Running To Remember and Learn... A Lesson in Life Never to be Forgotten

Julia Arrechea and Cindy Gale
Archway Staff Writers

More than 400 runners and walkers joined forces to help promote alcohol awareness by participating in The Third Annual Kristen Hatch Memorial Road Race held at Bryant on Sunday October 4th. In addition to the participants, there were hundreds of spectators on campus to cheer on their friends and family members who took part in the days events. The day's events were sponsored by the Smithfield Lions Club and Bryant College.

The day consisted of three events—a five mile road race, a two mile "alcohol awareness" walk, and a one mile fun run. An estimated $10,000 was raised for the Kristen Hatch Memorial Scholarship Fund through registration fees, pledges and donations. In addition to raising money for the scholarship fund, the race was held to promote awareness of the dangers of alcohol abuse.

Kristen Hatch was a Bryant College junior and Smithfield resident when she was killed by a drunk driver while jogging along Route 116 in April of 1990.

David Hatch, Kristen's father said, "It was a wonderful day and a wonderful remembrance to Kristen.

Hatch went on to state it was also a day "to remember the responsibility of not drinking and driving and the responsibility of driving sober."

Before her death, Kristen was a member of the Delta Zeta sorority. David Hatch was glad to see the many Delta Zeta alumni who returned in the memory of their sister.

Mike Sands, disc jockey at 93.3 WSNF and honorary chair of the race, said, "The turnout was phenomenal. You couldn't have asked for a better day." Sands went on to state, "The community has to find something to substitute for alcohol which will be safer. He feels social changes could help make that happen.

Sands added he would like to get involved in the race again next year because he worked "a good group of people. It is a good area of support and it would be nice if other parts of the state got involved as well."

The day had special meaning for many participants, such as Richard Wasilewski of Johnston who took part in the walk. Wasilewski, a recovering alcoholic, finished ninth in the walk.

He said, "I have been sober for 17 months and I hope to keep doing the walk each year in celebration of being clean."

As a member of Alcoholics Anonymous, Wasilewski hopes to get other members involved in the race next year. "It is an excellent opportunity to thank the community for their support " he remarked.

Bryant senior Steve Anderson collected $300 in donations and had all his sponsors sign the shirt he wore in the race. Anderson has participated in the race since its inception because he feels it "heightens awareness for the new students on campus who may not realize the effects of drinking and driving."

The two mile walk started the day off at 9 am with 234 participants.

The winner was Dot Ambrose from Seekonk, Massachusetts in 27:35. The first male to complete the course was 69-year-old Al Dupree, also from Seekonk, in 29:35. Daniel Couture was the first male child to finish in 28:35, while Elaine Preston was the first female child in 29:10. Both Couture and Preston are from Smithfield.

The fun run started 10:30 at and had 67 participants. The fun run was organized by Bryant cross-country continued, Running to Remember... pages 849

The Third Annual Kristen Hatch Memorial Road Race got underway with 293 runners competing to finish first.

Spiral Award Winners Announced

by Bill Baker
Director of Purchasing

The Council of Administrators established the Bryant Community Spirit Award as a means of recognizing up to three College employees who have gone above and beyond the call of duty and made their presence felt in the Bryant Community.

The Bryant Community Spirit Award Committee has selected Jean Dominici, Roberta Hysell and Nadine Schiavo to receive this award.

At the time of her selection, Jean Dominici worked as a Secretary assigned to the Human Resources Department. She was known to all as the College's "Routing Secretary." She is a bright, witty individual who is able to step in and handle a myriad of tasks. Jean exemplifies the spirit which we crave at Bryant. Her sunny disposition and cheerful attitude inspired both office and students to stay with her during Christmas break when they had no where else to stay. Some students continue to stay in touch with her years after graduation. They have great respect for her honesty and dedication to helping them.

Nadine Schiavo, Assistant Director of Residence Life, is focused on community development. She has been an active member of the AIDS Task Force and participated in Yield

Runners in the five mile race turn onto Route 7 to begin the race.

From left to right are Jean Dominici, Nadine Chivavo and Roberta Hysell.

Receptions. She is responsible for many of the programs found on campus. Nadine promotes an educational atmosphere with programs on alcohol and other substance abuse, date rape, safe sex, improvement of study skills and time management. On the lighter side, she stresses the importance of relaxing and social activities. Her day to day activities contribute directly to the benefit of the Bryant Community.

Applications to nominate employees for next year will be available in the library, at the reception desk, and at the Info Desk at the Bryant Center in January.
Fogles, Maxwell House, Taster's Choice, Dunkin' Donuts. Who’s offering what for free? In common? Yes, they are names of a product most of us cannot function without in the morning. No matter what brand you prefer, there’s nothing like coffee to get you going. Coffee in the morning has become such an important American society that many companies offer free coffee in their dining room or in their offices.

Bryan College used to be one of these “companies.” But for members of the Bryan College faculty and staff, free coffee is a thing of the past. When the administration announced cut-backs as “cost-saving measures” this summer, free coffee was one of the things on the chopping block.

Many professors and staff people have complained about the lack of free coffee. On the surface, it seems like a trivial matter, but take a closer look.

What does free coffee really mean? Small things like free coffee are known as “perks,” or little niceties that come with the territory of a given job. In most cases, perks include freebies or access to something.

But is the gripe in this case about money? Do companies offer it to their employees because they feel the employees cannot afford a cup of coffee at their jobs? Of course not!

The problem is: free coffee in the faculty dining room used to give the professors and staff people a common place to gather for coffee breaks. Because the coffee was free, anyone could pop in for a cup at anytime, even on the go. As one professor tells, free coffee led to important interactions. You might run up, grab a cup, and run into someone you hadn’t seen for a while. Or you might have some informal conversation with someone you hadn’t seen in a while. Or maybe you saw some new faces; this was the perfect informal arena to introduce yourself. But now, what’s the sense in running to the faculty dining room to buy a cup of coffee when you could make a whole pot for almost nothing in your own office? So much for employee bonding.

The hierarchy calculated the number of dollars the college spent annually on the free coffee and calculated it would have to give it up for the “good of the college.” In every business there are cuts that can be made to save money. But in the case of Bryan College, many people have said that money is spent on a lot more foolish things than coffee; But it seems that the administrators already agreed to do a lot of changes in the area of employee wellness. In that case, aren’t the employees already saving the college a bundle this year?

One has to wonder if the annual coffee expenditures could really cause the college to go broke. With an endowment fund as heavily endowed as Bryan’s, the very idea sounds ludicrous. However, the high opportunity costs of morale and employee interaction may be important enough to go broke in more crucial than finances. Does the cost of the coffee grounds really outweigh the opportunity costs?
Are "Public Safety Officers Qualified in an Emergency?"

To the Editor:

On Sunday, October 4, Public Safety was called for a motorcycle accident at the old townhouses, at approximately 3:45pm. Public Safety arrived shortly after they were called. The response time was excellent, it was the way they handled the emergency which was the problem.

Being a trained first responder, I am qualified to deal with emergencies. Although Public Safety did not know this at the time, they did allow me to continue to immobilize the victim head. When they arrived on the scene, I could sense confusion amongst the officers. One of the officers asked me if the victim was able to talk and breathe. I answered yes to both questions. After that, one of the officers suggested taking the helmet off of the victim. Even though it posed no danger, taking the helmet off could have amplified any damage already done to the victim's neck and spine. There was no immediate need to remove the helmet, since the victim was able to talk and breathe on his own. The helmet was left on the ambulance. Shortly after, another officer suggested rolling the victim onto his back. At this point I realized there was no "one" person in charge. There was a lack of necessary communication, which was quite obvious. One of the officers said the victim pulse was strong. Another asked "what was the pulse?" The officer said "the officer didn't know, I didn't take the pulse, I just checked to see if he had one."

As a student and a person who has dealt with many types of emergencies, I was dreading to see certified Emergency Medical Technicians were unable to handle the situation in a professional manner. I felt the officers were second guessing their abilities, which can not happen in such a situation if things are to go smoothly. No officer directed the students nor the traffic of what was going on.

A resident assistant put himself in charge of traffic control, knowing an ambulance was on the way. The professionalism one would expect was absent. The thing I found most appalling was the suggestion to remove the helmet or to move the victim on his back. It is common knowledge, an injured person should never be moved, unless they are in a life threatening situation.

After the display I saw today, I do not feel any of the Public Safety officers at the scene were qualified enough to be considered EMT's.

Sincerely,
Douglas G. Tucker

Public Safety Beat

Compiled by Mark Gordon

Motors Vehicle Accident

On Sunday, October 4, 1992 at 3:45pm, the Department of Public Safety (DPS) received a report of a motorcycle accident in front of Townhouse C-2. Upon arrival, the responding DPS Officers found the motorcycle laying on the roadway at the base of the entrance to the old townhouses. The motorcycle was found on its side, a short distance away.

According to witnesses at the scene, the vehicle was making a corner just prior to exiting the townhouse village at a low rate of speed, when he appeared to have lost control. The bike hit the curb and appeared to have fallen on its left side, on top of the victim and slid for approximately sixty feet.

The victim received medical treatment from DPS as well as Smithfield Fire Department and was transported to a hospital for further treatment.

The vehicle, towed off campus, had sustained damage to the front bumper, front fender, and left side. The tow truck employees attempted to locate the victim's family members, but was unable to reach anyone. He was not able to notify the police in the victim's town so that the family could be notified.

Alcohol Confiscation

On Friday, October 2, 1992 at 10:12pm, A DPS Officer was on foot patrol when he observed two male students carrying three (3) cases of beer outside Residence Hall 13. The officer requested that the students produce identification. Neither student was carrying any identification, but both stated that they were under twenty-one. The beer was confiscated and destroyed. Both students were very cooperative.

Student Conduct

Sunday, October 4, 1992 1:20am

Two students were on foot patrol, walking by Hall 16, when several rocks were thrown toward them from the Townhouse A Block area. The rocks almost hit the officers and students walking in the area. At this time, the DPS Officers noticed four individuals on the townhouse roof and observed them enter the townhouse through a second story window. The officers entered the townhouse, being given permission to do so, and questioned the individuals about this incident. However, all subjects denied throwing any rocks and being on the roof.

The DPS Officers requested that the Resident Director on duty report to the scene. The subjects continued to deny the actions and were very uncooperative during questioning.

Safety Tip of the Week

Avoid walking back from a parking lot alone late at night. Take advantage of the Department of Public Safety Escort Service. Simply open the Emergency Call Box in Parking Lot C-3, push the button and wait for an officer to answer your call. And Remember always park your car in a well lighted area when out at night.

Students for a Safer Campus (SSC) SSC will hold its Fourth Annual Crime Prevention Fair in the Rotunda on Wednesday, October 14th, from 1:00pm to 3:00pm. Exhibits from various crime prevention agencies along with those from colleges, universities, and Rhode Island police and fire departments will be set up. This will be an excellent opportunity for you to enhance your awareness programs for students, employees and family members. Help us celebrate National Crime Prevention Month by attending our annual fair.

This Past Saturday with Someone Special...

by Timothy J. Busa

I woke up at 8:00 a.m., which is, admittedly, for a Bryant student on a weekend day—unusual, but my parents had some housework to do and there was no on-campus activity. This day was marking the beginning of new and meaningful long-term relationships which will last for at least a year. (I may seem to you more than a proponent, but read on, O' curious one.)

After nothing through my morning rituals, I arrived early to Bryant Campus for my long awaited date. When I arrived, my date was highly involved in a soccer game, but still I received an excited wave soon after joined beside me. My date's team won their game and high spirits prevailed when we left the soccer field for Bryant College. This was truly going to be a day that I will remember for years. You see, my date is no ordinary person, but rather a very special nine-year old boy that I've been "matched-up" with through Big Brothers of Rhode Island. I've been with the program for more than a year now and looking back, I can find nothing in my life that has been more personally rewarding. Sure, I'll admit that some weeks I am extremely busy and it is difficult to find the time, but three well-spent hours in a whole week? Come on, I tell myself, I'll just stay up an extra half hour each day this week to make up the difference. The difference that those three hours makes to that boy is far beyond anything that I could deprive him of.

Battle of the Bands '92

All bands. Play at the Unhomecoming Battle of the Bands on November 21. Send demo tape to S.P.B. Box 10. Selected bands will play. Winner will open up and be paid for Spring Weekend.

Bryant Grad Receives Director's Award from the SBA

Marguerite Phillips
Archevay Staff Writer

The list of accomplishments for Richard J. Brussard, Sr., goes on and on. It is no wonder why he is a recent recipient of the 1992 Small Business Administration's (SBA) annual district Director's Award. Brussard was honored for his fantastic record of contribution to the small business community of Rhode Island. What the thought of "small and insignificant" because of his "general involvement in the business community," obviously was not the general feeling of the SBA or the Rhode Island Small Business Development Center.

Brussard is the President of NOWco Inc., a same-day rush delivery service for businesses. The company is the largest courier of its kind in RI, and is soon to be in Massachusetts as well.

Brussard has an undergraduate degree from Bryant and a graduate degree from Northeastern University. According to Brussard, "Bryant has played a significant role in NOWco Inc."

After discovering the business concept, Brussard went to the Bryant Small Business Development Center and the center provided him with a marketing and banking consultant, and "assisted in a marketing and financial plan" for the company. Students worked eight to nine hours stuffing envelopes to mail, announcing the start-up of the company.

Before he founded the company in 1985, he was a consultant and a corporate traffic manager for Prime Computer for eight years. Brussard has been in the transportation industry for 25 years, and has held several corporate shipping and traffic-management positions.

When it comes to the community, Brussard has been very involved and influential. He currently serves on the chair of the advisory council of the Rhode Island Small Business Development Center of Bryant, and is active with national and regional transportation associations.

In addition, Brussard is a practice with the Interstate Commerce Commission and the Federal Maritime Commission, and is actively involved with the Greater Providence Chamber of Commerce and the Leadership Rhode Island program. Lastly, he is on the Board of Directors for the Rhode Island Anti-Drug Coalition.

Brussard recommends to any student who may want to be entrepreneur first "put pen to paper." This helps facilitate the "thought process" and "solidifies the commitment" if plans and ideas are written down. Also, don't give up, says Brussard. "Perseverance is a large part of being an entrepreneur."

S.U.D.S. Weekend Review

Lisa Lacchetti
Archevay Staff Writer

The Students Understanding Drinking Sensiblely weekend essentially had an outstanding turnout. Health educator, Doris Horridge, states that there could have been bigger audiences at the functions, but because S.U.D.S. is a new program it got off to a slow start.

"However," she added, "the walk and the race had an inspiring turnout."

The weekend began with a kick-off by Joan Hatch. Mrs. Hatch began by saying, "If you want to know who Kristen was - look beside you, Kristen was one of you." Horridge commented, "Joan Hatch is a courageous woman. Her introduction of Kristen had a strong effect on everyone. It set the tone for the weekend."

Both Joan and her husband David are involved in a lot of community service work. They help coordinate the SADD summer national training session at Bryant and are involved in other programs such as MADD.

Joe and Georgette Sweet, concerned Smithfield residents, are in large part responsible for the organizational aspects of the annual Hatch race.

Mr. Sweet has been responsible for organizing the course and publicizing the race. Mrs. Sweet parentheses local businesses for monetary and prize contributions.

Along with the Hatches and the Sweets, several others helped make S.U.D.S. weekend possible. The cross country team filled the water containers and volunteered to distribute the water to the walkers and runners. Public Safety coordinated the traffic and road blocks with the Smithfield Police Department, and also helped to control the crowd.

The athletic department donated door prizes and SADD made a donation to the Kristen Hatch Scholarship Fund. Student activities, residence life, and the resident assistants also contributed to this weekend's success.

Bryant senior, Melanie Samualson commented, "This weekend went well. It was good to see the people at the different functions were looking for an alternative to drinking. Most people seemed to get the message."

The main message of S.U.D.S. and the Hatch race was, "Be responsible for your actions. If you drink, don't drive. Or if drinking creates problems for you, then don't drink." Horridge concluded by saying, "The message was well taken. The people who participated in the weekend events were very genuine in their feelings."

FREE SPRING BREAK TRIP

S.P.B. Spring Break Survey

WIN A FREE SPRING BREAK TRIP...Fill this survey out and mail it to S.P.B. (Box 10) by Friday, October 16, and be entered into a drawing for a free Spring Break Trip from S.P.B..

1. Where would you most like to go for Spring Break?
   1. Cancun
   2. Bahamas
   3. Jamaica
   4. Other (specify)

2. What is the price range that you are looking to spend?
   1. $550-650
   2. $650-750
   3. $750-

3. What is the possibility that you will go on a Spring Break trip this year?
   1. Not all
   2. Slight chance
   3. Probably
   4. Definitely

4. If you are planning to go on a trip, how likely is it that you would go with S.P.B.?
   1. Definitely not
   2. Slight chance
   3. Probably
   4. Definitely

5. Name
   Phone Number
   Box Number

Rules of the drawing:
You may only enter one survey per person.
Prize not transferable.
Prize contingent upon S.P.B. having enough deposits to have trip.
In case of multiple entries, all entries by that person will be disqualified.
Winner will be drawn from all valid entries on Monday, October 26 at the S.P.B. meeting. Winner must be a member of the Bryant College Community.
**Discrimination Occurs—Even at the Top**

by Cadee Missy Meagher and Keith Metters

This past August while most Bryant students were enjoying some summer rays, we were at sunny Fort Benning, Georgia in processing at the US Army Airborne School. The Airborne School is a three week course consisting of three phases: Ground Week, Tower Week and Jump Week. The ultimate goal is to make five successful jumps from an airplane while in flight from 1200 feet.

Along with the obvious physical activity, candidates are pushed mentally. Airborne training is serious because of the danger involved. The Black Hats (equivalent to drill sergeants at Basic) try to make you quit by pushing you to the limit. This is how those students who are either not cut out for the school because they lack the inner strength and confidence needed, or simply those that don’t want it had enough, are weeded out.

The highest motivating factor for us while at Airborne School was being told constantly that we were only a "leg." "Leg" is a derogatory term which means someone not be Airborne—like a second class citizen. It was meant as an insult and taken as one. We decided that the only way we would go back home without our Airborne wings.

Ground week consists of qualifying on two events. One is a thirty-four foot tower which simulates existing the airplane. Four perfect exits are required before moving to Tower work. The second is executing a sex number of correct parachute landing falls (PLF). Landing the proper way is one of the most important things to remember when jumping from an airplane. The majority of injuries (i.e., broken legs and ankles) are due to incorrect parachute landing falls.

Tower week starts by successfully qualifying on the Swing Landing Trainer, a training apparatus that simulates what an actual parachute fall feels like.

Dropping from the Swing Landing Trainers twelve foot platform shows you just how hard the landings can be.

The second event is another thirty-four foot tower in which you must successfully complete combat exits, exit with MC-1 and T1 parachute, and exit from both types of airplanes that are used when jumping (C130 and C141). Last of all, before heading to Jump week candidates must qualify on a 250 ft free-fall tower which enables the student to practice maneuvering the parachute during descent.

Jump week consists of three days to complete five jumps, out-processing on Thursday and Graduation on Friday.

Jumping include one night jump, two combat jumps with full equipment gear, and two hollywood jumps. The Hollywood jump is one without any equipment, other than your own. At the reserve of these two the student must show that he or she was complete with a MC-1 parachute, a storable parachute.

If you are looking at a career in flight in is an experience that is unmatched. With all your senses focused and your adrenaline flowing the words "stand in the door" is the only thing between you and the ground. The intense training leaves you so prepared it almost seems easy.

Jumping from an airplane while in flight is in itself the single most exciting thing we have done. Being Airborne allows you to discover a new level of confidence and pride within yourself, to the extent that you feel you can accomplish anything.

try and track coach Charles Mandeville and Bruce Ewart, the cross country coach at Smithfield Junior High and the track coach at Smithfield High School.

Pumpkins were donated and were given to all participants in the run. In total, 55,000 words of prizes were donated.

The five mile road race was kicked off at 11 am by the honorary chair of the race, 93.3 WSNE disc jockey, Mike Sands. Bryant President William E. Trueheart asked before the start of the race for a moment of silence to remember Kristen, Trueheart stated, "The Bryant Community has shared the Hatch's pain, but has been inspired by their courage.

President Trueheart went on to thank Joe and Georgia Sweet for their "countless hours" of dedication and hard work to make the race a success for three straight years. The Swears are Smithfield residents and members of the Lions Club who have organized the race for the last three years.

There were 293 runners in the race including 12 Bryant students and eight local police officers. The top male race finisher was Jose Maracano of Cranston, RI, crossing the tape in 26:18. The first female to finish the five mile course was Annmarie Marino of Cumberland, RI in 29:53.

The race results were broken into 15 categories. The Masters Category was for those 40-49. The male winner was Bert Allen from Piscataqua, RI in 29:03. The Masters female winner was Elaine Sockeck from Barrington in 31:57.

The Senior category was for those runners 50-59. Leo Tomasetti from Johnston was the male category in 29:23 while Nahaim, Massachusetts resident Barbara Robinson came in at 36:51.

There was also a Veterans category for those 60 and older. Harry Elgar from Smithfield completed the course in 33:23 while Middletown, RI resident Mary Sweet finished in 44:03.

There were also awards presented to the first Bryant College students to cross the finish line. Junior Tom Gaspar finished in 29:14 and senior Michele D'Aresta completed the course in 44:15. Daniel D'Ancona, the lone Bryant faculty member who took part in the race, came in 258.

There were also awards given to the first Mansfield, Massachusetts residents, Kristen's hometown. Lions Club members and law enforcement officials were also awarded.

This year's participation was down from previous years for a variety of reasons. The race was competing with a race in Attleboro where they were giving $12,000 in prize money. Although Attleboro's prize may have seemed more tempting, they didn't have as many participants as the Hatch race did. Organizer Joe Sweet from the Smithfield Lions Club stated, "That shows how strong the cause is." Sweet went on to state an organizer from Attleboro's race said he would like to help with next year's Hatch Race, and wants to make sure the two races aren't taking place on the same day.

Although registration was down, they recovered well in the final few days thanks in part to Joan Hatch. She spoke to Bryant students last Friday to kick off S.U.D.S. weekend. Sweet stated, "Her speech helped rally the troops at Bryant."

Next year, Sweet hopes to add a 5k course to the events since Bryant has one of the best cross country sites in the country. This addition, he hopes, will be more appealing to college and high school students.

Other reason for the decline in registration is that racing interest is down in general.

Reportedly, the layoffs of key personnel at Bryant and the Keg protest last month also hurt the interest in this year's race.

The race was sponsored by the Smithfield Lions Club, Bryant College, Mothers Against Drink Driving, McDonalds, Susse Chalet, 93.3 WSNE, Gold's Gym of Smithfield, Uves, The Delta Zeta Sorority of Bryant College, L&Bie Shoes, Polaroid, Coldwell Banker Gold Realestate, The Archway Bryant College Student Newspaper, Computer Guard, New England Campus Consortium, Jeannette, and the Cavanagh Company.

Mike Sands, honorary chair from 93.3 WSNE, crosses the finish line of the two mile walk.

At the awards ceremony following the race, President Trueheart gives his thanks to Joan and David Hatch, Kristen's parents.

Archway Photos by Erika Baumgardner, Michael J. Boyd, Kelly Cartwright, Angelo Corradino, Lisa Lucchesi and Mark Plihek.

"I have been sober for 17 months and I hope to keep doing the walk each year in celebration of being clean."

— Richard Wasiszewski, Recovering Alcoholic

Jose Maracano crosses the finish line and returns home the winner of the 1992 five mile race.

Ray Mancrieffe takes a relaxing breath after he came across the finish line.
Tom Gaspar, the first Bryant male student to reach the finish line said, “Yes, it’s a great cause both for Kristen Hatch and Don’t Drink and Drive Weekend. It was also a great idea to combine it with S.U.D.S. weekend.”

There will be an Ethics Seminar held on Tuesday, October 20 from 7-9 p.m. in the Papitto Dining Room. The moderator for the evening will be Bryant's own Business Ethics professor, William Haas and he will discuss International Business Ethics. All are welcome and invited. The event is co-sponsored by the Rhode Island Chapter of the Alumni Association and the Student Alumni Association.

If you are planning to complete degree requirements in December, please check the listing outside the Records Office to be sure your name appears.

Preregistration Alert
Preregistration for the Spring '93 semester will begin on October 28th. Degree audits and course offerings will be available for pick-up as follows:

Seniors: 7:00 a.m. Week of October 19th
Juniors: 5:45 a.m. Week of October 28th
Sophomores: 3:25 a.m. Week of November 2nd
Freshmen: 1:00 a.m. Week of November 9th

Please bring your student ID to the Records Office. Duplicate audits and packets will not be available.

"You don't know me, but you probably know my big brother; he's that guy in your class that went to one of those other charter places. Boy, was he 'toot' off!"
Actuarial Association
by Nanette J. Baciak
The first meeting of the semester will be held on Thursday, October 15th at 7pm in Room 2A/B of the Bryant Center. New members are encouraged to attend."}

Alpha Phi
by Ann Piccone
Another great weekend is gone!! Our Alumnae were up and we all had a great time...it was awesome to see them and it felt like they never left! The weekend started with a gathering on Friday, many thanks to those who helped. Thanks to Delta Chi and KOR for the weekend events...it was a blast!! Many thanks to Michelle and Danielle for a job well done!! In words six IT, space Whinks, S.O.T.W. Shoes, Congress gala! Thanks to KT for Monday Night Football, we all had a great time!! On October 19 and 20th Alpha Phi will be sponsoring a 24 hour Swing for Heart to support the American Heart Association. It will take place outside of the Bryant Center. If anyone has questions or needs info contact a sister. Thank you!

Beta Sigma Chi
by Jim Duvan
Beta had a big bag. We would all like to thank Lester’s mom for providing entertainment at the annual raffle on Wednesday. Congratulations to everyone who has received an interview! Beta put a leash on the Dows in a 32-18 bickering. The first injury of the fall football season was registered when the blindfolded the helpless Peacemaker. We’re all hoping for his speedy recovery. Likewise, Sgt. Vicious moonstruck, was nearly paralyzed by Syd in 11 game v. Delta. Patty gets the churning award for the week. To all rishes, good luck in what’s to come! Phi Kap, we’re coming to get ya!

Delta Chi
by Michael Prestach
The past week was another busy week for the brothers. Things started off Friday night with a trip to Wrights Chicken Farm as we searched for something better than ABF. The night continued on with brothers going to Kappa Phi as well as our own floor. Saturday was spent at Lincoln Woods, with alumni bearing the brothers 3-4 in softball. Saturday night we had a social with a bang and to Alpha Phi as well as attending Phi Pi. Thanks to all the alumni who showed up this weekend.

BHC
by Julie Finello
Hello again! As you may have already known, this past weekend had a loaded weekend of meetings. We have discussed such things as this year’s coming election and committees and chairpersons. This year, BHC is pleased to announce that we will be working with the New Life Worship Center, located in Smithfield, to help us with our Thanksgiving baskets. With our combined efforts, we hope to be able to extend aid to more needy families in the area. We’d also like to thank in advance all of those faculty members who participated in sponsoring this event. The morning will be participum in the American Heart Association. It will take place outside of the Bryant Center. If anyone has questions or needs info contact a sister. Thank you!

Delta Zeta
by Jenn Lopes
and Audra Rodgers
This past weekend’s Kristen Hatch Memorial Road Race was a great success. Thanks go out to everyone who showed their support by running, walking or volunteering. We would also like to sincerely thank Delta Chi for helping us! This was a great evening, we truly hope that many more will join in next year.

Finance Association
by Matt Sprague
There will be a meeting today, Thursday, October 8, at 6:00 in the Pizazz dining room. At the last meeting, we announced the upcoming reunion workshop on October 25th. This speaker, Mr. Russell Mills, would like to customize this presentation to the questions you have.

Kappa Delta Rho
by Tom Fociler
Well the league was quiet this week. We’re worried it won’t take that long to heal. Last weekend we had to work with some alumni standout. There was Suff, Ricky, Chip and Stefano who made his guest appearance. We would like to thank you Sig Sig for the picnic last week.

Phi Kappa Sigma
by John Law
Hope everyone had a good week, because we sure did. Our A-team seems to be starting off a bit slowly despite the efforts of Shank Marine and Ken Irvin. O.F.C. is looking cont, Campus, page 12

Phi Kappa Tau
by Devin Cogrove
Alumni are good for something other than damage after all. This was proven as one of our alumni from the mid 70's took the entire fraternity and a few preferred guests to the Mandarin House. The brothers have been busy with interviews all week long. Quote of the week: "Doesn't anyone have change for a ten?" KT top dog!

SAA
by Jennifer Kulisz
Thank you to everyone who attended Thursday's meeting. We realize everyone is busy so if you are unable to attend a meeting, please give in touch with one of the executive board members and we will fill you in. Just a reminder - Chairman

Do You Have Plans for "The Weekend?"

I am not referring to just any weekend, but to Parents' Weekend. Bryant College's Parents' Weekend is October 16, 17 and 18th. In keeping with the traditions of this annual event the Student Senate has planned three days of fun-filled activities for students and parents to enjoy. There will be athletic games, comedians, singers, various artists, the huge craft fair, plenty of food, and much more on campus throughout the weekend.

I am hoping you all plan to participate in many of the activities, but to make the weekend a success it takes careful planning and lots of volunteers. If you are interested in volunteering before the weekend and more importantly during the weekend please return the form below to the Senate Office or Box 5.

We need your help! I hope to hear from you!

Andrea Howie
Parents' Weekend
Chairperson 1992

Tau Kappa Epsilon
by Pete Pappas
Mike Stambaugh
We'd like to thank Theta for a good time Friday night at Concrip, hope to see you soon. And if anybody's looking for a good time this weekend, all the TKE brothers will be on their floor.

P.S. "Hey Bert, did you move any trucks lately?" "Stan has been doing a good job. Rutes are people too." "Yeah Bruno!"

WJMF
by Kerry Anderleiko
Did you know WJMF is celebrating 20 years of broadcasting? Since 1972 WJMF has gone through many formats and even a few frequency changes. But today WJMF plays loud and proud at 106.7.

Some of the new and continuing features include an extension of the broadcast hours. If you thought you were the only one up at 7:00AM, tune in WJMF for some early morning shows to include news, sports, and weather.

The WJMF Spring Time Show continues this year on Tuesday nights from 8-10PM. The coming weeks include the毗邻, Hills & Nash, The Cure, and U2.

To learn more about WJMF, come to the weekly meetings held every Tuesday at 4:30 in room 2B of the Bryant Center.

The WJMF Fall schedule in this issue of The Archway.

SPB
by Tommy St. Pierre
The Student Programming Board is getting plans for Unicon coming underway. Our next meeting will be Monday, October 10th at 5-50 in the Bryant Center, meeting room 2B.

Our next movie will be "Medicine Man" on October 25th at 7:00 and 915. Look for the Spring Break trip survey in this issue. Everyone that fills out a survey will be entered into a drawing for a free trip. Please send the surveys to SPB Box 10 by October 16th.

Tau Epsilon Phi
by Walter J. Berry
We, as a fraternity, would like to thank everyone who contributed a donation to Junior. He's doing better thanks to your efforts.

We would also like to thank Tri Sig and Phi Sig for a successful and enjoyable social event. In sports, TEPOR was victorious over KIPE. Kevin had a nice touchdown, and Chris chipped in a field goal. Everyone played great, congratulations. Dik's team has furthered their winning streak and are now 2-2. TEP-A has a few games coming up this week including KDR Tuesday. We are looking for big things from the offense, my mistake... we are looking for anything from the offense. Slick was the week's MVP and big scorer.

Sigma Sigma Sigma
by Carolyn Colfino
Guess what! We found the missing seven pledges, but we have decided to keep them for ourselves: Gina, Mary Ellen, Jennifer, Karen, Mary Deanna, and Kristin.

Good luck to all the new sorority pledges and to the future fraternity pledges of this semester.

Theta went their first football game last week-Thanks Theta for letting us play on your turf.

Happy Birthday to all those who had a birthday over the summer and during the first month of school. Quote of the weekend: "If I had no reality..." See ya!

The Ledger
by Susan Cameron
First off, I would like to thank everyone for attending the meeting last week, especially the two newcorners - Channa and Susan. I hope all of our meetings have such good turnouts like the last.

Congratulations goes out to the new section editors - Kristen, student life, Kim and Susan, senior section; Patrick and Steve, sports section; Cash, faculty and administration; Rachel, Greek life, and Dawn, clubs and organizations.

Senior portraits are coming up soon to seniors - Be Aware Of Deadlines! Senior portraits will be taken from Oct. 13 - Oct. 23 in the Ledger Office (3rd floor of the Bryant Center), from 10:00 AM - 5:00 PM. Sign up at the Info Desk and ASAP!! (Note: a $50 sitting fee is required at the time of the sitting.)

New members are always welcomed! Let us know how you can help.

Women's Field Hockey
by Becky Hirth

Hello everyone! Well, we had our first game Thursday, October 1st at Dean Jr College. The team is looking good. Keep up the good work ladies.

Our next game is Thursday, October 8th at Wheaton College. Let's win this one.

We had a Comfort Night Wednesday, Oct. 7th with DJ Joe Goddard. Thank you Joe and to all that made it up there.

Hope everyone has a nice, long weekend. We'll see you back here for our first home game Wednesday, October 14th against WNEC at 4:00. Please come and see us in action!

Women's Rugby
by Sandy Pelletier

Hi everyone! Congratulations are definitely in order for our first league win this season, shutting out Tufts University 5-0. Tufts did not know what hit them...awesome run Kell! Granted we were a little intimidated by our opponent's aggressive tackling and warm up drills when first arriving, but as soon as we walked onto the field we were ready to show them what Bryant women rugby are made of! We definitely took Tufts by surprise and we will do the same to our future opponents.

Our next scheduled home game against Bridge-water has been postponed tentatively to next Thursday, October 15. We hope many fans will come out to cheer us to victory. Until next week, keep on rucking!

Wednesday October 14, or Tuesday October 20. Both at 3:30-4:00 pm in Room 246.

For further info, see Dr. Deluga, Suite F, tel.# 232-6279
Men's Rugby Defeated

The men's rugby team was defeated by the United States Coast Guard Academy 24-10 in their home game last Saturday. Pictured above, Greg "Arizona" Schneider is tackled as he tries to make a run downfield in the game on Saturday.

Freshman Sets Time Record

Yesterday at Assumption the team continued their winning ways as they defeated them 6-3. Key winners were Colleen Dykes at #3 singles, Tabitha Kent #4, Mara Levey, and Sharie Poulin #6. In doubles Dana Tessier/Amy Polatsek and Colleen Shepard/Heather Donahue teamed up to secure the win for Bryant. St. Anselm's handled the team it's only loss of the week 6-3. Winning matches for Bryant were Tabitha Kent at #4 singles and Mara Levey at #5.

They would then team up to defeat the #1 doubles team and Colleen Shepard and Heather Donahue were also victorious at #3. The lady Indians defeated St. Michael's 6-3 on Sunday with wins from key players. Number three Colleen Dykes won easily 6-1, 6-3 and Sharie Poulin won 6-1, 4-6, 6-4.

Saturday the team played Merrimack and won 7-2. Heather Donahue, playing #1 singles, played well against the undefeated rookie. Tabitha bounced back after losing the first set 6-2 to win 6-2, 6-4, at #4.

The doubles team of Dana Tessier and Amy Polatsek also played well locking up the win for the lady Indians. Against UMASS/Lowell on Friday, Mara Levey set a record for the quickest win in Division II tennis as she defeated her opponent 6-0, 6-0. Dana Tessier, playing at #2 singles, won a tough match 6-2, 7-4(7-4).

The team of Colleen Shepard and Pam Bowman played in the #1 doubles slot and won decisively 6-4, 6-4. The team is now 7-2 overall and 5-1 conference. If they do well next week they will pose a threat to the opposition in the upcoming tournament.

The team is home today at 3:00 against Stonehill. They will then travel to URI on Sunday.

Amy Polatsek hits a ball down the line in her match against Merrimack last Saturday.

The women's tennis team continued to have success as they won four of their five matches last week.
Men’s Cross Country Looks Toward NE-10 Meet

Angelo Cerradino
Archway Sports Writer

The men’s cross country team had a strong showing on Saturday as they placed third in the Tri-states. Finishing 13th overall and first for the team was Michael Walsh with a 28:34 for the five mile run. Coming in at a close second, 12th overall, was Pete Gosselin with a 28:34.

"The team did very, very well last year we finished sixth in this race this year we jumped all the way up to fifth," coach Harry Smith said.

"We beat two teams, WPI and Quinipiac, who beat us quite badly last year," we're really improving," other scorers for the Indians were Tom Gasparski 29:36, Mike Ricci 30:27, Brent Cullene 32:54, George Johns 32:23, and Jeffrey Vlacich 33:04.

"Being led by Tom Gasparski, Pete Gosselin, and Mike Walsh with strong performances from Brent Cullene, Mike Ricci, James Hall, and Mark Livingston, we're making a strong top seven."

Other finishers for Bryant are:

- Steven Michaud
- Paul Daly

Three runners dropped out of the race for the Indians and are all expected to be back soon. The only major injury is one to Mark Livingston who has a slight pull in his hip. The other two dropped out because of the heat. The NE-10’s are going to post better and better performances from Brent Cullene, Mike Ricci, James Hall, and Mark Livingston, we're making a strong top seven."

Women’s Soccer Still Struggling

Angelo Cerradino
Archway Sports Writer

The women’s soccer team dropped their record to 0-6-1 with three losses last week. On Monday against Franklin Pierce the ladyIndians were defeated 0-4 despite playing well. Franklin Pierce’s first goal came at 24:14 in the first half; they scored again 4:00 later. Bryant then held them until 14:29 into the second half, the final goal came late in the second half.

Freshman Michelle Osborne was injured late in the game and is expected to miss some upcoming games.

"The team also had a rough loss on Saturday losing to Merrimack 0-1, on a goal scored with 9:46 left in the game."

"In the last two games, against Merrimack and Franklin Pierce, we played exception," coach Ribeiro said. "We can play with anyone.

Bryant handed Bryant’s first loss of the week on Thursday. The lady Indians were able to hold Balkos for the entire first half, but four second half goals were too much for them to overcome.

"They made an adjustment after the Balkos game and have been playing better, Ribeiro said.

"If they continue to play this way they will make the NE-10 playoffs. Everyone is playing well according to coach Ribeiro- the only real stand-outs are Keil Gibbons, Mavee McCallery, and Debbie Zuber. It's been a team effort."

The one major difference according to coach Ribeiro, is the addition of assistant coach Chris Gaty.

"He made a big difference on the field as well as emotionally," Ribeiro concluded.

The team traveled to New Hampshire College yesterday but the results were too late for publication.

Women’s Cross Country Takes Second at Tri-States

Angelo Cerradino
Archway Sports Writer

The women’s cross country team placed second, behind the United States Coast Guard Academy, at the Tri-States, held here at Bryant last Saturday.

Leading the way for the lady Indians with a second place finish overall was Mandy La Pierre, posting a 20:26 for the three mile race.

"Mandy never runs well in the heat, that’s her parents told me," coach Charles Mandeville said. "But she sure put it together and came in strong for us."

"We’re pretty strong but, we also changed the way we have been training this year," Mandeville said. "Last year we started out like gang busters with a two week warmup at the start of the season."

Barbie our double speed workouts. Your going to see the times come down over the next couple of weeks, as a result.

Baseball Ready For R.I. Classic

Scott Gara
Archway Sports Writer

This upcoming long weekend will feature a tournament among all the Rhode Island teams. With perennial favorites Providence College facing Roger Williams, the quarterfinals look stronger than ever.

This single elimination setup will include Bryant College baseball the University of Rhode Island, Brown University, Avilas Williams, and CCSU facing Rhode Island College, on Tuesday, the tournament will begin.

The four winners will square off in the semi-finals at Providence College on Saturday, and the championship will be played on Sunday.

In a warm-up last week, Bryant beat Rhode Island College 7-6 on Tuesday. Led by seniors Andy Harrigan and Scott Gara, both two for two, with two RBIs and two runs scored, the Tribe rallied by scoring four runs in the second.

Harrigan got a key two out hit scoring one, and Gara followed with an RBI single to right. Both men later came around to score.

Freshman David Powers also propelled the Indians, by going two for two on the day. Dermo Holmes, giving up one run in ten innings, and Andy Stanb hurling three innings with only one run scored, were both relieved in the sixth before Rhode Island came back. The victory may be the stepping stone Bryant needs going into the tournament.

DIAMOND DUST: The Tribe, looking for their first Rhode Island Classic trophy, will have a great opportunity in achieving their goal this time around.

Co-captain T.J. Johnston will be given the ball Friday as start Bryant’s chances. A stacked lineup including Dave Carey, Scott Stappleton, Keith Wallace and co-captain Dave Doyle, will supply the offensive power.
