GREEK LETTER SPECIAL!

NAME BAND SELECTED

Comes to Bryant From A Record Breaking Tour

Bobby Byrne, direct from a record-breaking tour, will appear with his orchestra at the Greek Letter Formal to be held at the Billmore Hotel on June 14. On his first road trip since being discharged from the Air Corps, Byrne has played to over 100,000 people in little over one month.

Some of his engagements have been The Glen Island Casino, Hotel New York, Hotel Sherman in Chicago, Paramount Theatre in New York and the Met here in Providence.

Before the Bobby Byrne orchestra was formed, he was the featured trombonist with Jimmy Dorsey. While with Dorsey, Byrne was a steady favorite in polls conducted throughout the nation to determine our top musicians.

Since starting his own band, Byrne has mixed the sweet with a bit of swing. Realizing that the public is currently finding most pleasure in lighthearted ballads, he has built a library that contains tunes most popular for the day as well as old standards that never die.

While in the service, he led one of the nation’s foremost service orchestras.

Communion Breakfast Held by Newman Club

The Communion Breakfast held by the Newman Club on April 28 proved to be a tremendous success for all members attending and everyone seemed to have an enjoyable morning.

The service attended nine o’clock Mass at St. Raymond’s Church and the Breakfast was served at Howard Johnson’s at 10:15. Father Harry Kelly of St. Raymond’s said Grace and miniature statues of the Infant of Prague were distributed as souvenirs.

After a hearty and delicious breakfast of which everyone ate to capacity, attention was devoted. (Continued on Page 4)

DICK MERRICK AND PEGGY COFFEY TO ACCOMPANY BAND

Dick Merrick, well known singer of popular ballads, will be presented by Bobby Byrne at the coming Greek Letter Formal. Merrick is heard by song lovers both with Byrne and Jerry Wald’s orchestra. Peggy Coffey, beautiful songstress, will also be on hand for this gala occasion.

Byrne has long been known as the musical favorite ofmillions. After two and a half years in the service, Bobby returns to resume a career that brought him to the top of name band rankings in but a few years after leaving Jimmy Dorsey’s orchestra.

A native of Columbus, Ohio, Byrne has risen to the heights of popularity in a remarkable ascent with one of America’s best known and admired orchestras. Born of talented parents, he has mastered the trombone, harp, cello and flute. His father was a nationally known teacher and symphony conductor.

In 1938 Byrne joined Jimmy Dorsey with his brother Tommy at The Glen Island Casino in New York. Playing trombone opposite Tommy was quite a task but young Bobby was soon classed with the best. Mind you, at the age of seventeen! When the Dorsey Brothers combination disbanded, Byrne elected to stay with the original band, taken over by Jimmy. He remained with the band till 1939 when public response dictated that he form the band he soon made a nationally recognized musical institution.

Bobby has made his name synonymous with fine dancing and listening pleasure. From the Glen Island Casino they were heard coast-to-coast. Well over a million of his Decca Records have been sold and can be heard wherever music lovers congregate.

For only through kindness and giving of service and friendship and cheer, we learn the pure joy of living and find true happiness here.
Phi Kappa Tau

Phi Kappa Tau has been very active on the social calendar since we came to you last month in this column. "This Week" saw the addition of thirteen new members to the fraternity. The initiation meeting and an Initiation Night were held for the benefit of these new men.

April 11, a Pledgee Banquet was held at Oates' Tavern for the enjoyment of both old and new members. The guest speaker for the occasion was Mr. Dickerman, faculty adviser for Phi Kappa Tau. We would like to take this opportunity to thank Mr. Dickerman for making the banquet a huge success and the evening one that we shall remember.

As a result of some membership strength now, the fraternity can soon be expected to provide some lively and interesting evenings for the benefit of all its ranks.

Beta Sigma Chi

Recent actions held by the Beta Sigma Chi Fraternity brought forth the following results:

President, Charles W. Vigdor; Vice-President, Joseph S. Shorter, Edward Andrews; Treasurer, Mike Dwyer; and Marshall, Wallace Johnson.

The following were elected to preside as Judges in the Court of Fraternal Justice:

Louis Glail, James Dow, George Miller, Martin Brudner and John Sullivan.

Beta Sigma Chi has just completed an active month. The first dinner meeting of the Spring Season was held at the Roman Gardens where plans for the succeeding inactivity gained a solid foothold.

An active golf team, under the leadership of John Sullivan, has been formed and looks forward to coming competition. The Beta Sigma Chi has organized Beta's softball team and is instrumental in the forming of other teams to come.

The guest speaker of the month was Dean Nelson Gulski, Beta's advisor, who presented a very interesting and entertaining speech on the twenty-year history of the fraternity.

Beta and its sister, Sigma Lambda Tanitas, drew down the curtain for the month with a much enjoyed "Sister and Brother Social." Arrangements were under the direction of John Glasse, assisted by Joe Worth.

Beta Iota Beta

The Beta Iota Beta Fraternity announces the election of the following men to the offices of the Fraternity:

President, Herbert Page; Vice-President, Alfred Wawinski; Secretary, Donald D. Jacobs; Treasurer, Franklin Sullivan; Arms, Everett Dominer; Business Manager, Michael Bauric; Historian, Robert Smith.

The members of R. I. B. and its Sister-Sorority wish to extend congratulations to the newly elected officers.

After the election, the new President, Herbert Page, proclaimed his desire to crystallize a more closer Work-Together relationship with the various fraternities and sororities on the campus.

On April 6th, at the Bryant Auditorium, at 8:30 p.m., a novelty dance was held by the Fraternity and its Sister-sorority entitled "BRYKINS RODEO DANCE." This was arranged and produced by Tommy Masso and his orchestra. Fun and frolic was the order of the evening which descended upon the large number of members who attended. There was many an exclamation of delight and surprise as prizes were presented to the winners of the various dance contests.

Thanks

It is with deep regret that I find it necessary to leave the ARCHWAY. As this is the last issue of the ARCHWAY, I would like to take this opportunity to thank all of the people who have been instrumental in helping me bring to Bryant a student newspaper.

To the Staff of the ARCHWAY, wherever you have been, I want to say that it has been a great pleasure working with all of you and I hope that you will give the new editor the same cooperation that you gave me.

To Mr. Hayes and Miss. Hardy, thanks for your constructive criticisms and advice also wish to thank the Bryant Faculty and Administrative Staff for their kind assistance.

To the students of Bryant I want to extend my thanks for the way that you have received the ARCHWAY. I hope that you will give the new editor the same backing.

I have appreciated the honor that was given to me last fall when I was chosen as Editor of the ARCHWAY. Since then, I have tried to keep the standards of the paper up to all expectations that you placed on the Editorship over to Joe Worth. I want to wish him and that ARCHWAY Staff the very best of luck.

BETA IOTA BETA

We started this semester off with a "bang" by welcoming in new pledgees at a special meeting held at the Biltmore Hotel on the night of April 3rd, 1946. Take Full Plans for the pledgeee banquet, which occurs every semester, were discussed and decided that the banquet would be held on May 1, at Oates Tavern. All members present and alumni may attend this social affair.

Our pledgees will long remember April 30, May 1 and 2. It was then that the initiation of all pledgees of the sororities and frats took place. I'm sure now that Bryant College has set the style in fashions for the coming season after seeing some of the costumes during this initiation period.

Odds and Ends

Nick Petavalli, with all of his gifts, should see Mr. Hand's, about being in the line-up. His musical instrument will serve to enhance the tone of the orchestra. By the way, Nick, what do you call the thing? It is obvious that we have a lot of strange characters around school. Did you notice that gorgeous chair at the cafe's? Mr. Vindt certainly compensated for all those times he is late by supplying Mr. Richard with an extra chair. It is quite a problem, the Economics Mr. Vindt is complaining about the economy in answers on our economics test.

Hurry for Nancy Scarvez and Lorraine Quagliardo. They were practically twins as we gave a double birthday party at Greg's Hall the day before the Easter vacation. Cheri Baux took an unusual step when Bryant Hall gave a surprise birthday party at Laddie Lu's on April 1st. I only got a glimpse of her birthday cake. "Rash things over there, don't they?"

It's Orchids for Eleanor Jankura on her birthday. You can be certain Rose Bucanen's flowers, Charles Warner from New York, and a wonderful card from James Stewart is in Providence. Needless to say, Rose was glad to see him.

Mario Lindia had a fright one day in Alumni Hall when a fall of his hat hit him in the face. He said next time he would continue through the floor to the safe and come up with an ice cream cone.

I guess our dormitory signs are permanently altered now. Did you notice how high out of reach they are?

Neva Neri managed to take advantage of the Sudie Raskins day dance. She even cut her hair short at Harvard and a red boomer. Our girls Olsen and Johnson had an exciting time at that officers dance last month in Quisset. Hubba, hubba!

We are sure to turn out for a few major occasions from those baseball games that took place on the lot next to school almost every day last month. Also, many students are returning back to childhood. You must have seen them jumping rope.

If you hear strange sounds coming from the back of room 3A, you will know it is just Ricky Reamon tickling poor Tony.

There was an article on the bulletin board for Mr. O'Brien about a famous Boston lawyer heathenizing his fortune to the three women who refused him in marriage because he owed all his happiness in life to them. It must have hit here because Mr. O'Brien, I hear, has put it in his scrap book.

Phyllis Kramer says she is wearing the jeans her brothers wore before her. Little people those Kramers.

NEWS BITS

Rogge Rongier, a graduate of Bryant, is a lawyer at Dunn and Bridgeford in Boston. She came back a few weeks ago to visit her alma mater and stayed at Salisbury Hall.

Charlotte Olson had a guest for the weekend of the fifth at Greg Hall. Her visitor, Rita Stanton, is a graduate of Charlotte's from New Britain.

Anna Pace, our student from California, dropped in at Dunn and Bridgeford with her roommate, Adele Burnham, at Adele's home in Long Beach, New York.

Clarke Rees of Newark, N. J., was entertained the weekend of the 5th when she visited Joy Guild of the same city at Greg Hall.

Priscilla Flood became an aunt last week. She played the birthday cake for her birthday in the cigar she passed out to celebrate the event. Her niece who was born on April 8 was named Priscilla after her aunt.

Three roommates from Harriet Hall spent an enjoyable Easter vacation in New London at the home of Lorraine Young. The other two girls are Beverly Blueham and Naomi Fazzell.

Another trip that enjoyed a wonderful holiday is Maxine Yelle, Doris Wagner, and Jean Lavigne. They were guests at Maxine's home in New Hampshire.

Mario Lindia was induced into the army last month. Room 3A had already seen three of its dwellers in the service since September and Mario makes the fourth. We miss them all. Mario is stationed in Alabama.

A very pleasant Easter week was spent by one of our students, Shirley Levine, at Swan Lake, New York.

Millie Guthrood, a graduate of Bryant, who now works in our office, became engaged to Robert Philp of Providence. Her fiancée was a Captain in the Marine Corps and is re-enlisting. Have you seen Millie's new diamond?

We will all miss Beth Methot who has just left to work for The Blue Cross here in Providence. Lots of luck to you, Beth, from all of us and this comes especially from the boys at Meeting Street. Check that, Fred.

I have sympathy to George Barlow who has had a lot of sickness in his family of late. We all hope his wife and baby are on the road to recovery.

DANCE STARTS

STUDENT FUND

On the night of April 23rd, in the Bryant Gym, a students' fund got underway. The fund got its start by the proceeds of a Record Dance that turned out to be a surprisingly good time for all who attended.

Our thanks for the work done at this dance should be given to Beta Chi Tau and to the girls who contributed the records; and also to any other person who helped in making this affair a success.

The Student Fund is for the use of anyone at Bryant who from time to time may need a little holdover till their check gets in from the Government or from home. It will be a big help to the veterans and also to those who find that their allowance check is delayed in the mail for a few days.

**Sigma Lambda Pi**

Sigma Lambda Pi Fraternity recently held its first meeting since being revived, for the election of officers. The following members were elected to lead the fraternity for the coming term: President, Jerome Goldberg; Vice-President, Foster R. Loventhal; Secretary, Francis B. Sokoll; Treasurer, Milton Darm.

Until 1943, one of the most active fraternal organizations on the campus, Sigma Lambda Pi, returned to the temporary list due to enlistments into the armed forces. President Jerry Goldberg, the only past member thus far to return and assume his studies at Bryant, was mainly responsible for its reorganization.

All members of Sigma have shown enthusiastic support and complete confidence in their newly elected leaders. With this continued spirit, Sigma Lambda Pi promises to be in the spotlight again, as a Greek Letter club leader.

**Tau Epsilon Plans for Spring**

The Tau Epsilon Social Committee, which is busily engaged in the preparations of the fraternity initiation, offered its plans to the members for approval. The group also submitted its tentative program for coming social activities with much emphasis placed on the Greek Letter Societies formal. This event, the biggest and most outstanding of the college year, is sponsored by the various Greek Letter organizations on the campus. The fraternity voted with complete unanimity to back the affair socially as well as financially. The Social Committee is composed of James Moynihan, chairman; Alfred Duhaine, "Red" Brisson, Craig Garbar, and John Longworth.

The subject of athletics was the final issue of discussion. "Nick" Pintavelle stressed his anxiossness to get the athletes whipped into shape for the warm climate sports. It was decided moreover, to lay the subject on the table until the next meeting. By that time the pledges will have become full pledge active members and their voices in athletics will be welcomed.

**Sigma Lambda Theta**

On April 24 intercampus relationships were strengthened when members of Sigma Lambda Theta and Beta Sigma Chi, the sorority's newly formed brother frat, became acquainted with each other at an informal party in the gym. Dancing and a barber-shop sing made the gathering a lively one. Mary Rabbott and Chic Wielgus, the presidents of the two organizations, were in charge of arrangements.

During rush week early last month, Sigma Lambda greeted their prospective sisters by entertaining them at a bowling party at the R. I. Rec Center. A dinner followed at Howard Johnson's. A prize for the high scorer among the "rushed" went to Gloria Rigall of Gregg Hall who tallied a score of 101.

**Have You Met?**

*Charlene Hellums*

Although Charlene, who will be nineteen in October, America is ideal; a temperature average of about 78 makes it possible to wear light clothing through-out the year. Panama has two seasons, the rainy and the dry. According to Charlene, the sun shines and the rain falls just the right times. To prevent annoyance by insect pests, houses in the Zone are built on cement posts about eight feet above the ground. All houses have at least one servant, a lady would never think of being without someone to assist her.

Charlene likes Bryant although she left an area which boasts of almost twenty men to one girl.

May your stay at Bryant be an enjoyable and profitable one.

**Prominent Professor To Speak at Assembly**

On May 17, the students of Bryant College will have the pleasure of hearing Professor J. Greene Longworth, President of Rhode Island College of Education, lecture on "The University of Japan.

Because of his vast knowledge in the geographical area, Professor Longworth is known throughout the country. A number of articles which he has written have appeared in the Providence Journal as well as in national magazines.

His home is in Seattle, Washington, and it is in this state that he attended Washington College of Education, the University of Washington and Clark University from which he will receive his Doctor's degree in August.

Professor Longworth has taught students geography from elementary school through college. Bryant has been very fortunate in securing his services as an Economic Geography instructor. In addition to his teaching profession, he has spent a number of years in the retail business in the West.
