FROM THE PRESIDENT’S DESK

The members of the Faculty, the Administrative Staff, and your President extend a warm welcome to the new students of Bryant College. May your years at Bryant be happy and fruitful ones; rich in knowledge and golden friendships.

You are now college men and women, with serious thoughts and deeper ambitions which your College has for you. You must meet the exacting demands of your courses, and do not hesitate to ask for help from your instructors at any time.

To returning students, we extend a cordial greeting. It is pleasant to see you back again, and it is my sincere wish that your second year at Bryant will give you a maturity and richness of college experience and ideals. Let me urge you to set your standard still higher than you did last year. Be not content to merely meet the marks required of you for graduation. Aim for special honors, special awards. Have not merely the marks you have and which your parents and your College have for you. For all young men students. A jolly get-acquainted evening over pipes, coffee and jest. Even the Barber Shop quartettes, aided and sharpened by Prof. Naylor, usually are in the spotlight at these annual Smokers.

RECEPTION AND TEA

Meeting of officers of all fraternities, sororities and other college organizations. This is probably the most important meeting of the year, when plans are laid for the year and things get rolling.

President

FIRST ASSEMBLY OF THE SEMESTER

The first Assembly of the college year will be held Friday morning, September 12, at 9:15, in Bryant Auditorium. This is the customary Orientation Assembly for freshmen. All first-year students will then have presented to them the Presidents of the different fraternities, sororities, The Student Council and other organizations; President Jacobs will welcome the new students; and Deans Stickney, Stowell Hall, will make brief addresses. Attendance is required of all freshmen.

BRYANT FOREVER

Bryant, forever! Alma Mater, dear, we are wiser, have gained more breadth of view; for we have deepened our love. Bryant, forever! What a satisfaction it is to have our Placement Director able to say to prospective employers about you: "He was an Honor Roll student" or "She graduated Cum Laude" or "He won the Gold Medal for highest scholarship." Those are things we are proud to be able to say about our students. Those are things employers like to hear about prospective employees: Those are the things which you, alone, can make possible. May your Senior year be a happy one, a valuable one, fulfilling all the hopes and ambitions which you have and which your parents and your College have for you.

President

THE ALL-COLLEGE DANCE

The All-College Dance, given in order that Bryant men and women may get acquainted, will be held Friday, October 3. Time 9:30 P.M. This is one of the major events of the year, with senior women guests to the new students, and all senior men accompanied by junior women who were members of the faculty in the evening of good fellowship. Candy, pipe and tobacco, coffee and a snack with songs and stories and movies, make a college social evening which every freshman ever wants to miss this Smoker.

RECEPTION AND TEA FOR OUT-OF-TOWN STUDENTS

One of the pleasantest social events of the early part of the year is always the Tea given for the new young women students from out-of-town. The Tea will be held this year on Sunday afternoon, September 14, from 4 to 6 o'clock in Stowell Hall. All young women students from out-of-town who are dormitory residents or live in some other approved home are cordially invited. The Tea is planned so that the newcomers may know their fellow students and the ladies of the faculty. President Jacobs and Mrs. Jacobs; Dr. Everett E. Salisbury, President of the Bryant Alumni Association (for whom Salisbury Hall was named) and the ladies of the Faculty and Administrative Staff will be special guests. Mrs. Jacobs, Mrs. E. Gardner Jacobs, Mrs. Salisbury, Mrs. Stickney (Dean of the Secretarial Division) will pour. Mrs. Pullen, Mrs. Doe, Mrs. MacWhinnie, Mrs. Stockbridge will be hostesses and will assist by the following services.

THANKSGIVING RECESS BEGINS

Wednesday, November 19, 12 o'clock NOON

Thanksgiving recess begins. On Bryant's campus, the eagle-eyed Profs count these hours before noon as Cuts if we've not here. And cuts have a way of having to be made up at Bryant.
A popular and helpful custom at Bryant College is that of having Student Counsellors to act as advisors, guides, and friends to new students. The Student Counsellors will help new-comers to meet other students, to overcome reading difficulties for home work. They will act as guides and advisors, and facilitate new students into this strange world of Bryant. The Student Counsellors and the new students they will sponsor are given on the Bulletin Boards. These Counsellors will be the支柱 of the students in the first few days of the semester. New students are urged to go unhesitatingly to their Counsellor when in need of advice or help.

Bryant will have two Lucy Deans this year—Lucy Dea of Edgewood, Rhode Island, Commercial Teacher-Training, senior, and Lucy Dea of Willimantic, Connecticut, who is enrolled in the Secretarial division.

THE DEBATING CLUB

"The only one of the interesting organisations of Bryant is the Debating Club. It is the baby of the organisations, started only last year, but what a lusty infant it was! Among the subjects it tackled—and brilliantly—last year were: 'Should the United States Give Full Aid to England in World War II?'; Resolved, 'That College Students Gain More Knowledge by Group Study'; 'Will the Leisure-Time Bill Passage Keep the United States Out of War?'; Resolved, 'That College Students Should Participate in Extra-Curricular Activities'; Resolved, 'The United States Should Train Its Women as Well as Its Men in Event of a Future Major War' and 'Does Business Major Have as Much Opportunity for the Job-Seeker as a Division?'

Bryant has only one set of games this year—two new students, Barbara and Louise of Edgewood, Rhode Island, sophomore, enrolled in the Secretarial division.

ALREADY WORKING

The Bryant Placement record continues hitting on all cylinders! At this issue of On the Campus goes to press, three-fourths of the students who were graduating on or before August 8 are already employed and earning good salaries in positions of responsibility and promise.

This unprecedented demand for secretaries, accountants, auditors, office managers, cost accountants and other office assistants, will continue for several years, it is the belief of United States Commissioner of Education, Dr. John W. Studebaker, and many other outstanding authorities in government, industrial and educational circles. And when employment conditions return to normalcy, it will be the man and woman who has the sound business education, and is therefore of the greatest value to the employer, who will be RETAINED in his position.

You can never get ahead if you stay at home. Every day you can't work is a day you lose.

You never can get ahead of any money trying to get ahead.
A popular and helpful custom at Bryant College is that of having Student Counselors to act as guides, advisors, and friends to the new students on campus.

Newcomers anywhere-at school, in business, or anywhere else in life-find that having new places, new faces, new customs to learn, that a helping hand elsewhere on the new strangeness is appreciated. We do not make friends as quickly as some people do. We do not all concur easily the newcomers to which all of us at some time fall a prey.

The Student Counselors will help newcomers to meet other students, to orient them with the best times for socializing, and to offer suggestions as to how to spend time to advantage. They will act as guides and advisors, and will initiate newcomers into the traditions and history of the College; will introduce them to fellow students; and, in general, will extend a friendly, helping hand in the situations that always arise the first few months at a new college.

The names of the Counselors and the new students they will sponsor are given on the Bulletin Boards. These Counselors will look up their new students the first few days of the semester. New students are urged to go unobtrusively to their Counselor when in need of advice or help of any kind.

The Receptionist will help the new student to locate her or his Counselor. Between classes, at lunch, or after school hours, are suggested as the best times for these meetings.

Bryant will have two Lucy Deans this year-Lucy Dean, of Pawtucket, Rhode Island, Commercial Teacher-Training, is the sister of Lucy Dean, of Willimantic, Connecticut, who is enrolled in the Secretarial division.

ON THE CAMPUS

THE DEBATING CLUB

One of the most interesting organizations of Bryant is the Debating Club. It is composed of the organization, started only last year, but what a lucky thing it was! Among the subjects it tackled—and brilliantly—last year were: "Should the United States Give Full Aid to England in World War II?"; "Resolved, That College Students Gain More Knowledge by Group Study"; "Will the Lease-Lend Bill Passage Keep the United States Out of War?"; "Resolved, That College Students skateboard in Extra-Curricular Activities"; "Resolved: The United States Should Train Its Women as Well as Its Men in Event of a Future Major War"; and "Does Business Hold as Much Opportunity for the Job-Seeker as a Farmer?"

Bryant has only one set of twins this year-two new students, Barbara and Lu­cia Williams, of Edgewood, Rhode Island,Module enrolled in the Secretarial division.

Absentees

One of the most popular and most frequent members of the Bryant Administrative staff, Mr. John L. Allan, will be away from the College for several weeks, under strict orders to take a complete rest. Returning Bryant men and women will miss seeing Mr. Allan when the semester opens, as some students will have to defer the pleasure of knowing him. He'll be back before the holidays, however, thoroughly rested and well, we hope. Mr. Allan has been a member of the Bryant staff for twenty years, and this is the first time he has been away from his duties except for annual vacations. During his twenty years here, Mr. Allan's administrative ability, his efficiency, the friendly way in which he helps students solve many of their problems, his unfailing good nature and sympathetic interest, have earned us sincere admiration, respect and affection. We'll miss you, Mr. Allan, and look forward to your return as soon as possible.

Out of Circulation

Mary Elizabeth Anderson, Askan, of College Hill, was married this year to an old friend, the Reverend Mr. Shores. A little late, but—Congratulations! Mr. and Mrs. Shores are in England, having been there for several months.

Another Bryant girl who is out of circulation this year is Jane Moore, who is teaching school in the Philippines. She'll be back in the fall, we hope.

OUT OF CIRCULATION

Some of the present student body-those of the Commercial Teacher-Training division, in particular—always have friends among the alumni and are interested in the list of graduates of that year who are now in the armed forces.

George Van Eck, John Barzana, and James Dow are in the Army. Willis Drew is in the Army Air Corps, Georgia.

Thomas Ellis and William Rowe, Army, 6th Corps, Providence.

Albert Stanwood, Army Air Corps.

Charles Tumajski, Navy, stationed in Honolulu.

The upheaval in ship schedules which has occurred in the Secretarial division this year is the result of a class. Slapping a half dollar sharply on top of his pencil, the instructor (testing the powers of observation of his class) asked: "What's that?"

"Tails." And the gals, but even they must be elated to have won a trophy for the highest school."

September, 1941

They're in the Army Now

Bryant men and women who were undergraduates last year and had many friends in the Class of 1941 will be interested in the list of 1941 alumni who are now in Uncle Sam's service.

They're in the Army Now

Charles Nofal, Army Air Corps, Savan­nah, Georgia.

Henry Sheidick and Sidney Tober, Army, Camp Wheeler, Georgia.

Albert Stanwood, Army Air Corps.

Charles Tumajski, Navy, stationed in Honolulu.

John Martin, Naval Intelligence Ser­vice, 1st Vooms, Quisset Point, Rhode Island.

At least 25 other members of the class of 1940 are members of the office staffs of defense industry plants.

Ask the Sigma Iota Chi girls to show you the three (Thick of it THREE) trophies they captured at the convention at Manhattan Springs, Colorado, late in June. Sigma Iota is modern girls, but even they are entitled to have won a trophy for the highest scho­laristic record, a pair of cads for having had the best national project, and an Honorable Mention for showing the greatest improvement during the past two years.
