Bryant Students Must List Cars

Recent notice from Dr. Jacobs makes it a must for each and every student at Bryant College with a car in register at the College.

This rule applies to all students, whether they drive or not, as they do not park on College grounds. Registration should be done at the Office of Claire Spencer in the Records Office.

This notice applies only to those students who have not yet registered their cars.

Dr. and Mrs. Jacobs Entertain At Mother-Daughter Tea

On Sunday afternoon, December 13, from 3 to 5 p.m. Dr. and Mrs. Henry L. Jacobs entertained gift students and their mothers at the Mother-Daughter tea ever held at Bryant College. The Bryant College Glee Club sang Christmas carols as a special feature of the program.

At 3 p.m., the tea was opened in the Assembly Hall. The girls and their mothers were welcomed by Dr. Jacobs and Mrs. Jacobs. There were 58 guests in attendance. The tea began with a short address by Dr. Jacobs. Students assisted the President and his guests.

The program included a selection from the Glee Club, the La Penta, and Pauline, a member of the Exec.

After the refreshments were served, Dr. Jacobs and Mrs. Jacobs explained that the funds collected from the tea would be used to aid students. The tea was an opportunity to help students and to show appreciation to those who have helped in the past.

The tea was a success and was enjoyed by all who attended. The Bryant College Glee Club performed Christmas carols, and the La Penta and Pauline entertained the guests with their talent.

New Marching Song Gains Popularity

The following are the words of the "Bryant Marching Song" which have really been published recently by the College.

Bryant Hall to thee.
Come on let's fight, fight, fight.
Our Alma Mater, in any way, forever.
Ladies and gentlemen, come on;
Come on, let's fight, fight, fight.
Our Alma Mater, in any way, forever.

Bryant Pell, President of Sigma Lambda Pi, crowned Andy with a wreath of chrysanthemums and dub his "Sno" Queen of 1953.

Well, Hell Week was certainly different this year! Most of the pledges' antics were the same as in previous years, but on the whole, their attire was something new. None of the hideous lipstick smears were visible, and much of the world-dressed years of previous was eliminated.

Mr. Rocco, President of Sigma Lambda Pi, crowned Andy with a wreath of chrysanthemums and dub his "Sno" Queen of 1953.

Candle-Lighting Service Presented By Choraliers

By Roeo La Penta

In darkening hours of Wednesday, December 16, to exact, the Glee Clubs of Bryant College held a most beautiful and impressive "Christmas Candle-Lighting Service" in the College Auditorium. The theme of the service was chosen by Professor Henry L. Jacobs, Dean of Music and Drama, officially opened the Christmas season for Bryant, with their renditions of some of the old-time favorite Christmas Carols and Hymns.

The auditorium was illuminated with candles, the walls, and the ceiling. The students were seated in their groups, and the service was conducted by the student leaders.

The service concluded with the presentation of the Christmas Carol, "It's up to you and me!"

For the Alma Mater dear,
Ladies and gentlemen, come on;
Come on, let's fight, fight, fight.
Our Alma Mater, in any way, forever.

"Andy" Dowling Crowned Sno Queen at 1953 Sno Ball

By Joan Todd

Saturday night, December 13, locked off another year in the tradition of Sigma Lambda Pi's Annual Sno Ball, and with it, record attendance and a party to remember. This annual event awards posters each candidate for Sno Queen/Gallops at the end of the program.

The Glee Club supplied the music for this gala affair, and the events were performed by the President of the College and the Students' Council. The event was successful in every way.

The evening started off with a bang as the Glee Club performed Christmas carols as a special feature of the program.

The tea was a success and was enjoyed by all who attended.

The Tea Equinox, Beta Iota Beta, and Sigma Sigma Sigma boys remained true to their traditions as did the Chi Gamma boys with their black berets, ties, and maroon blazers and orange and gold blazers.

By Rocco La Penta

A Merry Christmas and A Happy New Year To All
**Sportin’ With The Indians**

By BERNIE GOLDSTEIN

This week in sports on the Bryant campus was a week of almost complete inactivity on the basketball court and bowling alley. The reason for this slackening off was one for all of us to reflect upon, for it may well be that the vendors of the finest Greek Letter Organizations combined in a one-day community project and sent their pledges to sixteen Student Service Organizations in this area. Among some of the charitable organizations helped were pledges from Bryant students were Salvation Army, Barber House and Alcoholicism. Approximately 150 students took part in this activity. I realize that this activity is not specifically sports; however, I believe that it deserves mention as it is placed on the Wednesday sports program. It is not necessary to mention that this was a fine thing, for from remarks gathered on the scene, I know that it was well appreciated and shall long be remembered. The only comment I have is that I would like to see this fine display of brotherhood continue through the semester and be a part of turning out pledging activities toward a “Help Week.”

By Bob Paul

**THE DAY LEAGUE**

Alpha Theta Chi sponsored by Kappa Tau is in a close contest 15-13, but led by only two points at the end of each game. Dave W silenced scored 13 points for the losers while Barry Taylor scored 12 points for the winners. Alpha Theta Chi sobbing by Kappa Tau was close when Chi Gamma Iota took the short end of a 27-29 final score. Giacotti scored 12 points on the losing side. For the winning club points for Chi Gamma Iota. Chi Gamma Iota has been playing for the last 13 days with the team on top of the league at the beginning of the season.

The only other Day League contest since the last issue of this week was new Kappa Tau over charter Chi Delta Sigma with a 21-17 score. Ball was high for the losers with 13 points. For the winners it was 31 which was high for the losers with 13 points. This game was a close one and Kappa Tau won. Kappa Tau’s 1-0 record by defeating them 41-33 with Mike Farnell and Joe Pilkun pacing the team with 13 and 14 points respectively. Dick Sine maintained his high average by netting 15 points. The Newman Club over to Kappa Tau with a 42-19 win with the points evenly distributed among the players.

**Genie Fund**

(Continued from Page 1)

The Genie Fund will contribute to the Genie fund by being helpful and friendly to the people there, more in that I am not trying to climb the Genie fund to do things stirred up by my own activities. The Genie fund is always more important than the people there, because they are the people who the Genie fund is supposed to help.

**Hill Week (Continued From Page 1)**

The “merry” of Hill Week, other than those who were writing in their little notebooks for doing work for a brother or sister or who were merrily going to do the deed by the familiar “Let’s go, let’s move!” in the week Bryant campus was the scene of the special fraternities and seniority obligations. Off campus the pledgers were parted to do some good and a bit of “Help” in the helping. Whether it was baking cakes, cooking or phoning, it was held that the pledgers discovered that “Greek Letter” is not a term of abuse in the present age and work to put a new twist to an old saying.

**KDK, Sib Win Games Last Week**

By Anne Moore

Wednesday evening, the Kappa Delta Kappa Alpha Phi Kappa met for the last game. The two fraternities were evenly matched at the half and looked as though through Alpha Phi Kappa, they still had a chance to make the difference in score.

One of their pledges, Alvey Roper, was a star in the game with the sum of his abilities. In the second game, KDK put the star on the team and the help of Vivian Langdon held Alpha Phi Kappa in their place throughout the game. The final score was 22-19.

High scorer for KDK was Vivian Langdon with 20 points. Bruce Miller for Alpha Phi Kappa 13 points.

**Baby of the Week**

This implies little boys is now one of the best students on the campus. He is a big boy, and about 6 feet 6 inches tall, and was the lead in the field for 11 hours and 30 minutes. The final score was 40-20.

Your class was high scorer for Sigma Iota Chi and Sigma Iota Beta. Sib took the lead in the first half and held it winning the game 40-20.
