1965 HOMECOMING

The PHOTOS on these pages are a representative sample of the activities that made up Homecoming 1965.

The Masquers players presented a delightful scene from "The Taming of The Shrew" and found an appreciative audience.

The annual luncheon was well attended, but the number of alumni at the dinner dance was down a bit from past years.

Sixty Class Chairmen and Class Agents working with the Alumni Fund were on hand and stuck by their promise, so far as we know, of no fund-raising.

The general delight of just seeing the changes in the campus was reflected in the follow-up letters to the Alumni Office from alumni back for the first time in a few years.

There has been active discussion of changing the time of year when Homecoming is held. If you've any opinions to put forth, please address them to the Alumni Office. You may be assured they will be welcome and will provide a good base for plans for the 1966 Homecoming.
