FROM THE CAMPUS

Tuition Will Increase For 1968-1969 Academic Year

The Executive Committee of the Board of Trustees, after much thought and consideration of the financial needs of the College, has voted that tuition be increased to $1,250 per year and that board and room be increased to $975 per year, effective September, 1968.

College President E. Gardner Jacobs stated that this action was taken reluctantly, but it was felt that there was no alternative if the quality of education to which Bryant College is committed is to continue. He said that mounting costs in every area of the College's operations were an important factor in this decision.

Specifically, the problem of attracting and holding faculty members of high caliber is intensified because of the competition for teachers. The expansion of the campus, increased needs for library resources, laboratories and classrooms must also be met from tuition income.

Indians . . . Off and Rolling . . .

Undefeated Since February, 1966

Basketball Coach Tom Duffy's Indians have given up only 401 points in six games, and thus according to the December 30 National Collegiate Sports Service statistics ranked 15th in the nation in team defense for College Division teams.

At this time four of Bryant's first five men are averaging in double figures. Don Gray leads the way with a 20 point average, Ben Billie has 17.1, George Yates 14, Joe Goddard 11.3, and Dave Greenblatt, the fifth starter is averaging 9.8 points per game.

Ben Billie is leading in the rebounding department with an average of 17 per game. He is followed by George Yates with 13 and Dave Greenblatt with 8.

The Indians are striving for their fourth Naismith Conference Championship and have not lost a regular season game since February 23, 1966.

December 1 with a smashing 105-66 win over St. Francis College of Maine.

Led by junior college transfer Ben Billie, who is only 5'11", with 22 points and 15 rebounds, four Indians accounted for 64 of the 105 points. Other high scorers were sophomore Don Gray, a 5'9" holdover from last years 22 and 2 squad, with 18 points; Manny Alvarez with 10 points; and junior 6'1" leaper Dave Greenblatt with 14 points.

On December 13 Bryant took on undefeated Barrington College and went on an 18-3 scoring rampage late in the first half and continued on to stun the Indians 101-73. Again little Don Gray was a tough competitor as he scored 31 points on 11 field goals and 9 free throws. Gray was helped out by his former high school team mate 6'4" George Yates who scored 19 points. Ben Billie had 12 points and junior forward Joe Goddard had 11 points. Yates and Gray shared rebounding honors with 15 each.

Bryant scored its third victory with an 82-62 triumph over Eastern Connecticut State on December 14. Juniors Ben Billie with 18 points, Joe Goddard with 19 points, Don Gray with 16 points, and George Yates with 11 points, were Bryant's big scoring punch. The Indians, ahead by 8 points at the half, 52 to 44, received strong rebounding from Billie and tough Dave Greenblatt. Billie had 18 rebounds and Greenblatt had 16.

Bryant stopped the University of Maine's Portland Branch 77-62 on December 16 for its fourth successive win and with Ben Billie and George Yates leading the way. Billie had 18 rebounds and 6'4" Yates had 20. In this tough game Bryant received some key baskets from Joe Goddard, who had 8 points, Don Gray with 11 points, and Dave Greenblatt with 8 points. Manny Alvarez had 7 key points and John Barba had 6 points. Through these first four games Bryant's senior co-captains Jim Squadrito and John McVeigh have truly shown team leadership. Both boys give all they can and are constantly keeping the team in high spirits.

On January 5 the Indians took their first road trip and the State of Maine felt their presence as the Indians stunned St. Francis College 91-77 and moved over the following night and defeated a much taller Nasson College team by 16 points, 77-61.

In the St. Francis game four men hit for double figures, Gray with 20 points and Goddard with 19 points. Yates and Greenblatt with 16 each proved just too much for St. Francis. Billie scored only 8 points, but got the Bryant squad off to a fast start as he scored the Indians first 6 straight points.

In the Nasson game Ben Billie set a high season rebounding mark as he pulled down 24 rebounds and scored 25 points. Ben was not alone, however, as his back court team mate Don Gray pulled down 15 rebounds, scored 24 points, and was constantly harrasing the opponents with his fine defensive play.

Bryant's scoring was well distributed, as is true of all the first six games, with Billie, who had 25 points, Gray with 24, George Yates with 13, and junior Ed McManus, who came off the bench and scored 6 straight points when Joe Goddard received a bad knee cut. Dave Greenblatt scored only 2 points, but was real tough off the boards before he fouled out with 9:40 remaining.

Cross Country

Bob Doyle, freshman cross country ace at Bryant College, is beginning to give Bryant a strong name in the cross country field as he won the New England Men's Senior Cross Country Championship on November 20 in Cambridge, Mass.

In addition to these two titles, Bob won the North Attleboro five-mile road race on September 2 as he led 36 runners with a time of 25 minutes, 35 seconds.

On November 11 Bob and another Bryant freshman, Richard McLaughlin, went to the National Junior AAU Cross Country Championship meet in Detroit, Michigan. There were 220 entries from all over the U.S. The winning time was 32:30 and Bob finished 22nd with a 34:24 mark. Richard came in 82nd. Coach Robert Amato accompanied the boys on this trip.

Alumni Fund  
(Continued from Page 1)

To perpetuate the alumni scholarship program inaugurated in 1956 under then Alumni Council president Raymond H. Hawksley ’27, it was recommended by an alumni committee that College Director for Financial Aid Thom B. Brown be allotted $6,000 for the 1967-68 college year.

The addressing equipment purchased in January 1966 is doing yeoman duty for the college. Originally scheduled for use only by the Alumni Office for alumni mailings, it is now providing a service for the Admissions Office (Guidance Directors mailing list), the Business Office (student billings), the Evening Division (Personnel Directors mailing list), and the Deans' Offices (grade report mailings). This year an automatic document feeder was purchased to update this equipment and provide better addressing services to alumni and the College.

Sidelights, Footnotes, etc.

# To our knowledge, a man’s class ring belonging to a 1967 alumnus with the initials “K.J.S.” is still unclaimed. It was found in Mattapan, Mass., in October.

# A suggestion was sent to the Alumni Office by a Connecticut alumna, although it was mailed from New York City, suggesting that the graduation years of alumnae be omitted in reports and directories. A debatable idea, but the author has remained anonymous!

# Here are some dates that you may want to put on your calendars:
