One Hundred and Seventeenth Commencement
Saturday, May 17, 1980
Ten o'clock
Welcome

A most cordial welcome is extended to relatives, friends, students, faculty, alumni, and administrators who gather here today to celebrate the One Hundred and Seventeenth Commencement of Bryant College.

Academic Heraldry

The history of academic dress worn today dates back to the universities of the Middle Ages. A statute of 1321 required the wearing of gowns by all scholars and clerics. Probably the warm gown and hood were practised in the unheated buildings.

Students at most American universities wore caps and gowns daily while in residence until after the Civil War. These varied in design until they were standardized by the American Intercollegiate Commission in 1895. While the academic costume code has been modified over the years, the general characteristics of the initial requirements still prevail. The uniform system of academic heraldry serves to indicate the level of degree, the field of study in which it was earned, and the institution by which it was granted. The gown for the bachelor's degree has pointed sleeves and is designed to be worn closed. The gown for the master's degree has an oblong sleeve and can be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves with black velvet facing down the front and three bars of the same across the sleeves. However, these facings and crossbars may be in the color distinctive of the subject to which the degree pertains. At Bryant College, the president and the honorary degree recipients wear gowns especially designed and trimmed in the College color of gold.

The academic hoods are lined with the color of the university granting the degree. The border of the hood is in the color of the discipline in which the degree was earned. For example, colors associated with different subjects include: light brown (or sapphire blue) for commerce, accountancy, business; copper for economics; light blue for education; peacock blue for public administration; purple for law; and white for arts, letters, humanities.

The length of the hood varies slightly for bachelor's, master's, and doctor's degrees. Today, the hood for those receiving bachelor's and master's degrees has been replaced by the mortar-board or caps with long tassels in black or in the color appropriate to the subject. It is often the tradition of the candidates for degrees to wear the tassel on the right front side before the degree is conferred and to shift it to the left when the degree is awarded.

Harriet C. Jacobs Memorial Mace

The College mace is carried at Commencement exercises and at other College celebrations. Crowned in gold, the mace has the two dominant emblems of the institution: the seal of the State of Rhode Island and the seal of Bryant College.

The Bryant seal represents the educational mission of the College and its worldwide implications. The central symbol is an ellipsoidal globe with quills on each side to signify the traditional emblem of communication in business. In the center, behind the globe, is a torch symbolizing liberty, the spirit of free inquiry, academic freedom, and learning. The Archway, forming the background for the globe, torch, and quills, is a College landmark affectionately remembered by thousands of alumni. The Latin motto expresses the purpose of the College: "Educando Dirigere Mercatum" — Education for Business Leadership.

(All those taking photographs of graduates are asked to stand in space reserved on the left, facing the platform.)

Oh, hills of green and waters blue, 
Bryant College Alma Mater. 
Loyal sons and daughters true, 
Let us sing our praise to you!
There stands the arch of dreams instilled, 
Glory, Glory, Alma Mater. 
Beneath the dome our latent will, 
That life-long wishes be fulfilled. 
Unfurl the colors black and gold, 
Alma Mater, Alma Mater.
Linger ing mem‘ries do unfold, 
A grand tradition to uphold.
So span the orb, thy precious lot, 
Bryant College Alma Mater. 
Your infinite wisdom we have sought, 
Be forever in our thoughts.
