AU EPSILON TO GIVE TRADITIONAL
THANKSGIVING DANCE IN AUDITORIUM

Prior to the War, each year with the coming of the Thanksgiving Holidays, the Brothers of Tau Epsilon gave a Thanksgiving Dance. During those days, because of the loosened ratio between the male and female sexes, this custom was curtailed as were so many other customs. Now, with the war once again balanced off, customs are once again being brought out of mothballs.

Numbering among those in attendance were George Barlow, sax; and John Glaze and Dick Muniere, drums. Earl Rounds, who composed the music for the dance, was among the Indian Campus Queen to be crowned on the night of the dance. The final election revolved around the voice of the entire Student Council.

To lend melody to the night air Tau Epsilon has engaged the services of Johnny Glaze and his Stunt Dusters, a newly organized band composed entirely of Bryant students. Numbering among those in the band are George Barlow, who formerly played with Mal Hallett, at the drums; Earl Rounds, who composed the music for the dance, was among the Indian Campus Queen to be crowned on the night of the dance. The final election revolved around the voice of the entire Student Council.

IS THAT BAD? Shortage of Textbooks

The dearth of textbooks spotlights the incongruity of an almost religious dependence on the text on the course.

Two systems seem to be used: One sets up a text as the basis in the field and thereafter uses it as the written text; the other declares that the book might possibly be wrong but since something must be accepted as the final word (this is hard on both the ignorant man and the teacher). The first scheme, if I can call it that, is through as under the first scheme.

Right and wrong, good and bad, and the pressure of the market allows themselves to be hampered by the false absolutes of a hack writer, when they could otherwise supply wealth of material and experience and thorough knowledge of the subject.

If textbooks are actually indispensable and good ones are not to be found, perhaps the libraries could be exploited. But for our money, the instructors should know his reasons for them are much more valuable than any text.

KNOW YOUR COLLEGE

Bryant and Stratton Business College remained in the Hoppin Homestead Building until the year 1916 when the need for extended facilities brought them to their second home—The Butler Exchange. The Butler Exchange stood on the north side of Westminster Street, opposite the Arcade, which is now the Industrial Trust Company. There, a building, designed by the noted firm of Roosevelt and Lyman, was erected to house the college.

In this same year of 1916, the college underwent many drastic changes. A movement to bring its curriculum into its present form as an Institute for higher learning. Bryant consolidated with the Rhode Island Commercial School and in 1924 Bryant and Stratton, Rhode Island Commercial College. It selected as its principal, Dr. Eben Jones, a man who had been president of the Rhode Island Commercial School for many years. He is a great pioneer in the promotion of business training. The faculty of the two schools merged under the able direction of President Jacobs to offer the very best of training in the field of business.

Shortly after the consolidation, the college activated the School of Business Administration which outlined the curriculum of study similar to the present day program. Yet, the requirements to be graduated were established in the beginning of Rhode Island in 1916 realizing the potentialities of the college under the man of this high academic standard.

During the succeeding years, following the conclusion of World War I, the popularity of the College spread. The trend everywhere was for the re-establishment of the industry and the pressure exerted upon the Engineering and Commerce schools was overwhelming. Bryant met the demand placed upon her and in the year of 1929, she was once again confronted with the old problem of rapid expansion and improved quarters for teaching.

Tau Epsilon Makes Plans

Plans for a Thanksgiving semi-formal are being made under the direction of Anthony Costucic and his fellow committee-members, who are working hard to make this dance the most successful of the year. The raffle which was sponsored by Tau Epsilon proved very successful.

Movies and dancing were held at the semi-annual smoker with Kappa Delta Kappa, and a good time was had by all. Twenty new members have been accepted and properly initiated.

INTRAMURAL BASKETBALL

The Bryant College Intramural Basketball League for men consists of two leagues. One league is composed of eight teams that play on Monday and Thursday evenings from 8:00 to 10:00 and the other league is made up of four teams that play on Tuesday nights from 7 to 9. Practices were held in the Bryant Gym for two weeks for the benefit of all the teams.

Certain league rules and regulations were established by representatives of their respective teams under the able supervision of Mr. Mercier and Mr. Dickenman. A championship play-off has been scheduled to take place at the end of the season between the winners of the two leagues. All indications point to a very successful season.

Kappa Tau Pledges

Phi Kappa Tau added six more names to its roster when the following were pledged during initiation:

Betty L. Kwasnicki, Louis B. Bowers, Herbert Foster, and Gilbert Correira. — Albert

Sigma Iota Holds Tea

In the hope of becoming better acquainted with the pledges, Sigma Iota Chi held a tea in the French Room at the Narragansett Hotel in addition to the annual Rush Party. The distinguished guests were Miss Blaney, Mrs. Clifford, Mrs. Hammond, and Miss Bucolo who spoke of Sigma's activities.

The two days of suffering for the twenty-five pledges were happily ended at a joint Mystery Ride with Phi Sig. All participated in the various square dances and enjoyed doughnuts and cider. The success of this affair has resulted in a hope for many other "get-togethers." The pledges' way to make this opportunity to thank the pledges for their good sportsmanship during initiation.

Sigma Iota Beta Relates

Sigma Iota Beta Sorority and her brother fraternity Beta Iota Beta sponsored one of the most gala dances of the year when they presented the "Sadie Hawkins Jamboree" in the Bryant Gym, on the evening of November 21.

The famous characters of Lili Amber, Daisy Mae, Mammy and Pappy Yokum, Marmyin' Sam, Available Jones, Hairless Joe and Lena the Hyena were present in caricature form. Colorful decorations and the smooth dance rhythm of Stan Moore and his orchestra made it a night of dancing pleasure. Sigma Iota Beta Sorority would like to thank all the students who attended this dance for making it a social success.

The hilarious antics which took place during initiation showed the true spirit of the new pledges coming into the sorority.

On Tuesday, November 5, Sigma Iota Beta and her brother fraternity held an informal party at the country club of the George Washingtionian, and a gala good time was had by all who attended.

Plans are now underway for dates for the Sorority formal and for the Pledgee banquet which will be held during the first week of December. This year is certain to be an active season for Sigma Iota Beta. — Kingsley
