Return to Human Office
of BRYANT COLLEGE

 PROVIDENCE, RHODE ISLAND
Oft in the stilly night
   E'er slumber's chain has bound me
Fond memory brings the light
   Of other days around me.

—Thomas Moore
Mrs. Lautrelle P. Love

DEDICATION

Prof. Harrison D. Myrick
To the Class of 1949:

In a few months you will come to a fork in the road of your life. Behind you will be years of study and preparation. Ahead lies your goal.

There will be red and green lights ahead, signs of warning, signs to alluringly beckon you to loiter or to detour away from your goal, signs to encourage and spur you on. How you interpret and obey those signs will determine your whole life's journey.

The paths of preparation behind you were trod in the anxious, often discouraging, postwar days. The paths of the future are brighter and more promising. There is a challenge to you in this future, the challenge to carve your place in the sun through purposeful thinking, right living and unceasing effort. It is a challenge to answer the call of the country that needs every one of you, the country that gives so much to you and deserves so much from you. In the unity, prosperity and happiness that lie ahead for your country, all of you will have a part. Do that part well.

My sincere congratulations to you upon the work you have done here at Bryant. I wish I might say that to each of you individually, but inasmuch as that is not possible, please know that I speak here to every one of you. I hope your days here have been happy ones and that you will always keep a warm and loyal place in your hearts for your Alma Mater.

Sincerely,

[Signature]

This yearbook marks the beginning of a new trend in Bryant yearbooks. It was our aim to present to each student a pictorial summary of his college years. We strived to eliminate extraneous writing and concentrate our efforts on makeup, photography, and typography. Here-with the 1949 Ledger.

ACTIVITIES
Alpha Phi Kappa opened the 1948 semester with an open house at Bryant Hall to welcome all the freshmen. With the initiation of twenty-five pledgees, the youngest sorority on campus has now become one of the largest. The two pledgee formals resulted in enjoyable evenings with the brother fraternity. Other activities included beach parties and "coke" parties.

On May 6, 1925, the fraternity of Beta Sigma Chi was founded. Vice-President E. Gardner Jacobs and Dean Nelson Gulski, a present faculty adviser, helped to organize the fraternity. Members have always upheld the principles of loyalty, service, and integrity of character. It was found that a small, active group fosters brotherhood and a more united organization. Maintaining a small membership has contributed to Beta Sigma Chi's leadership scholastically, socially, and athletically.

Sigma Lambda Pi has always proved to be a worthy opponent in athletics. Its annual Sno’ Ball dance with the election of the Sno’ Queen continues to be an outstanding social event held at the Bryant Auditorium. The brothers of Sigma Lambda Pi established their fraternity as a center of fellowship based on the principles of brotherhood and high scholarship. That they have achieved this aim is evident.

As in previous years, the Archway continues to crystallize student opinion and gather all the college news. Now on a bi-weekly schedule, the student news publication is fast coming of age on the Bryant campus. During the year technical and journalistic methods used, have improved to the point where we may boast of having one of the better small college publications in New England.
Small in number, but high in quality, the orchestra provided the musical background for many of this year's outstanding events. Professor Ralph S. Handy has contributed more than any one man to the size and success of the musical organizations at Bryant College.

With the largest membership in its history, the Bryant Girls' Glee Club came into its own this year. It was the aim of this group to provide the college with the type of music it requested—not the traditional classics and hymns, but popular and heart warming melodies. So well received has this deviation from the traditional been, that the glee club has been in constant demand.

In existence for nearly two years, the Fall River Club was organized by a group from this city who felt that there was a need for this type of organization at Bryant. The objective of this group is to bring about better social and business acquaintances among those men and women of Bryant who commute to and from the Greater Fall River district. The club membership is limited to these students and alumni from the Greater Fall River area and has the distinction of being one of the first alumni groups to be formed for the benefit of our graduated men and women.

Presidents of all the sororities and fraternities make up this council. The beginning of the semester presents the task of making plans for Rush Week. This group decides when, how, and where bids and invitations are sent to pledgees. The second semester concerns itself with the biggest dance of the year, known as the Greek Letter Formal. A committee is picked to select an orchestra of renown. This year's choice is Hal McIntyre.

The Student Activity Council is an organization of student government for Bryant College. Until March 7, 1949 it has been known by this name. On the date mentioned a new constitution was accepted. A major change was to rename this group the Student Senate. Student representation will consist of all sororities, fraternities, and clubs on the campus, plus representation from every class. A banquet was held on February 7 at Oates Tavern. Mr. E. Gardner Jacobs awarded pins to all members for diligently working for and with the administration and the student body.

SEASON SUMMARY
Bryant's 1948-49 basketball team with a season record of twelve wins and seven losses won the New England Coastal Conference Crown. The team commenced with a shaky start, but finished strongly, defeating Bradford Durfee Technical Institute to break a tie for the Trophy.

Much of the credit for the team's success is due to the high scoring of Rasmussen, Solty, Schmerhorn and Cool. Credit is due Coach Harry Platt for his skillful guidance. Excellent work by the four managers also helped to make this season one of the best on record.

The Triggs Golf Club has been the scene of many matches between Bryant and neighboring college golfers. The team roster consisted of seven capable linksmen, led by Bill Perry. While a strong team was not fostered, the golfers turned in notable performances during the year.

One Hundred Sixty-two
Sparked by co-captains Tom Wentworth and Gene McLean, the Bryant Tennis Indians produced the most successful court season in recent years. Never once did any member of the team let up from his driving pace and, although the Indians did not produce an undefeated season, their wins were conclusive enough to reflect the team spirit of the courtmen.

Track, a new varsity sport introduced on the campus this year, met with great success. Much credit is due to Captain Johnny Smith for his outstanding promotional work in establishing a sport at Bryant which will grow in importance through the seasons to come. Under the direction of Coach Tom Russell, the Bryant Indian arrowheads are expected to fall heavily in New England during the 1950 track season.

A new idea in intramural athletics at Bryant is the Spike Shoe Championship. Inaugurated and sponsored by the 1949 Varsity Track Team, the event gives the fraternities an opportunity to show their prowess on the cinder track and in the jumping pits. The victors for 1949 were the cindermen of Tau Epsilon. Individual honors for the team went to Rupert Edes, and able assistance from his fraternity brothers brought athletic honor to Tau Epsilon for 1949.

MEN'S BASKETBALL

In the playoffs the Rugmakers defeated the Connecticut Nutmegs to capture the Intramural Basketball Championships. The Nutmegs carried the lead for most of the season but two well-earned victories for the Rugmakers elevated that team to first place. This season has been the most active since the inception of the Intramural Basketball program at Bryant.

THE RUGMAKERS—LEAGUE CHAMPIONS

First row, left to right: Bonomo, Rester, Ferraro, Farasovich
Second row: Simele, Zappone, Wert
This year the Girls' Intramural Basketball Championship was won by Captain Leona Martel's girls from Harriet Hall. The play-offs were highlighted by the brilliant defensive action of Audrey Larkin, while the offensive forces were led by sharpshooter Jeanne Rice.

Sigma Lambda Theta, winners of the title for three consecutive years, won the first round at an easy pace. However, Harriet Hall succeeded in winning the trophy after defeating Sigma Lambda Theta in the finals.

**HARRIET HALL—LEAGUE CHAMPIONS**

*First row, left to right: Rice, Johnston, Martel*

*Second row: Osario, Davis, Winiorski, Larkin, Wawirka*
The girls of Harriet Hall, Sigma Lambda Theta, and Sigma Iota Beta have proved their versatility in all sports by forming competent softball teams. Because the teams were so evenly matched, the spectators were provided with much excitement.
Great enthusiasm was shown this past season when twelve teams competed for the intramural bowling championship. It was a close contest all the way; however, Silver City came out on top with Collis and Ribera scoring high for the champs.

Pass on the Torch

For nearly a century Bryant College has been turning out men and women who have reached the top ranks in business and industry. You who are graduating this year and next will meet them and take your place among them. And from time to time when hopeful youngsters ask what they should do to start their way toward business success, that will be your opportunity to suggest how Bryant can help them.
