Dear Dottie,

I just had some good news, no check tomorrow. I'm going on a Cross Country to Pennsylvania. Boy, what a relief, I'm in no condition for a check. I'll probably get it Thursday.

I asked Tom about the tickets for Saturday night. He's not going his girl is going away Saturday for the weekend, so that ends that.

Have you heard "This Could Happen to Me"? It sounds familiar, did we hear that song anywhere this weekend? "Weekend" did I say? Crash it seemed more like an hour. Gee, how I wish you were very, very well, and interesting
