If ever in need for a job or training, Mrs. Laura Richardson, Director of Placement Bureau, reports that her office has a list of excellent positions in every state from New York to California. The list reads like a "Who’s Who in Business" containing the names of major corporations from A to Z.

Some of the organizations which now employ and will continue to employ qualified Bryant graduates are Arthur Anderson and Company, American Airlines, Inc., Filmart, Dupont, Continental Can Company, Travelers Insurance Company, General Electric, Sherwin-Williams Company, Central Intelligence Agency (U. Columbia Educator Gives TT’s Advice On Teaching Methods

Dr. Haasen L. Forkner, Head of the Business and Vocational Department at Teachers College, Columbia University, recently gave a most inspiring talk to the members of the Teacher Training Department.

He is a figure in the field of education, being the author of innumerable articles and books, in addition to writing his own system of shorthand.

His topic, “The Importance of Being Educated,” was received with interest by the audience.

Dr. Forkner gave many helpful hints relative to teaching and urged his audience to try to achieve the very best within themselves.

Dear Alumni:

I hope to welcome each of you in person before you leave the campus. This “HOMECOMING” is an unusually joyous occasion for me. It gives me an opportunity to welcome so many of you to BIB and to the memories we both hold so dear.

Family reunions are always happy occasions. Our Bryant family seems to be growing larger each commencement. Your letters have told me you are proud of your training and the increased prestige of your college. I am glad. Many of you have achieved much since your graduation. This is a great source of pride to Bryant and to me.

Your Alumni Committee has prepared a full program for you. Enjoy yourselves. I shall be happy to have you as my guests at the reception in your honor at 2 p.m. Saturday afternoon in South Hall. I will look for you there. It will be my pleasure to shake your hand once again and remind you. A happy homecoming to each one of you.

Sincerely,

Doctor Henry H. Jacobs

Popular Vote Taken

KT Candidate

An overflow crowd of approximately 550 people witnessed the coronation of Kappa Tau’s May Queen candidate, Pauline Forsell, at the annual May Queen dance sponsored by Beta Iota Beta.

According to custom the candidates proceeded with their escorts down the white carpet to the stage as the audience waited tensely for the final results of the balloting. Paul Hannaway, President of BIB, announced the school’s choice and escorted her to her throne.

He then crowned Pauline the May Queen of Bryant College and presented her with a gold trophy symbolizing the honor. Tomsneff, President of Kappa Tau, accepted a cup in behalf of the fraternity.

The Queen and her court which included Marcus MacManus, Terry Pico, Marline Caroli, Meg Welling, Marilyn Doschen and Joan Jackson tiptoe passed over the dance. As a reminder of the occasion, each candidate received rhinestone jewelry from BIB.

Evidences of the previous week’s campaigning—red, white, and blue—a parade of the dancing couples filled the room during the evening. As another novel twist, Lou DeMars’ Orchestra, with Cindy Clidi as vocalist, was featured on the dance floor to leave the stage free for the pageantry of the crowning.

Gen. Hershey Announces ‘Last Chance’ for Deferment

Major General Lewis B. Hershey, Director of Selective Service, today reminded college students that applications for the May 21 Selective Service College Qualification Test must be submitted to the Educational Testing Service, Princeton, New Jersey, not later than midnight May 11.

The May 21 test is primarily for students prevented by illness of other emergency reasons from taking the test April 25, but General Hershey emphasized that this did not bar any qualified student from taking the test if his application is mailed before the deadline. He also stressed that students who have a certificate of admission for the April 25 test which they failed to use on the assigned date must submit new applications if they wish to take the May 21 test. The old certificates, he pointed out, will not admit a student to the May 21 test. Deferment Test

The affair, planned and carried out by Norman Sarkisian, Joe Ruggieri, and Queene Kitchen, proved successful with about thirty-eight members and guests enjoying a hot dog and softball game at Goddard Park.

Welcome Home, Alumni!

Does it feel as if you're back at Bryant after only one, two, or five years? Have you noticed anything different after your "off"? Mania Mate?

A few of the newest additions to our extra-curricular program that may interest you are the Varsity Club, organized last semester to promote and improve the calendar of events, and the Inter-male Chemistry Club, interested in this sport. The Intramural mixed doubles team of America's best is in town and will beactus by offering eight doubles and singles tournaments that are somewhat friendly.

We've included courses in Clinical Procedure and Hospital Field Work to the Medical Secretarial curriculum: we have a new addition to our campus, exhibiting to us by President Jacobs: we have new professors and hordes of new students; but deep down we're still the same old school you knew as freshfaced freshmen, smart sophomores, joyful juniors, and early seniors.

Yes, Bryant is progressing, prospering, developing, expanding, improving with each passing year. Her format has changed, and her results is coming into view. Every executive, administrator, teacher, office worker, and student every awakened to the spirit that has been building in this amazing metamorphosis. Their dreams and schemes for Bryant's success that have materialized have made them an integral part of this institution. You, too, returning Alumni, are similarly recorded in Bryant's General catalog of transformations and improvements in Bryant's tradition of 'progression'.

So be a hearty welcome to you, Alumni, and a cordial invitation to you to review your past records, consider our present events, and speculate on the future records of those to come.

Half-yearly Mark

May is proving to be one of the most eventful months at Bryant. With, the May Queen dance, Alumni Weekend, and Spring Formal coming on the calendar, you can call May a "Little League" year of activities. Two times, May is our homecoming month is a time when we can express our gratitude for our academic record and promise ourselves to improve; or is it the time when we can just hope that the period following shows as much satisfaction as the last. Whatever it may be, May has a respect for the month gone by the boards.

You know, college is like life—we all have a starting line, but not all of us finish. Here's our chance to get the lead, get a hold of those reins, and spur ourselves to success.

We have many a burden to bear in college life, but it takes just a little determination to leap over those hurdles. Just three months left—LET'S DO IT!

New Twist

In education was recently added to Bryant with the purchase of ten new 17-inch television sets. The above scene, at the Cook Street, shows a group of students viewing the afternoon programs after a softball game.

College Buys 10 TV Sets; Dorms Really Living

It's not Hollywood, it's not Broadway, and it's not the atomic bomb that has invaded the Bryant campus. But we can tell you what we can do in our midst.

Two T.V. sets were recently purchased for the ten resident halls. It's Creole for the girls' dorms and Oprahs for the boys' dorms. These 17-inch sets are located in the dormitory living rooms.

Since the arrival of T.V., T.V. has become a common sight to see the guys and gals lounging on one of the many beds scattered in the entire floor. Space is ample to view their favorite programs.

The Administration felt that by installing T.V. in the dorms, it would give dorms students an opportunity of seeing the fights, baseball games, and even Hopper. It's great, and we really appreciate.

V.C. Courtiers Lose First Match 5-0 to RISD

On April 29 the Varsity Club teams played its first match against the Rhode Island School of Design's home courts. Even though the team lost 5-0 there was plenty of action.

With Denis Collier, Robert Cooley, Ray Edor, Edward Iwara and Mary Jane Devine, Bryant's team put up a good battle in the singles matches. Then came the biggest surprise of the day even to the Bryant students! Perhaps for the first time in the history of Bryant, a mixed couple went out on the court to play doubles against another college. Mary Jane Devine and Roger Loos, who were the members of this double team which went on the court to face two men of the School of Design's team. Although Bryant lost the first set, 6-3, they gave RISD a lot of trouble in the second set which lasted for almost a half hour with Mary Jane and Roger losing 7-5 after coming from behind to tie it 5 at all.

The next match is scheduled against the Brown Freemens. Picture matches are scheduled with Hope High and Stonehill.
