Alumni Charge

Commencement is not an ending, but a beginning. Your relationship with your Alma Mater will not end today, but rather evolve into a new form. In Latin Alma Mater means "fostering mother" and alumnus meant originally "foster child."

Your relationship with your parents doesn’t end the day you leave home; rather, as you gain your independence, your ties with your family become centered around mutual respect, affection and moral support. So it is with your relationship to Bryant College. As you move out with hope and courage into your careers or further education, you will want to maintain close ties with your Alma Mater.

The vehicle for maintaining these ties is the Bryant College Alumni Association. Through this organization you will be able to stay in touch with the friends you have made here, at class reunions and at local alumni chapter events. You will also be able to utilize the resources of Bryant College as you develop your career path. You, in turn, will become a resource for the college. Our alumni serve on various college committees, curriculum advisory councils, and on the Board of Trustees. We also help to maintain and advance the excellent reputation of this school through volunteer efforts on behalf of admission, career development, educational programs, and fund raising. Through the Alumni Association, you play a significant part in enhancing Bryant College's ability to attract quality faculty, administration, and students.

So today the Alumni Association extends to you an invitation to begin a lifelong relationship with your Alma Mater. Stay in touch. Let the Alumni Office know where you are, and what your latest accomplishments are. Get involved with local alumni chapters. And through your individual support and work with other alumni, help keep Bryant College an outstanding institution for future generations. Your efforts will help insure that years from now you will still be able to point with pride to your graduation from Bryant College.

We extend to you and your family and friends our congratulations and our warmest welcome to a proud Bryant family.

Academic Heraldry

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute of 1321 required the wearing of gowns by all scholars and clerics. Probably the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted.

The gown for the bachelor’s degree has pointed sleeves and is designed to be worn closed. The gown for the master’s degree has an oblong sleeve and can be worn open or closed. The gown for the doctor’s degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains. At Bryant College, the president and the honorary degree recipients wear gowns especially designed and trimmed in the College color of gold.

The academic hoods are lined with the color of the university granting the degree. The border of the hood is in the color of the discipline in which the degree was earned. For example, colors associated with different subjects include: light brown (or sapphire blue) for commerce, accountancy, business; copper for economics; light blue for education; peacock blue for public administration; purple for law; and white for arts, letters, humanities.

The length of the hood varies slightly for bachelor’s and master’s, and doctor’s degree. Today, the hood for those receiving bachelor’s and master’s degrees has been replaced by the mortar-board or cap with long tassels in black or in the color appropriate to the subject. It is often the tradition of the candidates for degrees to wear the tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.

Memorial Mace

The College mace is carried at Commencement exercises and at other College celebrations. Crowned in gold, the mace has the two dominant emblems of the institution: the seal of the State of Rhode Island and the seal of Bryant College.

The President's Chair

The President's Chair, an anonymous gift to the College, is used on ceremonial occasions. It is a walnut Victorian style gents chair copied from an original French design from the period of the College's founding in 1863. The carved crest top includes the Bryant College bronze seal.

Bryant Medallion

The Bryant medallion is worn by the president during academic ceremonies such as Commencement, Convocation, and the bestowal of honorary degrees. One side of the medallion bears a likeness of the College seal, the other, the names of all Bryant College presidents. The formal installation of presidents is marked by the presentation of the medallion by the Chairman of the Board of Trustees to the president.

The Bryant Seal

The Bryant seal represents the educational mission of the College and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a College landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the College: "Educando Dirigere Mercaturam" - Education for Business Leadership.
