ANNUAL GIVING KICKOFF MARCH 1

Hector Gilman '21, Chairman of the 1966 Alumni Annual Giving Program, recently announced that greater participation by alumni is a major objective of this year's campaign. "To enhance Bryant's ability to educate young men and women for business leadership, participation by every alumnus is needed. A significant number of Bryant alumni contributing to the College each year is our goal. Corporations, foundations and alumni donors will provide substantial support if we take the lead.

"The 1966 campaign will be launched on March 1 preceded by a College Day meeting for all class chairmen and agents beginning at 10 a.m. on Saturday, January 29 on campus.

"Over 200 agents and 37 class chairmen have joined the alumni effort to make this year's program a success. We are currently asking additional alumni in every part of the country to serve the college in this important program."

The Senior Class recently voted to make a five-year pledge to the College as their class gift in recognition of the vital need annual giving serves. To date, alumni have contributed $3,106.80 to this year's program; corporations and friends an additional $1,454.50.

At Ford expense, Dr. John Lindia '49, was named American director and sent to Santo Domingo. But soon after he
