring officers of Tau Epsilon Fraternity for their many years of service. They were President, Robert Arzouyan; Vice President, Myres Nobles; Treasurer, Robert Mallary; Secretary, Craig Edor.

Music for the after dinner dance was provided by Tommy Masco and Company.

NEW MEMBERS OF FACULTY NAMED

With the coming of the largest student enrollment in the history of Bryant, five new teachers have been added to the faculty.

Included among the new members of Bryant's faculty is Miss Carter who comes to us from St. John's Academy in Vermont, where she was head of the Commercial Department. A native of Hartford and a graduate of two years of teaching experience behind her. She was graduated from Mount Holyoke College in New Hshire in 1919, and in 1923 she traveled in Italy, Switzerland, France and England. At Bryant she will teach French.

Mr. Francis F. Northrup has been attending Bryant College for three years, service in the Pacific during the war. Mr. Northrup will teach English and French.

(Continued on Page 4)

PHI SIGMA NU ELECTION HELD

Phi Sigma Nu, recently, gave a dinner for its members, at which time the vacant chapter of officers was held. The dinner was held in the Colonial Room of Oates Tavern, North Providence. As always, there were the following noted persons: Miss Marion McInerney, R.S.M., A.B.A., Miss McInerney, a student in Vermont, and a graduate of Rho Sige College and New York University. Formerly of the faculty of the University of Washington and Harvard University, she is a member of Phi Sigma Nu and an English teacher.

Mr. George Crook, of the woods, was a member of the faculty for the past five years.

On taken office, each man thanked his brothers for their confidence, assured them that they would do their best in the service of the fraternity and took the name of Phi Sigma Nu in greater heights that he had ever reached in before. A rising vote of thanks and appreciation was given to the retiring officers, who had spoken to the meeting.

AROUND THE CAMPUS

Newman Club

Newman club members are in store for a surprise at their next formal meeting in March, for the club is to have a very high percentage are eager to return to college life. But there is one difficulty: one would be surprised to find the fundamentals of the subject is no other or easier way to

one human kind, one brotherhood of Denver,

and the price which must be

one would be surprised to find the fundamentals of the subjects

the capital, is a very beautiful city whose charm is enhanced by the picturesque churches and building.

One which has made the greatest impression, arrived in the

十余 years have a chance to

the annual Sno Ball was held

The Refresher Course at Bryant was initiated in September,

and has grown steadily ever since. This March, the course will be

taken by about 120 men.

New Students Will

Not Get Yearbooks

The Ledger Staff wishes to announce that February entries of 1946 will not be entitled to a book cover, but will receive theirs in 1947.

The staff will also like to reiterate its previous statement regarding snapshots. Students are asked to make the Ledger more representative of the student body, it is our intention to respect the college life about the campus.

Therefore anyone who has snaps and would like to have them in the form which would do so by giving them to Dorothy Otter. These snaps can not be returned.

Very soon all seniors will have to turn in their photos for the yearbook. Therefore all seniors should be ready for this time some time during the following weeks.

"Diplomacy is the art of letting someone else have your way." 

Kissing a girl because she lets you is like scratching a place that doesn't itch.
**SPORT HIGHLIGHTS**

In the men's division basketball contest, to provide THE sports at Bryant. Due to vacations, holidays, semesters, examinations, etc., the intramural league has been inactive the last few weeks, but following the season of vacation hostilities will again begin.

Though they have played about two and a half of the scheduled four rounds, the leading Tau Epsilon fraternity team still haven't words that letter in last months issue of the Archway regarding the Student Council. 

Dear Editor:

I sincerely agree with the student who wrote that letter in last months issue of the Archway regarding the Student Council.

The Staff gets all the fame

The question of this month will be "What is your opinion on a series of lectures concerning a Person Asset Course for the boys?"

The answers for the questions of last month, "What do you think of the College Assemblies?", are as follows:

I believe that the students of Bryant would not only like but be enthusiastic over an Assembly devoted to religion. Invite a minister, a rabbi, and a priest to give a talk on religion. Also lectures or debates on democracy or reconstruction would be very interesting.

J. S.

In my opinion I think that the assemblies should be about the same. It would be a lot more interesting if we could have lectures on world affairs or if we could have a comedian, etc., once in a while. If the college insists on giving us these so-called "educational assemblies" why not mix the assemblies up by having a few "not so educational assemblies" but assemblies that would all be like this.

- B. A.

I think that the College Assemblies have been very good. We have had interesting speakers who have talked on interesting subjects. I think that we would have more educational assemblies on the same principle as the lectures given by Dr. Alice Dixon Bond. Her talks on "Words and Their Uses" have been most interesting and educational.

- M. C.

I think that it would be a good idea if assemblies we had the students participation. What I mean is that one assembly where each president of the different organizations at Bryant would give a short talk on their particular organization. Tell when it started? How it functions? What their aim is? or anything else pertaining to the organization that would be of interest to the students. - C. V.

**MARCH, 1946 THE ARCHWAY**
**On the Sly**

I was too nervous to notice any of her mannerisms, if she has any. But I can tell all of you girls that she is swell. Why don't you get acquainted?

Miss Blaney is the person whom you would have to know sooner or later, for she is the Placement Director. She is also advisor to the Student Council.

The dorm-girls have probably already met Miss Cassels. I have yet to see her since she was smiling. This shows her friendly disposition.

Mrs. MacArthur is the "keeper of the cat." If you can peer through the crowd, you'll see her working busily behind the counter.

Betty Evans is our smiling bell girl. She has a smile and friendly word for everyone as she carries her loaded trays.

Peggy Flynn is the girl behind the cash register. I've often wondered how she keeps track of her change. She does, however, and smiles as she counts it out.

Joan Todd is our genital checker. "Jay" is everybody's friend, and is always glad to do a favor. She can be seen quite often having a chat with one of the students in the archway. (I get a commission for using our name so often.)

And have you met our editor? I'd better say something nice about him or I'll be fired. Not that there's anything "not nice" to say about—Bob Dutton is one swell guy. Everyone who knows him likes him. We even get so we laugh at his every 30 jokes. He's a Navy Vet. He's a married man of one year, so don't get any ideas, girls.

Bob Blaney is another man you all should know. He not only presides over the Newman Club, but also corrects English papers for Mr. Hardy. He is very quiet and has the habit of snapping his fingers.

John Linda, President of the Student Council, and Claire Messinger, his advisor, is almost a permanent fixture here at Bryant. If there is anything bothering the counseling of the students, you can be sure that John is in on it. He never misses a thing.

So, friends and fellow students, we have finished our tour. Hope you enjoyed pecking at people. See you again sometime. "Shhrt-

**New Members**

Accounting, Mathematics and Economics Geography here at Bryant. A graduate of Clark University, he has had ten years of teaching experience, and was for three years the head of one of the New England Junior Colleges.

Mr. James Walsh, B.A. C.Ed. Bryant welcomes back one of its own graduates, who was discharged from the Army. Mr. Walsh will teach Refresher Courses in Accounting and Mathematics. Upon graduating from Bryant he received the degree of Bachelor of Arts in Commercial Education.

**Sport Highlights**

While Jacqueline McKenzie was next with 30 points. The other individual scores for the first round were:

- Lucille Gotsell: 32
- Mildred Valeta: 29
- Dorothy Beale: 19
- Madelina: 10
- Margorie Vaughn: 9
- June Stein: 8

Another report for the dorm students is swimming. The girls may go Wednesday nights for an hour of general swimming. It is hoped that this will be changed to an afternoon class which will be divided into squads, giving instructions in swimming and the other will be for improving swimming of those who are inactive.

The bowling team of the girls' dorm started with a bang on February 8 when every dorm was represented by a team of five girls. They are keeping their scores in hopes of honoring the highest scoring dorm and girl at the end of the season.

The scores bowled up to February 21 are as follows:

- Salisbury Hall: 358
- Gregg Hall: 346
- Stowell House: 362
- Ridgewood: 349
- Bryant Hall: 339
- Harriet Hall: 323

**Around the Campus**

On January 30 the pledgees took their first step in becoming full-fledged members of S.I.X. Collette Dinkey presided for Claire Messinger who was ill. Her assistants for the first degree work were Dottie Older and Vikey Bealey. At the annual banquet which was held on Feb. 14, an impressive third degree ceremony was given. The ceremony was assisted by Dottie Older, Vikey Bealey, Shirley Carpenter, and Blanche Arzuman. Also present were Miss Blaney and Miss Buecolo. By now I would say that a certain Dottie would be quite a capable young lady in cutting pies.

Welcome, girls. We sincerely hope you will enjoy the rest of the year.

On May 4 a semi-formal dance will be held at the gym with your favorite band leader furnishing the music. Committees for the dance have been appointed and something new in decorations will make its appearance and it will please and surprise everyone attending. Claire and I will all to see the May Queen crowned!

**Beta Iota Beta**

A gala farewell party was given in honor of sophomores, Bernice LaBush and funciona. Arnold Friedman, who will have shortly for service in our Armed Forces, by their fellow brothers of the Beta Iota Beta Fraternity.

Toastsman, Norman Nickelson, presented to each of the brothers a universal traveling bak in thoughtfulness in their departure from the fraternity.

Herbert Page, the chairman of the entertainment committee, formulated an enjoyable time for those who attended. Music and outstanding selections were improved by Robert Smith and chorus. From what this reporter gathers, the atmosphere at Howard.

**Something to Living**

There must be something in it. I mean this faith men have in God. There must be something to living. The way men want it so hard. His emotions for the wild things. Like will with the wisp dances and such. A mackerel sky, a cigarette by the shore. And your troubles don't amount to much. It's all the way you look at life. The way that you take it in stride. The wet Aprils filled with heights. And a pretty young thing by your side. Maybe her hair is flowing, or Perhaps it is piled high. But you like the curve of her full young mouth. And the sound of her wistful sigh. Life is all in the sharing. The warmth its convivial heart gives.
