Darling--a field--my darling--lieutenant.

Just arrived home from New York. I am so glad you're a lieutenant!

But, honey, there's one thing. We've got to get married down there.

I have a funny feeling about that darling. I don't think it would
be much better for everyone if we
weren't married down here.

Here are a few of the reasons:

1. First, I know you want to get
married on the day you graduate.

2. I want to get married on the
day you graduate.

3. We're going down to see you
graduate anyways.

4. Mother will have a fine wedding.
vacation & we go down. If we
can't rent a house because they
didn't like it. She'll work herself into
a complete collapse walking around
making plans for the wedding day
the reception—

6. I want to get married here

There in the Army Chapel.

7. Mother wants to see the south-

of Texas now & this will

be the only chance she has.

8. Mother & I had a real long talk &
she said no matter what

she & I will be going down

South to see you graduate &

get married.

9. Oh, honey, I can't remember this.
other reasons now but please darling
let's get married down there - I want
it that way & I'm sure you do too
no matter what you may say

Oh about the letter - Most
may be slightly confusing because I
added a few sentences in there
Mother wrote "Wedding plans unchanged
hearing March 7th" and the rest I
wrote as you probably gathered

Hi, honey, I'm so glad that you
are a lieutenant - I'm going to
be the Handwritten officer

Really, though! Honey the only
listed I still always

thing to always have the wedding down
here - Please hurry
it means so much to me - I'd be
broken hearted if you said you
did you want to get married day 2.0. It seems like we're going to be old 
there. Really, I would have wanted on it so bad. You don't know how much it means to me.

I'm so sorry that I wasn't here when you called Honey. I'm so upset about this now. You haven't given me an idea how much we all counted on this.

Sadd, Honey, what has happened that made you change your mind. I've been all around and I've been all around. Golly, Darling haven't you forgotten, you said you were going to marry me. I think I have.

Honey, it would be so unbearable to have it, it would be so unbearable to have it.

Hilda and Mother I am so excited about the trip and getting married.
down there.

If you could have seen how disappointed we all were you never would have suggested it. No, honey, it would be awful to have this wedding here.

I was so disappointed I was sure they were joking when they told me that you said you wanted to get married. Honey, I know you didn't. You just can't.

Honey, it's already late. I hope you call tomorrow. I'll send this with mail special. Hope you get it soon.

Honey, you couldn't mean it when you said you didn't want us to come down to see you.
graduate. Getting your wings means
more to you than anything else.

and, honey, I want to be with
you then. It's the most important
moment in your life and always
please don't say you don't want me
to be there.

I love you so, my darling.

I mean sir, should I be more
formed now, lieutenant?

Goodnight, darling. I have

you with all my heart.

Always,

Dad.
