Hawksley, '29 Named Chairman For '60 Homecoming

President George J. Vieira has named Raymond A. Hawksley as General Chairman for the 1960 Homecoming. Ray is General Treasurer of the State of Rhode Island, and active in community affairs.

The Homecoming celebration this year will be held June 3 and June 4. The names of the committee chairmen were not confirmed as "Bulletin" copy was sent to the printer; however, the complete list of the Homecoming Committee chairmen will be included in the April issue. The suggestions that might come from you who are planning to attend as to what you would like included in the program for Saturday, June 4 may be sent to the committee, in care of the Director of Alumni Affairs, Bryant College, Providence 6.

Although the number of returning alumni is an inspiration to the committee, and the question is often raised "How can the program for the day be made more constructive and challenging?" As you talk with your classmates and other alumni, do ask them how they would like to spend their time as they "come home" for a day or two. Each suggestion you offer to the Committee will be given serious consideration, and all will be acknowledged.

Four of the eight accountants recently certified by the State Board of Accountancy in Rhode Island are Bryant College alumni.

Leland E. Andrew, '49, is presently employed with Haskins & Sells, and is married to the former Miss Florine Cornell. They have three children, Leland, Jr., Kenneth, and Nancy.

Edmund Clegg, Jr., '46, has his own accounting practice in East Providence, Rhode Island. While attending Bryant he was a brother of Phi Sigma Nu, a member of the Newman Club and the Bryant Service Club, and co-editor of the Ledger. He is married to the former Claire (Mesinger), '48, and they have four children, Sandra Gill, Deborah Jean, Cynthia Ann, and Pamela Jane. Ed is also presently serving as State President of the Rhode Island Jaycees.

Robert A. Weigner, '57, is presently associated with Mario S. Ambri. He married Miss Gwendolyn Jackson in June 1957. They have one daughter, Karen.

Raymond T. White, Jr., '56, a former Archway staff member, is associated with Christiansen & Company. He is married to the former Miss Mary Victoria. They have two children, Michael and Elizabeth.

Since November 1, 1959, your Alumni Office has changed and corrected over seven hundred mailing addresses, including changes in name of alumni who have sent us a note telling us of their marriage.

Please check carefully the list of names printed in this Bulletin. Notify us if you can supply any information that will enable us to place these alumni on our mailing list again.

LEAH INMAN LAPHAM AUTHORS BOOKS

An alumna of the Bryant and Stratton class of 1900 was Miss Leah Inman, who later married Mr. Simon S. Lapham. Before she had completed her secretarial courses, Mrs. Lapham was hired by Parks Brothers and Rogers, a firm that made and designed gold links and similar jewelers materials.

This secretarial experience was to be a very valuable asset to her after she left her business office career to raise a family. She has been President of the National Congress of Parents and Teachers, and is the author of several books. Currently, a revised edition of her “Apple A Day” cooking book is being printed.

Mrs. Lapham’s favorite of her own writings is a children's book entitled, “That Little Woolly Lamb, Leander”, which she had published in 1940. It is also a favorite of her grandchildren, and is in use as a supplementary reading book in some Long Island, New York, elementary schools.

Mrs. Lapham is presently residing on Lapham Farm Road, Burrillville, Rhode Island.

NATIONAL ALUMNI COUNCIL MEETING NOV. 5

ALUMNI COUNCIL NEWS

The Fall meeting of the National Alumni Council was held November 5 at Johnson’s Hummocks Restaurant, with President George J. Vieira presiding.

A pertinent proposal by Scholarship Committee Chairman Albert O. Putnam to use the name “Bryant College Alumni Scholarship Fund” for the present “Barber Fund” was adopted unanimously. Commencing this year, a program of solicitation for scholarship funds will be instituted under the direction of Chairman Putnam. It is anticipated that the first notice of this fund appeal will reach our alumni in March.

As scholarship funds are again available, one scholarship each year will be given in the name of Jeremiah C. Barber, former Dean of the School of Business Administration.

Reports of the 1959 Homecoming were given in detail by President Vieira, and approved as read.
