CITY'S STUDENTS MEET

Five Institutions Represented

A short while ago a round table discussion was held by the students of colleges in the Providence area in order to discuss plans for the proposed National Student Organization. The colleges represented were: Rhode Island College of Pharmacy, Brown University, Pembroke, Rhode Island College of Education, and Bryant College. The Providence conference was a preliminary to the one held at Harvard and Yale.

The students representing Bryant College were: Eileen Kingsley, James Moynihan, Eugene Spagnola, Robert DeZinno, Charles Wiegas, and Lorraine LeMay.

COUNCIL RECOGNIZES SORORITY

Patricia Byrne Named President

At a recent meeting the Student Council voted to approve the by-laws and constitution of a newly organized group to be the sister sorority of Phi Kappa Tau. The Council in so acting went by the agess adage that "women need man, and man must have his mate." Now the cycle is complete in that no Bryant fraternity is sisterless.

The group has taken "Alpha Phi Kappa" for its recognized title. At one of its earliest meetings an election of officers resulted in the following installations: Patricia Byrne, president; Barbara Perkins, vice president; Giorio Fusio, secretary; and Helen Surdant, treasurer.

BRIDGE MATCHES HELD

In an effort to promote fellowship between local college and university students and to develop a keen spirit of competition, the students of Bryant College, Brown University, Rhode Island College of Education, and Providence College are sponsoring bridge matches.

The matches are conducted team against team, using double boards.

Charles Tessier, George Barlow, Fred Wolfert, and Louis Stackowicz, all members of Beta Sigma Chi; Charles Basichuck, Arnold Cleveland, Ernest Ross, and James O'Brien of Tau Epsilon; and Bruce Benjamin and Zalak Kooshian are representing Bryant College.

REILLY ELECTED

Terrence Reilly, son of Mr. and Mrs. Michael Reilly of 18 Wendell Street, Riverside, Rhode Island, has been elected president of the Beta Iota Beta fraternity. Mr. Reilly is a student in the Business Administration division, a member of the Newman Club, and a Student Council representative.

Other officers elected were: Vice president, John Creem; secretary, Richard Freed; treasurer, Raymond Hughes; sergeant-at-arms, Francis Sullivan; historian, Robert Smith.

BRYANT FACILITIES EXPAND

New Building to Be Completed by September

Increasing needs for additional classrooms at Bryant will be satisfied with the inauguration of the September school year. At that time a new building, now under construction on Charles Field Street, between Eldridge and Harris Halls, will be ready for occupancy. The 106 foot structure will be attached to Memorial Hall on the northwest corner. It will contain a study hall and three classrooms which will accommodate 180 to 200 students.

Like Memorial Hall the building will be constructed entirely of cinder-block, brick, and steel with asphalt floors. It is to have all modern, portable furniture and florescent lighting.

The basement has been excavated and actual construction will begin soon.

Returns From Chicago Conference

Bryant Delegates Attend Regional Conference At Harvard

Inspired by correspondence to the president of the Student Council from the Chicago Student Conference Committee and a visit by a delegation of Harvard University students representing Douglas Cater, Chairman of the Harvard Student Council Committee on Student Activities, the Student Council representatives of the Providence Colleges and Universities held a preliminary round table discussion on the need for and character of a proposed national student organization in the United States.

Armed with information secured as a result of the Providence meeting, James O'Brien, Eugene Spagnola, Lorraine LeMay, Robert DeZinno, Eileen Kingsley and Charles Wiegas attended the New England Regional Conference which was held at Harvard University. Among the institutions represented at the Harvard Conference were Yale, Smith, Regis, M.I.T., Boston College, Suffolk Law, A.I.C., Harvard, Middlebury and many others.

The purpose of the conference was to facilitate the interchange of ideas pertaining to the character of the proposed organization. Information secured as a result of the meeting was forwarded to Miss Ruth Karsten to represent the students of Bryant at the National Student Conference which was made by the president of the Student Council. The selection was unanimously approved by the Council.

The following is Miss Karsten's report on the Bryant Student Conference held at the University of Chicago:

ANNUAL ST. PATRICK'S DANCE

The brothers of Phi Sigma Nu are to sponsor the annual St. Patrick's Day Dance at the Bryant Gym. The gym will be festively decorated in the traditional green of the day and a large attendance is hoped for. The orchestra for the evening has not been selected, but the usual danceable music is promised.

EASY START

Lawrence, Kansas (ACP) — College students are coming into politics these days. Robert Rock, a University of Kansas student, was chosen in the November election as a member of the Kansas House of Representatives. The 21-year-old sophomore will be the youngest member of the legislature.

ONLY THE RUSSIANS?

"Nature did not make all men equal by a long way, and those who are superior have a natural right to advantage that superiority gives them ... And as with man, so it is with nations. The most powerful nation, economically and industrially, and particularly, by exercise of its own power and influence, will dominate the world. Ancient history presents a record of nation after nation, as each became predominant, mastering the greater part of their then-known world. Later history follows the same path—till now. Finally, the Union of Soviet Socialist Republics finds herself predominant among the nations of the earth. . . ."

...are supreme . . . and it is up to us to remain supreme. We possess so-called secret weapons with powers of demolition and destruction. There is no nation or combination of nations dare attack us at the present time, and in the light of reason, why should we not forever hold this advantage?

All this slyly dribble about . . . the atomic bomb. We should have enough on hand to blast every city in the world, and we should have carriers capable of delivering it to any place on earth within a few hours and of returning without refueling. We have such a carrier now, and there is no reason why we couldn't have four of them, if necessary. More power to the Union of Soviet Socialist Republics!

All this bears a painfully close resemblance to the master-race doctrine lately preached by Adolph Hitler. No, this statement did not appear in the Press or Izvestia. It appeared recently in a letter to the Editor in one of Hartford's daily papers, which are of course, open to all points of view. The abbeviated version quoted above is given word for word, except for the substitution of the Union of Soviet Socialist Republics for "the United States of America."

Around the Kitchen Table

No obstacle is too great to surmount, or at least so it would appear, in the cafeteria and gym each hectic noontide. New faces, new talking points, for angry bottles and silverware strung around, this scene of confusion nearer parallels one's idea of the "sensualistic group de art" than a normal cafeteria.

Let's use the disposal cans for our refuse and enjoy a cafeteria meal Mother's Kitchen, than Hell's Kitchen.

Masques

Hi Kids,

Golly, the play was wonderful — with no criticism, I'll just tell you a little about it.

"She," the play was only a Farmer's Daughter, supposed to be a hoary old story, was really quite funny, "cause you should have seen some of the characters—couldn't be more truthful without it." I mean with such "stubborn" characters. Miss Buckler and Ken Bourne, gomo, as you know, directed the production. They truly did a marvellous job, I just wish all who helped putting it over — the committee, the super-responsive audience, the critics—could have known just how much we appreciated 'em.

And as for something new: The Masques, on March 19, is staging a musical comedy, written originally by Ray Stevens, a fellow around school who really knows his stuff. From what I've heard, it'll be loads of fun. Why don't you come up at that night? I'd love to see you all. "Bud"

This change enables us to see ourselves as others see us, to imagine a Russian rather than an American saying this kind of thing. Had a Russian said it, he could have caused every American's gorge to rise. Perhaps such a statement by an American has an identical effect on a Russian. Most of us realize how extraordinarily difficult peacemaking is, because of the Russians. It would seem, however, that they are not the only ones who make it hard.

NOTICED COMMENTATOR TO SPEAK

Usually when speakers talk about economic trends the tendency is toward confusion rather than clarification. One of the most analytical of such speakers, Stuart Chase, is noted for his analysis of economic trends in language the layman manages to understand.

Mr. Chase is not only a noted commentator of economic and social problems but also author of many books. Among his works are "Democracy Under Pressure" and "Men and Machines."

Members of Bryant will be able to listen to a lecture entitled "Inflation or Deflation," given by Mr. Chase in the Auditorium on March 6.

January activity of the fraternity was highlighted by the pledge formal, held in conjunction with the sister sorority, Sigma Iota Chi. The event took place at the Wanamoissett Golf Club. Music for the supper dance was furnished by Carl Tatrz and his orchestra.

Phi Sig has entered a new bowling team into competition and the new quintet, anchored by Frank Green and Joe Mandato, promises to be an able entry in the current activities.

The Green and Gold hoopsters were served and dancing was enjoyed.

Joint Meeting Held

A special joint meeting of Kappa Tau and its sister sorority, Alpha Kappa, was held at the Wanamoissett Golf Club. Miss Lauree McNamee, head of the Iota Chi, spoke on "Peace Making."

Mr. Dickerman welcomed the new pledgees into the fraternity and spoke on "Finnerty Problems."

MISS Blaney from Country Club spoke on "The Deduction of the Gift." A combination Christmas party was much suspense and dancing was enjoyed.

Many a woman thinks she bought a gown for a ridiculous price when in reality she bought it for an absurd figure.

The Green and Gold hoopsters have shown improvement in every game to date, and a more successful finish in the current basketball season is anticipated.

John Robert Powers School presented a very interesting lecture on Speech at the third of a series of lectures to be given at Bryant during the year.

Miss McNamee gave specific instances why all of us should become speech conscious, and what methods can be used in improving speech defects which we might have.

The committee in charge, Mr. McDermitt, Frank Merola, and Don Thyar, are to be congratulated.

Delegate from Connecticut and Rhode Island met in their individual regional group. Mr. Robert Smith of New Haven, Conn., was elected temporary chairman. It was decided that our district would have a regional meeting during the middle part of February.

Our group then joined the Massachusetts delegation in which we voiced ourselves that we would like to work together with all the New England delegates before the next delegate would be selected for the coming conference which is scheduled to be held sometime during the summer.

Plenary Session 2:30 p.m. Mandel Hall.

A motion was made and carried that the Chicago Student Conference favored the establishment of a National Organization of Students.

Names of the students placed on the executive committee were then read.

on such a splendid job of arrangement.

Plans are now being formulated for a banquet to be held sometime this month. Entertainment has been arranged and all members are looking forward to this night.

Sigma Chi Honors Graduate
The Brothers of Beta Sigma Chi plan their annual "Farewell to Beta Graduates" banquet at the Hotel Sheraton. This year's dinner will be in honor of Michael Dwyer of New York, the only departing member.

James J. LaRusso of Thompsonville, Conn., was in charge of arrangements.

Beta's Constitutional Committee which consists of Mike Dwyer, Russell Bousquet, John Glaze and Charles Wielgus has made revisions in the fraternity's constitution. The amendments necessary to establish additional chapters have been made and will be available in pamphlet form to all chapters.

The Metropolitan Intercollegiate Veterans Coordinating Committee is issuing a nation-wide call to all college veterans to hold similar conferences. For further information write Dave Sarafy, 1887-1st Avenue, N. Y. 29, N. Y. A World Youth Festival will be held in Prague, Czechoslovakia, for four weeks July-August, 1947. The Executive Committee met before leaving Chicago and discussed the raising of funds, the reports of the colleges, and some plans for the constitutional convention which is to be held some time this summer. The National Student Organization already has invitations from the University of Wisconsin and Wayne University (Detroit) to hold the convention at their schools this summer.
