

Dear Maugie —

Just a note to put  
in to Gracie's.

Have enjoyed your  
letters very much and hope  
your three weeks down there  
won't be all bad. The struggle  
for the tubes and pieces used  
to get me too.

We missed you at  
the party last night - which  
was fun and worth while  
but a lot of work. We started  
at 2:30 and being up the  
dish clothes at 11:30. I was  
among the cooks, and did  
up the french fries.

We'll be seeing  
you soon. Take care of yourself  
at those fish ponds and things.

Love

Anna
