CONVOCATION MAY 7 WILL HONOR SIX

Named Department Chairmen and Curriculum Coordinators

President E. Gardner Jacobs has announced the establishment of a departmental system, developed under the direction of Dr. Charles H. Russell, Vice President for Academic Affairs, for the appointment of certain faculty members as department chairmen, acting chairmen, and curriculum coordinators.

The department chairmen will work with the deans and will have the responsibility of organizing courses to achieve the objectives of the schools. This will include selection of texts, preparation of syllabi for each course and preparation of common finals.

In addition, they will be arranging monthly meetings of instructors in the area of study to discuss mutual problems, new literature, and developments in the field of knowledge.

The appointments will be for one year, with normal reappointment automatic. Prerequisites for appointment are normally a terminal degree such as a doctorate or the equivalent (CPA plus MBA).

Bryant Selected For N.C.A.A. And A.A.U. Membership

It was Friday the 13th . . . of January. Director of Athletics Bob Hathaway opened his mail and received the good news that Bryant College had been voted a member of the New England Association of the American Athletic Union. This will allow our varsity athletes, particularly in track and field, to compete in AAU sanctioned matches.

Just 11 days later came notification that we had been voted a member of the National Collegiate Athletic Association and would be immediately eligible for competition within this association.

Varsity athletic teams are now representing the College in basketball, baseball, track and field, tennis, and golf.
Bryant Students Attend Model U. N. Assembly

From March 9 through 12 six students from Bryant played the role of delegates to the United Nations. Accompanied by Dr. Sol Lebovitz, faculty advisor, they represented Afghanistan to the United Nations General Assembly.

In preparation for that role, the delegation was briefed at the United Nations by the attaché of the Afghanistan mission, Mr. Siddiq. He spent over two hours outlining his country's policies in answer to questions put by the student delegation.

Among the activities that occupied delegation time were two meetings at the United Nations itself where they heard Lord Caradon, the ambassador from Great Britain, and Mr. Federenko, the ambassador from the Soviet Union.

Each delegate from the Bryant delegation sat in a different committee of the Model Assembly and represented the interests of Afghanistan in that committee.

In addition, Howard Duckworth, '68 presented himself as a candidate for membership on the Continuation Committee that meets between the annual meetings of the Model Assembly.

Other New England colleges participating were: Harvard, Yale, Brown, Tufts, Simmons, Univ. of Maine, Mount Holyoke, Nason, Stonehill, Suffolk University, Emerson, and Springfield College, to name a few.

Because of the activities in which these students represented Bryant College, Dr. Lebovitz reports that many students across the nation learned for the first time that Bryant students have an active interest in international affairs.

"All Conference Team" Names Three Bryant Men

At a meeting of coaches and athletic directors from member colleges of the Dr. James Naismith Intercollegiate Basketball Conference held in March three members of the 1966-67 Bryant "Indians" were nominated for and were voted members of an "All Conference Team."

Mr. Hal Murdoch of Gordon College was voted Coach of the Year in a runoff election between he and our own Coach Tom Duffy.

"All Conference" First Team: Tom Smile — Bryant College Rocco Ferranti — St. Francis College Dick Luthe — Nassau College Jim Sziklai — Barrington College Stan Briggs — Babson Institute

By popular request there will be a Coffee Hour Saturday morning, with a sing-a-long and some surprises for all of you.

A delicious luncheon in the College Dining Room at noon will honor our Old Guard, the classes of 1917 and before.

Reunion anniversaries will be celebrated by classes with years ending in "2" and "7." Reservations should be made early.

At 2 p.m. the new Student Activities Center at the corner of Hope and Power Streets will be formally dedicated.

Topping off a delightful weekend will be a reception, dinner featuring roast beef, and the presentation of the 1967 Alumni Award. There will be dancing to the music of Ralph Stuart's orchestra and special favors.

A reservation form is included in this issue of the newsletter. It will help the committee if you will indicate that you are planning to come and the number of reservations you will need.
