One Hundred and Twenty-sixth
Commencement Exercise

Saturday, May 20, 1989
If during the ceremonies the weather should become life-threatening, the President will bring the programs to an immediate conclusion. Diploma cases which remain undistributed would be made available in the Mael Gymnasium.
Dedication

Last September, Dr. William T. O'Hara, Bryant College's fifth president, announced his resignation, effective July 31, 1989. Dr. O'Hara, who was appointed in 1976, guided the College through a period of unprecedented growth.

A former trial lawyer and law school professor, Dr. O'Hara came to Bryant from Mount Saint Mary College where he was president from 1972 to 1976. He was educated at Trinity College in Connecticut and holds law degrees from Georgetown University and New York University, as well as several honorary degrees. He is the author of several books and numerous journal articles on education and law, and his book review column appears regularly in Providence Business News and Boston Business Journal.

These 126th Commencement Exercises of Bryant College are dedicated in his honor.

To highlight Bryant College's Year of International Awareness, graduates from foreign countries will exchange flags with the President.

Class Flag

With the 126th Commencement Exercises, Bryant College institutes a new tradition of displaying the class flag of the graduating class. Bryant College extends its gratitude to Dr. George J. Kelley '39 for his generosity in making the tradition possible.

ALUMNI CHARGE

Commencement is not an ending, but a new beginning. Your relationship with Bryant College will evolve into a new relationship.

Just as your relationship with your parents does not end on the day you leave home; rather, as you gain your independence, your ties with your family become centered around mutual respect, affection and moral support. So it is with our relationship to Bryant College. As you move out with hope and courage into your careers or further education, you will want to maintain close ties with your Alma Mater.

The vehicle for maintaining those ties is the Bryant College Alumni Association. Through this organization you will be able to stay in touch with the friends you have made here at class reunions and at local alumni chapter events. You will also be able to utilize the resources of Bryant College as you develop your career path. You, in turn, will become a resource for the College. Our alumni serve on various college committees, curriculum advisory councils, and on the Board of Trustees. We also help to maintain and advance the excellent reputation of this school through volunteer efforts on behalf of admissions, career development, educational programs, and fundraising. Through the Alumni Association you can play a significant part in enhancing Bryant College's ability to attract quality faculty, administrators, and students. At the same time you can enhance your own career development through the “networking” opportunities provided by your participation in various alumni affairs.

So today the Alumni Association extends to you an invitation to begin a life-long relationship with your Alma Mater. Stay in touch. Let the Alumni Office know where you are and what your latest accomplishments are. Get involved with local alumni chapters and, through your individual support and work with alumni, help keep Bryant College an outstanding institution for future generations. Your efforts will help ensure that years from now you will still be able to point with pride to your graduation from Bryant College.

We extend to you, your family and friends, our congratulations and our warmest welcome to a proud Bryant family.

ACADEMIC HERALDRY

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute of 1321 required the wearing of gowns by all scholars and clerics. Probably the warm gown and hood were practical in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted. The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains. At Bryant College, the president and the honorary degree recipients wear gowns especially designed and trimmed in the College color of gold.

The academic hoods are lined with the color of the university granting the degree. The border of the hood is in the color of the discipline in which the degree was earned. For example, colors associated with different subjects include: light brown (or sapphire blue) for commerce, accountancy, business; copper for economics; light blue for education; peacock blue for public administration; purple for law; and white for arts, letters, humanities.

The length of the hood varies slightly for bachelor's and master's, and doctor's degree. Today, the hood for those receiving bachelor's and master's degrees has been replaced by the mortar-board or cap with long tassels in black or in the color appropriate to the subject. It is often the tradition of the candidates for degrees to wear the tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.
HARRIET C. JACOBS MEMORIAL MACE

The College mace is carried at Commencement exercises and at other College celebrations. Crowned in gold, the mace has the two dominant emblems of the institution: the seal of the State of Rhode Island and the seal of Bryant College.

The Bryant seal represents the educational mission of the College and its worldwide implications. The central symbol is an ellipsoid globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a College landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the College: "Educando Dirigere Mercaturam" - Education for Business Leadership.
