CONE '36 NEW ASSOCIATE DEAN AT USC

Dr. Paul R. Cone, recently returned from duties as financial advisor to the Haile Selassie I University in Ethiopia, has been appointed associate dean of the Graduate School of Business Administration at the University of Southern California.

He has been a USC faculty member since 1962 and took a leave of absence to go to Ethiopia under the USAID program of the United States State Department. He designed and administered the operating and capital budgets of the Ethiopian University. Paul also advised the university administrators in the perfection of administrative and financial procedures, recruited and trained native personnel for university positions, and taught business policy and accounting.

While at USC, Paul has been chairman of the Department of Management of the School of Business Administration, and resigned to become faculty coordinator of USC's Managerial Policy Institute, teaching business policy in the school's master of business administration program and management theory in the doctoral program. He was the coordinator for the first USC-Lockheed Management Institute.

The Classes of '69 and '71

Just over 700 new students have registered for the fall term, as well as about 1,300 upperclassmen. This includes 125 transfer students. The Evening Division expects another 1,000 for the fall term.

The Day School students found themselves the subjects of a newly acquired Polaroid I.D.-II Identification System. This fantastic “picture-in-a-minute” equipment is used to provide identification cards for all students, as well as faculty, maintenance, and administrative staff at Bryant.

Each person is photographed in color and given a 1½” by 2½” miniature picture of themselves on a serially numbered card in a laminated jacket. It was reported that about two students per minute could be given this “instant identification.” Previously, it was several weeks before black and white I.D. photos could be matched to names and laminated for issue to undergraduates.

The College owns this new equipment and will realize great savings after only two years of use.

John S. Renza '43 Named To Salve Regina College Staff

Salve Regina College of Newport, Rhode Island, has appointed John S. Renza as executive assistant to the president, Sister Mary Emily, R.S.M. He had been a faculty member at Bryant College since 1946, following service with the Army, and held the faculty rank of associate professor of accounting and mathematics.

The Alumni Fund

A list of donors and some other statistics related to the Fund are a part of this newsletter. You will also see how your own graduating class did this past year.
Federal Student Financial Aid For Bryant College Students

Bryant College participates in three federally financed student aid programs. The National Defense Student Loan program provides assistance for full or half-time matriculated students eligible for these loans. No interest is charged on the loan while the student is in school; however, 5% interest is charged during the repayment period. This program has a feature that cancels all or a portion of the loan if the recipient enters the teaching profession.

Educational Opportunity Grants are made to full-time students in those instances where parental contributions to their children's college expenses is determined to be less than $625. This grant must be matched by other scholarship or loan money.

The College Work-Study Program provides campus jobs for students from low income families. The Financial Aid Office contacts, interviews, and assigns students to these jobs.

Bryant College has received allocations from the Federal government for these programs for 1967-1968 as follows:

- National Defense Student Loan $80,000
- Educational Opportunity Grant $43,400
- College Work-Study Program $6,500

These funds are matched by Bryant College on an 86% to 15% ratio.

As this newsletter goes to the printer, funds have been committed for this year as follows:

New Staff Appointments

A new college year has brought some new appointments to our staff.

Glenn C. Woodbury has been assigned to the Admissions Office as a counselor. He will take over the responsibilities of Robert D. Stankey, who has become director of the student union at the University of Maine.

A 1966 alumnus has returned to become assistant director of activities and athletics. Maurice W. Clare, III, was active in student activities as an undergraduate and served as student director of athletics and sports information. Following graduation he was a faculty member at Johnson & Wales Junior College and held similar athletic department responsibilities.

"Moe", as he is nicknamed, is married to Judith Almeida '66. They are residing in East Providence.
New Freshman Hoop Coach To Assist In Varsity Program

Tom Folliard, former Providence College basketball player, has been named freshman basketball coach. He was a defensive star with the PC team which won the National Invitational Tournament in 1963. Young ’59 Enrolled in Harvard Executive Management Program

Richard W. Young is presently attending the 14th session of the Program for Management Development (PMD) at the Harvard University Graduate School of Business Administration. He is one of approximately 75 young executives accepted for this program of middle management development. Richard is vice president for Congdon & Carpenter, steel and aluminum distributors, in Fall River, Massachusetts.

Alumni Association Constitution
The Alumni Office has answered all requests for copies of the newly approved constitution that establishes a Bryant College Alumni Association.

As reported in the July, 1967, issue of the newsletter, it is anticipated that a wider representation of alumni, through election of representatives by ballot, will result. Those elected will be members-at-large and the Association officers will be elected from among this latter group.

Members of the proposed Alumni Council will include twelve members-at-large, representatives from active alumni chapters, two alumni faculty, the president of the Student Senate, and the president of the Senior Class.

Membership in the Bryant College Alumni Association will be automatic and will include all graduates from the College and former students who have completed at least 30 semester hours of work.

Bryant Alumni Active In State Distributive Education Programs

Mr. Solomon, Mr. Roy, Mr. Alfred, Mr. DeFusco, Miss Jenney and Mr. Lima.

When Rhode Island Junior College opened last month, a 1964 Bryant man began his duties as coordinator of retail management. Solomon A. Solomon will teach a course in Advertising and Salesmanship. He will also assist in placement and counseling of retailing majors.

The junior college program will train young people for mid-management positions in retailing. They will complete six successive semesters of schooling, including two summers. Two semesters will be used for field experience on a cooperative basis with Rhode Island stores, where students will train in sales, buying, and advertising.

Fred Ricci, also a 1964 graduate, is coordinating a similar program in distributive education at Johnson and Wales Junior College.

Arthur L. Duggan has been appointed Senior Vice President of Federated Home & Mortgage Company, Inc., in State College, Pennsylvania. They are the builders, owners and operators of a chain of Holiday Inn motels in Pennsylvania, Ohio, New York and New Jersey, and own and operate several high-rise apartment buildings in State College.

He has held the position of Vice President—Projects since 1965 and in his new capacity will be responsible for land acquisition, financing, development and construction of projects amounting to 4.5 million dollars annually. He will be responsible for the construction of the $70,000,000, 1,500 acre community of Toftrees now being developed by Federated.

Toftrees is the first planned self-contained community in Pennsylvania and is designed for an eventual population of 10,000 residents. It will have an 18-hole golf course, other recreational facilities, a country club, single family homes, garden and townhouse apartments, shopping center and light industry.

Arthur joined Federated in 1965. He is married and has three daughters.

You're Invited to Join The "In" Group
The Group of Alumni Who Will Be "In" The 1968 Directory

We're extending until November 1 the closing date for alumni information to be included in the 1968 issue of an Alumni Directory. There are still some of you we haven't heard from, possibly because of summer schedules, changes of address, etc.

Why a new Alumni Directory?

The primary objective of our invitation is to update your alumni records and to offer you, in return for your courtesy, a reserved copy of the 1968 Directory of Bryant College Alumni. The last one was issued in 1963 and is now well-worn and dated in its contents.

The 1968 issue will have up-to-date information about alumni by occupation, business and home mailing addresses, and the year of graduation or withdrawal from the College. Another section will show all alumni by their place of residence and a complete list of graduating classes from 1891 to 1967.

Want to be one of the "In" group?

Complete this questionnaire form and return it to the Alumni Office right away. We'll add it to the thousands we have already and you'll be "In."

YOUR ALUMNI FUND

Those of you reading this who so willingly served as Class Chairmen and Agents deserve a "well done" and thank you from your fellow alumni.

Taken in its overall effect on funds needed by Bryant College to continue its programs, alumni funds provided about one-half of one percent of the total current budget.

If this doesn't sound significant, consider that alumni contributed the equivalent of the annual interest at 4½% on a principal of $380,000!

The average gift from alumni increased 19.2% to $11.43. However, the number of alumni donors decreased considerably, from 15.5% to 10.4%.

1966-1967 Gifts

1,226 Alumni $14,009.43
7 Trustees 785.00
6 Friends 235.50
28 Corporate gifts 1,417.00
1,267 Gifts $16,446.93
Worker expenses contributed 200.94

Class of '66 (Restricted) $16,647.87
138 + 1 matching gift 730.00
$17,377.87

Our Advance Giving program is unofficially underway. Your gift, large or small, is always welcome.

Armenian Students' Association Honors Albert L. Scott '19

The Worcester, Mass., Branch of the Armenian Students' Association of America, Inc., honored Albert L. Scott of Cranston with a testimonial dinner recently for his interest in Armenian history and intensive study of Armenian culture for over 34 years. The introductory remarks and greetings were in English, but Mr. Scott delivered his response in Armenian, to honor them for honoring him.

What began in August, 1933, as a passing interest in the history and culture of an Armenian friend (Mr. Scott is not Armenian), has blossomed into a compassionate and scholarly attempt to gather more facts and background information about the Armenians.

He has read almost every book about Armenia printed in English, and has turned to French sources as well as the Armenian community in Providence for background. He has mastered the Armenian language with its strange characters and can speak and write fluently. His spare time has been consumed with new satisfaction as he has become absorbed in his reading and research.

In 1955 while he was investigating ancient Armenian coins, an editorial appeared in an Armenian newspaper about the man from Providence who "loves the vision of United Aircraft Corp. of Windsor Locks.

He is survived by his wife, Josephine, and five children.

He is survived also by his parents and a brother of Westboro, Massachusetts.

Florence C. McNabb

Many alumni will remember Miss McNabb as a house mother at Bryant for 10 years, until her retirement in 1950. She died August 30 at the Riverview Nursing Home in West Warwick, Rhode Island.

Bryant Alumni Active in State

Continued from Page 3

Already underway are several "D.E." programs at the high school level, with the following Bryant alumni actively participating as faculty advisors and coordinators:

Donna Jenney '63 is at Warwick Veterans High School and Joseph DeFusco '63 is at Warwick's Pilgrim High School. At the Bristol Jr.-Sr. High School Joseph Alfred '66 is in charge. Another '66 man, David Roy, is at East Providence High School.

Charles McGonagle '59 is the coordinator at Hope High School in Providence and Dennis Lima '64 has the responsibility in Warren.

The high school coordinators work with students to stimulate interest in retailing and to initiate a club-type program. The Distributive Education Clubs of America hold state and national competitions for their member groups.
